### III. CONFERENCE RULES OF ORDER

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Committee on Conference Arrangements. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of his/her appeal.
- Rule 3: All resolutions, motions, amendments, and substitute motions presented at the Annual Conference shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.
- Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.
- Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:
1. To fix the time in which the Conference shall adjourn.
  2. To adjourn.
  3. To take a recess.
  4. To lay on the Table.
  5. For the previous question.
  6. To postpone to a given time.
  7. To refer.
  8. To substitute.
  9. Amendment.
  10. To postpone indefinitely.
- Rule 6: A motion to amend shall be in order, and a substitute for both amendments may be received which substitute may be amended only once, and if a substitute be accepted, it shall operate as an amendment to the original proposition.

- Rule 7:** When a member is about to speak in debate, or to deliver any matter to the Conference, she/he shall rise and respectfully address the President, but shall not proceed until recognized by him/her.
- Rule 8:** No member shall be interrupted while speaking except by the President to call him/her to order when she/he departs from the question, or uses personalities or disrespectful language; but any member may call the attention of the President to the subject when she/he deems a speaker out of order, and any member may explain when she/he thinks herself/himself misrepresented.
- Rule 9:** When a member desires a question of privilege, she/he shall briefly state the question; but it shall not be in order for her/him to proceed until the President shall have decided it a privileged question.
- Rule 10:** No person shall speak more than twice on the same question, nor more than ten minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11:** When any motion or resolution shall have been acted by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12:** No member shall absent herself/himself from the sessions of the Conference without leave, unless she/he is sick or unable to attend.
- Rule 13:** No member shall be allowed to vote on any question who is not within the bar of the Conference at the time when such question shall be put by the President, except by leave of the Conference when such member has been necessarily absent.
- Rule 14:** Every member who is within the bar at the time a question is put shall give his/her vote, unless the Conference, for special reason, shall excuse him/her.
- Rule 15:** It shall be in order for him/her to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16:** The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous

question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been negatived and no business or debate has intervened.

- Rule 17: All reports of the Boards, Commissions, and Committees shall be published and mailed to members of the Annual Conference ten (10) days prior to the date of meeting of the Annual Conference. Reports to be included in this mailing must in the hands of the Secretary by the date set annually by the Conference Council on Ministries.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Nominating Committee shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.
- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Board, Division, Committee, or Commission shall serve more than two consecutive quadrennia on said Board, Division, Committee, or Commission, and shall be ineligible to be re-elected until after one quadrennium has elapsed except members of board, committees or commissions elected for three-year terms may serve three consecutive terms and shall be ineligible to be re-elected until after one term has lapsed and except that when a member is elected to fill an unexpired quadrennium or term she/he may complete the unexpired quadrennium or term and serve not more than one additional consecutive quadrennium or term. Persons elected to the Board of Ordained Ministry may serve eight (8) years regardless of what year in the quadrennium they begin serving. No member of the Conference, lay or ministerial, shall be elected to serve on more than two Boards, Divisions, Committees, or Commissions concurrently, except the committees elected or appointed for the Annual Conference session only, district committees whether or not elected by the

Annual Conference and the quadrennial committee of the local church. The distribution of membership shall be according to districts, three lay persons and three ministers as nearly as possible to each district.

- Rule 24:** Lay members of the Annual Conference will be elected quadrennially. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.
- Rule 25:** In order to achieve balanced membership in the Annual Conference, the Conference Secretary shall report quadrennially the number of lay persons required to preserve equality of membership, and that the Peninsula Conference achieve the desired equality of membership, by (1) the Associate Lay Leader of Life and Work, the four District Lay Leaders, the four District Presidents of the United Methodist Women, the four District Presidents of United Methodist Men, all United Methodist Deaconesses active and retired within the bounds of the Peninsula Annual Conference, all certified Directors of Christian Education employed by churches of the Peninsula Annual Conference, and all other voting lay persons of the Conference Council on Ministries, shall be members in the Annual Conference with vote; (2) each pastoral charge enrolling more than 500 members, but having only one clergy member appointed to it, may elect one additional lay member, and further, that a pastoral charge having more than one clergy member appointed to it may elect one additional lay member, provided that more than 1,500 members are enrolled; and (3) the Conference Council on Youth Ministries shall elect as many youth members as needed to maintain a balance, divided equally among the districts.
- Rule 26:** All budget requests must be referred to the Council on Finance and Administration prior to Annual Conference action.
- Rule 27:** All statistical material for inclusion in the Statistical Tables to be printed in the Annual Journal must be in by January 30 or it will not be included.
- Rule 28:** In keeping with paragraph 746 in the 1988 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place," a district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

## **Rules and Guidelines for the Conference Nominating Committee**

### **A.**

That the Peninsula Conference again record its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.

That the Nominating Committee be composed of the Cabinet, the Conference Secretary, the Conference Lay Leader, the Lay Leader of each District, the Conference President of United Methodist Men, a representative selected by the United Methodist Women Executive Committee, the District Presidents of United Methodist Women, a youth selected by the Conference Youth Council, one minister under appointment from each District to be elected for a quadrennium by the respective District Ministerium, and the Conference Council Director.

That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, commissions, and committees shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.

That no member of any board, committee, or commission shall serve more than two consecutive quadrennia on said board, committee or commission and shall not be eligible to be re-elected until after one quadrennium has elapsed, except members of boards, committees, or commissions elected for three-year terms may serve three consecutive terms and shall be ineligible to be re-elected until after one term has elapsed and except that, when a member is elected to fill an unexpired quadrennium or term and serve not more than one additional consecutive quadrennium or term. See Conference Rule #23, page 413, 1987 Conference Journal.

That no member of the Conference, lay or ministerial, shall serve on more than two boards, commissions, or committees concurrently. Ex-officio membership on conference boards or agencies in excess of two shall count toward the total of two. The following shall not be under the Conference rotation system nor counted in the above total: district committees or secretaries, Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., the Episcopal Residence Committee, and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Nominating Committee is to request the courtesy of the bishop to inform it as to those persons who will be

named to the Board of Ordained Ministry, in order to assist the Nominating Committee in equal distribution of responsibility on the part of the Conference ministry members. The Nominating Committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each minister.

6. Insofar as possible, the membership on Councils, Boards, and Agencies of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
7. That ministerial membership on Annual Conference boards and agencies shall be limited to Conference members and associate members of the Peninsula Annual Conference. In order to be eligible to serve on the Conference boards and agencies, lay members shall be members of a local church within the Annual Conference. The Conference Nominating Committee may select other persons as affiliate members without vote.
8. "In recognition of the Rights of the Aging" as stated in the Social Principles of the United Methodist Church (Page 98 of the 1988 Book of Discipline), age shall not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Nominating Committee shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
9. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one district, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
10. That one representative of the Program Management Team shall be selected to serve on each Conference board and on all other support agencies except where the Book of Discipline states otherwise.
11. That failure to attend the particular board or agency to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board or agency, one will be subject to automatic removal in the next nominating committee's report. A report of the board or agency chairperson to the secretary of the Conference Nominating Committee by March 1st will include the attendance record of this board, committee or agency.
12. That the Conference Nominating Committee designate persons to serve as

Chairperson, Vice Chairperson, and Secretary for Boards, Commissions and Committees. Boards and Committee members will be notified in advance of their officer nominations. The Program Management Team Member assigned to each unit will convene the first meeting and present the nominations of officers. Additional nominations may be received from the members of that unit. The officers elected at the meeting shall serve for the quadrennium. \*Except where the Book of Discipline directs otherwise, the Vice-Chairperson will succeed the Chairperson in the event of a resignation. The board or commission shall elect a new Vice-Chairperson.

The following Criteria for Leadership shall be used in the selection of Chairperson:

1. Willingness to commit time as required by the position.
  2. Willingness to commit time for training for the responsibilities of the office.
  3. Have an understanding of and a willingness to support the polity of the United Methodist Church.
  4. A demonstrated leadership ability in the local church.
13. That the date of election to any board, commission or committee be clearly indicated in the journal.
14. That in every case a nominee of any board, commission or committee shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. That recognizing again the belief in the principle of rotation in order to involve greater leadership, all district committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Committee on Church Building and Location which shall serve a minimum of four years and a maximum of eight years.

## B.

Concerning the Nominating Committee, its report and the securing of talent:

1. That the report of the Nominating Committee at the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.

2. The Nominating Committee shall distribute mimeographed copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. That forms shall be circulated for both ministers and laity in local churches to indicate areas of interest, thus creating a Talent Bank. In addition, the same form shall be sent to the members of the Cabinet, Board of Laity, Conference United Methodist Women, Executive Committee, and Conference Youth Council in order to obtain names that might otherwise be overlooked. These forms shall be returned to the secretary of the Conference Nominating Committee.
4. That a complete file of all ministers in the Conference should be kept indicating where each one is serving in terms of Conference boards and agencies. Laity should likewise be listed on a similar file. A third file would be divided between ministers and laity as part of the Conference Talent Bank.
5. That a minimum of four meetings per year should be held by the Nominating Committee (it may be advisable that the committee meet more often, since its influence is so broad; whenever the committee approaches a new quadrennium, this latter need for additional meetings may be more evident).
6. That the above adopted guidelines for the Nominating Committee of the Annual Conference shall become a printed part of its report at each Annual Conference session.
7. That at the beginning of a new quadrennium, a complete and open look at membership on all boards and agencies shall be initiated by the Conference Nominating Committee and all personnel shall be eligible for re-alignment in accordance with A-5.
8. Titles such as "Mrs.," "Miss," or "Mr." shall not be used in the preparation of the Nominating Committee report.

#### **Miscellaneous**

1. That the council director, and associate council directors, not be elected to boards and agencies under the Conference rotation, but serve only as ex-officio where assigned by the council director.
2. That two high school youth (preferably in the 10th and 11th grades) shall be members of all program boards of the Conference Council and on the Conference Council on Ministries on assignment by the Conference Youth Council.

#### IV. The Process of Making Appointments

Par. 57, Article X - The bishops shall appoint, after consultation with the district superintendents, ministers to the charges; and they shall have such responsibilities and authorities as the General Conference shall prescribe.

Article X, quoted above from the 1988 Discipline, is the primary authority for itinerancy in the Constitution of The United Methodist Church. (The Constitution can only be changed by 2/3 vote of the 74 Annual Conferences. All other Discipline paragraphs quoted in these pages are in Part IV, Organization and Administration, and require only a majority vote of the General Conference to change.) This constitutional delegation of responsibility and authority cannot be negotiated or modified. All pastors accept this as part of their ordination and Conference membership vows, and all United Methodist churches are by covenant and law so committed.

Par 437 - The Itinerant System - The itinerant system is the accepted method of The United Methodist Church by which ordained ministers are appointed by the bishops to fields of labor. All ordained ministers shall accept and abide by these appointments.

Par. 530 - Responsibility - Pastors and clergy in appointments beyond the local church shall be appointed by a bishop, who is empowered to make and fix all appointments in the episcopal area within which the Annual Conference is a part. Appointments are to be made with the consideration of the gifts and graces of those appointed, to the needs, characteristics, and opportunities of congregations and institutions, and with faithfulness to our commitment to an open itinerancy. Open itinerancy means appointments are made without regard to race, ethnic origin, sex, color, or age, except for the provisions of mandatory retirement. Through appointment-making, the connectional nature of the United Methodist system is made visible.

Par. 412.2 - Both men and women are included in all provisions of the Discipline which refer to the ministry.

Par. 531 - Consultation and Appointment-Making - Consultation is the process whereby the bishop and/or district superintendent confer with the pastor and Pastor-Parish Relations Committee, taking into consideration the criteria of Par. 532, a performance evaluation, needs of the appointment under consideration, and mission of the church. Consultation is not merely notification. Consultation is not committee selection or call of a pastor. The role of the P.P.R. is advisory. Consultation is both a continuing process and a more intense involvement during the period of change in appointment. Consultation is not negotiation or voting upon the appointment of a pastor. It is information sharing and advice to the cabinet and bishop prior to the bishop's fixing the appointment. (Par. 531.1)

bishop's fixing the appointment. (Par. 531.1)

Par. 533.1 - Process of Appointment-Making - 1. A change in appointment may be initiated by a pastor, a Pastor-Parish Relations Committee, a district superintendent, or a bishop.

Pastor-Parish Relations chairpersons and/or pastors are asked to make such requests by using the evaluation form which is required to be sent annually to the district superintendent by January 15th. (See "Timeline for Appointment-Making" - #2.) The Pastor-Parish Relations Committee is to represent the charge in the appointment-making process. The chairperson is the designated officer through whom the charge contacts the district superintendent, and through whom the district superintendent contacts the charge.

Par. 533.2 - The Bishop and the Cabinet shall consider all requests for change of appointment in light of the criteria developed for each charge and the gifts and evidence of God's grace, professional experience, and family needs of the pastor.

Par. 533.3 - When a change in appointment has been determined, the district superintendent should meet together or separately with the pastor and the Pastor-Parish Relations Committee where the pastor is serving, for the purpose of sharing the basis for the change and the process used in making the new appointment.

This meeting will provide the pastor the opportunity, in the presence of the district superintendent, to declare his/her acceptance of the change of appointment, stating his/her reasons for responding to the new opportunity and thereby to facilitate the grief process for the pastor and for the congregation.

Par. 533.4 - All appointments shall receive consideration by the bishop and the district superintendent(s) and the Cabinet as a whole until a tentative decision is made.

We interpret this to mean that all appointments require the participation of the entire Cabinet. This is to insure that all ministers of the Conference are considered whenever there is an opening.

Par. 533.5 - The process used in making the new appointment shall include: a) The district superintendent shall confer with the pastor about a specific possible appointment (charge) and its congruence with gifts, graces, professional experience and expectations, and the family needs of the pastor identified in consultation with the

pastor (Par. 532.2).

Only "open" charges (churches) shall be considered by the Cabinet. A charge (church) becomes "open" by virtue of its pastor's retirement, change of appointment, leave of absence, sabbatical leave, disability, location, death or withdrawal from the United Methodist ministry. In certain situations the Cabinet, with the written agreement of the present pastor and the knowledge of the Pastor-Parish Relations Committee, may declare a charge "open" for appointment purposes.

Par. 533.6 - The district superintendent shall confer with the receiving Pastor-Parish Relations Committee about pastoral leadership (Par. 532.1).

Par. 533.7 - When appointments are being made to less than full-time ministry, the district superintendent shall consult with the minister to be appointed and the Pastor-Parish Relations Committee regarding proportional time, salary, and pension credit.

Par. 533.8 - If during this consultative process it is determined by the bishop and Cabinet that this decision should not be carried out, the process is to be repeated until the bishop, basing his/her decision on the information and advice derived from consultation, makes and fixes the appointment.

Par. 533.9 - A similar process of consultation shall be available to persons in appointments beyond the local church.

Par. 533.10 - When the steps in the process have been followed and completed, the announcement of that decision shall be made to all parties directly involved in the consultative process; that is, the appointment Cabinet, the pastor, and the Pastor-Parish Relations Committee (of both charges) before a public announcement is made.

Par. 532 - Criteria - Appointments shall take into account the unique needs of a charge in a particular setting and also the gifts and graces of a particular pastor. To assist bishops, Cabinets, pastors, and congregations to achieve an effective match of charges and pastors, criteria must be developed and analyzed in each instance and then shared with pastors and congregations.

1. Congregations - the district superintendent shall develop with the pastor and Pastor-Parish Relations Committees of all churches profiles reflecting the needs, characteristics, and opportunities for mission of the charge consistent with the church's statement of purpose (Par. 520.1). These profiles shall be reviewed annually and updated when appropriate to include:

- a) The general situation in which a congregation finds itself in a particular setting: size, financial condition, quality of lay leadership, history.
  - b) The convictional stance of the congregation: theology; prejudices, if any; spiritual life.
  - c) The ministry of the congregation among its people for the sake of the community: service programs, basis for adding new members, reasons for losing members, mission to community and world, forms of witness.
  - d) The qualities and functions of pastoral ministry needed to fulfill the mission and goals of the congregation.
2. Pastors - The district superintendent and the pastor shall identify the pastor's gifts, graces, and professional experience and expectations, and also the needs and concerns of the pastor's spouse and family.
- a) Spiritual and personal sensibility: personal faith, call and commitment to ordained ministry, work through the institutional Church, integration of vocation with personal and family well-being, life style.
  - b) Academic and career background: nature of theological stance, experience in continuing education, professional experience, record of performance, age.
  - c) Skills and abilities in church administration, leadership development, worship, liturgy, preaching and evangelism, teaching and nurturing, counseling and group work, ability to work in cooperation, and ability in self-evaluation, and other relational skills.
  - d) Family situation: health and educational needs of the family, and the spouse's career.

Par. 534 - Frequency - While the bishop shall report all pastoral appointments to each regular session of an Annual Conference, appointments to charges may be made at any time deemed advisable by the bishop and Cabinet.

Appointments are considered "fixed" until changed. They are reviewed and reported annually but not "made" annually.

Par. 269.2.f.8 - (The duties of the Pastor-Parish Relations Committee shall include the following:) To confer with the pastor and/or other appointed members of the staff if it should become evident that the best interests of the charge and pastor(s) will be served by a change of pastor(s). The committee shall cooperate with the pastor(s), the district superintendent, and the bishop in securing clergy leadership. Its relationship to the district superintendent and the bishop shall be advisory only.

It is also vital that the committee understand that its relationship to the district superintendent and bishop is advisory only, and that it is to represent the needs of the entire charge. Members of the Pastor-Parish Relations Committee must understand how the itinerant system of The United Methodist Church functions to fulfill their responsibilities faithfully.

Par. 269.2.e - The committee...shall meet only with the knowledge of the pastor and/or the district superintendent. It may meet with the district superintendent without the pastor being present; however, when the pastor is not present, the pastor, or any member of the staff under consideration, shall be informed prior to such a meeting and immediately thereafter be brought into consultation either by the committee or by the district superintendent.

Par. 269.2.f.3 - (The duties of the Pastor-Parish Relations Committee shall include the following:) To evaluate annually the effectiveness of the pastor and staff, based upon criteria, processes, and training developed by the Board of Ordained Ministry and Cabinet (Par. 445), and, where applicable, the Board of Diaconal Ministry.

Par. 444 - Evaluation - Evaluation is a continuous process which must take place in a spirit of understanding, acceptance.

1. The pastors in local churches shall receive evaluation annually from the Committee on Pastor-Parish Relations for use in an ongoing effective ministry and for identifying continuing education needs and plans (Par. 269.2f[2], using criteria, processes, and training developed by the Board of Ordained Ministry and the Cabinet. The district superintendent will evaluate annually the pastors' effectiveness for ministry (Pars. 423.1b, 520, 733.2n,o), using criteria, processes, and training developed by the Cabinet and the Board of Ordained Ministry.

2. Clergy serving in appointments beyond the local church will undergo annual evaluation by their immediate supervisors, engage in annual self-evaluation, and include copies of these evaluations in the annual report submitted to the bishop, district superintendent, and the Board of Ordained Ministry (Par. 443.2a).

## NOTES ON RETIREMENT

**Mandatory Retirement -** Pastors who attain the age of 70 before July 1 must retire as of July 1 of that year (Par. 451.1).

**Voluntary Retirement -** Voluntary retirement is available to those who attain the age of 65 or complete 40 Conference years of service before July 1 (Par. 451.2.c).

Voluntary retirement is also available at a reduced annuity rate to those who attain the age of 62 or complete at least 35 Conference years of service before July 1 (Par. 451.2.b).

A pastor may also retire after 20 Conference years of service with benefits beginning the first of any month after the session of Annual Conference in the year which the minister attains the age of 62 before July 1 (Par. 451.2.a).

**ALL MINISTERS WHO QUALIFY FOR VOLUNTARY RETIREMENT MUST INDICATE IN WRITING BY JANUARY 15 THEIR INTENT TO ACTIVATE THIS OPTION; Otherwise, the Cabinet will assume their continued eligibility for appointment. The annual self-evaluation form may be used for this purpose.**

### TIMELINE FOR APPOINTMENT-MAKING

1. **FALL AND EARLY WINTER:** District Superintendents make an informal inventory and evaluation of their charges (churches) and pastors, including a review of the criteria (Par. 532). They are available for consultation (Par. 531) with Pastor-Parish Relations Committees and pastors, and, in some instances, may initiate such contacts. The official contact person for the charge is the chairperson of the charge Pastor-Parish Relations Committee.
2. **JANUARY 15: DEADLINE FOR REQUESTS** for change of appointment, including retirement. By January 15, Pastor-Parish Relations chairpersons and/or pastors are asked to make their requests and recommendations to the Cabinet by using the annual evaluation form. The reason(s) a change appears to be desirable shall be included (Par. 269.2.f.8). Initiating a request for change is not to be interpreted as an automatic guarantee that a change will be made. All requests will be treated with integrity by the bishop and Cabinet (Par. 533.1). Persons planning retirement must also observe the above date. Notification of intention to retire must be in writing.

(See "Notes on Retirement").

3. FEBRUARY: Cabinet needs to begin the appointment-making process. Requests for change will be carefully reviewed. When neither the Pastor-Parish Relations Committee nor the pastor has made a request, the Cabinet, however, has the prerogative of initiating changes of appointment which are deemed to be for the good of the charges or the pastors or the program and missional strategy of the Conference.
- a) "Open" charges (churches) will be determined, (see commentary under Par. 533.5) and the district superintendent will meet with the Pastor-Parish Relations Committee to gather all available data about the charge and its pastoral needs (Pars. 532 & 533.2) and present pastoral support including parsonage compliance with Conference policies.
  - b) The Cabinet determines which available pastor best fits the needs of the charge (Par. 533.2). Note: The present pastor is to remain neutral in all appointment proceedings concerning his/her successor.
  - c) The district superintendent of the "open" charge contacts the prospective pastor and consults with him/her, supplying essential data and information about the "open" charge, community setting and time frame for the prospective pastor's response.
  - d) When the pastor-designate is determined, the district superintendent then contacts the chairperson of the Pastor-Parish Relations Committee of the "open" charge and arranges a time for the pastor-designate and the committee to meet. This meeting is an introduction of and to the pastor-designate and not an interview. The district superintendent will preside at this meeting.

The purpose of the meeting is:

- 1. To aid the district superintendent and the Cabinet, through consultation, in their responsibility to the appointment process.
- 2. To verify the appropriateness of the proposed appointment, matching local needs and pastoral aptitudes.
- 3. To initiate the process of getting acquainted with the pastor-designate.

4. To arrange for the moving and receiving of the pastor-designate and his/her family.

The district superintendent will bring the meeting to a close with an appropriate summary of his/her insights and understandings. It is understood that barring prohibiting factors which may become apparent in the conversation with the Pastor-Parish Relations Committee, the pastor-designate will be appointed to the "open" charge.

- e) When the results of the meeting have been shared with the Cabinet and the appointment has been fixed by the bishop, public announcements shall be arranged through the office of the district superintendent (Par. 533.10).

NOTE: The meeting of the pastor-designate with the Pastor-Parish Relations Committee may not always be possible for pastors receiving their first appointment following seminary.

4. FEBRUARY - MAY: Using the above process, the Cabinet will arrange for the appointments to be reported to the Annual Conference (Par. 534). The list of appointments will be published in the Conference paper prior to the Annual Conference session, and publicly announced at the Annual Conference session along with additional changes and corrections.
5. JULY 1: Changes of appointment become effective.
6. POST-CONFERENCE: The district superintendent will meet with the new pastor and the Pastor-Parish Relations Committee for post-Conference role clarification to help facilitate the new shared ministry of charge and pastor. This meeting will be held at a mutually agreeable time.
7. DISTRICT SUPERINTENDENT AVAILABILITY: The district superintendent is available to Pastor-Parish Relations Committees and pastors for consultation at any time it is deemed appropriate.

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned. (We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper record and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153).

**RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES  
FOR RETIRED OR DISABLED MINISTERS  
OF THE PENINSULA ANNUAL CONFERENCE**

WHEREAS, the religious denomination known as The United Methodist Church and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Peninsula Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of their Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1990 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's pension or disabled minister's benefits.

NOTE:

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

**RESOLUTION ON THE UTILITIES FORMULA:** Rev. John Mitchell, St. John's:Seaford, presented the following resolution from their Administrative Board:

Whereas, the new formula designed by the Conference Finance and Administration is based on a false assumption that churches are open twenty-four hours a day, seven days a week, and

Whereas, the word "non-church groups" is undefined, and

Whereas, the formula assumes that the space a community group uses is the only cost involved (since most large buildings are heated by zones, the cost involves more space than the room in use), and

Whereas, there is no place in the formula to calculate the depreciation of church equipment (chairs, tables, VCR's, etc) in determining the cost,

Be it therefore resolved, that the Peninsula Annual Conference direct the Council on Finance and Administration to suspend use of this formula effective immediately;

#### **Resolution on the Name of Annual Conference**

Whereas, the 1990 Session of the Peninsula Annual Conference directed the Commission on Archives and History to study the name of the Annual Conference and to bring a recommendation to the 1991 Session; and

Whereas, the commission has received no input on this question from other groups or individuals in the Conference, although such input was requested through an article in The

Communicator; and

Whereas, after careful consideration the Commission has been unable to find a suitable alternative names (possible names considered were, in alphabetical order: Atlantic, Chesapeake, Chesapeake and Delaware, Delaware, DelMar, Dover, East Peninsula, Easter Shore, MarDel, Mason Dixon, Mid-Atlantic, Tidewater, Two Bays, Wilmington); and

Whereas, by long-standing usage the people of our churches have become accustomed to the present name;

**CHANGE IN RULES FOR NOMINATIONS:** Rev. Charles Barton present the following change:

Delete the words in Rule A-3: "That for the 1988-93 time period, persons elected to Boards and Agencies of the Peninsula Conference at the Annual Conference of 1988 will serve for a quinquennium (5 years). (This change in rules for this one time period, only, will bring the next change in leadership in 1993 following the Jurisdictional Conference of 1992 when Episcopal leadership changes occur.)

So the Rule A-3 would now read: "That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, commissions, and committees shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed."

The conference adopted the rule change.

Rev. Bruce Storms move to amend by substituting the words "Kingdom of God" for "Beloved Community." It was seconded and adopted.

It was moved to delete third "whereas". It was seconded but failed.

The amended resolution was adopted.

Dr. Sally Milbury-Steen the resolution entitled "**Arab-Israeli Crises**".

In light of current events in the Middle East, The United Methodist Church reaffirms the 1984 resolution, "The Arab-Israeli Conflict." The continuing violent confrontation between the Israeli Army and Palestinian civilians living under military occupation in the West Bank and Gaza district and citizens within Israel itself is deeply disturbing to the whole human community. Violent behavior leads to a deepening cycle of hatred, violence, and retaliation on both sides of this conflict.

**WHEREAS**, peace in the Middle East is essential for the future of Israel, for the Palestinians and Arab states, and for the whole world.

**WHEREAS**, we call upon the Government of Israel to stop beatings, to end the killings, to cease destroying Palestinian homes, to stop deporting Palestinians, to enter into negotiations with Palestinian civilians and the Palestine Liberation Organization over their legitimate demands, including the fair distribution of disputed lands.

**WHEREAS**, we call upon Palestinians, including the Palestine Liberation Organization to recognize the State of Israel with secure and recognized borders, and to offer to enter negotiations leading toward self-determination of all persons in the territories under military occupation, and to cease the support or initiation of all terrorist activities.

**WHEREAS**, we call upon our own United States Government to make peace a priority and use diplomacy to promote negotiations for a just peace.

**THEREFORE**, we call upon the members and congregations of the Peninsula Conference of The United Methodist Church to study the current situation in the Middle East, to request resource materials from the Conference Board of Church and Society, and to work to influence public policies which will bring about an international conference for peace under the auspices of the United Nations that will involve all parties in the conflict as well as the five permanent members of the U.N. Security Council.

Excerpted from **The Current Arab - Israeli Crisis**, SP 75, adopted 1988, from The Book of Resolutions, 1988, pp. 511-514.

Rev. Cynthia Brubaker move to amend the second whereas by substituting "the violence against Palestinians" in place of "beatings, to end the killings, to cease destroying Palestinian homes." It was seconded and adopted.

Rev. Bruce Storms moved to table the motion. It was seconded and adopted.

Rev. Mae Etta Moore presented the resolution "**Support of Conscientious Objectors.**" It was adopted.

Rev. Mark Palmer presented "**Resolution On Poverty.**"

Rev. Lance E. Ness moved to amend by adding:

"Whereas, health care is a right among some of our allies; and

Whereas, many in America can not afford health care;

Be it resolved that The United Methodist Church support the movement toward a state run health care system in America."

The amendment failed and the resolution was adopted as presented.

Rev. Elaine Ayres presented the resolution "**AIDS Awareness Day.**"

Rev. Paul Bennett moved to amend by adding "be encouraged to" after the word "Conference" in first resolved and to substitute "Program" for "Day" in the second resolved. It was seconded and adopted.

Rev. Patricia B. Harris moved to amend by adding to the first resolve "and that the members of the Peninsula Annual Conference, through the local church, minister to the persons with

AIDS and their families." It was second and adopted.

The conference adopted the resolution as amended.

Rev. Garry O. Parker moved --

"that the Conference Board of Church and Society with assistance from the Board of Discipleship develop a biblical-theological rationale as a framework for future Board of Church & Society resolutions and that a draft of the rationale be distributed to all Peninsula Conference churches by Ash Wednesday, 1992 for discussion and that the rationale be presented to the 1992 conference for adoption."

It was seconded and adopted.

Rev. Mark Palmer presented "**A Resolution on Iraqi Relief**".

Whereas, Jesus taught us to love our enemies, even as God makes the sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous (Matthew 5:45);

Whereas, the Apostle Paul has taught us not to repay anyone evil for evil, but that our enemies are hungry to feed them, if they are thirsty to give them something to drink (Romans 12:17 & 20);

Whereas, the Church is called to embody God's love for all people;

Whereas, although President Bush stated repeatedly that the United States has no quarrel with the Iraqi people, many Iraqi civilians were killed or injured as a result of coalition bombing in the Persian Gulf War;

Whereas, the people of Iraq suffered from massive destruction of their roads, bridges, utilities, and airfields, leaving them unable to provide necessary medical and relief services;

Whereas, President Bush has stated that not one dime of U.S. taxpayers' money will be spent to rebuild Iraq;

Therefore, be it resolved that the Peninsula Conference of The United Methodist Church call upon the United Methodist General Board of Global Ministries to organize delegations and work teams to visit Iraq with medical and relief supplies, (purchased with funds raised by special offerings), working with Christian churches in Iraq. Whenever possible, these groups are asked to coordinate their purchasing and relief efforts with the work of the United Methodist Committee on Relief (UMCOR).

Be it further resolved that we call upon the Council of Bishops to send a similar delegation to Iraq to express the deep concern of the whole Church for those who suffer.

Rev. Susan Kester moved to amend by substituting" to pursue the possibility of send delegations" in place of "to organize."

It was seconded and adopted but the resolution failed.

Conference adopted the board's report.

**MINISTERIAL EDUCATION FUND:** Dr. Douglas Lewis of Wesley Seminary thanked the conference for their continued 100 % support of the fund. He shared about the future impacts our world will have upon the future of the ordained ministry. He asked if the lay members would raise the possibility of having their child go into the ministry. The program that is being designed to meet that challenge is "Ministry 2000."

2. Resolution for Testing and Encouraging Use of the Peninsula Conference Comprehensive Plan for Developing and Strengthening the Ethnic Church

Whereas, the United Methodist Church has responded to the need to develop and strengthen the ethnic presence within its community through the development of an Ethnic Local Church (Concerns) Committee in each annual conference,

Whereas, the Ethnic Local Church Committee (ELCC) in each annual conference is given the responsibility of implementing a Comprehensive Plan for developing and strengthening the ethnic church, (1988 Discipline, ¶726.5a)

Whereas, the Peninsula Conference adopted our (PAC) Comprehensive Plan at the 1987 Annual Conference Session, when "Developing and Strengthening the Ethnic Minority Local Church" was the missional priority for the denomination,

Whereas, it is necessary periodically to revise the Comprehensive Plan to keep it alive and relevant as a guide to a vital dimension of who we are as United Methodists and the Peninsula Conference,

Whereas, a revision will permit the several components parts of the annual conference to continue to participate with the Ethnic Local Church Committee in the fulfillment of the proposed goals and objectives of the Comprehensive Plan,

Whereas, a modification of the Comprehensive Plan will allow its language to be updated to agree with contemporary terminology,

Whereas, it seems prudent for the several component parts of the annual conference to reexamine, test, and perfect the fundamental goals and objectives of the proposed Comprehensive Plan **revision** before it is formally adopted,

THEREFORE, BE IT RESOLVED, that the annual conference, at various levels be engaged in a cooperative study and testing of the proposed revision of the Comprehensive Plan in the following ways:

- A. The 1991 Comprehensive Plan for Developing and Strengthening the Ethnic Local Church be presented to the Council on Ministries at its first meeting following the 1991 session of annual conference.

- B. The Comprehensive Plan (selected component parts) be on the agenda for discussion at each of the ensuing CCOM meetings up to the '92 Annual Conference session.
- C. An officer or at-large member of the CCOM be appointed to monitor the work of the CCOM at each of its meetings in light of the revised comprehensive plan. This person will draw attention of the CCOM to aspects of the Comprehensive Plan relevant to matters under discussion.
- D. The Comprehensive Plan or some component part(s) of it be on the agenda for discussion at each of the district clergy-laity meetings up to the '92 Annual Conference session.
- E. An officer or member of each of the following (the Board of Church and Society, the Board of Discipleship, the Board of Global Ministries, the Board of Laity, the Conference Council on Youth Ministries, the Board of Ordained Ministry, the Commission on Christian Unity, the Commission on Equitable Salaries, the Commission on Religion and Race, and the Commission On the Status and Role of Women, Drayton Retreat Center, the Camp Pecometh Board, the Commission on Archives and History) be appointed to monitor the work of that body at each of its ensuing meetings up to the '92 Annual Conference session in light of sections of the revised Comprehensive Plan relevant to that body. This person will draw the attention of the body to aspects of the Comprehensive Plan pertaining to matters under discussion.
- F. A Comprehensive Plan Study Guide for use in local congregations, district gatherings, and other settings be developed by the Ethnic Local Church Committee as a tool for developing and strengthening the United Methodist Church generally and the ethnic church specifically.
- G. The revised Comprehensive Plan, having been tested in various settings of the annual conference and perfected by the Ethnic Local Church Committee, be presented for adoption at the '92 Annual Conference Session.

#### Proposed Revision Outline

- 1. A Description of the PAC structure responsible for administering ELC concerns.
- 2. A listing of racial ethnic congregation, projects and outreach ministries, by location, and including details of racial/ethnic identification, program content, and analysis of financial support.

3. A data-based overview of the racial/ethnic communities presently served by local churches and an analysis of population trends within conference boundaries over the next five to ten years.
4. A general statement of the desired accomplishments of each major program category of the PAC.
5. A prioritized list of potential new or redeveloped ethnic minority congregations by locations, ethnic group, program content, etc.
6. Identification of available financial resources for developing and strengthening ethnic congregations.
7. A plan, developed in consultation with the PAC Commission on Religion and Race, for addressing the root causes of institutional racism in the annual conference.

**3. Resolution to Establish Older Adult Task Forces in the Local Church:**

**WHEREAS**, the population of the United States is rapidly growing older; and

**WHEREAS**, the membership of The United Methodist Church is growing older in conjunction with the population of the United States; and

**WHEREAS**, many older people have special gifts and talents; and

**WHEREAS**, others present special challenges for the church and the community;

**THEREFORE, BE IT RESOLVED** that each local United Methodist Church form at its discretion or elect an Older Adult Task Force to help meet the needs of these members, and to help utilize the special gifts and talents as well as vast experiences of these special members; and

**BE IT FURTHER RESOLVED** that these local church Older Adult Task Forces cooperate with the Conference Older Adult Task Force, and the Committees on Aging of both the State of Delaware and the State of Maryland in coordinating their efforts so that there will be as little overlapping of efforts as possible; and

**BE IT FURTHER RESOLVED** that these local church Older Adult Task Forces report their programs to the Conference Older Adult Task Force in order that it may be a source of information to the entire Annual Conference as to what is happening and what is working throughout the bounds of the entire Peninsula Annual Conference; and

**BE IT FURTHER RESOLVED** the Older Adult Ministries Program would be administratively responsible to the Board of Discipleship and would include in its membership older adults and representatives from major program boards and agencies.

**4. Resolution to Table the Resolution to Discontinue the Peninsula United Methodist Foundation**

**WHEREAS**, the Peninsula United Methodist Foundation's mission is to promote planned giving within the Peninsula Annual Conference and to assist local churches in the stewardship of accumulated resources for God's work, and

**WHEREAS**, the Peninsula United Methodist Foundation is the only conference entity focusing on the stewardship of accumulated resources through the use of such things as wills, unitrusts, and charitable gifts, and

**WHEREAS**, across the country, foundations are having increasing success in securing gifts for God's work in local churches, church agencies, and the broad spectrum of Christian mission, gifts that result from seed ideas planted by the foundations often many years before the donor's intentions are actualized, and

**WHEREAS**, the Peninsula United Methodist Foundation has identified two new specific needs which we feel most qualified to address:

- 1) providing expertise and assistance in the development of a Pecometh Endowment Fund
- 2) establishment of a revolving loan fund to assist with small building projects in local churches, and

**WHEREAS**, the Peninsula United Foundation has suffered numerous difficulties since our forced separation from the Baltimore Conference Foundation, reorganizing our work with only part-time staff, and

**WHEREAS**, our effectiveness has been severely hampered in the past 18 months by our part-time director's health problems, and

**WHEREAS**, if the Peninsula United Methodist Foundation is dissolved, the responsibilities and liabilities for the continued administration of approximately 40 charitable gift annuities must be assumed by the Conference, and

**WHEREAS**, the following options should be considered before the conference votes to disband the Foundation:

**PLENA**

**BOARI**

1) The Peninsula United Methodist Foundation merge with another conference foundation, such as the foundation of the Eastern Pennsylvania or Baltimore Conferences.

2) The Peninsula United Methodist Foundation merge with an independent charitable foundation.

**THEREFORE, BE IT RESOLVED**, that the Board of Directors and staff be granted time for careful exploration of the aforementioned options, considering how each would serve the needs of the conference and our clients, and what reduction of costs each would afford.

**BE IT FURTHER RESOLVED**, that the Peninsula United Methodist Foundation shall present a proposal outlining its suggestions by October 1, 1991, to the Conference Council on Finance and Administration for consideration at the November 2, 1991 Special Session of the Annual Conference.

5. **Council on Finance & Administration** - see Daily Proceedings.

6. **Task Force on Sale of Parsonages**

The task force which was established at the 1989 Annual Conference to address the concern of the sale of parsonages and what impact such action would have on the itinerant system, has concluded that there is no immediate threat to the itinerant system in our Conference, and that there is need for both established parsonages and flexible housing arrangements, which may include housing allowances, and that a policy should be approved at this session to set a course for the future and remove any restrictions on proceeding with the sale of parsonages if a local church or the Conference has good reason to change existing property or housing arrangements.

It is recommended that The Book of Discipline of The United Methodist Church, which makes a statement on housing for pastors and allows for a choice in housing arrangements, provide the basic criterion for the policy of the Peninsula Annual Conference:

Paragraph 269:2,f(4)...*"housing (which may be a church-owned parsonage or housing allowance in lieu of a parsonage if in compliance with the policy of the Annual Conference).."*

It is recommended that the policy of the Peninsula Annual Conference shall include:

1. The Peninsula Conference shall normally provide parsonages for pastors.

The Book of Discipline, paragraph 256:3,f underscores the authority of the local church to determine its needs regarding housing for pastors. It states: "It is the responsibility of the Administrative Board to provide for adequate housing for the pastor(s). Housing shall not be considered as part of compensation or remuneration, but shall be considered as a means provided by the local church, and for the convenience of the local church, to enable its ministry and the itinerant ministry of the Annual Conference."

2. Housing allowances shall be permitted to allow flexibility, where it is necessary or advisable, as determined by a local church or the Conference, whichever shall have jurisdiction.
3. The written consent of the pastor of a local church and the district superintendent shall be required in the sale of a parsonage after the local church has voted to dispose of the property in conformance with the Discipline.
4. The principal proceeds from the sale of a parsonage shall not be used to provide for the current (or budget) expenses of a local church or Conference. (Discipline, paragraph 2542)
5. In the event the charge chooses to provide a housing allowance to its current pastor, it must retain the capacity to provide a parsonage, if the circumstances of the succeeding pastor necessitates that a parsonage be made available.

It is further recommended that:

a more comprehensive study of the parsonage system and housing allowances be continued by this task force to complete a study of several important issues, e.g.

- a. verifiable negative impact of housing allowances on the itinerant system;
- b. question of financial inequities created by housing allowances;
- c. purchase, resale or rental problems of clergy who receive housing allowances;
- d. housing problems clergy face at retirement, who live in parsonages during their career;
- e. clergy couples' unique housing problems and agreements with the local church.

**8. Resolution to Reconsider the Name of the Annual Conference**

**WHEREAS**, in 1965 congregations of the Old Delaware Annual Conference located within the bounds of the State of Delaware and the Eastern Shore of Maryland became merged with congregations of the former Peninsula Annual Conference; and

**WHEREAS**, the one newly reconstituted conference was named the Peninsula Annual Conference thereby retaining a name identified only with one of the two uniting bodies; and

**WHEREAS**, there remains a desire of some members of this Annual Conference to pursue further the issue of a name change to reflect both previous bodies;

## **9. Board of Church & Society Resolutions**

### **A. Sources of Peace in the World**

Peace is the gift of God, a gift that comes when persons meet the conditions of God.

The God who gives us peace is the Creator of all peoples and the Judge of all nations. He has revealed his perfect will through Jesus Christ, the Lord of history and the Prince of Peace. God's Holy Spirit, the cleansing and unifying presence in our midst, is able to work through current conflict and disruption that the divine will might be done on earth.

**WHEREAS**, racism must give way to justice, based upon new attitudes, understandings, and relationships, reflected in the laws, policies, structures, and practices of both church and state.

**WHEREAS**, our present reliance upon military institutions and domination by a military-industrial complex must be replaced by greater civilian control of the military.

**WHEREAS**, self-serving national military forces must eventually give way to duly constituted international peacekeeping units.

**WHEREAS**, we are called to look beyond the limited and competing boundaries of

nation-states to the larger and more inclusive community of persons.

**THEREFORE**, we call upon the members and congregations of the Peninsula Conference of The United Methodist Church to contribute to public debate and to influence public policies which will create a just and peaceful world order based on the biblical principles of the Kingdom of God.

Excerpted from **The Sources of Peace**, adopted 1972, from **The Book of Resolutions, 1988**, pp. 490-494.

### B. Support of Conscientious Objectors

**WHEREAS**, The United Methodist Church supports all persons who make decisions of conscience in regard to military service.

**WHEREAS**, the ministry of the church is not limited to those who conscientiously serve in the armed forces of their nation.

**WHEREAS**, the ministry of the church is also extended to persons who conscientiously oppose all war, or any particular war, and who therefore refuse to serve in the armed forces or to cooperate with systems of military conscription. (**Social Principles UMC**, p.33)

**THEREFORE**, we call upon the members and congregations of the Peninsula Conference of The United Methodist Church to accept the decisions of church members who are opposed to participation in military service on grounds of conscience and to assist them in securing proper counsel.

Excerpted from **Certification of Conscientious Objectors**, SP 74 G, adopted 1980 and **Support of Conscientious Objectors to Registration**, SP 74 G, adopted 1988, pp. 386-87 and 477, and **Social Principles UMC**, p. 33 from **The Book of Resolutions, 1988**.

### C. Resolution on Poverty

**WHEREAS**, we recognize that poverty and near poverty in both the world and the United States have increased over the past eleven years illustrated in the growing disparity of both income and wealth between the richest 20 percent and the poorest 20 percent;

**WHEREAS**, we are aware that the condition of trying to live without adequate resources profoundly affects one's longevity, health care, education, housing, diet,

family life, in short such a poor person's total well-being;

**WHEREAS**, we lament that the peace dividend which should have become available at the end of the cold war has now been re-channeled to fund a major war in the Persian Gulf and to build more weapons of mass destruction;

We as Christians accept our portion of the responsibility for creating a world society and an internal United States society which are increasingly divided between the rich and the poor, for creating a global society and internal society which see only war and violence as the means to resolve international conflict.

We as Christians accept the responsibility for trying to create a more just and peaceful society, and

Accept the responsibility for trying to provide sustenance, encouragement, education, and motivation to the poor so they may participate fully in both the global and United States societies;

**WHEREAS**, the private sector has been unable and/or unwilling to respond effectively to the needs of the poor and oppressed people in our global and United States communities;

**THEREFORE**, we call upon the United Methodist people of the Peninsula Annual Conference to be a force for reconciliation in all situations of economic distress, to be advocates for the poor and oppressed everywhere, expressing God's presence in their lives with a sense of compassion, understanding and justice.

**FURTHERMORE**, we call on all members of the Peninsula Annual Conference of The United Methodist Church to study the section, **The Economic Community**, in The Book of Resolutions, 1988, pp. 328-382, and to do everything they can to influence public policy at local, county, state and federal levels to overcome conditions of economic injustice.

#### **D. AIDS Awareness Day**

Acquired Immune Deficiency Syndrome continues to be a killer among children, women and men.

The human body is a part of God's creation. It is the will of God that it be respected and protected. A role of the church is to offer guidance toward that end.

**WHEREAS**, acquired immune deficiency syndrome (AIDS) is a virus with no known cure, and transmitted by certain specific kinds of human contact; and

**WHEREAS**, the knowledge of how the AIDS virus can be transmitted from person to person is available; and

**WHEREAS**, "the General Conference 1988 has directed the General Boards of Church and Society, Discipleship and Global Ministries to provide or continue to provide the Annual Conferences and local churches with equipping resources to carry out a multi-faceted effort of education and awareness for all, including school-age children," concerning AIDS and/or AIDS Related Complex (ARC); and (SP 71.H)

**WHEREAS**, the Conference Board of Church and Society has provided AIDS worship material and educational resources for the members of the Peninsula Conference; and

**WHEREAS**, AIDS continues to spread and is a threat to humankind;

**BE IT RESOLVED**, that each local church/charge in the Peninsula Conference be encouraged to delegate an AIDS AWARENESS DAY; and that the members of the Peninsula Annual Conference, through the local church, minister to the persons with AIDS and their families.

**BE IT FURTHER RESOLVED**, that the Peninsula Conference Board of Church and Society provide the worship and/or educational resources for AIDS AWARENESS PROGRAM when requested by the local church.

**10. Resolution Regarding Intentional Mission Involvement and the 6 Lanes of the Advance**

Whereas one of the evidences of a strong, vital, faithful congregation is its involvement in mission;

Whereas the Peninsula Conference Board of Global Ministries has a vision of and commitment to being the catalyst for getting churches actively involved in mission work, both globally and locally;

And whereas the 1990 Session of the Peninsula Annual Conference over-whelmingly approved the mission education-cultivation resource known as the 6-Lanes of the Advance and voted for each church to select at least one project from at least one of the 6 lanes;

Be it therefore resolved that every United Methodist congregation and/or charge of the Peninsula Annual Conference review the 6-Lanes of the Advance booklet at a meeting of their Administrative Board or Administrative Council;

Be it further resolved that a mission-involvement report be given at a meeting of every Administrative Board/Council, each report to include all existing areas of mission-outreach locally and globally, and to include a specific report on what education, cultivation and support efforts have been accomplished in relationship to the 6-Lanes of the Advance.

Be it finally resolved that in addition to the projects already included in the 6-Lanes packet, the following be added:

Lane 2: The Bishop's Emergency Appeal for Liberia  
UMCOR Advance #150300-7

Lane 6: (VIM) - Volunteers-In-Mission  
( - Liberia: Construction, etc.)  
( - Zaire: Construction, Medical)

- The establishment of a VIM fund to help underwrite part of the cost of sending Peninsula United Methodists on a Volunteer-in-Mission project under the aegis of the Peninsula Conference Board of Global Ministries. (Churches, groups, or individuals could give to the fund, thus fulfilling the "one project" voted in 1990.)

## 12. General Conference Resolutions

### A. Churches In Covenant Union

WHEREAS, the unit of all Christians is not something to be achieved but is a gift of the Spirit, a gift to be accepted and manifested in the Church's life;

WHEREAS, it must be admitted that Christians individually and the Church as a whole often do not place ecumenical concerns as a high priority in the life of the Church;

WHEREAS, the Consultation on Church Union (COCU), which is made up of nine participating denominations (the African Methodist Episcopal, African Methodist Episcopal, Zion Disciples of Christ, Christian Methodist Episcopal, Episcopal, International Council of Community Churches, Presbyterian (USA), United Church of Christ, and The United Methodist Church), has commended to these denominations a Covenanting Proposal which seeks not uniformity and merger but rather a commitment to work together as a "covenant communion of churches" to more fully express our unity by:

- 1) claiming a shared foundation of faith
- 2) commitment to seek unity through wholeness
- 3) mutual recognition of each other's baptism
- 4) mutual recognition of each other as true churches
- 5) mutual recognition and reconciliation of ordained ministry
- 6) celebrating the Eucharist together
- 7) engaging together in Christian mission
- 8) formation of Covenanting Councils;

WHEREAS, each of the member denominations already has voted to approve the document entitled, The COCU Consensus, which contains the theological basis for the

proposed covenant;

THEREFORE, BE IT RESOLVED that we as the Peninsula Annual Conference urge the 1992 General Conference of The United Methodist Church to vote to approve the document entitled Churches in Covenant Communion which contains the practical guidelines for the implementation of the COCU Covenanting Proposal, and to commit our denomination to entering into a relationship of covenant communion with the other member denominations of COCU through the steps set forth in this document.

## **B. ONE CHURCH\*\*\*ONE FAMILY**

WHEREAS, dramatically rising numbers internationally of the visible homeless, the sheltered homeless, the hidden homeless, and those at risk of homelessness have been documented by several recent studies

WHEREAS, we as Christians feel compassion for the homeless, and recognize that all people are created in God's image, and that all people have worth and a contribution to make

WHEREAS, we wish to become the personal advocates for, the enablers of, the temporarily unhoused

WHEREAS, we offer not just food, clothing and help with housing, but also educational, financial and social service counseling, and help in solving the problems which had prevented employment at the level desired,

WHEREAS, we in the Peninsula Annual Conference have already successfully implemented this action goal in the majority of our 500 churches

THEREFORE, be it resolved that each United Methodist Church throughout the world reach out in a people-to-people action to adopt at least one of the world's millions of homeless persons or families, to ensure that these people's basic needs for food, housing, health care, education and employment are met and to enable them, warmed in body and soul, to face the future with hope. All churches, aided by suggestions in the guidelines [separate pamphlet, One Church\*\*\*One Family by Roberta K. Tarbell] and by the experiences of many sister churches can sponsor one homeless person or family. This relatively simple program should not take the place of any other existing program nor should it supplant efforts to eliminate the causes of homelessness.

**WHEREAS** this population growth represents a unique opportunity for evangelization and church growth; and

**WHEREAS** the 1988 General Conference affirmed that "the ministry with Hispanics must be a concern of the whole church" and mandated that a national committee be appointed to develop and present to the 1992 General Conference a "national comprehensive plan for Hispanic Ministries"; and

**WHEREAS** we are called by our God to respond in faithfulness to the challenge of ministry to and with Hispanics as a way of acting out our commitment to Jesus Christ;

**BE IT THEREFORE RESOLVED** we as the Peninsula Annual Conference do support and encourage the adoption of a plan to respond to the challenge and opportunity for ministry with Hispanics by the 1992 General Conference of the United Methodist Church.

#### **E. The Fitzhugh Resolution**

Whereas, the 1988 General Conference appointed a United Methodist Committee to study homosexuality; and

Whereas, this committee has been gathering information and will report its findings at the 1992 General Conference; and

Whereas, the members and congregations of The United Methodist Church will not have an opportunity to receive, read, and study the findings of this study until after the Spring of 1992;

Therefore, we petition the 1992 General Conference of The United Methodist Church to make no changes in the Discipline as it relates to the subject of homosexuality at the 1992 General Session.

## INTRODUCTION

During the past year there has been serious and prayerful appraisal of the life of our Conference by concerned persons, both lay and clergy. While still in its early stages, this re-examination of our current ways and practices has resulted from certain identifiable factors, two of which are as follows: the first is the preliminary work on strategic planning which involves careful review of the internal life of our Conference in relation to external forces; the second is the effort to grapple with fiscal realities and the consequent probing analysis of real needs so as to ensure the best utilization of available resources. The focus on strategic thinking and fiscal realities raised, in turn, reconsideration of such fundamental issues of who we are called to be and what we are meant to do as we seek to fulfill God's will for us and our encompassing communities. We appear to be moving in the direction of discerning, with the Spirit's guidance the truly vital elements of our present life together.

In accordance with the above concerns, the sections of this report will not attempt to address all areas of our Conference's life and work but will lift up subjects of particular significance during the past year: the role of spirituality; the realities of our financial condition and related questions; the importance of effective leadership, clergy and lay; the practice of Christian Stewardship as it affects all of life; the opportunities for developing (more) vital congregations of faithful disciples.

## THE SPIRITUAL LIFE

As our people of the Conference have gathered over the past year for a variety of purposes, the fundamental importance of spirituality has been repeatedly affirmed. Growing numbers of clergy and lay persons, regardless of age, gender, or ethnic background, are giving expression to their convictions regarding the essential place of spiritual experience. It is recognized to be, indeed, the foundation for personal faith as well as for the collective life of United Methodism. Nor is this simply a matter of convictions being verbalized; rather, spirituality has been the focus or theme of numerous retreats, meetings and fellowship events held in larger or smaller gatherings of United Methodists during the year. There is a growing concern that as a community of believers we must continue to be open to the leading of the Holy Spirit towards a meaningful, joyous and Conference wide emphasis on this essential aspect of Christian life.

In addition, active United Methodists are stressing the connection between spirituality and specific ministry areas of the local church and Annual Conference. One example of this is that spirituality is seen to be vital for the strengthening of Christian stewardship; another example is that there is a connection between genuine spiritual experience and more effective faith sharing and evangelism ministries. Similar observations can be made about the relationship between spirituality and other work areas and programs.

Persons who seek to be faithful disciples in demanding and fast paced life situations when time for spiritual disciplines seems increasingly hard to find, need to recognize that it is, nevertheless, through our spirituality that we experience God as real and meaningfully present amidst our daily concerns.

## Fiscal Pressure

The Peninsula Conference, like most other conferences, is currently under great fiscal pressure. A number of factors have contributed to this state of affairs. Among them are rapidly rising health and dental insurance costs, a lack

of focused vision resulting in an inability to set priorities, and inadequate stewardship education in the Annual Conference and its congregations.

At our 1990 adjourned session, we, the Lay and Clergy Members of the Peninsula Conference, made some initial decisions to address these fiscal pressures. We agreed to balance our 1991 budget using dwindling Conference reserve funds for the second year in a row. We kept the 1991 apportionment rate at .38 and expressed our intention not to exceed that rate in 1992. We agreed to balance our 1992 budget without using Conference reserve funds. We agreed to limit pre-1982 pension funding to a 3% increase. And, finally, we agreed to limit dollars spent on health and dental insurance to a 15% increase in 1992.

Given these decisions, it is clear that in 1992 the dollars to fund the increase in health and dental insurance alone will far exceed the total number of additional dollars available to fund a balanced budget. When increases in pre-1982 pension and general church askings are added in along with increases in Business Office and District Office expenses, it becomes clear that deep cuts will have to be made in the area of Conference program ministries. These cuts will be on the order of \$160,000 or more. Already the Council on Ministries is working on reduction in funding to several program areas and in staff to address this.

The problem is that this is not a one year phenomenon. The pressures which apply in 1991 and 1992 will still be with us in 1993 and very likely for some years to come. We are not just dealing with a bit of belt tightening. We are facing a new era that calls upon us to make some difficult decisions. Are we going to allow our Conference budget to become dominated by clergy support? Are we going to support program ministries and mission? If so, which programs and at what levels? When cuts must be made, where will they come from? Ministerial support? Conference program? General church program?

To answer these questions effectively, we will first have to answer some other basic questions. Who do we say that we are? What has been our history? Who is God calling us to become? What are our corporately held values and our current understanding of our mission? What are the economic, demographic, and other trends that surround and influence us? How do these compare with our church membership and participation patterns? How do we make decisions and get things done? What are the key issues that require us to make decisions? How will we make those decisions with an eye to the future and those who will inherit what we have done?

All of this may seem to signal danger in the months and years ahead, but it also offers opportunity - the opportunity to step out in faith, to journey together with the Lord into unknown territory, and

to experience the renewal and re-creation which only the Spirit can provide our Conference and congregations.

## EFFECTIVE LEADERSHIP

Leadership must be a key ingredient in any plan for the completing of the millennium and moving into the next one. This includes lay and clergy leadership for Conference boards and agencies, as well as lay and clergy leadership

for our local churches.

The Conference Nominating Committee will work for a full year in preparation for the 1992 session of the Annual Conference. The Committee will work to provide, not only members who can serve on the various boards and agencies, but members who can step into leadership roles by 1996. In doing so, the Committee will build upon the long-standing commitment of the Peninsula Conference to a vision of our life together at every level of the church that is inclusive in gender and ethnic identity.

Each board and agency will be asked to outline the areas of mission and ministry that need to be cared for, to outline the skills and insights that are required to meet these needs. Local churches will be asked to - not only recommend persons to fill these roles -but also to indicate the strengths of these persons, so that gifts and graces can be matched with mission and ministry needs.

Pastoral leadership is another key area. Cabinets have been attempting to match gifts and graces with the needs of the churches. This has been done using the total given appointments and the total given of those to be appointed. Some serious questions must be addressed as to the appointability of all pastors and to viability of all appointments. Serious questions must be addressed as to how many fully-trained, full-time Conference members we need and, indeed, can afford, and if there are alternatives, such as local pastors and/or part-time pastors, for some churches.

In both local church and Conference leadership, we must search for, recruit, train, and encourage leaders with insight who are willing to vision and direct in order that the Peninsula Conference may more nearly resemble the Church that God would have on the Peninsula.

## STEWARDSHIP

God calls us to be stewards over all of creation: the earth, water, birds, fish, animals, plant life and each other. We are living during a time when our natural and human resources are diminishing and we must choose an alternative

life style so future generations will enjoy the gifts of life God has given us.

In responding to God's challenges we have been taught we are to give our time, talent, and monies for the purpose of creating the beloved community where we are in harmony with God's will for nature and humanity.

Although the Scripture passage Luke 17:7-17 uses the servant model, it can also help us understand how we can be better stewards of God's resources. We have been taught we are to be tithers. When

we give our ten percent "...we have done only what we ought to have done." It is only when we give beyond the ten percent do we bring an offering to God.

But how does this get lived out? What is ten percent of a 24-hour day? What is ten percent of our talent? What is ten percent of our monies? Multiply this by the number of persons in our congregation, in our Conference, in the United Methodist Church, and what resources do we have?

Nations are at war, the "isms" still plague our societies, drugs are rampant, people are homeless, hungry, and destitute, our environment is being polluted, our churches are dying, and yet God's Good News to the world is "These people called United Methodists of the Peninsula Conference are my stewards and they hold the key to my beloved community."

We affirm the direction and goals of the Board of Discipleship, Division of Stewardship, and challenge them to continue to find creative ways to help the local churches to become Vital Congregations and Faithful Disciples in God's complex and challenging world. We hope that the Division of Stewardship's plan will help us to:

- create trained an well organized stewardship work areas in every local church,
- provide stewardship cultivation training for those work areas and our clergy,
- develop and utilize a comprehensive and biblical theology of stewardship to inform all stewardship cultivation processes,
- identify and provide for the distribution and use of stewardship cultivation resources,
- enable local church stewardship work areas to build and implement two to three year stewardship cultivation plans, and
- provide for reinforcement training of the local church work area.

#### VITAL CONGREGATIONS → FAITHFUL DISCIPLES

Vital Congregations -- Faithful Disciples is a vision or a call for vision by our Council of Bishops. This past fall the Annual Conference helped to underwrite the Cabinet and a team of laity and their pastor from one congregation on each district to attend "The Gathering" in Fort Worth, Texas. These congregations were Cornerstone on the Wilmington District, Christ, Salisbury on the Salisbury District, Waugh, Cambridge, on the Easton District, and Mt. Olivet, Seaford, on the Dover District. A number of other congregations around the Conference also elected to send an individual or a team. During four intensive days, our Bishops shared their vision for "Vital Congregations → Faithful Disciples" using the structure of worship as "the pattern for all Christian living" and "the pattern for seeking new vision for the church today." (*Vital Congregations → Faithful Disciples, Foundation Document*, p. 11) In moving worship services, their vision was celebrated through dynamic liturgies, powerful preaching, drama, multi-media presentations, and a variety of musical forms and styles, including traditional, classical, gospel, spirituals, jazz, folk, country, reggae, and rock. Worshipers were encouraged to enter into the vision and make it their own.

The vision also came to life in a multitude of workshops that covered more areas of the life and ministries of a local congregation than one could ever imagine.

What a joy for us to see the eye opening and empowering impact that "The Gathering" had on the laity and pastors of our congregations and the members of our Peninsula cabinet and staff. How encouraging it was for us to hear our Bishops say and to experience "Vital Congregations → Faithful Disciples" not as a program handed down to us but rather as a call for vision, for vitality and faithfulness from local congregations, from the grass roots level. We had been talking and working toward a greater emphasis on strengthening local churches for ministry.

At "The Gathering" we had experienced in a multitude of ways what God is doing and can do in and through our local congregations. We are delighted to report that for us and for many "Vital Congregations → Faithful Disciples" is no longer an event that happened last fall, but it is a movement in and through some of the local congregations of our Peninsula Conference. We had selected teams of laity and the pastors from a congregation on each of our districts to go to "The Gathering", and as those teams have returned there has been an impact upon those congregations. There have been innovations in worship services, new nurture and outreach ministries. There has been a new emphasis on ministries that touch the lives of different segments of our society such as baby boomers; older adults; youth; children; people with handicapping conditions; people who are marginalized, materially impoverished. New ports of entry have been developed in growing, changing and more inclusive congregations.

On each of our districts we see congregations that have vital ministries and that are developing more vital ministries. These congregations are growing not only numerically, but spiritually and in their faithfulness and in the growth of vital ministries that are transforming lives and impacting communities. We see "Vital Congregations → Faithful Disciples" as a movement of God's Spirit in and through our local and global United Methodist Church.

## CONCLUSION

The foregoing paragraphs reflect on major issues of the Annual Conference during the past year-- issues which are inevitably interrelated and influence the total life of the Conference.

The Council of Bishops' invitation to journey toward vitality and faithfulness is giving rise to a movement that will gather momentum and enhance congregational vitality including spiritual growth and the practice of stewardship. Vital local churches must nurture not only faithful disciples but dedicated lay and clergy leadership to take our Conference through the 1990's and beyond the year 2000. Viable congregations led by an inspired vision will, in turn, help to foster a stronger Annual Conference. As Conference leadership and local congregations work together we will become more conscious of our history, identity, and future role in the fulfillment of the divine purposes for both church and society throughout the communities of our Peninsula.

## DISTRICT SUPERINTENDENTS' REPORTS

### DOVER DISTRICT

The 1990-91 year has been a profitable one in many respects. The Spirit of the Charge Conference in the vast majority of Charges was positive and exciting. Five Charges were personally involved at "The Gathering" in Fort Worth. The District again shows an increase in membership. Several churches are seriously looking at the beginning of a new millennium, making plans to lead their congregations into the 21st century.

The Dover District welcomed Adam Benjamin Lyburn into its parsonage family on March 6, 1991. He is the son of Glenn and Lynn Lyburn. It took help from above and from hospitals on three districts to get him in a parsonage. For all of that assistance, we are prayerfully grateful. We also welcomed Andrew James Noble Baker into the parsonage family of Earle and Lisa Baker. Andy was born on August 29, 1990.

The Rev. Dr. Daniel Rich and Ms. Lenora Moyers were married on July 7, 1990. Lee has already become an active, helpful servant of Christ on the Dover District.

The District has shared the ambivalence of families saying good-bye to loved ones going to their heavenly homes. Among these are the families of: Robert Hastings, Ida Jacobs, Howard Ketterman, Lillian Milbury, Frank Robinson, James Whaley, and Dawn Wooten.

On Easter Sunday, 1990, St. Matthews By-the-Sea became a year-round congregation. It began with no members and 107 worshipers. It has now more than 100 members, is fully organized, and has made and is still making physical improvements.

The United Methodist Women under the leadership of Amy Fitzsimmons are actively promoting programs for children and incarcerated women. The Board of Laity under the leadership of Jack Sparks is helping with training and service of laity. Youth ministries, in an increasing number of churches, is alive and quite well, with new commitments being made each month. Charges reporting ten or more persons being received on profession of faith include:

Improvements are being made to physical plants to better provide for worship, ministry and mission. Among these are:

A new sanctuary has been built at Long Neck to provide the church with its first sanctuary, as well as other much-needed program space.

A new church at Wesley Chapel in Slaughter Neck is under construction to provide worship, education and other program possibilities.

Epworth Church in Rehoboth has completed a renovation of the building to better provide space for administration, worship and program. The church has provided some very needed parking space and has purchased land that can be used if and when facilities are needed in addition to the present location.

Mt. Pleasant Church in Rehoboth has added a new multi-purpose facility to be used for community service, education, social and other programs.

St. Matthews By-the-Sea has provided meeting room space that can be used for Sunday School, has restrooms, heat, and now has the entire floor under new construction.

Christ Church in Laurel has completed major sanctuary renovations.

Both Frankford and Dagsboro have made extensive improvements to their parsonages.

More churches are becoming involved with programs such as - Making Disciples through Bible Study, Trinity and Bethel Bible Studies, Stephen Ministries, and Walk to Emmaus. Each of these are adding to the list of committed persons on the Dover District.

There is a great harvest on the Dover District waiting for the harvesters. We seem to have a few more each year. Our growth inwardly and outwardly is still very much in process.

## EASTON DISTRICT

To be appointed to serve the District that introduced me to Jesus Christ as Lord and Savior and that nurtured me in the faith is a rare gift and one that I cherish. This has been an exciting and fruitful year. I have visited each of the 150 churches of the District and have experienced the diversity that our churches offer. The Charge Conferences and Bishop's Visitation Days gave me the opportunity to visit with the laity of the District to hear their joys and concerns. This will help shape the future emphases of the District.

Our emphasis this year, "Systemic Racism and Racial Inclusiveness," has challenged each of us to get in touch with our own racial attitudes and behaviors, to identify institutional racism, and to find creative ways to combat it. Through Bible study, covenant groups and worship we experienced God's grace as we confessed our sins, accepted God's forgiveness and offered ourselves for God's service to create a more just society.

It was a privilege to journey with the group from Waugh to Fort Worth, Texas, to the "Gathering." Under the leadership of our United Methodist bishops we were called to be "Vital Congregations and Faithful Disciples." Through Bible study, worship and small groups we witnessed the outpouring of the Holy Spirit and caught a glimpse of what God offers for every person and congregation, the evidence of the "fruit of the spirit." Waugh continues to implement the spirit of the "Gathering" in its local setting as well as giving leadership to the District, helping us to hear God's call to be "Vital Congregations" and "Faithful Disciples."

### Outstanding Achievements

Although we had a loss in membership this year we celebrate the gains we have experienced. We thank God for the laity and clergy of all of our churches on our District who received members on profession of faith.

#### Benevolence

I rejoice at the number of churches which paid their benevolence in full. Although we did not reach 100 percent, I am confident 1991 will find us reaching this goal. The churches of the Easton District have consistently been faithful in their response to the mission and ministry of Jesus Christ through the giving of their benevolent dollars.

#### Youth

We celebrate the gift of youth and the participation they give to the District and Conference. We are especially grateful to Ryan Pine of the Queen Anne-Wye Mills Charge for representing us at the Northeastern Jurisdictional Mission of Peace in Eastern Europe April 1-17.

## Personals

We were saddened at last year's session of Annual Conference with the announcement of the death of Frank Robinson. This year we mourn with the families of Elwood Webster Cursey, Anna Williams, and Anna Rebecca Givens.

I began my ministry on the District this year reminding each of us that God calls us by name to particular tasks to fulfill the mission and ministry of Jesus Christ. You, the laity and clergy of the Easton District, have indeed done great things in God's name as you strive to be "Vital Congregations" and "Faithful Disciples." May all of us always be willing to be open to God's spirit as well as to listen to the still small voice of God. "Hush. Hush. Somebody is calling (my) (your) (our) name to do justice, to love mercy, and to walk humbly with our God."

## **SALISBURY DISTRICT**

1990-91 has been a challenging and very positive year on our Salisbury District as we continue to grow. Thanks to the faithful leadership of laity and clergy in a multitude of our congregations, our headline for the year is: "The Salisbury District grows in membership by 176 persons!" However, beneath this statistical headline there is a more significant story. As the doors and windows of individual lives and of congregational life are opened, a spirit of transformation, the Spirit of God, is bringing forth new vision, new possibilities, and new opportunities to worship, to grow, and to serve Christ. These are exciting times of transformation as new life and vitality spring forth in so many different ways in many of our local churches, and so we rejoice with the Apostle Paul, "If anyone is in Christ, there is a new creation: everything old has passed away; see, everything has become new!"

## **CONGREGATIONAL GROWTH AND VITALITY**

People are growing spiritually and developing and using their gifts as they serve God in and through their local congregations. Membership growth on our Salisbury District is the result of 54 of our 139 local churches having increased their membership. The following churches and pastors have lead the way with net increases:

### **AN OVERVIEW OF LOCAL CONGREGATIONS**

Worship attendance is up, Sunday Schools are growing with new classes, youth groups are taking off, and congregations are growing in membership. Congregations are growing in mission as they reach out to address crucial concerns and needs within their local communities and beyond to our global village. Congregations are even reaching across age-old racial barriers to share faith and ministries through exchanges and cluster events. Some congregations are rediscovering that lost generation called the baby boomers. In congregations of all sizes and in geographical settings that make growth easier and in other settings whose conditions make growth more difficult; there is vitality and growth with integrity. The Spirit of God is at work transforming lives and changing communities. In Christ, things are becoming new!

I would like to report that the above good news is a reality in all of our congregations, but this is not so. We do have churches that are stagnant, some that are declining and some that are dying. Some churches are worshiping and functioning in the same ways that they did 20, 30 or 50 years ago. Some churches even have lost a sense of purpose, forgotten the reason for their existence. They focus only on survival as an institution with almost all of their energy going to fund raising so they can keep the building open. Often they seem to have no vision, no hope, and little energy to be in a ministry that touches lives with the love of Jesus Christ. I see some of our struggling churches recovering a belief in the Risen Christ who renews and empowers. I see some of these congregations breaking free from death and finding new ways to be the Church of Jesus Christ. I see very small churches with a vision, with goals and active ministries that are touching peoples lives. The Spirit of God is at work, and in Christ things are becoming new!

In these changing times with some of our congregations aging and with ensuing economical pressures, some of our congregations are going to have to make some difficult decision in the next few years. Unless there is openness to change and a willingness to reach out successfully to bring in new members, some congregations are going to have to become part-time charges, to merge, become part of a larger parish, or be discontinued. It is poor stewardship in our small towns to have more than one congregation, and to have two or three or four churches in a community and for those churches not to have enough people and enough financial support to be a functioning and effective church. We can be more faithful to our heritage, those who have gone before us, if we make the hard but faithful decisions. Together we need to find the most effective way to be the Body of Christ.

### **A MOVEMENT: VITAL CONGREGATIONS -- FAITHFUL DISCIPLES**

"The Gathering" in Fort Worth, Texas that was led by our Council of Bishops was attended by a contingent of laity from Christ UMC, Salisbury along with their pastor, Rev. Norma Bailey and this superintendent. Also in attendance from our district was Rev. Donald and Mildred Hamilton. The shared experience and learnings concerning the Bishops' call for Vital Congregations -- Faithful Disciples" has had an envisioning and empowering impact on the contingent from Christ that has gone beyond that team of laity and their pastor. The worship services and the other ministries of the congregation have changed and become filled with excitement and variety and lives are being touched in new ways as well as old. Worship attendance has increased by well over 40%. Workshops by the Vital Congregations Team has helped local churches and pastors. At our most recent Salisbury District meeting of Lay and Clergy Members, there was a celebration and a sharing of vital ministries that are happening in so many of our other local congregations. God's transforming presence and the openness of pastors and laity is bringing forth growth and vitality in many of our local churches! I hope and pray that "Vital Congregations -- Faithful Disciples" is becoming a movement of God's Spirit through the congregations of our district and of our Peninsula Conference. In Christ, things are

becoming new!

### **A NEW CONGREGATION: THE KOREAN CHURCH OF SALISBURY!**

We celebrate the birth of a new congregation, the Korean United Methodist Church of Salisbury! The official organizing meeting took place on the eve of annual conference, Monday, May 20, 1991, at 7:30 p.m. in St. Andrew's Church in Salisbury. A special celebration will be held on Sunday, June 9, 1991 at 2:00 in the sanctuary of St. Andrews, and all are invited to attend. A special thanks goes to Dr. Fred Bruner whose vision made this day possible. While pastor of Community United Methodist Church, Ocean Pines, Dr. Bruner led the congregation in an outreach program to a growing number of Koreans who were immigrating to work in poultry processing plants. Community UMC organized an outreach ministry of a language class, Bible study, and advocacy. Out of this outreach ministry the Salisbury Korean Mission emerged.

Thanks to the leadership of Dr. Poong Ro Cha, Mission Superintendent of the Eastern Seaboard Korean Mission and funding from the ESKM, the General Board of Global Ministries, our own Commission on Equitable Salaries, and the members of the congregation; a pastor, the Rev. Kwang Min Lee was appointed. St. Andrew's UMC, Salisbury has graciously shared their facilities with our Korean congregation, and we are grateful to Rev. Fred Wood, Rev. Pat Ellis and the people of St. Andrew's. Some of the congregations of our Salisbury Cluster have been supportive especially Grace and Asbury. Now with the leadership of their second pastor, the Rev. Seong Ki Baik, the Korean Mission has flourished and become the Korean United Methodist Church of Salisbury. The new has come!

### **MISSION, EVANGELISM AND OUTREACH MINISTRY**

Grace Church in Salisbury continues to grow with their cross-racial appointment and in a vital outreach ministry to the people in their surrounding neighborhood. Material poverty and a variety of social problems (that are spiritual too!) have had a terribly damaging impact on many relationships and many lives. With the leadership of the Rev. Grant Johnson and Grace's Outreach Committee, successful programs include a summer youth program, a latch key program, and a cooperative ministry with Christian Shelter that includes an outreach worship service in a former Gant clothing factory. Most notably that fear could readily lead many in the congregation to lock themselves inside of their church buildings, but faith has led them out into a strong visitation program in the homes of their materially impoverished neighbors. I also am delighted to report that thanks to the leadership of Rev. Johnson and Rev. Gary Tulak along with the openness of church members, the congregation's membership is growing in its racial inclusiveness! In Christ, things are becoming new!!!

## **RACISM AND INCLUSIVENESS: LOCAL CHURCHES AND LOCAL COMMUNITIES**

Is it not time for us to move beyond the racial barriers that still perpetuate injustices in our society, separate us on Sunday mornings as we worship, and also in most of the other programs and ministries that happen in and through most of our local churches? One of the joys of being a superintendent is to work with all of the churches and to see that each of us has so much to offer to one another! In each of our communities and in each of our congregations, we have made some progress, but pitifully little. This year in a cluster meeting, the oldest pastor serving on our district told about cross-racial pulpit exchanges over 20 years ago. In some congregations and communities we have regressed, while in some we have moved forward some but oh so little. Thanks be to Grace Church and to some of our clusters who are working to come together locally to share life and ministry in Jesus Christ!

### **CLUSTERS AND INCLUSIVENESS**

Inclusiveness has been experienced in its richness within some of our cluster activities. I am particularly appreciative of the monthly youth ministry of the Route 50 Cluster that has been coordinated by the Rev. Robert Riddleberger and also of the monthly cluster clergy gatherings in the Wicomico West Side and the City of Salisbury Clusters. Lois Rogers has organized very successfully a monthly hymn sing that travels around the district with different churches serving as host. These have been enriching experiences of inclusiveness!

The most moving and effective cluster activity on the district was when all 11 clusters held Prayer Services for Peace in the Persian Gulf. Several services had over 200 people in attendance. What a deeply moving experience it was in those services with the "naming" of loved ones and others serving in the Persian Gulf, and as we prayed for all people in that region. Rev. William Sterling, serving in the Gulf, wrote to me that the inclusive celebrating Holy Communion in the face of impending warfare and loss of life was a spiritually moving experience for him. Divisions of race and culture did not matter. What did matter was coming together around the table of our Lord. How precious the moments when God overcomes our human barriers and unites us in love and in caring concern for one another. In Christ, things are becoming new!

### **DISTRICT BOARD OF LAITY**

Gene Cray, our District Lay Leader, and Dolly Brittingham, our Conference Lay Leader, with the sponsorship of the District Board of Laity have done an excellent job of training and organizing Cluster Lay Leaders to be communications links with our District and local church lay leaders. This followed an excellent training event for local church lay leaders that was led by Dr. Gordon Stapleton. The Board again held a highly successful Lays Speakers School under the direction of our District Director of Lay

Speaking, Joyce Whittington. Along with our United Methodist Women, the Lay Speakers continue to be one of the most connectional and highly motivated groups on our District. In Christ, things are becoming new!

**DISTRICT MINISTERS' ASSOCIATION**

The Salisbury District Ministers Association had a unique and successful year together. With the leadership of Rev. Norma Bailey and her executive committee the meetings were designed to be community building events that included not only the regular meeting format but a Holy Week Communion Breakfast, covered dish and catered dinners that involved fun activities along with moving worship experiences. It was so good to laugh, to learn together and even to cry together; also to enjoy one another's company and to share in one another's concerns. In Christ, things are becoming new!

**COMMITTEE ON MINISTRY**

The District Committee on Ministry went through a reorganizing and tightening up process under the leadership of chairperson Rev. Ray Graham. The committee has done an excellent job of interviewing and supporting a growing number of candidates for the ordained ministry as well as working in helpful ways with local pastors on our District. In Christ, things are becoming new!

**STEWARDSHIP AND BENEVOLENCES**

The District Task Force on Apportionments has worked hard again this year processing local churches with major financial problems. We have worked faithfully and sensitively in apportionment adjustments with financially troubled congregations, striving to meet them where they are with grace and with encouragement. Our goal has been to help congregations to grow in their stewardship and in their financial commitment to the life and ministry of our Peninsula Conference and United Methodist Church. We were delighted to see an increase in the number of apportionment dollars coming from the Salisbury District, but saddened to see us again fall short of 100% payment on apportionments.

One of the bright spots in stewardship on our District has been the successful growth of Wesley Temple in moving from a fund raising emphasis to a financial pledging and giving focus for their stewardship. Thanks to the stewardship growth of the members, the Rev. Vaughn Johnson has successfully led the congregation to put their time and talents to work not in raising money but in vital ministries which include a new outpost program in one of the troubled neighborhoods in Salisbury. Wesley Temple has just become a "Saving Station" in our United Methodist Bishops' Initiative addressing the tragedy of drug abuse. Wesley Temple is rapidly becoming a model for the moving from

a fund raising mode of operation to an increased involvement in mission and ministry. In Christ, things are becoming new!

### PECOMETH CAMPAIGN

Stewardship is a concern with respect to Camp Pecometh. While the Salisbury District led the way in the early phases of the Pecometh Campaign, we have fallen behind the other districts. Our goal on the District is to have every pastor make a contribution to the campaign and also for every congregation to make a contribution as well. 50 of our 139 congregations have yet to make a contribution. Our hope also is that those who have given will continue to work on the campaign. As soon as the Camp Committee and Campaign Committee finalizes its plans for the remaining development at Pecometh, our District will launch a special gifts effort to secure some additional gifts in a significant amount.

The following congregations are leading the way for Pecometh on our District:

<u>CHURCH</u>	<u>PASTOR</u>	<u>GIVEN TO DATE</u>
Asbury, Salisbury	Edward Wilkins/Dave Humphrey	\$25,880
Trinity, Salisbury	Olin Shockley/Tom Gross	\$24,606
Bethesda, Salisbury	George Godfrey/David Garrett	\$11,185
Atlantic, Ocean City	Harold Spedden	\$10,200
Bates Memorial, Snow Hill	James Caldwell	\$9,136
Whatcoat, Snow Hill	John Randolph	\$8,000
Salem, Pocomoke	Boyd Etter	\$6,989
Grace, Salisbury	Gary Tulak/Grant Johnson	\$6,896
Stevenson, Berlin	Lawrence Jameson	\$5,305
Christ, Salisbury	Norma Bailey	\$4,996
Antioch, Princess Anne	Tom Blakelock	\$4,000

Some of our smaller congregations are not able to match the giving listed above, but they are participating at a good per person giving rate. Thanks to all pastors and congregations who are participating in this very worthwhile ministry to children, youth and adults! We can all do something!

### INTERFAITH HOUSING AND DEVELOPMENT CORPORATION

As President of Interfaith Housing Development Corporation, I am delighted to report that we are moving ahead with our ecumenical ministry to build 1,000 affordable homes for people in need on the Eastern Shore of Maryland. The first 5 of 10 homes in Hurlock have been built and sold to persons who are becoming home owners for the very first time. Work is underway to build 39 homes on Calvert Street in Chestertown. A shelter will soon be built at St. Gregory's Priory in Ridgely with additional housing to be built in Caroline County. Determined efforts are still underway to do a major housing

effort in Cambridge. Consulting work has been done for Habitat for Humanity and for Snow Hill Citizens for Decent Housing. An INVEST program has been organized through which local churches and/or individuals can invest in a CD with the Bank of Chestertown, receive 3% back on their investment, while the remainder of earned interest will go to specific housing developments by Interfaith. Rev. Glenn Catley and the members of First UMC, Chestertown have led the way with an investment of \$50,000. That is Stewardship!

Interfaith is a part of our Conference Board of Global Ministries Six Lanes for Mission. Ecumenically there are 9 judicatories leaders involved with this effort to build decent affordable housing. Interfaith staff members and/or Board members are available to speak or talk with the leaders of any of our churches. The staff includes: Alyce 'Sam' Heath, executive director; Hank Pugh, Construction Manager; Rev. Lloyd Massey, Community Support and Outreach Coordinator; and Donna Horner, Office Manager. United Methodist Board Members are: Rev. Charlotte Nichols, Easton Superintendent; Dr. Lehman Tomlin, pastor of Waugh UMC, Cambridge; and Mrs. Anne Taylor, Ebenezer UMC, Snow Hill. Our goal is to have every person live in a decent and affordable home. In Christ, things are becoming new!

### **PASTORAL CONCERNS**

As a District Family we mourned the death of the Rev. Nathaniel L. Miller in a tragic car accident. It seemed as though we had only gotten over the death of his wife, Sasha, and now Nat is gone. However, we do rejoice in the gift of Eternal Life, and are grateful for the life and ministry Nat shared in our midst. I thank the Rev. George Commodore for filling the void left by Nat and for his excellent interim pastorate in Pocomoke. We also mourn the death of Rev. Isaac Henry White who was a retired local pastor; and the widows of two of our former pastors on the Salisbury District Mrs. Marjorie W. Elbert and Mrs. Ruth Klein Leister.

We keep in our prayers, Rev. William Sterling, Sheila and their children during Bill's service as a chaplain with our armed forces in the Persian Gulf. We pray for and look forward to Bill's safe return. A special thanks to the Rev. Dr. Gordon Stapleton for his interim pastorate while Bill has been gone, and also for pastoral assistance from the Rev. Robert O'Kelly Wallace, and especially for the graciousness of the laity of St. John's UMC, Fruitland.

We keep Rev. Donald Hamilton, Mildred and family in our prayers. Don was called up as a marine chaplain during the war in the Persian Gulf. His service has been stateside, but nonetheless heroic. A special thanks to the Rev. Lisa Graine for filling in during Don's absence and to the people of St. Paul's, Berlin for their support and leadership during Don's absence.

We extend our congratulations and prayerful best wishes for good health and happiness to the Rev. Sam McWilliams and the Rev. Sabra Marshall in their retirement.

Of course, this superintendent hopes to keep them well employed for at least the next two retirement years. Our prayers go with Rev. Thomas Price in his transfer to the Baltimore Conference and Rev. Robert Riddleberger in his move to the Wilmington District.

I had the joy of officiating at two very happy wedding celebrations this past year. Congratulations to the Rev. John Randolph and Mabra Jane in their remarriage on July 21 at Whatcoat UMC, Snow Hill. Congratulations to the Rev. Gertrude Jones in her marriage to Mr. Harry Brown on April 27 at Zion UMC, Sharptown.

### **DISTRICT GOALS FOR 1991-2**

1. To encourage, resource, and strengthen as many local churches as possible for numerical growth and for growth in ministry.
2. To lift up the "Vital Congregations -- Faithful Disciples" emphasis as a movement across the Salisbury District and Peninsula Conference.
3. To provide personal support and also support from the District Clergy Family for clergy serving on the Salisbury District.
4. To have better stewardship in our local churches and to have us move to 97% payment of apportionments in 1991, 99% in 1992, and 100% in 1993.
5. To place an even stronger emphasis on the organizing of effective Clusters across the Salisbury District through the organization of Cluster Councils in each of the 11 clusters.
6. To encourage every congregation to share in at least one cross-racial experience or ministry during the year.
7. To facilitate the organization of a Salisbury Urban Ministry Program through the City of Salisbury Cluster.
8. To encourage every congregation on the Salisbury District to participate in the Pecometh Campaign.

### **A PERSONAL NOTE OF APPRECIATION**

A special word of gratitude to my wife, Karen, for her supportive and self-sacrificing ways and for being her own person as she fills the multiple roles of teacher, mother, and wife! Also to my teenage sons, Scott and Tim. They have all had to give a great deal in support of my service on the Salisbury District, and I am indebted to them for the joy that they bring to my life. Thanks to them, to the excellent pastors and laity on our

Salisbury District, to all with whom I serve, and to Bishop Susan Morrison and to my colleagues on the cabinet.

## WILMINGTON DISTRICT REPORT

The local congregations of the Wilmington District exist in a context of keen challenge and great opportunity. With the population growth which has been taking place over the past decade, considerable numbers of new residents are moving into the rapidly emerging housing developments across both New Castle County and Cecil County. Despite the recent slowdown in the sales of real estate, there remains a significant opportunity for local congregations in most areas of our counties to reach newcomers and residents who continue to be unchurched. The ability to reach and serve the unchurched people of our communities may well depend on two primary factors: The first factor is how intentional the clergy and lay leadership of our congregations are in determining which unique combination of congregational ministries and qualities will be most effective for the vitality and mission of their respective congregations. The second factor is the extent to which the local leadership in each church succeeds in bringing about the viable interaction and outward extension of the general ministry of all believers and the specialized ministry of consecrated and ordained persons. Another way of expressing this is to consider how all of the gifts, capabilities and resources of each person of the local congregation whether clergy or lay can together be extended in witness and service. The need exists both to foster effective clergy leadership and also to empower the laity of our congregations for meaningful, fulfilling ministry as well.

Additionally, the churches of our district need to look beyond themselves to the needs of a hurting world and to contribute towards wholeness and shalom for all people in a world which takes seriously the faithful stewardship of the creation. United Methodists have a great connectional opportunity to reach beyond ourselves to make a difference in meeting the needs of persons who are suffering and marginalized in the brokenness of these times in which we live. It is therefore encouraging to note that some of our congregations are really challenging themselves to increase their mission giving and thus to walk in the footsteps of Jesus who came not to be served but to serve and to give his life on behalf of others.

The work of the Wilmington District is, needless to say, properly integrated with the life of the Annual Conference in numerous ways. Part of the means by which this happens is through the work of the particular District committees authorized by our Book of Discipline which function in keeping with other committees and boards of the Annual Conference. During the past Conference year those District committees have been

strengthened both in terms of membership composition, attention to responsibilities, and preparedness for wise decision making guided by God. The productive functioning of these committees directly enhances the program and work of the District. The following paragraphs concerning specific District councils and committees help to tell the story of the Wilmington District during the past year.

Youth Work. The combination of the continuing support of the Rev. George Patterson on the one hand along with the new input of Earl Cozens from the Newark: Ebenezer Church on the other, has resulted in the establishment of a District Youth Council which has launched a balanced program of District youth events in a most imaginative and lively fashion. In addition to the two coordinators mentioned in the previous sentence, several other lay and clergy persons who possess an active concern for young people are also adding their cooperation and creative participation. The enthusiasm of these leaders is making new things happen. Accordingly, during this last year the groundwork has been laid for stronger youth work at the District level with the potential for stimulating more youth activity at the congregational level.

District Committee on Religion and Race. The new District Co-directors of Religion and Race, Jacquelin Bostic and Darlene Webb, have made an intentional effort to bring together Religion and Race Work Area Chairpersons of local churches so that they can mutually resource one another, compare programs and successful interracial events, and work together on the project to present a "Silver Jubilee" for the celebration of 25 years of the merger of churches of the former Peninsula and Delaware Annual Conferences. This group will be building on the good efforts of previous District Religion and Race leadership persons such as Tom Chamness, Charles Mason, Charles Ross, and Doris Thompson, along with all those who have worked with them in the past. Our good tradition of positive religion and race programs at the District level will be continuing with our new leaders and the current committee members.

While on this topic, we need to refer to other inter-congregational connections in various parts of our Wilmington District. There are ongoing relationships between churches such as Mt. Joy and Wilmington: St. Paul's; New Castle and Mt. Salem (of New Castle); Providence and Elkton Churches in Elkton, MD; Korean and Newark: Ebenezer; Wilmington: Grace and the Hispanic Mission; and also the interracial pastoral charges of St. Georges and Port Deposit along with the churches of the South New Castle County Parish.

District Lay Speaking Matters. A small but well experienced District Committee on Lay Speaking was able to build on the established annual lay speaker's training program of previous years and to attract the highest attendance of lay speakers at the annual training program held during the early months of this calendar year. Record numbers of persons attended the regular sessions held on five consecutive evenings of January and February. In addition, record numbers doubling the 1990 attendees benefited from the additional alternative classes held on three Saturday afternoons of February and March. Our appreciation needs to be expressed to a fine group of clergy instructors for their well

prepared material and skillful leadership of classes.

District Committee on Ordained Ministry. An inclusive group of seven clergy fulfilled their duties conscientiously. Close attention was paid to Disciplinary requirements for candidates for the ordained ministry and the local pastor relationship. The careful observance of the Disciplinary processes was designed for the good of the candidates themselves as well as the good of the congregations to which they will eventually be assigned either in the near future or in the years to come.

The District Board of Church Location and Building. Meeting on the first Thursday of each month, as needed, this board has given careful review to the property issues presented to it. We are grateful for this astute group of individual who give their valuable time and expertise to this work. What this means is that in addition to the careful work of local church trustees and building committees, the District has the benefit of the objective appraisal and suggestions of our Board of Church Location and Building. During the past year Carl Feucht has shared leadership responsibilities with the Superintendent.

Over the preceding eighteen months the Providence UMC members considerably improved the condition and appearance of their facilities; Trinity UMC in Chesapeake City embarked on a project of renovation and expansion of a section of their church property; Wesley UMC of Elkton worked hard towards the approved addition to their property in the form of an education wing. The members of St. Paul's, Earleville, made great strides forward in their progress towards a new fellowship Hall. Our North East congregation did significant improvements in renovating and redecorating their property. Among others, at Wilmington: St. Paul's, Mt. Joy, and Odessa: St. Paul's, property improvements were effected. At Newark UMC an extensive sanctuary, building and new organ project was completed. New parsonages at Leeds, Bear: Union, and the Delaware Korean UMC were purchased.

In particular, Cornerstone Church in Bear, our newest church of the District, pressed forward in the construction of their new building along Route 896. Pastor Paul Owens and dedicated laity like Jim Sapp and many others are to be commended on their diligence and their faith. Furthermore, due to the enthusiasm and initiative of Don Hurst, the support of the Conference Division of Congregational Development, and the co-sponsorship of the Wilmington District Council on Ministries, a historic first was accomplished this year - a District Shower for Cornerstone Church in which other congregations and individuals are providing financial assistance to Cornerstone towards specified items for their new facilities.

District Ministers and Mates. This has proven to be another good year of fine programs arranged by an able executive committee led by H. Sterling Green as chairperson. The subjects of meetings included a balanced selection of topics ranging from the importance of recycling to opportunities for training in pastoral care. In addition to many new learnings, the fellowship and support were beneficial to all concerned.

Clyde Knotts will take over as the new chairperson.

District Council on Ministries. This group has continued to meet twice a year. Its focus during the past twelve months has been the exchange of information concerning programs in specific work areas for which council members have responsibilities. The fall meeting of 1990 provided opportunity for council members to be aware of resources particularly new resources displayed at "The Gathering" in Texas. A major item at the spring 1991 meeting was the Superintendent's sharing of the District Evangelism plan; there was a spirit of willingness in the Council to support the concept of declaring 1993 as a Year of Evangelism for the Wilmington District. It was understood that members of the District Council would help to serve on committees for planning and implementing the Year of Evangelism.

Apportionments and Benevolence Giving. Our churches in the District are to be commended for faithfulness and loyalty in these matters. During the year 1990, our District led the way for the rest of the Annual Conference by contributing 99.1% of apportionments. Faithful apportionment giving is the practical outworking of our connectionalism. Together as a District, Conference, or Denomination we can accomplish a great deal more together than when we act in isolation or in competition.

Membership Report. The figures for the Wilmington District for the year 1990 showed a small overall gain of ten members. Although the number is small, it nevertheless represents an improvement over the previous year when our District experienced an overall loss. Hopefully, this last year's results will be the beginning of an upward trend of continued growth in the great majority of our congregations.

The District Board of Laity. This has been another busy year for the members of the District Board of Laity. All the traditional events of the United Methodist Men and United Methodist Women have been held. The Sub-districts once again organized Lenten Communion Breakfasts for purposes of inspiration and fellowship. Songfests were also held in some sub-districts, bringing together choirs and other church members for high moments of celebration and praise. Laity and clergy banquets were held along with the Pre-Conference Rally. However, this has also been a year of many transitions for lay persons in the leadership of the District: Bill Harmon has come to the end of two quadrennia of service having done a very capable and dedicated job; Dick Ward concluded four years of service as President of the District U. M. Men; Dick has been succeeded by Ken Hilton in his position with United Methodist Men while he himself has undertaken new responsibilities as the District Director of Lay Speaking; Clyde Allen has been elected to succeed Bill Harmon as the new District Lay Leader. We say many thanks to those who are completing their time of service and prayerful good wishes to those who are about to begin their term of leadership on the Board of Laity.

Partnership with Agencies and Organizations. Congregations of the District have not only related to neighboring congregations but have also maintained supportive relationships with agencies such as the Methodist Action Program, Neighborhood House,

and PUMH, Inc. The networks of partnerships with community agencies and organizations extend to a great variety of such entities in an exceptional number of ways. We commend our people for reaching out beyond themselves to be in service to others and in effective partnerships to make a difference in our communities.

Retirements. Elsewhere amongst reports to the Annual Conference references will be made to clergy retiring at this time. As a District, however, we take this opportunity to pay tribute to the long years of fine service rendered by this year's group of retirees: Edwin C. Thomas, Jr. from Grace Church, Clarence H. Hays from the Eastlake/Mt. Salem Charge; and John W. Simpser from the position of Camping Director of our Annual Conference.

C

Births and Deaths. It was with joy that the District celebrated with the Tom Edwards family the birth of Megan Joy on December 15, 1990.

C  
c

On the other hand, we acknowledge with regret the passing of two of our retired clergy, Jake Chapman O'Dell and Edward Ellis Coleman during the Conference year. Of the widows related to our District we mourned the passing of Zoe Andrews residing at the time at the Methodist Country House. We also suffered the loss of Inez G. Jones, spouse of the Rev. John Edward Jones.

C  
c

Conclusion. We have tended to highlight accomplishments and successes in this annual report. It needs to be said, however, that this year has not been without its struggles and tensions. Weeks filled with anticipation of war were followed by weeks of tragic conflict and warfare in the Persian Gulf; one of the significant commonalities across our District was the prayerful concern for persons caught on all sides of the conflict; the deeply felt desire for peace with justice has been followed by real concern for those who have suffered the consequences of warfare whether as refugees or injured and bereaved persons. As would be expected, other struggles and troubles have emerged to remind us of our need for God and for the guidance of God's Holy Spirit. Let us continue to be convinced of the tremendous importance of our Christian faith as a powerful force for salvation and shalom in these early years of the final decade of the century.

## THE REPORT OF THE STATISTICIAN JANUARY 1, 1990 TO DECEMBER 31, 1990

It is a delight to inform you that the Peninsula Annual Conference experienced growth in membership in 1990. Total full membership in Peninsula United Methodist Churches stands at 98,244, an increase of 99 over the previous year. This means that the conference has recorded increases in membership in three of the last five years. Three of our four districts recorded increases in membership. There are 485 full service churches as of December 31, 1990.

The Salisbury District increased in membership by 167, largest of the four districts. The Dover District increased by 92, largely attributable to our newest congregation, St. Matthews-by-the-Sea in Fenwick Island, which had 86 members at the end of 1990. The Wilmington District registered an increase of 10 members for the year.

Other positive trends are even more substantial increases in worship attendance in principal weekly worship services, up 1.2%; baptisms, up 16%; and enrollment in confirmation classes, up 4.4%.

Unfortunately, there were 191 churches which received no new members on profession of faith, an increase of sixteen from the previous year. Among these churches, 165 received no new members at all, an increase of 21 from 1989.

Numbers of members removed by Charge Conference action, withdrawn, or reported as an adjustment decreased by 22% this year. Hopefully, this indicates that our perennial process of "cleaning the rolls" and auditing them to more accurately reflect actual numbers of members is bottoming out.

Allow me to express appreciation of my wife, Linda, for her assistance in verifying the data as it is received; to pastors, church secretaries, and others who made possible submission of reports in a timely fashion. A number of factors continue to delay the submission of some reports well beyond the January 31 deadline -- this year, the last reports were received by telephone and mail during Holy Week, the last week in March. Thanks to our persistent District Superintendents who assisted in the collection of the statistics. We have continued to rely upon the support of our fine Conference Treasurer of 25 years, Ted Briggs, and his capable staff. And Richard Loch of PC Solutions provided the needed technical support with computer services.

We pray that the "vital congregations" of the Peninsula Conference empowered by the Holy Spirit will continue to produce "faithful disciples" as we approach the twenty-first Century. The result will be not only continued numerical growth, but spiritual vitality as well!

Boyd B. Etter, Conference Statistician

## PECOMETH CONTINUATION CAMPAIGN COMMITTEE

The Pecometh Continuation Campaign Committee has worked diligently to monitor the progress of the Campaign and to provide a lively flow of information on how the money is being received and how the funds are being used for the development of Pecometh. At the end of January 1991 which completed 5/9's of the Campaign payment period, \$1,125,560 had been received in cash. This represents much sacrificial giving and deep commitment to the ministry of camping on the part of people in 80% of our churches. We are still hoping that the other 20% of the churches will join the effort by at least receiving an offering for camp development. A total of \$3,120,482 has been committed by churches, clergy, and major gift contributors, but the giving is slower than expected so that we are about \$600,000 behind where we ought to be at this point in the campaign. Some churches that are slow in their giving have indicated that, although they will need longer than the 36 months designated, they do intend to meet the goal they accepted for Pecometh.

The giving and the commitments of the churches represent an amazingly fine accomplishment which we want to celebrate. In a feasibility study done prior to the Campaign by some professionals from Boulder, Colorado, it was stated that if 100% participation was achieved, the churches could raise \$2,500,000, the clergy \$500,000, and the remaining \$2,000,000 would need to come from major gifts. Although the major gifts effort never really happened, the churches exceeded what the feasibility study stated with only 80% participation (only 60% have accepted a goal). We need to rejoice in this and praise God mightily.

How are the churches raising this money? The variety of ways indicates the creativeness of United Methodists. In addition to dinners, bake sales and car washes, we have heard of hymn sings with an offering for Pecometh, choir concerts, a silent auction with a dinner, a dinner theater, coin banks in the homes of church members, a surprise birthday party with money tree for Pecometh in the name of the honoree, etc. Some churches have placed the Campaign in their budget. Others have used a duplex or triple-pocket offering envelope with one pocket marked for "Pecometh Campaign". But the most effective method is the personal pledging campaign among the congregation's members.

Unfortunately, the construction of new buildings has not occurred as fast as had been expected, making it difficult for us to keep the interest level high. However, this is changing as the new bunk houses are taking shape and as we soon anticipate the final plans for the new Children's/Youth Summer Residence Camp.

## CONFERENCE COUNCIL ON MINISTRIES

### TIME FOR CHANGE

"We can no longer do business as usual!" Lay and clergy members of the Peninsula Conference heard that many times during 1990. The Council on Ministries, in partnership with the Council on Finance and Administration, worked hard-- through meetings on each district, a special afternoon session at Annual Conference, mailings, and articles in the Communicator-- to provide vital information to Conference members and also to listen carefully to members' observations and comments on the issues before us. Together we identified and talked about matters of critical concern which our conference and its congregations must address. We uncovered the need to:

- Rediscover who we are and what we are called to be as an annual conference; to set priorities
- Develop and practice a better understanding of stewardship within the conference and congregations
- Strengthen local congregations so that, guided by effective pastoral leadership, they are spiritually alive and reaching out to new people
- Develop leaders in our conference and congregations
- Tell our story more effectively
- Break down the walls that divide us

### WHAT'S OUR MISSION?

We lack a clear understanding of what God is calling the Peninsula Conference to be and what, therefore, our priorities need to be. It is not enough just to keep things moving along from day to day. We must know where we are going. Decisions made today must be based on where we believe God wants us to be tomorrow. Our decisions should reflect our vision of the future, our understanding of role and mission, the areas in which we are looking for results, and the populations we seek to serve. This kind of planning is what we mean by strategic planning. Since the Annual Conference session in June, a consultant from the Center for Parish Development has met several times with a small ad hoc task force to identify the urgent issues which face the Conference and to do some preliminary work toward a plan for planning strategically. Bishop Morrison wrote to all pastors, seeking names of persons who have experience in strategic planning and who might serve on a strategic planning team. The Bishop will name that team sometime in

the year ahead. In the meantime, we are committed to planning and acting strategically to our best ability.

## EMPHASIS ON RESULTS

Our Council on Ministries, through both its staff and its boards, commissions, and committees, has *heard* what the members of the Annual Conference have said. Their thoughts have made a difference in our planning.

As we develop program and the budget to support it, our emphasis has shifted from "what kinds of things will we do?" to "what are the results we, as members of the Peninsula Annual Conference, are looking for?"

### ***Stewardship***

Th

We are looking for results in the area of stewardship. The Board of Discipleship's Division of Stewardship has developed an intensive five-year plan to address stewardship in local congregations. The goal is to equip a trained team of stewardship leaders in each congregation so that every congregation will strengthen its financial position, renew emphasis on mission in the community, and experience new life among its members. To succeed, we will have to set some other worthy efforts aside and concentrate our energies in this area.

### ***Strengthening the Local Congregation***

We are looking for results in the area of the health and strength of our local congregations. This requires effective pastoral leadership; therefore, Drayton Retreat Center is working with the Board of Ordained Ministry to design and offer continuing education events to help pastors serve more effectively. Examples of these events are "Developing Exemplary Leadership Capabilities," "Leading the Evangelistic Congregation," and "Planning Preaching for A Year."

Strong congregations are congregations who know how to invite people to become disciples of Jesus Christ, to nurture and equip those people to live out their discipleship, and to send them to serve actively in their daily lives. The Sunday school and the Christian education program of the local church provide an arena in which good things can happen. To get results in this area, the Board of Discipleship's Division of Education has surveyed pastors to ask where congregations most need help and is now offering workshops focused on the needs expressed. This is leading to education and evangelism workshops such as "Reaching for the Baby Boomers," "Teaching Faithful Disciples," and "How to Provide A Vacation Bible School This Summer." These workshops have been supplemented by the work of the Christian Education and Local Church Ministry consultants. A consultant works with a congregation over an extended period of time to

make a real difference in some aspect of that congregation's ministry. Staff helps local congregations to discover their mission and to plan accordingly.

### ***Mission Outside Our Congregations***

Strong congregations are in mission. For that reason the Board of Global Ministries has reorganized itself to make the shift from being the "bank" for the Conference's grants and loans program to being the catalyst for getting churches actively involved in mission work, both globally and locally. Our hope is that this will lead to much broader support of the Advance Special program.

### ***Leader Development***

Responsible stewardship calls for development and wise allocation of resources-- both money *and* people. We need to do a better job in identifying, recruiting, and training leaders for local congregations and for the conference. We are experimenting with approaches to leader development that will utilize the training skills of pastors, be tailored to the needs of individual congregations, and build a team approach to ministry. The format for our 1991 local church officer training focused on three areas: stewardship, nurture, and mission. We will strive to improve our efforts to help local church leaders undertake their responsibilities productively.

### ***Telling Our Story***

We are looking for results in telling our story more effectively. For that reason, the Communicator, our Conference newspaper, adopted a new format designed to keep leaders in our local congregations up to date on the direction ministry is taking in the Peninsula Conference and the United Methodist Church at large. (One happy result is that the new approach saves money!) The new "Connections" section is a monthly report on the work of Conference boards, commissions, and committees. Also, district pages give members the opportunity each month to keep abreast with what is happening in their own district as well as the others. In another move, the Daily Christian Advocate was created to help lay and clergy members interpret their work and decisions at the Annual Conference sessions to the people back home.

### ***The Walls Must Go***

Finally, we are looking for results in breaking down the walls that divide us-- between local congregations and "the Conference," between persons who are somehow "different." There is no room in God's kingdom for an *us and them* mentality. We remain committed to finding ways of living our Conference life together that make inclusiveness come alive. Likewise, we remain committed to ongoing dialogue-- to speaking openly, to listening actively-- so that divisions that exist between laity and clergy, between those who serve in the Annual Conference and those who serve in the local church, may be narrowed.

We dream of becoming one family serving together to the glory of God.

### CAMP PECOMETH

Camp Pecometh is about to enter its 45th year of Christian Education Outdoors with unlimited opportunities for ministry for children, youth and adults. Located on 282 picturesque acres along the Chester River in Queen Anne's County, Maryland, the camping ministry has become a viable life-changing experience for the people of the Peninsula Conference. Upon the background of yet another record-breaking attendance year, new facilities are becoming a reality in response to the Master's charge to "go make disciples." Some of the highlights in '90 have included:

1. '90 Summer Theme was based upon John Wesley's sermon of November 23, 1740, entitled, "The Catholic Spirit." In it he offers the challenge, "Is your heart true to my heart as mine is to yours? Do you love God and humankind? I ask no more; give me you hand." This theme permeated our camping program.
2. Camper Registrations continue to increase. Attendance broke a new record of 1,446 as compared to 1,340 one year ago. Of the 1,446 campers, 1,119 children and youth came from the local churches of the Peninsula Conference.
3. Staffing continues to be a growing problem at Pecometh as well as across the nation. However, adequate staff was secured and numbered approximately 62 persons. As has become our practice for the past 8 years, international Christian young people supplemented the American staff persons. Their presence added a valuable dimension to our program and camp relationships. They came from England, Australia, New Zealand, West Germany, Scotland, Northern Ireland and The Netherlands. We particularly felt privileged to have our first Russian student from Leningrad on the staff. Ekaterina (Kate) was a blessing to us all!
4. Racial Ratio among campers was as follows:

	<u>1990</u>	<u>1989</u>	<u>1988</u>	<u>1987</u>
White Campers	1,327	1,215	1,176	1,077
Black Campers	111	114	107	95
Asian Campers	2	4	1	2

Hispanic Campers	$\frac{6}{1,446}$	$\frac{7}{1,340}$	$\frac{4}{1,288}$	$\frac{1}{1,175}$
------------------	-------------------	-------------------	-------------------	-------------------

5. World Hunger Offerings totalled \$1,340.00 as compared to \$1,019.00 last year. Since 1975, the contributions for this worthwhile cause totalled \$12,418.00.
6. Campership Funding provided a rich camping experience for 55 boys and girls, amounting to \$4,215.00. Of these, 37 Ethnic Local Church campers received financial support in the amount of \$2,755.00. The Ethnic Local Church Missional Priority Fund provided ten one-half campers of this latter amount. The Campership Fund ended the year with a balance of \$313.00 and will not provide needed help in 1991 unless contributions are received from individuals, organizations and local churches.
7. Cabin Adoption Plan continues to provide Pecometh campers with clean, attractive and well maintained cabins. The plan is now in its 16th year and the work of hundreds of volunteers was greatly appreciated. Twenty-four cabins out of 27 are under adoption.
8. Memorial Program continues to be well supported by individuals and groups throughout the Conference. One of the highlights of the Annual Laymen's Retreat Weekend was the planting of a Blue Spruce in memory of Maurice M. Hancock. Two other Blue Spruce were planted in honor of Dr. C. Edwin Lasbury and Dr. Willard L. Robinson, Jr. Living memories have become a part of this program as trees are being planted to honor pastors, lay persons and children attending camp. Pecometh needs more trees!
9. Daily Bible Study for the Riverside Area followed the new format adopted one year ago. Spiritual Life Coordinator Sharon Turner of St. Michaels-Royal Oak UMC used new and innovative approaches as she related biblical teachings to daily camp life. The entire Riverside camp assembled daily for this rich experience and quite often followed the daily theme for its evening vesper service in the outdoor chapel.
10. Publicity - Camp Pecometh received national recognition by having its summer brochure picture featured on the front cover of the American Camping Association's magazine. This unique inter racial photograph was perfect for the feature article, "Celebrating Diversity in Organized Camping."
11. Staff Housing has become a problem of major proportions as obsolete buildings begin to crumble, tilt and collapse. The fire marshall's office may indeed condemn further usage of the staff house (near the outdoor chapel) and of Jake's Place before the '91 camping season.

12. Camp Usage has continued on a daily basis since summer camp ended August 17th. The following groups (in addition to Peninsula Conference weekend retreat groups) have utilized Pecometh's facilities: Eastern Shore Junior Academy (Seventh Day Adventist) National Conference of Synagogue Youth, Sidwell Friends School (Washington, DC), Prince George's County Special Outdoor Education Program (10 schools), and the Baltimore Conference Camp Leadership Team.
13. Christian Education Sunday special offering realized \$5,396 as compared to \$9,329 last year. This is the second time since 1977 that the goal (\$10,000) has not been met.
14. Camp Director/Manager - having fulfilled the necessary requirements, the status of "Certified Camp Director" was renewed by the National Certification Board of the American Camping Association for the Camp Director/Manager for the period of 1990-1995. In addition, he attended the National Conference of the American Camping Association, Boston, MA, the Northeast Jurisdiction Camp Leaders' Training Event, Mt. Misery, NJ and the Northeast Jurisdiction Camp Leaders' Training Event, Shelter Island, NY.

### THE COMMUNICATIONS COMMITTEE

The Communications Committee continued to strive for viable ministries during 1990. Ever-present financial concerns for the entire Conference, as well as local churches, have colored our efforts to provide effective and meaningful communications services. Yet, in spite of these realities, the committee has accomplished many of the goals presented for 1990.

One of the biggest accomplishments was to change the format of The Communicator. The Conference-wide newspaper is now a bi-weekly tabloid. Many of the functions of the coordinated mailing have been incorporated into the new format. Now all subscribers can have access to much more information pertaining to the Conference. Another feature of the new format is a regular place for each Conference committee, board or agency to give regular updates to the readers. Each district receives one page per month for district news and activities. Preliminary reports from readers express approval of the "new" Communicator.

"Catch The Spirit" continues to be broadcast on WBOC-TV. A recent Nielsen Survey shows that we have a 12% share of the 164,000 households that receive WBOC.

This translates to 20,000 households watching "Catch The Spirit" each Sunday morning.

In the coming year we will continue to strive to bring quality communications products to the churches of the Peninsula Conference.

Alex Slonin, Jr.  
Chairperson

### 1992 Goals

1. Help local churches in outreach efforts using local communications resources.

#### OBJECTIVES:

1. Publish a handbook for local church's Communications Chairpersons.
  2. Provide training opportunities and consulting services.
  3. Continue EMLC support.
  4. "Catch The Spirit" on open air broadcast.
  5. Work toward providing VISN for local cable companies.
  6. Maintain multi-media presence.
2. Coordinate and integrate the flow of information within the conference.

#### OBJECTIVES:

1. Continue presence in TRICOMEDGRO.
2. Continue The Communicator.
3. Provide an inter and intra-conference Crises Communication's Network.

### DRAYTON RETREAT CENTER

1990 was a year of tremendous progress in the ministry and stability of the Drayton Retreat Center. It finished its second consecutive year of operation without subsidy to the operating budget from the Conference Council on Ministries. For support of the budget above what is received from user fees, \$17,000 of accumulated interest from the endowment fund was transferred (only 62.9% of \$27,000 budgeted). With that support, the 1990 operating budget finished substantially (almost \$3,000) ahead of where it began the year. A balanced budget has been adopted for 1991, which includes, for the first time, a budgeted amount for support of a capital maintenance fund, and which includes only \$22,000 in endowment interest, an 18.5% drop in budgeted interest funds.

In 1990, a total of 184 groups used the Drayton facility, for a total of 3725 guests.

Of those guests, **89 groups were from the Peninsula Annual Conference, and included 1650 guests.** There were guests at the facility **251 days during 1990, 71.3% of the 352 days that Drayton was open.** Groups experienced a variety of programs during their stays at Drayton. Some groups planned for local church ministries, others held events of spiritual renewal, and others worked toward the completion of specific assignments.

**1990 was Drayton's Silver Anniversary:** its twenty-fifth year serving the Annual Conference as a Retreat center. We celebrated with an anniversary party in the fall, and carried the theme to the Christmas dinners in December. Throughout the year, we have given thanks to God for those whose vision has made possible and has sustained the ministry of Drayton Retreat Center.

**Groundbreaking for the addition and renovation project was held December 14.** The plans call for the construction of the new Caldwell dining room, and the complete renovation of the west end of the Manor house. The office space will be re-done, as well as the kitchen and second floor west bedrooms.

**In 1990, Drayton offered notable leadership in the Annual Conference in caring for God's creation.** We instituted the use of mugs at Drayton for the coffee service, eliminating disposable coffee cups, and instigated the use of mugs at CCOM meetings, eliminating disposable cups there as well. We "re-cycle" our used soap by sending it to an overseas mission project operated by Lutheran World Relief; we have begun to set-up the project of composting kitchen leftovers, and recycling aluminum and glass.

**Major renovations were completed to the pool early in 1990.** The surface was sandblasted and replaced, the coping stones were replaced, a third filter was installed, and a cover was purchased and installed. The total cost of renovations was approximately \$40,000; \$28,000 of which was a grant from CFA and \$12,000 of which was contributed by Drayton's Capital funds. These renovations will help to insure the safe and efficient operation of the pool for several years to come.

**The first handicapped young man to serve on the staff at Drayton was hired in 1990.** Bobby has added much to our staff, and to our understanding and experience of Christian community.

**There were 8 Continuing Education events planned in 1990;** 6 events were held with a combined registration of 79 persons. 12 events are planned for 1991. The events for 1991 emphasize leadership skills for pastors and other church leaders, as well as program that will directly strengthen the local church.

**We purchased a new copier, and installed and programmed a computer network** for the Drayton office. All office functions, including payroll, bills, income, group reservations, and inventories are now kept in computerized record, allowing for easier and more functional record keeping and analysis of operation.

**The Director of Drayton has maintained an active membership in the International Association of Conference Center Administrators,** a professional organization for persons who

administer Retreat and Conference centers, and is anticipating the completion of the process to become a Certified Conference Center Administrator, a program of professional certification under the auspices of IACCA the year. That certification will be among the first in the country, and should be recognized at the fall 1991 national meeting of IACCA.

**Drayton operates under the following guidelines for its life and ministry in the Peninsula Annual Conference:**

**A. Style of operation:**

- to extend Hospitality designed to remind persons of God's redemptive Welcome to humanity in Jesus Christ;
- to provide a place, setting, and services to encourage and prompt reflection on life and the world from the viewpoint of the Christian Faith;
- to maintain a home-like setting to foster and enhance community building;
- to provide an exceptional setting and facilities for effective meetings - operational planning, evaluation, strategic planning, and organizational development - for Peninsula Annual Conference groups, and others;

**B. Program of operation**

- to provide programs of Continuing Education for pastors and other leaders of congregations;
- to provide programs - educational, liturgical, and contemplative - which encourage and make possible spiritual growth and renewal;
- to offer programs which promote priorities of the Peninsula Annual Conference, and General United Methodist Church;

**C. Character of operation**

- to stand as sign and symbol of Spirituality and Prayer in the life of the Peninsula Annual Conference;
- to model stewardship of Creation, and invite guests and staff to adopt stewardship as lifestyle;
- to model Christian community in staffing patterns.

1991 looms as a challenging year indeed; it promises to bring fresh dreams, clearer visions, exciting ventures. We are looking forward to completing the building renovation project, and to continuing with necessary repairs. Reservations for groups are solid in 1991, and indicate another year of offering a vital ministry to churches of the Annual Conference and other churches.

The ministry of Drayton will always remain an effort of encouraging the hearts of individuals and groups. It is a ministry which works to silence the noise of the society in which we live, so that we may be attentive to the call and summons of God. The aim of Drayton is to foreshadow the glorious homecoming of God's people to a time and place of peace and full joy. The life of Drayton is carried in the hearts of all the guests, the staff, and the ones who pray for its ministry. It remains exceptional in its mission and service to the local church and to the Annual Conference

## **Operational Philosophy Drayton Retreat Center**

The Drayton Retreat Center is owned and operated by the Conference Council on Ministries of the Peninsula Annual Conference. It seeks to provide a setting, facilities, and programs which encourage quests from Peninsula Annual Conference churches, and other groups, to live their lives more self-consciously in response to God, and which facilitate the goals and aims of the group. It calls to mind our individual and corporate responsibility for our spiritual lives in the context of our personal and community situations.

Let me hear what God the LORD will speak,  
for he will speak peace to his people.  
to his faithful, to those who turn to him in their hearts.  
Surely his salvation is at hand  
for those who fear him,  
that his glory may dwell in our land.

### **ETHNIC LOCAL CHURCH COMMITTEE**

During the past year, under the direction of the Conference Council on Ministries, the Ethnic Local Church Committee continued its work of empowering and enabling ethnic local congregations for witness and mission. As a means of accomplishing this task, the Local Church Ministry Consultants assisted congregations in the development and strengthening of program ministries and projects aided through Annual Conference funds.

We are grateful for God's abundant blessings upon our work for 1990-91, which is exemplified in the activities listed below:

1. A. The Local Church Ministry Consultant Program (Local Church Ministry Consultants): through the Consultant program, the ELCC rendered more than 290 contact hours with local churches. These hours were spent in various seminar and workshop settings in the areas of leadership training, evangelism, Christian Education, communications, needs assessments and

building programs.

- B. District Workshops: 1.) Vacation Bible School workshops were held in the four district resource centers. 2.) In conjunction with the Board of Discipleship, Division of Evangelism, the Consultants helped to sponsor workshops on "Reaching the Baby Boomers".
2. Funding Projects: The ELCC supported six local church projects in 1990. Ministries that have been supported: Summer Day Camp Program, Whatcoat UMC, Dover; Senior Citizens Project, Wilmington: Zion Mt. Carmel; Leadership Training, Simpson UMC, Middletown-Dale's and Wesley Temple UMC; Community Outreach Program, Grace UMC, Salisbury; and New Life Mission Evangelism Programs, Mt. Calvary, Bridgeville.
  3. Scholarship/Grants were provided for a Seminary Student and training opportunities for clergy/lay leadership development.
  4. Mission Team Support/Training: 1.) In partnership with the Local Church Ministry Consultant Program, the committee supported the work of several persons who worked both with congregations and on district-wide events. 2.) The committee provided a significant sum of money to help with sending church leaders to the Vital Congregations Gathering in Fort Worth, Texas.
  5. A Comprehensive Resource Guide was developed and presented to CCOM, which coordinates the work of the Local Church Ministry Consultant Program.

Reflecting on the Committee itself, considerable attention was directed to clarifying matters of structure and function so that the Committee is able to be clear about its area of responsibility. Out of this process, the Committee has been restructured, enabling greater membership participation and accountability. In addition, the Committee exhausted a considerable amount of time evaluating the Comprehensive Plan for revision and reintroduction to the Peninsula Annual Conference.

The year has been a good one. We come to this time with a better sense of organization, purpose and next steps. All of this has been possible with the help of the Conference Council on Ministries, the Ethnic Local Church Committee and Staff person, Lawrence Livingston.

Darlene T. Webb  
Chairperson

### 1992 Goals

1. Continue to oversee the implementation of the Comprehensive Plan, monitor cooperation and performance, bring new information and possibilities to focus to Annual Conference, and keep the concern before all.
2. Have Ethnic Local Church Consultants assist congregations in developing short-term and long-term goals as they relate to churches' mission in Evangelism, Stewardship, and Christian Education.
3. Develop a Convocation on ELCC for interpretation purposes.
4. We will help coordinate funding for approved projects as well as seek sources of funding.
5. The Executive Committee shall work with the Commission on Religion and Race in monitoring the Comprehensive Plan.

### CONFERENCE COUNCIL ON YOUTH MINISTRIES

This has been a year of growth for the Conference Council on Youth Ministry. The youth are taking a more active role in all aspects of Conference Ministry. They were active in the Annual Conference as voting members. The youth did much of the planning for the 1990 and 1991 Youth Rallies at Salisbury State University, and carried out their plans with much success. It is a true joy to see the youth planning and delivering the message of the Gospel in worship, fun and fellowship. The youth also had their first annual Summer Youth Retreat in June 1990. We had 130 people attend this retreat at Camp Pecometh where the CCYM youth members were small group and Bible study leaders. These youth also led the entire group in some very meaningful worship experiences as can be seen in parts of the Camp Pecometh Video that was shown in the 1990 Charge Conferences. About half of the youth attending the Summer Retreat had never been to Camp Pecometh before, and several Junior Counselors came out of this program. The CCYM continues to move ahead in their ministry with Youth in this Conference.

Sandra Steiner Ball  
Coordinator

### 1992 Goals

1. Youth Rally - A program to address the need for United Methodist Youth to gather together for Education, Worship, and fellowship. The rally will offer spiritual and material resources to strengthen local United Methodist Youth Fellowship programs and individual faith journeys.
2. Summer Youth Retreat - A program to further address the need for United Methodist Youth to experience spiritual growth and formation. Provides an opportunity for those who are unable to attend the youth rally to be involved with other youth from the Conference.

3. Northeastern Jurisdictional Council on Youth Ministries (NEJCYM) Participation - Participation in the NEJCYM by Peninsula Conference youth to keep our conference active in jurisdictional decisions and programming and to develop leadership in our youth in the areas of ministry and mission.
4. Confirmation Rally - A program to address the need for youth in confirmation classes to gather together to discover what it means to be part of a connectional church and to meet some of the people who are a part of that connection and its leadership.

### COUNCIL ON FINANCE AND ADMINISTRATION

During the past year, the following actions were taken by the Council:

1. Pecometh - Granted \$30,000 for equipment and improvements.
2. Property at 431 N. State Street, Dover - Sold for \$165,000. Funds to be used to purchase a new parsonage when needed.
3. Property on American Avenue, Dover - Purchased two developed lots behind the Conference Office Building for \$150,000.
4. Pecometh - Granted \$6,250 for repairs and improvements.
5. William T. Swager - Granted \$750 for assistance in housing and medical expenses.
6. Authorized the payment of \$500 toward moving expenses of each clergy person at the time of retirement.
7. Authorized the payment of \$500 toward moving expenses of each clergy person granted disability.

#### **Recommendations:**

1. That .38 be the apportionment factor for 1992.

### BOARD OF CHILD CARE

Do we believe, "Children are a gift of God"?

Recently, while walking through one of the cottages at Board of Child care, a statement on that cottage bulletin board caught my eye. It read, "It will be a blessed day when we have all that we need for children and the Pentagon holds spaghetti dinners in order to raise money for armaments."

Children of America, including children within the bounds of the Baltimore and Peninsula Conferences of The United Methodist Church suffer from poverty, from infant mortality, delinquency, teenage pregnancy and abortion, school dropout, abuse, neglect, use of illicit drugs and sexually transmitted diseases. It may be time that America examines its priorities.

In the past year, Board of Child Care has completed renovations at its Gaither Road Campus. The administration building was enlarged to include additional offices for our mailroom, chaplain, psychiatrist, a room for storage of certain clothing items and, best of all, a new classroom. For the first time, boys and girls who are on campus during daytime hours have their own place for study. This has proven during the year to be a tremendous asset. During evening hours, our teachers with the help of volunteers come to the classroom to provide individual tutoring for those boys and girls who recognize a need for special help in their studies. The classroom looks like a classroom, sounds like a classroom, has the equipment of a classroom, so really is a classroom.

With the same construction project, we enlarged our boys' shelter. What once was a garage is now an activities room. A wing was added, providing extra beds so that we now accommodate ten boys in that shelter unit. We created a space in the center of the building for staff supervision.

Summertime was an exciting time for boys and girls at the child care center. Older children had community service jobs in the neighborhoods surrounding us. They are particularly pleased to earn their own money which is used for very special items - often the "in" style of "tenners" (colloquial for tennis shoe - a word used by all teenagers but not yet recognized by Webster) which we usually feel are beyond regular budget, for special radio sets and personal items which they want. At insistence of staff, one-third of those earnings goes to children's savings. Also during the summer, we had our usual camping trips. This year we went to Blackwater Falls State Park in West Virginia, and to Cape Henlopen State Park in Lewes, Delaware. A group of boys and girls, after completing the Standard Red Cross Canoe Course, canoed on the Potomac River. Another group did 175 miles or so on the C & O Canal by bicycle. They came back sore but quite thrilled at their own achievement and endurance.

A very special experience was enjoyed by a group of children in December. These boys and girls had been told, during early summer, that were they able to work and earn money for their ticket to the Christmas Spectacular at Radio City Music Hall, we would take our newly acquired bus (purchased in large part with Campbell's Soup Labels) on such a trip. Needless to say, it was an exciting time for all and included a ferry ride over to the Statue of Liberty and a tour of the United Nations Building.

More recently we have celebrated achievement in sports by our boys and girls. Dave Johnson of the Baltimore Orioles was with us during the Sports Recognition Dinner. Likewise in February, we had the Academic Recognition Dinner. At that time, each boy and girl was

recognized for their particular achievement in the school system.

The Foster Care Program at Board of Child Care is providing for an increasing number of children. Half of the 35 children in this program are under the age of 4. Some are born of HIV Positive parents and some are born of drug addicted mothers. They enter the world with serious affliction and your Church, through Board of Child Care is doing everything possible to enable these little ones to a positive start in life. Unfortunately, we know that the life span for some of these is to be short.

For five years, we have struggled to overcome zoning restrictions and construct an additional facility for 60 boys and girls. A market survey indicated to us the greatest need is emergency shelter for children under the age of 12, as well as residential care for brothers and sisters. We have been unable to develop plans for construction of these facilities in the Chapeldale area of Baltimore County. As of this writing, we are working towards completion of engineering studies for the development of a facility on land Board of Child Care has owned since 1974 in Harford County. If the water quality and availability prove to be in our favor, then it will be necessary for us to seek a special exception in order to develop facilities. The need remains very, very great (we turned down over 150 children in the past 12 months from our Shelter).

Please think of Board of Child Care as providing a service for each and every member of our ministerium and our churches, as well as providing services for youth and children throughout the Baltimore and Peninsula Conferences which we serve. We are available to discuss with any of you any child care problem which develops. We do not have all of the answers but generally we know where to seek help.

Your contributions and strong support of our Annual Christmas Appeal is greatly appreciated. You have formed over the years what we regard as a strong bond to Board of Child Care in the interest of children, and have supported this work in countless ways. For all of this, we are grateful.

W. Thomas Barnes, President

### **BOARD OF CHURCH AND SOCIETY**

In 1990, coordinated study and activity continued in the eight key result areas for which goals were established at the five-year planning retreat in 1988. At this retreat, "Shalom 93", participants assessed crucial issues confronting the church and society, specified goals and established priorities for the Board's efforts.

Ten Board meetings were held during the year. At each of the four District Training Sessions, board members served as leaders of the work group on Church and Society.

In October, a one-day workshop was conducted by the Board for pastors and other church leaders, on techniques of peacemaking - "Making Peace with One Another - The Role of the Local Church". Rev. David Schilling, Program Coordinator of the Fellowship of Reconciliation, served as facilitator. Following the workshop, a request for proposals was mailed to all churches

in the Conference. Mini-grants ranging from \$50 to \$200 were offered to assist churches in developing programs in the Peace and Justice area. Four proposals were received and funded.

The following programs and projects within the Board's area of responsibility were funded in 1990.

I. Pacem in Terris \$6,000

The Board continued its support for this ecumenical program. The director is a member of the Board and chairs its Peace and Justice key result area. Pacem in Terris furnished packets for the workshop and handled the Board's quantity mailing at reduced cost. The agency offers leadership, resources, projects, workshops and programs in which United Methodists can participate. Peacework, the bi-monthly publication, is sent to each local pastor and Church and Society Chairperson in the Conference.

II. EMLC Youth Training \$1,793.60

The Board funded training and expense to Russia with the People to People Program for minority youths.

### BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry had cause to celebrate in 1990. It was during this year that the question most asked of us was not "What IS a Diaconal Minister?" but rather "Could you answer some questions about Diaconal Ministry?" This change indicates that the Board has been successful in its attempts to educate the Conference about diaconal forms of ministry. This was also the year that saw two candidates declared at an annual conference session - both

PLI  
rea

candidates are attending school and are planing to be consecrated. Three persons completed course work and are candidates for certification in the areas of education and evangelism.

BC  
Re

This was also a year of continued work with the Board of Ordained Ministry. The two boards sponsored a day of exploration of ministry for persons considering set-apart forms of ministry and a joint display was prepared for the Annual Conference. The Board of Diaconal Ministry is appreciative of, and has grown through, the supportive and enabling relationship with the Board of Ordained Ministry.

The Board of Diaconal Ministry has continued to take seriously its role in helping persons articulate and define their "calls". We celebrate the many opportunities which have been afforded us and eagerly anticipate responding to the queries of others who seek the meaning of God's call for their lives. Training experiences were provided for two persons who will serve as mentors and a planned day apart for persons interested in diaconal forms of ministry resulted in several additional persons who are being nurtured in their explorations.

As a Board, we have written a mission statement which defines who we are and what we are about. In part, our mission is to "...provide a framework for others to identify and fulfil their calls to love, justice and service." This we will continue to do with energy and zeal in the name of Jesus Christ, the Lord.

Chairperson

### 1992 GOALS

The Board of Diaconal Ministry, at the beginning of this quadrennium, adopted goals for the quadrennium that would result in a conference educated as to diaconal forms of ministry and persons who were seriously considering these forms of ministry as responses to God's "call" for their lives. The 1991 goal of equipping and maintaining a core group of mentors will be carried on into 1992 as well.

The 1992 goal to be added to those previously established is to present a training experience for clergy, Pastor-Parish Relations Committees and church related agencies. The focus of the training will be to help these persons/agencies determine the possible ways that persons equipped for diaconal forms of ministry could be added to existing or expanded staff. Persons who are Diaconal Ministers can effectively function on church staffs and in church related agencies - this event will help others share our vision.

Additionally, in the latter part of 1992 this Board intends to help the conference as a whole and persons in diaconal forms of ministry, specifically, deal with action expected at the 1992 General Conference with regard to the ministry study currently being carried out.

#### BOARD OF DISCIPLESHIP

The mission of the Board of Discipleship is to be a connectional partner with local

congregations in their ministries of:

1. Reaching out and receiving people where they are, as they are;
2. Helping others enter into a relationship with God;
3. Nurturing, supporting and equipping persons for Christian discipleship;
4. Sending disciples into their communities to serve and give witness to the transforming power of God.

During the current quadrennium our four (4) quadrennial goals are:

1. To be and to be perceived by the Annual Conference and members of local congregations as a Board of Discipleship that does support and help local congregations in their ministries.
2. To develop and pioneer, utilizing the resources of the General Board of Discipleship, a model of distinctively United Methodist discipleship-making, for use by the churches of the Peninsula Annual Conference.
3. To assist each local church in developing at least one connectional inter-racial ministry with another (or other) United Methodist congregation(s).
4. The Board is generating its action plan for the above goals through the development of the Partners Project. The Partners Project is:

the Board of Discipleship entering into direct partnership with specific local congregations, over an extended period of time, for the purpose of building up those congregations' discipleship ministries of worship, education, evangelism and stewardship.

- (a) a clear path for local church revitalization
- (b) a coordinated plan that works in cooperation with each District Superintendent to identify churches in the doldrums, on the list of churches receiving equitable salary support, for example, and to revitalize them through a process designed in consultation with each of those congregations.
- (c) A viable means of moving all participating churches in the direction of self support.

The Board of Discipleship at its December 1990 retreat gave its approval for the Partners Project to be continued through the next five years.

Special thanks is extended to the Chairpersons of each division, staff members and members of the Board of Discipleship for their enthusiasm and commitment to making our Board an effective resource for the Peninsula Conference and its local congregations.

### DIVISION OF EDUCATION

"Done well, Christian Education has the potential beyond any other congregational influence to deepen faith and commitment. Knowledge of its importance makes the need for educational revitalization all the more urgent." These words, from A National Study of Protestant Congregations, summarize how strongly our Division feels about Christian Education. Through Sunday School, Bible Study, Disciple Groups, and other small groups, persons old and young, come to a growing and vital relationship with Christ. Knowing that the local church is the key to effective Christian Education, the Division sought to support the local churches of our conference during 1990 in the following ways:

**Teacher training:** Teacher training opportunities were offered in a series of six workshops held throughout the Conference in the fall entitled, Teachers are Growing Persons. Record numbers of churches and teachers attended as the Division set the topics for these workshops based upon a survey of needs earlier in the year. Over 90 churches were represented by 370 people!

Workshops are also held in local churches led by persons who have been trained by our Division in specific areas of expertise. We encourage our local churches to use these resource persons by working through the Conference Office. Our Division also provides two consultants to local churches who are seeking to improve their Christian Education program. From this work, a local church has created a new Work Area on Christian Education, another has begun an Adult Sunday School program, and many have strengthened their programs through the consultant ministry. I want to express our deep appreciation to Liz St. Clair and Doris Phillips who have served tirelessly and effectively in this role during 1990. Doris Phillips, who has been with our program from its inception and given outstanding direction and leadership for many years, will be retiring from this position in 1991. We thank her for her service and will find great joy in watching the Lord bless the seeds she has planted in her ministry with many local churches.

The Christian Education Consultants have worked closely during 1990 with the Local Church Consultants. Significant work has been accomplished in several Ethnic Local Churches through this joint effort. Special attention has been given to helping churches design and implement Vacation Church School programs.

Several members of our Division have been working hard to prepare themselves to be the Action Team in our Partner's Project Program to be implemented in 1991. This training and planning is essential to the effectiveness and future of this program.

A valuable part of the work of our Division is to help provide Christian Education Resources for local churches. We provide leadership support to the Interfaith Resource Center which now has satellite centers throughout our Conference. We encourage all churches to utilize

these resources. Other resources are available in our Conference office and the Ethnic Local Church Resource Centers.

In order to provide effective resource persons for our local churches our Division has sought to recruit and train persons from our Conference. Several persons attended Lab Schools to prepare them to lead workshops in the local church. With the goal to have DISCIPLE Bible Study groups on each district, our Division sent two persons to be trained in 1990. These persons are expected to lead a group in their district which will help train others to utilize this program in the local churches. Considerable time and attention was given in 1990 to the creation of a Christian Education Fellowship (CEF) Chapter. This Fellowship would provide support, training and motivation for professional Christian Educators throughout our Conference. We are excited about the potential of this new chapter.

Our division is indebted to the dedication and commitment of so many persons in our Conference who were willing to be used as Workshop leaders, planners, teachers, facilitators, and in many other roles. Special thanks must be given to Liz St. Clair who has served as interim Conference Staff person. Her leadership and spirit continues to be an inspiration for our work.

Chairperson

### 1992 Goals

The following represent our goals for 1992. With the other divisions of the Board of Discipleship, we will give considerable time, energy, and resources to the Partner Church Program which we know will bring new life to our local congregations.

1. To train local church teachers and leaders in Christian Education seeking to improve the quality of education in our local congregations. To support and motivate local church teachers.  
This will be accomplished through the work of our consultants, workshops, and on-site support. Emphasis will be given to the involvement of other divisions in our work with the local church.
2. To provide a pool of resource persons who are trained to function as Team Members for the Partner's Project and other training events for the local church.  
Jurisdictional Lab Schools, coaching conferences, and foundational training will be provided for leaders. Recruitment of persons from our Conference will be a key ingredient of this program with special attention given to the training of persons to assist small membership churches and ELC congregations.
3. To provide local churches with highly trained and capable consultants who can assist them on a long-term basis in some area of need as it relates to their Christian Education Program.

4. To provide the local church with a catalogue of available resources for Christian Education. This will be done in conjunction with other divisions from the BOD and will be a valuable resource for local churches. A comprehensive list of persons who have been trained by the BOD will be included in this catalogue.
  5. To assist small member churches in the development of their Christian Education program. At least four small member churches/charges/clusters will be recruited for on-site training.

### DIVISION OF EVANGELISM

The Division of Evangelism began the year by sponsoring three lay persons and two clergy to the Council of Evangelism in Pittsburgh, PA. Our Chairperson, Barbara Jester, was appointed by the Bishop to attend the "World Institute of Evangelism" in Atlanta, GA. Also, the Division of Evangelism supplied financial support for the training of one "Growth Plus" consultant. These were steps taken by the Division of Evangelism to train prospective "Action" team members for the Board of Discipleship's Partners Project".

Throughout the year, workshops on Church growth were held in several local churches by Division members and seminars on "Life Style" evangelism were presented in several areas of the Conference.

The Division of Evangelism, in conjunction with the Division of Education, presented a workshop on "Reaching the Baby Boomers" on each District.

The Harry Denman Award was awarded to Rev. Albert C. Burton, Union UMC, Bear, DE, and Mr. Francis J. Turpin of Federalsburg, MD.

The "Five Star" program was again promoted throughout the Conference with over 35 churches receiving recognition for their outstanding work in Evangelism. Seven (7) churches received a Five Star "Plus" award for meeting the criteria and going beyond. "Spiritual Formation Resource" packets were designed by the Division to cover all areas of the local church. They were distributed to over 580 churches in the Conference.

The Division supported the "Delmarva Walk to Emmaus" and its youth counterpart, "Chrysalis" during 1990. Over 65 youth and 90 adults participated in this spiritual renewal experience.

The Division continued to support the National and Jurisdictional Sections on Evangelism through financial pledges. Scholarships were made available for people to attend the NEJ Conference on Evangelism at Lycoming College in Williamsport, PA in July. Two Division members attended the NEJ Division of Evangelism's October meeting at Lake George.

Recognizing a critical need in our Conference, the Division of Evangelism has formed a partnership with three other divisions of the Board of Discipleship to develop a program that would

help local churches revitalize their ministries and become "Life Saving Stations" in their communities. In addition to financial support, the Division has provided three trained consultants to be Partners Project "Action" team members.

The actions taken by the Division of Evangelism for 1990, were to put into motion our vision of being a resource for the local church to use while pursuing the Great Commission, "Go therefore and make Disciples....." (Matt. 28:19a)

Barbara S. Jester  
Chairperson

### 1992 Goals

1. Provide financial support to train 8 people to work with the BOD's Partners Project Action Teams. To train and equip leaders to be resources in Evangelism for the local church, and to participate actively in the BOD's pilot program of the "Partners Project".
2. Provide local, district, and Conference wide workshops designed to provide and instruct participants from local churches in evangelistic methods from a United Methodist prospective. Assist local churches in developing a connectional or inter-racial program with other United Methodist Churches.
3. Promote both the Harry Denman Award, as a recognition of individual work in Evangelism and the Five Star Church award as a recognition of the local churches' outstanding work in Evangelism.

### DIVISION OF STEWARDSHIP

The Division of Stewardship has worked with the other divisions on the Board of Discipleship in a concerted effort to bring a wholistic approach to church enrichment and growth. These efforts have proved to be a catalyst in uniting the Board of Discipleship's purpose in church growth, through education, worship, evangelism and stewardship. These efforts have been reflected in the goals that were pursued and accomplished in 1990:

- a. Members of the Division of Stewardship were involved in two training events. The National Association of Stewardship Leaders in Orlando, Florida, was attended by Jim Jones, Lawrence Livingston and Gerald Hitchens. The Stewardship University in Willow Valley, PA, was attended by Jim Jones, Rev. & Mrs. Lawrence Livingston and Rev. & Mrs. Earle Baker.
- b. The emphasis on tithing was introduced to churches as a way to increase spiritual growth and faith, as well as a way to increase giving of time, talent and gifts.
- c. The 5th conference wide program of the Order of St. Barnabas was celebrated at

- the Laity Banquet with an induction and recognition service.
- d. Sunday, November 11, 1990, was set aside as Stewardship Promotion Sunday, with special emphasis on the Word, Faith, and Action approach to successful ministry.

The 1991 goals have been set and are underway at this time. We will identify the local church stewardship leaders for purposes of better communication of upcoming events, such as a leadership training event in the fall of 1991 and stewardship resources. We will continue to recognize those in our Conference who exemplify good stewardship through the Order of St. Barnabas program. We will also provide material to use for the local congregation on Stewardship Sunday, November 10, 1991.

It is our desire to offer the local congregation a renewed energy and ministry through good stewardship. We are available to those who need information about stewardship through God's Word, Faith and Action.

James B. Jones  
Chairperson

#### 1992 Goals

1. Create a communication link between the Peninsula Annual Conference and the stewardship leaders in the local congregations.
2. Provide a stewardship training event for the stewardship leaders, taught by stewardship leaders from the General Board of Discipleship.
3. Continue to offer the Order of St. Barnabas program, while working with the members of this Order, to become more involved in selection of new members and with developing the induction and recognition ceremony.
4. Promote Stewardship Sunday, November 8, 1992.

#### DIVISION OF WORSHIP

The Division of Worship has continued to work and move forward under the leadership and with the support of its committee members and dedicated staff. The year 1990 has been one of continued growth and excitement within the Division.

The Division of Worship has worked closely with the Conference Arrangements Committee in planning and preparing worship experiences for Annual Conference. The Division has made such suggestions and recommendations as would enrich our worship experiences at Annual Conference.

The Worship Task Force Committee meets each year and after much discussion, makes such decisions as: 1) preparing and coordinating all the worship services at Annual Conference, including Holy Communion, 2) furnishing service attendant logistics such as liturgists, servers, choirs, music and auditorium visuals.

The Board of Discipleship continues to adopt concerns that are relevant and which emphasize the nurturing and educating process of building effective disciples in the Conference.

The Division of Worship continues to embrace the Partners Project and concept of strengthening local congregations. The Partners Project is a concept and process whereby the Board of Discipleship seeks to enter into direct partnership with specific local congregations over an extended period of time for the purpose of building up those congregations' discipleship ministries of stewardship, education, evangelism, and worship.

Because funds were provided to both laity and clergy, the Division of Worship was able to send members of the Division to the Jurisdictional School for Worship, Music and Other Arts for training in worship leadership skills, held at Lycoming College, in Williamsport, PA, August 5-10, 1990. These persons agreed to become part of the resource leadership pool for the Division of Worship's work on behalf of the local church.

The Division of Worship is happy to report that the Worship Fellowship Chapter in the Peninsula Conference is alive and doing well. The Division will continue to embrace our Peninsula Conference Fellowship throughout the coming year and our hope is to increase the number of members in our Peninsula Chapter and to assure that ethnic members are recruited.

Timothy A. Duffield, Sr.  
Chairperson

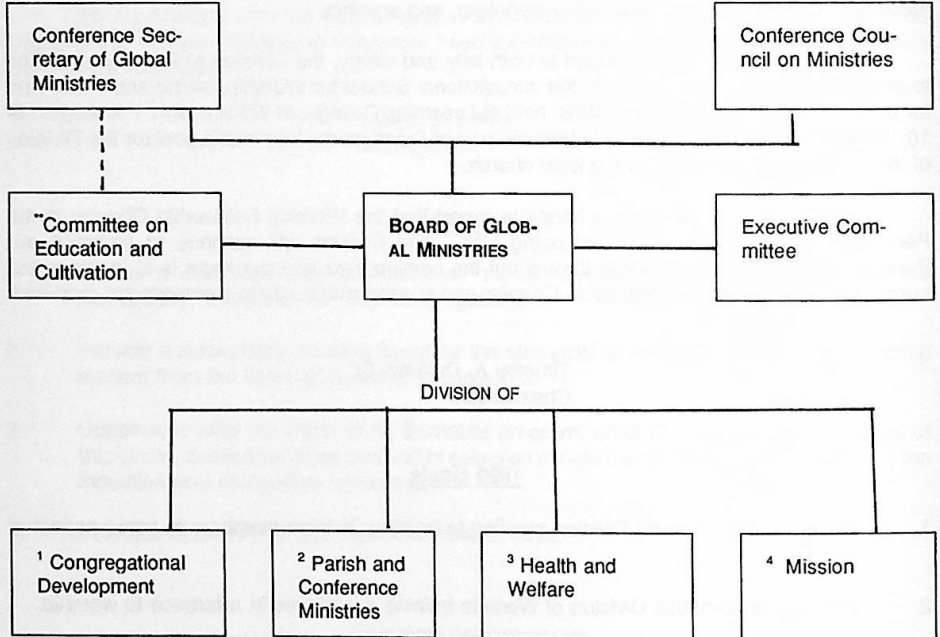

#### 1992 Goals

1. Devote a part of every Division meeting to training Division members in some aspect of worship.
2. Develop an in-house Division of Worship training experience in reference to worship.
3. Continue to nurture and support our Peninsula Conference Chapter Fellowship of United Methodists in Worship, Music and Other Arts (FUMWMOA)
4. Train Partners Project Committee members.
5. Develop a spiritual formation program for the Board of Discipleship for the upcoming quadrennium.
6. Provide input and support for Annual Conference Worship.

7. Provide a catalog of worship resources for the Board of Discipleship Resource Catalog.

### BOARD OF GLOBAL MINISTRIES

For the Board of Global Ministries, 1990 was a year of soul searching and planning for restructuring. Early in the year, it became obvious that the Board was not structured to meet the needs of the Peninsula Annual Conference. The Executive Committee decided to plan an all day experience with John Neussle of the Board of Global Ministries of The United Methodist Church. Growing out of that experience was a decision of reconstruction. The plan is as follows:

\*as defined by The Book of Discipline, 1984, ¶730.3

\*\*Membership will be a chair, Conference Secretary of Global Ministries and four district secretaries. Purpose will be to maintain communications with local churches, districts, etc. The chair will be a member at large, not the Conference Secretary of Global Ministries.

- 1) Membership will be three officers, two members-at-large and ex-officio members

with vote will be one from each district committee on church location and building and two persons from the Board of Discipleship who will be nominated by the Board of Discipleship chair.

The District Superintendent will name the persons from the district committee.

The purpose will be to review requests for grants and loans and to make such grants and loans after approval of the Board of Global Ministries.

2) The purpose is to be a catalyst for our ministries in various communities and conference. The division will relate to two conference agencies: Methodist Action Program and Neighborhood House. It will also review and evaluate ministries funded by the General Board of Global Ministries and the Annual Conference.

The membership will consist of three officers and four members at large and representatives without vote of Neighborhood House and MAP.

3) The purpose will be to encourage and provide leadership and resources for Annual Conference and local churches to develop ministries in areas such as persons with handicapping conditions, parish nurse, aging, disease control and wholeness. It will also be the division that relates to PUMH.

The membership will be three officers, six at large members plus a representative of PUMH without vote.

4) The purpose will be to promote missions within the Annual Conference on a local, national and world level. Also it will be the division that relates to the School of Christian Missions and the Volunteers in Mission Program.

Membership will be three officers and seven at large members. Ex-officio members will be Dean of School of Christian Missions, UMW Coordinator of Global Concerns, Conference representatives to the General Board of Global Ministries and the VIM Coordinator.

Executive Committee Membership will be:

- Board of Global Ministries Chair
- Board of Global Ministries Vice Chair
- Board of Global Ministries Secretary
- Four Division Chairs

The purpose will be to meet as needed between Board meetings to do the work of the

Board.

As this report is being written, the chair of the Board will take the Board's recommendation to the Executive Committee of the Conference Council on Ministries on January 25, 1991 and to the Conference Council on Ministries on February 9, 1991. Both bodies agreed to the plan and the Board of Global Ministries began to implement it on Saturday, February 16, 1991.

President

### 1992 Goals

The Board of Global Ministries will not be writing goals until it reorganizes under the suggested restructure since we will have new divisions with new responsibilities. We will submit our goals to the Annual Conference in the packet traditionally distributed at the beginning of the session or before.

### DIVISION OF PARISH AND COMMUNITY DEVELOPMENT

This has been a year of changes and frustrations as we seek to serve the local churches with limited funds. Yet also a year of joys as we see churches paying off their loans thus helping us to reach out to other churches.

During the year, we have completely revised our Grant and Loan application form. By doing this revision, we feel we can get a better understanding of the ministry of the church, while making it easier for them to complete the application.

Grants and Loans to an individual church will be released simultaneously as we realized some churches were not following through on the loan procedure.

This has been a year of real struggle for us in trying to meet the requests we have had for funding. Several churches, though approved for funding, have had to wait until sufficient funds were available; in some cases it will be several months into 1991.

We are excited about being a part of the Six Lanes of the Advance. Lane 5, Conference Ministries, contains an opportunity for New Church Development and Church Revitalization through the establishment of a revolving loan fund. This loan fund will give us the funding to assist new developing churches as well as helping our current churches through Grants and Loans. The loan fund is an opportunity for all churches to be in mission.

The last several months have been devoted to the restructure of the Board of Global Ministries. This restructuring will better define our responsibilities, allow us to spend more time on new church development and to review new requests for Grants and Loans and make such Grants and Loans after approval of the Board.

The members of this Division have given long, hard hours to the work of the Division and I thank each and every one of them for their faith in our work and their devotion to the task.

### **NEIGHBORHOOD HOUSE, INC.**

#### **Case for Support Statement Mission of the Organization**

The mission of Neighborhood House is to enable the people in and around South Wilmington to improve individually their quality of life and to develop cooperatively a better neighborhood. People with different backgrounds join as partners, continuously seeking opportunities to overcome individual and community problems. Neighborhood House believes it can help most effectively by keeping a high priority on enhancing the functioning of the family unit.

Neighborhood House supports its mission with seven primary goals:

1. Promote community and economic development.
2. Provide a range of services and resources to help families and individuals develop long-term solutions to their problems and needs.
3. Promote and provide counseling and assistance in obtaining long-term employment.
4. Promote and provide education and training opportunities.
5. Promote and provide recreational, cultural and enrichment opportunities and programs.
6. Increase housing opportunities for low and moderate income families.
7. Broaden the base and improve the quality of financial, physical and human resources available to Neighborhood House.

Neighborhood House is a multi-service community center standing in the heart of South Wilmington. It is an independent non-profit agency which receives financial support from The United Methodist Church; the United Way of Delaware; the state, local, and federal governments; as well as individual, foundation and corporate contributions.

\*\*\*\*\*

A major activity for 1990 was the kick off of a capital campaign for a new facility. The "Building a catalyst for a better Neighborhood" campaign is seeking \$2.3 million to construct a new multi-service community center to serve the population in and around South Wilmington.

The present facility, a 130 year old building, is inadequate to handle the demands placed upon it today and is not able to meet numerous safety codes. It will not allow Neighborhood House to continue it's ambitious service to one of the city's neediest areas. The campaign leadership which consist of a broad range of community-based individuals has already secured over \$1.6 million in foundation, corporate, banking and community gifts. The public portion of the campaign is to be kicked off in 1991.

Neighborhood House, founded in 1927, has grown into the major provider of progressive support for the people in and around South Wilmington. Residents of all ages participate in Neighborhood House programs which include Child Care, Family Services/Crisis Alleviation, Community Services, Employment, Tutoring/Dropout Prevention, Housing Services and Youth Development.

Program accomplishments in 1990 include:

The Child Care program provided structured developmental experiences as well as taking opportunities of other enhancement, such as volunteer readers through the Read-Along Delaware Program to individual children, health and developmental screenings and enrichment trips. All Day Care teachers received the required 15 hours yearly training by the State of Delaware.

Neighborhood House received honorable mention in the Fannie Mae Foundation Awards of Excellence Competition for its Apple Square Project. This is a national competition which recognizes affordable housing accomplishments.

Youth of the ABC 4-H Club participated in two national 4-H events. Christine Tymes attended the National 4-H Conference in Washington, DC for a week. William Ballard was one of eight New Castle County 4-H members who represented New Castle County and the State at the National 4-H Club Congress in Chicago.

Nina Hudson, President of the ABC 4-H Club 1989-90, hosted a New York State 4-H'er for a week in her home as part of the Delaware and New York State 4-H exchange program. The ABC 4-H Club received a \$500 grant from Westinghouse Electric Corporation to make young people more aware of the role electric plays in their daily lives.

Neighborhood House's 1990 Fall Jr. Achievement Company (Unlimited Success) received a plaque for highest retention (100%) and a certificate for the \$1200 sales club

for achieving Sales Excellence by exceeding \$1200 in company sales. The club was sponsored by DuPont Chemicals.

Neighborhood House youth attended Delaware Against Substance Abuse Council's first Youth Drug Summit.

The Girl Scout Program expanded by forming a Jr. Troop in 1990.

Neighborhood House was featured in the May '90 edition of the Delaware Today Magazine as Good Neighbors.

A Neighborhood House video was produced in 1990. Copies are available for loan to interested persons or groups.

### **PENINSULA UNITED METHODIST HOMES, INC.**

"The following information about Peninsula United Methodist Homes, Inc., is printed because the Conference has a common missional interest with Peninsula United Methodist Homes, Inc., although the Conference does not have any financial or legal responsibility for Peninsula United Methodist Homes, Inc."

(A Covenant Affiliation Between Peninsula United Methodist Homes, Inc., and The Peninsula Annual Conference of The United Methodist Church, adopted June 1985.)

At the heart of all PUMH communities is the interaction of residents, employees and volunteers. Presently, more than 900 residents of Methodist Country House, Methodist Manor House, and Cokesbury Village benefit from the PUMH commitment to caring. Layton Home, managed by PUMH, provides nursing care in the City of Wilmington to more than 100 low-income minority elderly. By the spring of 1991, Heron Point of Chestertown will extend retirement living to over 300 older adults in Maryland. More than 825 people are employed by PUMH to provide a variety of services to our residents. Countless volunteers, including a 46-member board of trustees, provide additional support and guidance to complete the PUMH family.

The tradition of caring established by the Rev. George H. Pigueron, Jr., founder of Peninsula United Methodist Homes, Inc., continues to guide the corporation through all its endeavors. Fidelity to the United Methodist heritage assures that Pigueron's vision is realized. An important component of his dream is aiding those who need financial

support through the Benevolence Fund.

PUMH is grateful to the many generous friends who contributed \$348,000 for benevolence assistance to limited-income residents and the endowment fund. We are pleased to note that the 1990 Conference grant of \$100,000, combined with Mother's Day offerings of \$35,000, and other gifts provided benevolence funds to 41 Country House and Manor House residents whose financial resources do not enable them to meet the full cost of care. Of the 41 receiving assistance, 21 are United Methodists; three are widows of United Methodist ministers. On behalf of all of the recipients, we are most appreciative of these gifts.

PUMH is most pleased to announce national accreditation by the Continuing Care Accreditation Commission (CCAC) of the American Association of Homes for the Aging (AAHA) for Methodist Country House, Methodist Manor House and Cokesbury Village. The three PUMH communities brought to 100 the total number of continuing care retirement communities to earn this prestigious accreditation and are the only communities in Delaware to currently hold this honor. The 10-month application process included site visits to the PUMH home office and each community to review the organization's governance and administration, resident life, and health care policies. According to CCAC chairman James F. Emerson, "The accreditation process is the most effective means of assessing a facility's services, assisting the consumer and enhancing the continuing care industry. Any facility which chooses to take part in the process, and succeeds in gaining accreditation, deserves our utmost respect." The three PUMH communities hold this accreditation through 1995. Seeking and receiving accreditation fulfills one of the agreements made in the Covenant of Affiliation Between PUMH and the Annual Conference.

Work began in July of 1990 on extensive refurbishment to the Methodist Manor House, including the conversion of three wings of smaller studio rooms into one and two-bedroom apartments with full kitchens and the addition of 44 two-bedroom cottages with garages. Two wings of the current building are being modified to serve those residents with assisted living needs. Pending the successful completion of a \$1 million capital campaign, a 17-bed unit for the care of Alzheimer's disease and other memory-related disorders will be constructed in 1991. Public areas inside the main building will be renovated, an A-frame roof has been added and the property has been relandscaped to include the addition of 200 trees.

Methodist Country House is also in the process of designing a master renovation plan similar in concept, though not in detail, to the Manor House renovations. Industry studies and our experience show that today's retiree desires larger living accommodations and more independent lifestyles than those persons who originally entered our homes. An initial step in the Country House renovation was the enlargement of kitchen storage and freezer space and the construction of a new employee dining room dedicated in May 1990.

Always striving to provide additional services to our residents, Cokesbury Village welcomed the first branch bank to a PUMH community this spring. Full service branches will also open at Country House and Manor House with each facility's renovations.

1990 saw the transformation of 66 acres along the Chester River in historic Chestertown, Maryland from blue print to near completion of PUMH's first Maryland community. Ground was broken on the project in November 1989 and by the end of 1990 the 198-unit was about 90% constructed. Heron Point is home to 91 cottages and a main building which houses 107 apartments, 52 health center beds, a dining room, health club with indoor swimming pool, delicatessen, branch bank, library, auditorium and activity room. Heron Point is expected to be fully licensed by May 1991 and will officially open Sunday, June 30, 1991.

PUMH in 1990 successfully completed its third year of management of the Layton Home, a 108-bed nursing care facility primarily serving Wilmington's low-income minority elderly. Founded in 1892, this Medicare and Medicaid-approved facility provides a warm and loving home for elderly people, many of whom could not otherwise afford adequate care, food and shelter. Through management initiatives by PUMH, Layton Home in November 1990 was able to institute an employee medical benefits package for all full-time staff. Layton Home and all PUMH affiliates serve and employ persons regardless of sex, race, religion, or ethnic background.

Each PUMH community in 1990 complied with new federal and state regulations for the certification of all nursing assistants employed in our health care centers. PUMH provided the necessary pre-certification training and held graduation ceremonies for all certified nursing assistants.

At the annual meeting of the board of trustees in September, Methodist Country House, the first PUMH community, celebrated its 30th anniversary. Mrs. Margaret H. Pigueron, widow of the home's founder, received the corporation's annual Founder's Award for her many contributions and years of volunteer service to the Country House.

The PUMH Aging Ministries Program, under the coordination of diaconal minister Naomi G. Winchester, is a PUMH outreach to assist Peninsula Conference churches in developing various kinds of older adult programs and activities. In 1990 PUMH's aging ministries program joined the Maryland Office on Aging's Senior Reach Partner Program, an extensive state-wide informational network, to better disseminate information regarding senior services in Maryland to Conference churches in that state.

The mission statement of the organization (see below) was revised in 1990 to better reflect the purpose and goals of PUMH. Individual mission statements for each retirement community were also composed to help define the particular characteristics of each PUMH home. The new corporate mission statement was the foundation for our

1990 annual report. The board of trustees also adopted amendments to the PUMH By-Laws in June 1990.

Striving for excellence is the hallmark of Peninsula United Methodist Homes, Inc. The establishment and maintenance of sound business practices has been of major importance. Expertise is willingly shared with others in the field through staff leadership positions in professional associations. Helping set high standards in the retirement/health care field and non-profit organizations is an important part of the PUMH mission.

### **BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY**

During the past year, the Board of Higher Education continued to give guidance and leadership to the Campus Ministry Programs of the Peninsula Conference. The roles and relationships of the Board of Directors of the Wesley Foundation were clarified and the respective boards understand their responsibilities.

The members of the Board of Higher Education selected the promotion of Africa University as one of its top priorities. A special subcommittee was formed to head this effort. Each member of the Peninsula Conference is asked to contribute one dollar (\$1.00) toward the Africa University project.

The Black College Fund Program was presented at the Annual Conference by one of the interns through the Ambassador Program. The promotion of Black colleges related to the United Methodist Church is a major focus of this program.

During the Annual Conference, the Board of Higher Education presented displays promoting scholarships, Africa University, its goals, etc.

The Board of Higher Education tried to provide churches with helpful hints for its educational program such as: identifying scholarships, following students in college, etc. The future looks promising for the Board of Higher Education and, at the same time, offers a challenge to become more effective in its responsibilities.

#### WESLEY FOUNDATION - DELAWARE STATE COLLEGE

During my first year as Director of the Foundation, I have continued to seek out United Methodists on campus offering friendship, support and providing opportunities for fellowship and faith development, through the Foundation's program.

Opportunities for group fellowship, discussion, Bible study and faith sharing, support and encouragement have been provided through social hours. The Wesley Foundation has participated in the United Campus Ministry -- and ecumenical inclusive approach to ministry on the campus.

The Foundation continues to work closely with other denominations, e.g. Baptists, Episcopal, Pentecostal, through the United Campus Ministry, in managing and resourcing the Center which is provided by the college and used by all religious groups on campus for counseling, Bible studies, group discussion, etc.

Yusef Ahmed  
Director

### 1992 Goals

1. To provide participants of Wesley Foundation opportunities and resources for spiritual formation and personal development through weekly Bible Study, prayer and the fellowship hour.
2. Strengthening of Peer Ministry on campus via Coordinator/Liaison among students. To identify and reach out to United Methodists and all other interested students, to encourage involvement in the Wesley Foundation, coordinate activities, and provide an on-campus presence and liaison for the Foundation.

### WESLEY FOUNDATION - UNIVERSITY OF MARYLAND EASTERN SHORE

Wesley Foundation Campus Ministry at U.M.E.S. continues to be a vital part of Campus Life. The Program remained basically the same as in the previous year, with few exceptions.

Our Fellowship and Bible Study continues with good results; however there was a change from Thursday nights to Monday nights, in order to accommodate the scheduling change of some of our student participants. Average attendance to this event remained about 26.

Mid-Week Chapel Services remained unchanged at 11:30 a.m. on Wednesdays,

with an average attendance of about 12.

Some of the topics discussed during the first semester were: "Spiritual Discipline For Young People"; "Fruits Of The Spirit"; "Satanism and The Occult"; and by popular demand we repeated "The Three Stumbling Blocks to Spiritual Development in College Age Young People - Love, Sex and Money".

The second semester was devoted mainly to Doctrinal Studies including: "Faith Development"; "Denominationalism-History and Reason"; "The Question of Salvation"; "Women in the Ministry"; "The Mission and Outreach of the Church"; "The Sacraments"; and "The Study of the Last Days -- Eschatology".

We participated in three retreats in Western Maryland and conducted one local retreat for our graduating seniors. This was led by our Campus Ministers. These activities provided not only training, but provided fellowship and nurture; and gave our students the opportunity to observe other Campus Ministries in Maryland.

Religious Emphasis Week Observation continues to be the highlight of our year. Our keynote speaker and seminar leader this year was the Reverend Dr. James Dunn, Executive Director of the "Baptist Joint Committee on Public Affairs" in Washington, DC. He was impressive! Other speakers included pastors of our Conference, U.M.E.S. alumni; and those who accepted the call to the ministry while participating in our Campus Ministry here at U.M.E.S.

Other activities for the week: "A Night of Gospel Music" led by Salisbury State University Gospel Choir; A Campus Ministry Fellowship night with faculty, staff, students and Wesley Foundation Board Members and their families. The Department of Fine Arts also participated in the week's activities by presenting a drama entitled "Great People of Faith". Characters like Charles Albert Tindley, Mary McCloud Bethune and other Black Figures were presented. The week's activities culminated with U.M.E.S. Day at Metropolitan United Methodist Church, with attendance of about 250 from the college and local community.

Our students also held some fund raising activities to help fellow students who were involved in Summer Missions Project.

This was a fairly successful year; there were some 53 students that were involved in the Campus Ministry Program at one degree or another. We are encouraged by that, and look forward to another rewarding year.

Theodore E. Day  
Campus Minister

## 1992 Goals

Our goals continue to be:

Identifying and providing support for the Christian Community on Campus.

Helping students to develop new and lasting relationships, in order to help combat loneliness.

Provide opportunities for worshiping, learning, and fellowship so that both students and staff may continue their faith journeys.

Provide nurturing for those graduating so that when they enter the working world, they may remember where to place God in their lives.

Challenging and supporting those persons who believe that they have been called into Christian Vocations.

Providing fellowship and care for foreign students in order that they may feel at home and accepted among the People of God.

## WESLEY FOUNDATION - UNIVERSITY OF DELAWARE

The Wesley Foundation at the University of Delaware had a transitional period of adjustment due to the appointment of the Reverend John Colatch as Chaplain for Ferrum College.

Rev. Colatch was instrumental, during his tenure as Wesley Director, in establishing the organization as one of the most active on campus.

Activities included a mission/work trip to a small United Methodist church in Southwestern Pennsylvania in order to paint the church. A local mission trip was taken to a community church for similar maintenance purposes.

A Wesley Foundation welcome table was set up at the Student Center on campus and along Newark's Main Street during the first week of classes. Letters were sent to all identified United Methodist students announcing the opportunities available at the Wesley Foundation and inviting them to visit.

During October, Wesley students participated in a "Crop Walk" that showed their concern for the hunger problems of the world. Wesley members actively recruited persons that helped make the activity a success.

During October, Wesley students participated in a "Crop Walk" that showed their concern for the hunger problems of the world. Wesley members actively recruited persons that helped make the activity a success.

In November, the Wesley Foundation adopted Barksdale Road in Newark, DE. This project will continue for two years with members periodically cleaning the 2-mile stretch of highway. The Wesley Foundation is pleased to cooperate with Delaware Department of Transportation and the Adopt-a-Highway program in the collective concern for Delaware highways and the environment.

The Christmas season witnessed the involvement of the organization in two service projects:

1. Angel Tree - Wesley students became "Angels" by assisting the Prison Fellowship Angel Tree Program. They collected donations and purchased presents for a young child of an incarcerated person.
2. Adopt-a-Family - Wesley students provided Christmas presents to a needy family within the Newark community.

Hope Dining Room, a church-sponsored kitchen for hungry persons of the Newark community is a monthly service activity. Our students assist in the serving and maintenance of this necessary program.

The Wesley Foundation conducts a University Fellowship each Sunday immediately after the 9:30 worship. This gathering offers the students an opportunity to discuss items of interest while engaging in light refreshments. The director informs the students of organizational needs and welcomes any new students. The director orchestrates areas of concern with discussion or presents a topic of interest that impacts upon the University students.

Chapel and a dinner are provided each Sunday evening for the University students. Depending on the University calendar, these activities are both well-attended considering the pressing academic requirements our students have.

A Covenant Discipleship has entered its second year of operation with eight students meeting once a week to help strengthen and support each other's faith.

Bible study is held each Wednesday evening with Wesley students actively participating and contributing.

The director actively participates in the 9:30 service as a liturgist and has offered the services of Wesley Foundation to all church committees when needed.

Dr. Wilson Frampton  
Executive Director

## 1992 Goals

As America celebrates her quincentenary year (five hundred years since Columbus) the Wesley Foundation will emulate the spirit of Columbus by reaching new horizons of humanitarianism with their presence, service and gifts.

1. Maintain and enhance programs of participation that actively involves the students within the framework of the community, Newark United Methodist Church and the University of Delaware.
2. Provide leadership, counseling and educational advisement on issues that impact on the life of the student with spiritual intervention on an individual case basis.
3. Continual assessment of current methods for identifying students of the opportunities of the Wesley Foundation and a concerted effort to establish a rapport with those students not affiliated with any religion.
4. Support, encourage and cultivate organizational members who wish to pursue a goal of ordained ministry.

## WESLEY COLLEGE

When the "dust" of registration, payment, early withdrawals and returning students finally settled for the Fall Semester 1990, we found that Wesley College had enrolled 855 new and retained full-time students, the third largest enrollment in our history. The semester was given an auspicious beginning when Dr. Thomas Ashley Graves, Jr., the Director of the duPont Winterthur Museum and former President of William and Mary, delivered the keynote address for our academic convocation on September 5.

Greeting our students were a number of newly appointed faculty members including Dr. Nikiforos T. Laopodis, a native of Greece who earned his doctorate in economics from Catholic University of America, and Dr. Alban W. Urbanas, assistant professor of French and Philosophy, who earned all of his degrees, including his doctorate, from the University of Paris-Sorbonne. Among several staff changes and appointments, we were particularly pleased to welcome Ms. Lorene Robinson as our new Director of Alumni Affairs.

Fall 1990 brought additional good news when Wesley College was ranked as one of the 100 best values in American private higher education by Money magazine. Ratings were based on tuition costs and performance data such as student-to-faculty ratio and percentage of student financial aid met. Wesley ranked 91st among private colleges and universities while the University of Delaware scored 91st on the list of public institutions.

Two new programs were launched during 1990. In the spring, Wesley opened a new computerized Writing Center. Funded by a grant from the Wilmington Trust Company, the Writing Center is designed to help students in developing and improving their writing skills. Twenty IBM-compatible computers are available in the center. In addition to the computer room, an integral component of the Writing Center is a peer tutoring lab where students are afforded individual assistance by tutors on both a referral and a walk-in basis.

In the Summer of 1990, Wesley initiated its first Elderhostel Program. Elderhostel is an international educational program for older adults who wish to expand their horizons and develop new interests. Ninety-five Elderhostel students attended Wesley for two two-week sessions in July and August, studying such topics as "After the Berlin Wall, What Next?" and "Ecology - Bay to Bay!" The program was so successful we are offering six two-week sessions in the Summer of 1991.

After years away from the campus, the official residence of Wesley's President is now at 34 North State Street adjacent to the College. The home is a refurbished Victorian house of the Second Empire and the Board of Trustees and I are particularly grateful to my wife, Beverly, who served as the unpaid decorations consultant and project director.

I am pleased to report that our fiscal year 1989-1990, which ended June 30, 1990, showed yet another operating surplus and further debt reduction. Insuring the financial stability of Wesley College has been a priority for me throughout my tenure and I am pleased to report that in this area the College is as strong as it has ever been.

However, as I write this on the 20th day of February, 1991, a date necessitated by your own publication deadlines, I think it imperative that I share with the College-related Church the tremendous challenges now being felt in the Church-related College throughout the United States.

At a recent Washington meeting which included Dr. Richard Rosser, former president of United Methodism's splendid DePauw University at Greencastle, Indiana, Rosser, now President of the National Association of Independent Colleges and Universities, shared with the college presidents assembled there his deep concern regarding the release of the 1992 Federal Budget. I share his concern and it is imperative that the Church receive, assimilate and take whatever action is possible upon the enormous challenges now looming.

Dr. Rossner noted and all the rest of us lamented with him that President Bush's budget proposal freezes federal student aid funding at a time when students need help the most. When inflation is factored in, the administration proposals represent a decline in real dollars in higher education spending. Moreover, almost 1.2 million awards to needy students will be eliminated as a result of changes in the various financial aid

programs.

Presidents in Church-related colleges are now fearing a possible cut in Supplemental Educational Opportunity Grants (SEOG) and College Work Study. If the Bush budget is adopted, we stand to lose Student Incentive Grants and Perkins Loans resulting in a loss of another 800,000 awards across the nation.

The new federal budget even proposes that essential Pell Grant awards would be available in their maximum only to families with incomes of less than \$10,000 per year. Please let me remind you that the official poverty level for a family of four in the United States, at this writing, is \$13,360 per year. In other words, under the proposed federal budget, a family of four at the poverty level would even be precluded from receiving a maximum Pell Grant for their child. If this proposal prevails, an additional 400,000 students who are needy will be deprived of awards.

Unmanageable costs are now being shifted to independent colleges and universities while those institutions are already providing more and more institutionally funded financial aid and scholarship awards. Obviously, leaders of colleges in the private and Church-related sector are going to make every attempt to work with Congress to bring education to a much higher priority at a time when the nation desperately needs the best of the best in educational programs at all levels.

In the meantime, however, I ask my brothers and sisters in this Annual Conference to understand why Wesley College is even now contemplating several years of challenge, a possible smaller student body and a possible concomitant reduction in force. Your college is currently solvent and experiencing no cash flow crisis. But it must remain so. Colleges and universities across the United States are laying off personnel, facing deficits, converting programs while eliminating others and struggling with lower enrollment projections and very serious financial squeezes. The problems facing the higher education community, I stress, are not unique to Wesley College. Enrollment is declining everywhere in the private sector because of demographic changes and a dwindling number of high school graduates. These vexations coupled with a serious recession, an all-out war and spiraling unemployment among constituencies from which Wesley draws its students give us reason for apprehension requiring very prudent and dispassionate administrative action.

My approach to the Church has always been candid and this report is certainly no exception. I know that no board or agency or institution of the Church can these days enjoy a *carte blanche* relationship with the Church at large. Nonetheless, I beg you to give all the consideration you can to extending the benevolence of the Church to your Wesley College that we may continue in mission together through a common ministry in higher education. There simply will not be Church-related colleges in the United States in the future absent the activist and helpful presence of the College-related Church in the life of those institutions.

President

### 1992 Goals

1. To continue to strengthen our newer four-year majors.
2. To seek and cultivate new and honorable sources of additional revenues.
3. To continue our momentum toward greater inclusiveness and to diligently recruit ethnic minorities to every level of the Wesley College family.
4. To continue to emphasize our Church-relatedness through, among other strategies and tactics, seeking dialogue with the Church at all levels that counsel gained might bring additional inspiration, increasing recognition, and greater strength, with dignity, to Wesley College.

### BOARD OF LAITY

At the beginning of the year of 1990 each of the four districts held their yearly Lay Speakers School. As you can see from your Journal, there is a total of 554 persons Certified to be Lay Speakers: Dover District 110, Easton District 154, Salisbury District 170 and Wilmington District 110. Howard Mason, Conference Director for Lay Speaking, designed an "Application for Renewal for Lay Speaking" which was approved by the Cabinet. In order for the program to be effective, each Charge Conference should have each of their Certified Lay Speakers complete this application and return it to the District Superintendent.

Banquets and Lenten Breakfasts were held in some of the Districts to strengthen the fellowship district-wide by bringing the laity together in worship and praise while again sharing the blessings bestowed on us.

The Annual Conference Banquet was held at the University of Maryland Eastern Shore with over 650 in attendance. Following the meal, we gathered in the Ella Fitzgerald Center where the group was greeted by Bishop Joseph Yeakel. Rev. Jim Jones, Chairperson of the Division of Stewardship, presented the Order of St. Barnabas

Awards. The evening guest, Dr. E. Farley Smith, then shared with us the history and meaning of the Afro-American spirituals. Our surprise came at the end of the evening when Bishop Felton May addressed us and give us his blessings.

The Lay Speakers Seminar was held in May at Whatcoat UMC in Camden. The three workshops held throughout the day were "Creating a New Community" led by Rev. Charlotte Nichols; "Our Doctrinal Standards/Our Theological Task" led by Rev. Jervis Cooke; and "One Church/One Family" led by Professor Roberta Tarbell.

The Peninsula Conference Board of Laity hosted the 38th Annual Northeastern Jurisdiction Assembly in the Wilmington District in October. The keynote speaker was Bishop William Boyd Grove of the West Virginia Area and the Plenary Sessions leader was Rev. Richard Thornburg. We had many of our own Peninsula Conference people in the leadership roles including the music director, Cynthia Griffin Matthews; workshop leaders Larry and Barbara Jester and Rev. Jerome DeVine. Peninsula Conference held its long standing record as having the most lay people in attendance.

The Board had it's "2nd Day Apart" at Drayton in September. The District Boards of Laity and the Conference Board of Laity gathered to share their vision as to their responsibility and to set goals to become more effective leaders as they reach out and serve in Jesus name. The morning session was led by Rev. Pamela Lardear and the afternoon session by Rev. Thomas McKelvey. We left inspired and with a feeling that each of us, with our gifts from God, can make a difference.

One of our other accomplishments was to study and evaluate the proposed draft from the Commission for the Study of Ministry. There is to be presented at the General Conference in 1992 some changes in the consecration and ordination procedure for the United Methodist Church. More will be heard about this before 1992.

This has been a busy year. All the things we hoped to do have not been forthcoming, but we have been as faithful as time has allowed. God continues to work in our lives and we know ultimately with His help the people of God will follow in His Path.

Dolly Brittingham  
Chairperson

### 1992 Goals

1. Lay Speaking program to promote understanding that Certified Lay Speaker is more than someone to fill in for the clergy. Emphasize these people are also trained in leading and caring for their church community and beyond.

2. To provide additional training for Local Church Lay Leaders with workshops and seminars.
3. To continue to provide fellowship and the celebration of God in our lives at an Annual Conference Laity Banquet.
4. Work with the District Superintendents and District Lay Leaders to strengthen the role of the Lay/Reserve Member of Annual Conference.

### BOARD OF ORDAINED MINISTRY

1990 was a year of change and transition for the Board of Ordained Ministry. Several key leadership changes were required, bringing with them the normal opportunities for re-evaluation and new direction. In the Board's leadership, Ashley Maxwell was elected vice-chairperson and chairperson designate, Michael Russell became the registrar, and three standing committees changed chairpersons. Most grievous to us, as a Board, was the necessity to find new leadership for the Professional Growth Seminars on Cross-Racial Appointments. The death of K. Richard Varell had a deep effect upon us; he brought so much vitality and insight to the Board's work. The Seminars had his personality and faithfulness stamped on them - he was so instrumental in envisioning, developing, and leading them. The Board, also, sadly bade farewell to Bishop Yeakel when the change of conference alignments took place; then very quickly, and sincerely, welcomed Bishop Morrison to our conference.

These personnel changes resulted in many programmatic and procedural adjustments, as we sought to re-define both our purpose and our witness as a Board. In all of these things, we kept before us the fact that we work with and for people, very important and special people, who have responded to a sense of call to ordained ministry. We have worked with these persons at every point of their pastoral life: entering, serving, retiring and exiting. We have addressed issues related to and affecting their lives and ministry, providing fellowship opportunities and programs for growth in competence for ministry. As a Board, we have sought to be gracious, caring, and sensitive in carrying out these responsibilities.

Programmatically, in 1990 the Board:

sponsored Day Apart events with Bishop Yeakel for all pastors as a preparation for Lent (St. Luke's, Denton, Shrove Tuesday, February 27), for pastors in appointments beyond the local church (Methodist Manor House, Seaford, May 19), and for persons to be recommended for conference membership and ordination (Drayton, March 26);

granted scholarship aid to college and seminary students preparing for

ordained ministry, totaling \$28,669;

provided training events for pastors and spouses beginning their first appointment in our conference (Drayton in July), and for 6 new pastors (Interconference Local Pastors Licensing School, Drew Seminary in July);

held a Professional Growth Seminar on Cross-Racial Appointments at Drayton in April;

joined the entire Annual Conference in welcoming our new bishop, Susan M. Morrison, at the Adjourned Session in Dover, DE on September 15;

sent members to a jurisdictional convocation on ordained ministry at Ocean City, NJ, February 20-22; and the chair to a roundtable of BOOM chairs from throughout the jurisdiction at Pittsburgh, PA, September 20-21;

improved our evaluation instrument for clergy and Pastor-Parish Relations Committee dialogue;

clarified the procedures and responsibilities for the psychological assessment of persons seeking candidacy for ordained ministry and probationary membership in the Peninsula Conference; and

became a participating partner in Ministry 2000 with three other Annual Conferences (Baltimore, Central Pennsylvania, and Virginia) and Wesley Theological Seminary.

Looking to 1991, the Board will:

evaluate current Board interview procedures to determine the best way and setting for this important task;

continue to emphasize recruiting efforts, especially the visitation of seminaries and a day of celebration of diaconal and ordained ministry (the December 1990 day was postponed until April 3, 1991 because of snow, Wesley U.M.C., Dover, DE), also, through a new recruiting brochure for Peninsula Annual Conference;

hold another training event for counseling elders;

continue to work toward becoming more pro-active in developing and providing supportive programs and systems for clergy, rather than reacting to situations as they arise, beginning with a recognition of anniversaries of clergy at the Bishop's Retreat and at the Annual Conference session;

hold an orientation session for all new members appointed to the Board before the first fall meeting of the Board;

continue to sponsor clergy events: Professional Growth Seminars, Day Apart for New Ordinands and BOOM members, ABLC Day Apart, New Appointment Orientation Seminar, and the Interconference Local Pastors Licensing School.

As a Conference, in 1990 we continued our record of supporting the Ministerial Education Fund 100%, paying our asking in full. We also joined with neighboring conferences in the Northeastern Jurisdiction as partners in the Interconference Local Pastors Licensing School, held at Drew Seminary, Madison, NJ, each July.

To close this, my last, report, I must express my deep gratitude to the members of the Board. They have been faithful in attendance, conscientious in doing the Board's work, and supportive of one another, especially me. It has been a joy to serve with them.

### **BOARD OF PENSIONS**

The Conference Board of Pensions' duties and responsibilities are defined by the Book of Discipline "as having charge of the interests and work of providing for and contributing to the support, relief, assistance and pensioning of clergy and their families and other church workers of The United Methodist Church, its institutions, organizations and agencies within the Annual Conference, except as otherwise provided for by the General Board.

#### **Board Officers:**

Olin J. Shockley, Jr., Chairperson  
Marlene Elliott, Vice Chairperson  
C. Edwin Lasbury, Secretary  
Theodore Briggs, Treasurer

The Board has worked diligently to keep faith with its duties and responsibilities as defined by the Book of Discipline. In each instance, we have kept in mind the needs and concerns of our pensioners and have attempted to make prudent financial decisions that will assure a financial soundness for the future. We have sought to strengthen financial security for the clergy, lay employees, and their families covered by the pension, health, dental and life insurance programs, by following a course of action undergirded with

financial integrity and compassion.

We have continued the services of the Bank of Delaware to manage the Peninsula Conference Board of Pensions' investment portfolio. Despite a chaotic year financially, our investments have remained strong and have experienced a small gain for the year of 1990. Our financial investment portfolio is in excess of three million dollars.

The board is proposing to the 1991 Session of the Peninsula Annual Conference that the past service rate for clergy service rendered prior to 1982 be increased to \$265.

#### **Pension Recommendations:**

The Peninsula Conference Board of Pensions recommends:

1. The Past Service Rate for 1992 be \$265 per year of approved service.

2. **RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES  
FOR RETIRED OR DISABLED MINISTERS OF THE  
PENINSULA ANNUAL CONFERENCE**

WHEREAS, the religious denomination known as the United Methodist Church and functions through Ministers of the Gospel who are duly ordained or licensed; and

WHEREAS, the practice of the United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of the United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service, and disability benefits are considered payments in lieu of compensation for active service; and

WHEREAS, the Internal Revenue Service has recognized that the Peninsula Annual Conference is the appropriate organization to designate a housing/rental allowance for retired ordained or licensed ministers who are members of their Conference; and

WHEREAS, the disabled minister has the same legal relationship to an Annual Conference as does the retired minister and, thus, this Annual Conference is also the appropriate organization to designate a housing/rental allowance for a disabled ordained or licensed minister who is a member of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received by a retired minister, or 100% of the disability benefit payments received by a disabled minister, during the year of 1990 be and is hereby designated as a rental/housing allowance respectively for each retired or disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula Annual Conference at the time of his or her retirement or disability;
2. The pension or disability payment to which this rental/housing allowance applies shall be the pension or disability payment resulting from all service of such retired or disabled ordained or licensed minister from all employment by any local church, Annual Conference, General Agency, or institution of the United Methodist Church or of any former denomination that is now a part of the United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension or benefit funds of the United Methodist Church for such retired minister's pension or disabled minister's benefits.

**NOTE:**

The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971 C.B. 92, "the only amount that will qualify for exclusion under section 107(2) of the code as a 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities." Beginning in 1984, there is no longer a sick pay or disability income exclusion available with respect to disability benefit payments. Therefore, the full amount of disability benefit payments will be taxable income to the recipient beginning in 1984.

**Insurance Committee:**

The chief challenge facing our Board continues to be rising health care costs. It

is important to point out that this problem is not unique to the Peninsula Conference but is the dilemma of the entire nation. The Lay/Clergy Insurance Committee, a committee of the Board of Pensions, has worked long and hard this year in an effort to provide an adequate health insurance program for the least amount of dollars possible. We have made and will continue to make hard, prudent decisions regarding our health care program and costs.

We will eagerly await the 1992 General Conference deliberations and actions on a possible General Church health care plan that could possibly give us some financial relief in the future.

The board has continued to use the consultative services of Johnson and Higgins, a national reputable health care consulting firm. Their guidance has been invaluable both in terms of cost containment and increased benefits for all in our program.

**CONFERENCE BOARD OF TRUSTEES**

In last year, the Trustees voted, after serious review, to discontinue use of the Peninsula Conference Foundation for investment of its funds (see 1990 Journal, page 337). After a diligent search, we voted to place management of our portfolio with Mr. Sherman Townsend of Merrill-Lynch in Dover. In conjunction with this change, we have established an appropriate set of management guidelines.

The Board has met three times this conference year to oversee property and financial matters assigned to its responsibility. It is a pleasure to report that members of the Board show a dedication to their responsibilities, and obviously take their membership seriously.

The continuing concern remains the proper disposal and management of abandoned church property. Several locations have been recognized as woefully neglected and in need of proper disposition. The Board is undertaking to contact persons or groups interested in purchasing or maintaining these properties.

Again, we wish to express appreciation to Mr. James B. Tyler, III of Georgetown, Delaware and to Mr. Charles B. Dashiell of Salisbury, Maryland for serving as Chancellors for the Conference in their respective states.

S. Willard Crossan, III  
President

### **COMMISSION ON ARCHIVES AND HISTORY**

The primary responsibility of the Commission on Archives and History is the care of Barratt's Chapel and Museum. In this we have depended heavily on the able and enthusiastic work of our curator, Ed Sharp, and his wife, Mary Ann. (We are also saddened to have to report that Ed resigned his position in January 1991 for reasons of health.)

Barratt's Chapel has been designated a Shrine of The United Methodist Church by General Conference. The Museum includes displays relating to the history of the Peninsula Conference, a research library, and the official archives of the Conference. The Chapel and Museum are open every Saturday and Sunday from 1:30 to 4:30 p.m. and at other times by appointment with the curator (302-335-5544). Throughout the year, the facilities are used by tourists, confirmation classes, school groups, genealogists, and people doing research on local history. The Chapel is also made available for weddings, funerals, and other special services and meetings. In 1990, 3,800 people visited Barratt's Chapel and Museum for one reason or another. This represents an increase of about 25% over the previous year.

The Commission sponsors two worship services a year at Barratt's Chapel. On the second Sunday of November, we celebrate the anniversary of the meeting of Coke and Asbury. This year's service featured Dr. Frank Baker of Duke University as speaker, with music provided by the choir of Whatcoat United Methodist Church, Dover. About 215 people attended the service. Each December, we also hold an Advent Candlelight Carol Service, which is always well attended.

We are always concerned with the maintenance and improvement of the physical facilities at Barratt's. Significant improvements this past year included a new well and water system for the Museum. Expansion of the Museum collection is another continuing emphasis.

A special highlight of 1990 was the publication of a Commemorative Booklet for the Delaware Annual Conference. The work on this booklet was done by a special Delaware Conference History Committee under the leadership of the Reverend Gary Moore. Copies were distributed to everyone who registered for the 1990 Session of Annual Conference, which marked the twenty-fifth anniversary of the merger of the Delaware and Peninsula Conferences. Other 1990 activities of the Commission included a local church history writing contest, which drew entries from ten Conference churches and a resolution passed by Annual Conference designating the site of the Judge Thomas White house as a United Methodist Historic Site.

The Commission depends on endowments and gifts from churches and individuals for about two-thirds of its support. Also, we are always seeking new materials of historical interest to add to the Museum collection. If you are interested in making a contribution, please write: Barratt's Chapel & Museum, RD 2 Box 25, Frederica, Delaware 19946.

Philip C. Lawton, Chairperson

2. Celebrate the anniversary of the meeting of Coke and Asbury, the Declaration of Independence of American Methodism, on the second Sunday of November.

### **THE CHRISTIAN COUNCIL OF DELAWARE AND MARYLAND'S EASTERN SHORE**

As an organization of nine denominations and Church Women United, we are able to give a stronger witness in our shared ministries than any one congregation or denomination. The Council is the place where the churches come together regularly to deepen their knowledge of each other, decide what ministries to share to make more visible the unity we have in Christ.

The relationship between the Conference and the Council is very good, among the best of any member denomination, as evidenced by the regular participation of annual conference members and the Conference's strong financial support of the Council. Bishop Susan Morrison and the Rev. Harvey Manchester are the Conference's representatives to the Council decision-making bodies; ministry participation is reported below. In 1990 the Conference contributed \$22,500 to the operating budget of the Council and \$3,300 to the Interfaith Resource Center.

### **COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS**

It has been a busy and productive year for our Commission.

Our Commission conducted a survey of pastors of many denominations in Delaware and Maryland's Eastern Shore on their use of the New Common Lectionary in the life of their churches. The results of this survey were published this year in the Communicator and in the Newsletter of the Christian Council. The lectionary can be a useful tool for ecumenical programs in worship and study.

Members of our Commission led workshops for local church work area chairpersons of Christian Unity and Interreligious Concerns at the Leadership Training workshops that were held on each district in 1990.

Through the recommendation of the Rev. Connie Metzger, our Commission has suggested to the Christian Council that it promote the acquisition of VISN (Vision Interfaith Satellite Network) to cable television companies on the peninsula.

Two members of our Commission attended the 1990 National Workshop on Christian Unity, held this year in Pittsburgh. This ecumenical gathering provided great opportunities for worship, study, workshops, and discussions. Special meetings were held for United Methodist participants to deal with denominational issues.

In September, the Commission gathered for its annual planning retreat at Drayton Retreat Center, during which we planned our 1990-91 program calendar. Our prime focus for the year is the Covenanting Proposal of the Consultation on Church Union (COCU). The booklets, The COCU Consensus: In Quest of a

Church of Christ Uniting and Churches in Covenant Communion: the Church of Christ Uniting, as well as other COCU informational material, was passed out to each member of our Commission. Our guests included George Cora, Executive Director of the Christian Council of Delaware and Maryland's Eastern Shore, and Howell Wilkins, who had served on the Church Order Commission of the Consultation on Church Union. Each made a presentation to our Commission.

A representative of our Commission was present at each of the November meetings of clergy and lay members of annual conference held on each district. A brief presentation was made at each meeting on the Covenanting Proposal of the Consultation on Church Union, and a one-page summary of the proposal, entitled, "The Essence of the COCU Covenanting Proposal" was passed out to each person attending.

Plans were made to publish and mail a quarterly newsletter to all clergy and lay members of our conference on the subject of COCU. It would contain educational material and practical suggestions regarding the COCU Covenant. In addition, articles on COCU were published in the bi-monthly CCUIC column in the "Connections" supplement to the Communicator.

David Garrett  
Chairperson

### 1992 Goals

1. To publish a quarterly newsletter for United Methodist pastors and lay members of annual conference containing information about the Consultation on Church Union (COCU) Covenanting Proposal and practical suggestions for implementing this covenant.
2. Attendance of a representative of our Commission at the 1992 National Workshop on Christian Unity.
3. To distribute the booklets, The COCU Consensus and Churches in Covenant Communion, to each pastor and lay member of our conference.
4. To offer local churches the opportunity to invite members of our Commission to present a program on COCU for local church groups.
5. Continued support of the Christian Council of Delaware and Maryland's Eastern Shore.

## COMMISSION ON EQUITABLE SALARIES

The Commission on Equitable Salaries has continued to provide financial assistance to those pastors whose Charges, for various reasons, are unable to provide the minimum compensation established by The Peninsula Annual Conference. In addition, the Commission continues to award financial supplements to those pastors whose special talents are required to effectively serve their respective appointments. In 1990, pastors in 38 Charges received salary supplements of \$94,366.14 plus pension fund contributions of \$14,462.88 for a total of \$108,829.02.

### Minimum Salary

**WHEREAS**, the Commission on Equitable Salaries makes recommendations for minimum salary each year;

**BE IT RESOLVED** that for 1992 minimum salaries be:

Full Time Elder	\$18,000.00
Probationary-Associate	\$16,700.00
Full Time Local Pastor	\$15,400.00
Student	\$12,800.00

**BE IT FURTHER RESOLVED** that we encourage Local Charges to consider an inflationary increase of 5% on all salaries now set.

**BE IT FURTHER RESOLVED** that Local Charges consider one-half (1/2) of the Social Security reimbursement based on salary and rental value of the parsonage.

**BE IT FURTHER RESOLVED** that the service increments continue at a rate of \$120.00 for every year of service to a maximum of 15 years.

### Travel Expense

Reimbursing pastors for miles traveled on Church business is a policy established by this conference. Therefore, the Commission recommends the following:

**BE IT RESOLVED** that reimbursement for travel expense during 1992 shall be 27.5 cents per mile. In addition, we also recommend that pastors be reimbursed for tolls and parking expenses incurred in the performance of pastoral duties.

### Vacation Policy

**BE IT RESOLVED** that each full-time pastoral charge grant its pastor a minimum of four (4) weeks away from all parish duties.

**BE IT FURTHER RESOLVED** that each student charge grant its pastor a minimum of two (2) weeks away from all pastoral duties.

It is the Commission's understanding that the Annual Conference year (July 1 through June 30) will be used for the purpose of establishing vacation time.

If the Pastor-Parish Relations Committee so chooses, it could certainly grant more vacation time than those previously mentioned. All other situations are to be negotiated with the pastor, the Pastor-Parish Relations Committee, and the District Superintendent.

### Policy and Guidelines

The purpose of The Commission on Equitable Salaries is:

1. to care for the needs of ministry in churches which are in transition in terms of financial resources;
2. to care for the ministry in churches which have special needs; and
3. to assist Charges/Churches in becoming self-supportive financially, and not encourage them to become dependent upon Conference assistance. To this end, The Commission shall provide counsel and advisory material to District Superintendents and/or local Charges/Churches.

Equitable Salary Support is available through the Equitable Salary Commission funding policies and criteria, which are as follows:

1. Each Charge/Church requesting Equitable Salary Support must complete and submit the Equitable Salary Compensation Request Form by November 1, December 1 or January 15 to the Commission on Equitable Salaries with a copy of the current year's and next year's budget. It shall be the responsibility of the District Superintendent to insure that any Charge/Church which needs supplemental support to make application for E.S.C. funds.
2. Each Charge/Church requesting Equitable Salary Support shall pay its Conference Benevolences in full each year that it receives assistance. The Division on Stewardship and the District Superintendent will arrange a visit to Charges/Churches which have not paid Benevolences in full. The purpose will be to educate the congrega-

tion(s) as to the importance of paying its Benevolences, as well as to develop a Stewardship Program.

3. Each Charge/Church requesting Equitable Salary Funds shall continue to pay travel reimbursement to its pastor.
4. Equitable Salary Support may be requested for pastoral salary and service increments only.
5. No grant shall be less than \$600.00.
6. The Treasurer's Office of The Annual Conference will pay Equitable Salary Support directly to the pastor.
7. Local Charges/Churches may receive Equitable Salary Support for no more than five years in succession. Persistent inability of a Charge/Church to become fully self-supporting is an indication of a need for:
  - a. Charge/Church re-alignment;
  - b. Appointment of a part-time pastor, or
  - c. Another appropriate remedy by the Cabinet.
8. Emergency needs or extenuating circumstances will be reviewed on an individual basis by a sub-committee comprised of:
  - a. the Superintendent from the respective District, who shall be chairperson;
  - b. the District Secretary from the Division of Stewardship, and
  - c. the pastor and appropriate laity from the situation under review.

This sub-committee shall bring its recommendation to the Commission for a decision.

9. The Commission on Equitable Salaries shall have the final responsibility for approval of the distribution of Equitable Salary Funds.
10. Failure to comply with these guidelines could mean the forfeiture of current Equitable Salary Funds support or a negative decision on application for future support.

#### How To Apply:

1. Request an application from the District Superintendent.

## COMMISSION ON RELIGION AND RACE

The Commission with some energized or revitalized new members this conference year, were reorganized and placed in the various standing committees, to help strengthen the Commission because of their incoming strengths.

The Commission had the pleasure of having Evelyn Fitzgerald from the General Commission on Religion and Race to come to our week-end retreat in September of 1990 to give the members training in Racial Identity workshops and some organizational training in monitoring. Also, we were informed of some other necessary components needed to help the conference fulfill the mandates as handed down by the General Church.

Racial Identity seminars began at the end of 1990 with the Program Management Team and are continuing in the districts with the pastors into 1991.

The Monitoring Committee, under the leadership of Rev. Karen Booth, reorganized to better and more efficiently monitor the institutions, boards and agencies.

The committee is also designing better questions and establishing the time line for the requested information to be returned. Realizing that monitoring is a continuing process, we still are calling on the members of all agencies, institutions, committees, boards, and agencies to be conscious of their racial make-up and endeavor to keep it representative of an inclusive church.

The Educational Committee, under the chairpersonship of Mrs. Doris Thompson, also the vice-chairperson of the Commission, this year brought a unique program in the Martin Luther King Celebration involving the youth as requested through our 1990 evaluations. There were workshops "Dreaming God's Dream" with some emphasis on areas of oppression. There was an attendance of 350-400 persons including youth.

Once again the various awards were presented except the Lowan Pitts Award. The committee felt that the persons nominated for this award did not meet the criteria set and to keep from lessening those requirements, decided not to present the award this year.

The Richard Wynder Award was given to Jeanel Starling and Joan Norwood for their contributions in race relations as it relates to church and education.

The Alberta Brown Award was given to Thelma Alford, Gene Cray and Dewey Townsend for their contributions in race relations as it relates to work in the Peninsula Annual Conference.

The Martin Luther King, Jr. Award was given to Rev. R. Jervis and Mary Frances Cooke and Marie A. Dashiell for their outstanding achievements in race relations as it relates to church, in the Peninsula Annual Conference, the local

congregation, in the field of education and the community.

Our keynote address was delivered by Bishop James S. Thomas, a retired Bishop of the East Ohio Annual Conference and Lecturer of Theology at Perkins School of Theology, Dallas, Texas.

As we conclude, we have a calling to be obedient followers of Jesus Christ. As Amos says, in Amos 5:24, "But let justice roll down like waters and righteousness like an ever-flowing stream."

Rev. William A Scott, Jr.  
Chairperson

### **1991 GOALS**

1. To continue training for C.O.R.R. members through attendance at jurisdictional and national events.
2. To continue Racial Identity Seminars in areas where requested or needed.
3. To continue to sensitize and monitor all boards, agencies, and institutions related to the United Methodist Church.
4. To continue training at the local level for C.O.R.R. or outreach persons.
5. To read and better understand the comprehensive plans as it is redeveloped that we might develop better instruments whereby it might be monitored.

**PENINSULA UNITED METHODIST FOUNDATION**

**YOUR** Foundation has been a part of this Annual Conference since 1977. We have served many churches in both management of funds and in helping members to remember their local churches through many types of planned gifts such as charitable gift annuities, life estates, revokable trusts, and pooled income funds.

Estate planning seminars have been held throughout the conference's congregations. Many of these sessions have brought to fruition members' desires to carry on the work that their local church does, long after the members themselves are no longer here to continue giving.

During this past year, we have had inquiries from several churches, as well as some from outside our conference, as to how best to handle their financial resources.

As with any tool that is available to its user, we can help you, and your church, think to the future in your ministry to the communities which we serve, and to the Christ for whom we live. This can only be done, and you can only benefit, if and when you see the possibilities that can be utilized through proper planning. This vision comes from exposure. We stand ready to show you what we can do, both for you and your church. Allow us to share our broad-based expertise and experience with you, for the betterment of church and society. This is a ministry of Christian stewardship that promises many possibilities and rewards for present and future ministry.

Our goals have never changed -- to promote planned giving, to help individuals in the stewardship of the future, and to assist local churches and conference agencies. Call us. We are here to help and desire to do just that.

M. Bryan Rice, Director

Mary F. Beach, President

## **UNITED METHODIST MEN**

The 1988 General Conference of the United Methodist Church passed legislation making mandatory a United Methodist Men's unit in each local church. Our Peninsula Conference has only 20% charters in the local churches. District United Methodist Men Presidents must start to work with the District Superintendents and Pastors to establish these lapsed charters and conform to the Book of Discipline. A charter fee is \$35.00.

The highlight of our year activities was the Camp Pecometh Laymen's Retreat led by resource person Dr. J.T. Seymour. 119 men were in attendance and entertainment was provided by the Gospel Sound from Whatcoat Church and the Moulach Brothers. A tree memorial was planted in honor of Maurice Hancock.

Many men participated in the Northeast Board of Laity assembly held in Wilmington October 26-28.

Guy Winebrenner has been appointed Dover District United Methodist Men President.

President

## **UNITED METHODIST WOMEN**

Throughout the Peninsula Conference, the United Methodist Women's organization continues to be a community of women whose Purpose is to know God. We have been in mission in various places and positions in the Conference, districts, and local churches. We have been involved in the following activities:

The Spiritual Life Retreat led by the Rev. Jonathan Baker with the theme, "Spiritual Formation."

The School of Christian Mission where the studies were Galatians; Central America; Gospel, Culture & Media.

Local Unit Visitation which included Financial Interpretation, Membership Development, Installation of Officers, Local Officers training and fellowship.

Annual Meeting with the Rev. Charles Yrigoyen as the messenger of Galatians. The new officers elected were Theresa Stanley, Secretary of Program

wit

Resources; Doris Mosley, Chairperson of the Nominating Committee; Patricia Speight, Andrea White and Carol Quinn as members of the Nominating Committee.

9. Promote interest in the Reading Program by introducing some current selections through book reviews at the School of Christian Mission focus groups.

#### **PENINSULA CONFERENCE COMMITTEE ON EPISCOPACY**

This has been a year of transition for the Peninsula Conference Committee on Episcopacy. From January until September, we worked with Bishop Yeakel. Following the Northeastern Jurisdiction Conference held in July, we began our work with Bishop Morrison. We continue to meet at least twice each year with our Bishop and are on-call at the Bishop's convenience.

In the February meeting with Bishop Yeakel, we again reviewed his work in the six Key Result Areas for Ministry and responded favorably to the wide scope of his ministry. We celebrated the work of Bishop Felton E. May in Washington, D.C. and heard a report on how the ministry was proceeding. We also reviewed the Northeastern Jurisdiction Committee on Episcopacy paper "Visions for Bishops in the Year 2000" which had been approved for study by the 1988 Jurisdictional

with

Conference. This was the basis for the recommendation for a 10th Episcopal Area in the Northeast Jurisdiction.

Following the creation of the Albany Area and the realignment of Annual Conferences in the 10 Area configurations, we made plans for the transition from the Washington Area to the Philadelphia Area.

On September 6th of this year, we held a service of celebration for the ministry of Bishop Joseph H. Yeakel among us. On September 15th, following an adjourned session of the Peninsula Conference, we welcomed Bishop Susan Murch Morrison as our new Bishop.

We have met once as the Area Episcopal Committee with Bishop Morrison and our new colleagues of the Eastern Pennsylvania Conference. We have agreed to joint meetings as an Area Episcopal Committee and will provide time at these meeting for individual Conference meetings when necessary. A second meeting is planned for March 2, 1991.

We have organized as an Area Committee in a similar pattern to that we shared with the Baltimore Conference. Area meetings are scheduled with Bishop Morrison twice each year. We will rotate the Chair each Quadrennium. At our meeting in October, we elected Joan Sowers, Chair of the Eastern Pennsylvania Committee to serve as Area Chairperson for the balance of this quadrennium. Gordon Stapleton will serve as Vice Chairperson. Jack Younkin will serve as Secretary and Susan Keirn Kester as Assistant Secretary.

Bishop Morrison also is in a period of transition with a full schedule of Annual Conference and General Church responsibilities already committed. She is planning no further speaking engagements outside the Area until she can adjust her schedule to both conferences. She has also been dealing with transition requirements with the Puerto Rico Annual Conference. She canceled a scheduled episcopal visit to Africa in order to make more time available. She is meeting regularly with the Peninsula Cabinet and Program Management Team and is itinerating through the four Districts visiting local churches. She will be on study leave August through October 1991, and will schedule local church speaking and celebrative events as time permits, preferably one year in advance.

In consultation with Bishop Morrison, it was determined that the Area Episcopal Committee can best serve our bishop as a channel of information and reflection for the Bishop, serve as a sounding board for ideas, and being interpreters for the Bishop to each annual conference.

## Frank Watson Robinson

Frank Watson Robinson was born in Mt. Holly, N. J. to Mary Gaines Robinson and Leslie Robinson on March 16, 1938. Frank was the seventh of eight children, and the family lived in Mt. Laurel, N.J.

On Sunday, June 3, 1990, at Easton Memorial Hospital, Easton, MD, he was called home to be with his Heavenly Father at the age of 52 years. He was laid to rest in People's Memorial Cemetery in Midway, DE, Saturday, June 9, 1990.

He was married to Marie Dean Robinson on August 7, 1982, and anyone who knew the two of them together knew they were more than husband and wife, but they were "best friends."

He was a dedicated and loyal father to his sons, Frank, Jr., Craig and Gerald and daughters Gwenette and Valerie. Beyond the family given to Frank by birth and marriage, he also acquired other "fathers," "mothers," "brothers," "sisters," "daughters," and "sons."

He earned his Bachelor's of Arts in Education at the University of Maryland Eastern Shore, at that time known as Maryland State College, and he graduated in 1960. He was in the honor society while a student there. In addition to his studies, he played intercollegiate baseball and football. In fact, he was an exceptional football player and was drafted by the Detroit Lions, but he chose to enter the ordained ministry instead.

He felt the call to the ordained ministry in 1958, while he was a student at UMES. He was licensed to preach the Gospel that year at Upper Hill, MD. Frank later earned a Master's Degree in Education at Salisbury State College in 1978 along with his ministry studies, and he was ordained a deacon and an elder in the Methodist Church in 1960 and 1962 respectively. He completed further studies at Virginia State College, Petersburg, Virginia and George Washington University, Washington, D.C.

He earned his ministerial training at Wesley Theological Seminary, Washington, D.C. and Drew Theological Seminary, Madison, N.J.

He was baptized in Jacob's Chapel AME Church in Mt. Laurel, N.J. He had a conversion experience at the age of 16, after which he became a member of the family of Christ.

One of the most important things to Frank W. Robinson was ministry; he enjoyed watching people grow in their personal lives. He loved and appreciated all of God's creations, but his greatest love was people. That's why he appreciated his work as a clergyperson and his achievements with youth in the Talbot County public school system. However, if he had to choose something that was of the greatest importance, it would have been his family.

Frank was enthusiastic about most things, but particularly his ministry. His enthusiasm for ministry was contagious, and it affected others. Many persons are walking testimonies to Rev. Robinson's love of God and his dedication to God's service to others.

Rev. Robinson served several United Methodist Charges including Wachapreague, (Va.), Preston, the Lewes-Rehoboth, Easton-Bellevue, Wittman-McDaniel and East New Market-Linkwood Charges.

In addition to the churches he served, Rev. Robinson was a supervisor of Pupil Services for the Talbot County Public Schools. He had numerous professional and social affiliations, including the International Association of Pupil Personnel Workers, the National Association of Pupil Personnel Administrators, the Maryland State Pupil Personnel Association, Kappa Alpha Psi Fraternity, Inc., and the Alexander Dumas Elks Lodge #378, the Kiwanis Club, the NAACP and the Prince-Hall Masons.

He had numerous awards and recognitions including the NAACP "Man of the Year Award" in 1976; several awards, trophies, etc. when he was a manager/coach in the Talbot County, MD, baseball league, 1972 to 1981; appreciation award for dedication and work with young people in the community by a Talbot County association; a faithful service award from Asbury UMC, Easton, Md. in 1977. One of his most treasured accomplishments was the St. Barnabas Award for exemplary stewardship, which was presented to the East New Market-Linkwood Charge, the night before his death. When Marie, his wife, presented the award to him, he was thrilled for the accomplishment.

Lovingly submitted by,

Marie E. Robinson

## Kenneth Richard Varell, Jr.

Kenneth Richard Varell, Jr., known by those who loved him as Dick, was born on December 27, 1949 in Wilmington, DE to Kenneth Richard and Delores Stewart Varell. When he was thirteen, Dick became the brother to Jayne Varell, his only sibling. Dick grew up in Wilmington in the suburb known as Richardson Park where he was nurtured in the faith at Richardson Park United Methodist Church.

After graduating from Conrad High School in 1967, Dick began engineering studies at the University of Delaware. It was during his second year of college that he received his "calling", and began the pursuit of an education as a clergy. Dick graduated in 1971 with a degree in Mathematics. This knowledge enabled him to master computer skills used extensively in the conference.

On September 4, 1971, Dick married Lorna Hill Frye, his high school sweetheart. Together they moved to Washington, D.C. where Dick was enrolled at Wesley Theological Seminary. He was ordained a deacon in 1972 and graduated in 1974. Dick accepted his first appointment in the Dover District as Associate Minister at St. John's United Methodist Church, Seaford. He was ordained an elder in 1975.

While at Seaford, Dick began his service in the areas most important to him: the youth and the underprivileged. He served as Peninsula Conference Youth Coordinator and chaired the Division of Education. Seaford CROP Walks were initiated under his leadership, as well as annual service through the Appalachia Service Project. The first service project was organized in Sussex County during the summer of 1977, as Dick "brought home" the concept of youth serving the underprivileged through home improvement. Two families were serviced in the Seaford area during a two week period.

It was during his first appointment that the Varell's first child was born. Kristin Frye Varell, born on December 19, 1975, was the apple of her father's eye and was known to be always at his side during work and play.

Dick was appointed to the Lewes: Bethel-Groome Charge in 1978. This appointment lasted for nine years and was filled with spiritual and personal growth and satisfaction for the Varell Family and the people they served. While in Lewes, Dick discovered computers, a hobby that became a talent he was able to share with the Peninsula Conference. Under his tutelage, computers were installed in the conference office and churches throughout the conference. Many hours were spent advising and steering others as they struggled to understand computer technology and language.

Dick began serving as chairperson of the Peninsula Conference Computer Task Force during this time.

A second child was born to the Varell Family during their years in Lewes. Geoffrey Stewart Varell, born on August 1, 1979, learned early in life the importance of the outdoors as he spent many hours hunting and fishing with his father.

In 1987, Dick accepted the appointment as pastor of Mt. Olivet United Methodist Church, taking him back to the town where he began his professional ministry. Once again he became involved with ministry to the underprivileged through CROP and the Appalachia Service Project. With his church family, he pursued his commitment to Christian service to the community.

Dick suffered a heart attack during his first year of ministry at Mt. Olivet. With the love and support of his Church family, Dick began the process of adjusting to life with a heart disease. His ministry flourished as Dick continued to give all that he had to the service of the Lord. He served on the Board of Ordained Ministry and as a Trustee of Peninsula United Methodist Homes, Inc. Dick was one of fifty people in the United Methodist denomination to serve on the Computer Information Standard Task Force.

Throughout his ministry, Dick participated in many volunteer programs, including Delmarva Scouting, Delaware Hospice, Inc., Lower Delaware Commodore Computer Club, Eastern Sussex HAM Radio Operators Club, and Ducks Unlimited.

Dick developed a special compassion for families as they faced the issues of death and dying and provided much support to many families prior to and following the death of a loved one.

On May 2, 1990, while exercising at the Nautilus in Seaford, Dick died from his second heart attack. A service of Witness and Resurrection was held in Mt. Olivet Church, Seaford, DE. Burial was in Union Cemetery, Georgetown, DE.

While Dick's life ended abruptly at the age of forty, his ministry continues. His family continues to be witnesses of the fruits of his ministry throughout Delaware. We feel blessed to have been a part of that ministry and continue to thank God for his life.
