III. DAILY PROCEEDINGS

Thursday Morning, June 11, 2009
University of Maryland Eastern Shore
Princess Anne, Maryland

Bishop Peggy Johnson called the Clergy Session of the Peninsula-Delaware Conference to order at 9:00 A.M. She then called on Rev. Candy Miles who led us in worship. The Rev. Gary Meekins was at the keyboard. Rev. John Mitchell brought the message entitled, "Reaching In-Recognizing Our Shadow Mission." His text was Romans 8:6, which states "To have your mind controlled by human nature results in death; to have your mind controlled by the Spirit results in life and peace." He defined our shadow mission as what gets in our way of doing God's mission, "minds controlled by human nature." When ministry is "all about you, you are in shadow mode," he said.

Following worship, Bishop Johnson called on Rev. Charlotte A. Nichols, Dean of the Cabinet, to present the report of Corporate Accountability. She had the rest of the Cabinet stand while she answered the question on Corporate Accountability.

Following the report of the Board of Ordained Ministry, an offering was received for the Clergy Assistance Fund. After singing the hymn "O Jesus, I Have Promised" Bishop Johnson pronounced the Benediction and we were adjourned for lunch.

The Laity Session was also at 9:00 A.M. across the hall from the Clergy Session.

The 225th Session of the Peninsula-Delaware Annual Conference
Ella Fitzgerald Performing Arts Center
"Reach In"
Thursday Afternoon Session June 11, 2009

The 225th Session of the Peninsula-Delaware Annual Conference began with Rev. Chris Pennington leading the Conference in singing "Be Thou My Vision." Bishop Peggy Johnson then delivered her first opening sermon as Bishop of the Philadelphia Area. She read from Micah 6:6-8. Verse 8 says, "God has showed you what is good; and what does the Lord require of you but to do justice, and to love kindness, and to walk humbly with your God?" She emphasized that we all need kindness in our relationships. She related a story where a young boy was asked what it meant to have a sweetheart. The child's answer, "It was like having company all the time." Bishop Johnson said that John Wesley had it right with his three simple rules: Do no harm, Do Good, and Walk humbly with God. The theme of the Annual Conference is "Reach In." "We are to reach in and give 10%, be in prayer, conversation, worship, and taking the Holy Sacraments. If we do those things, we are walking humble with God," she said.

Following her opening message, Bishop Johnson "struck the gavel" and called the Conference to order at 2:05 P.M. We then sang "And Are We Yet Alive", followed by prayer.

Adoption of Rules of Order and Agenda: Rev. John Van Tine, Conference Secretary, presented the Procedural Motion R1 for its adoption. It passed. He then presented the Conference Rules of Order. The Rev. William Sterling presented an amendment to Rule 10. This amendment would have changed the length of time one could speak on a subject from four minutes to two minutes and would have added to Rule 10 the words, "In matters of debate there shall be no more than three speeches for a position and no more than three speeches against." After some debate, the motion failed to get the two-thirds vote it needed to pass. The Secretary then presented the agenda for the Conference and it was adopted. The Consent Calendar with the addition of the Report of the Commission on Archives and History was presented for adoption on Friday in accordance with the Conference rules.

Covenant of Accountability: The Rev. Dr. William Wallace presented the Covenant of Accountability. He reminded the Conference that the J.T. Seymour Commission on Religion and Race (a task force of

the Advocacy Team) will be monitoring, informing, and evaluating how we do "Holy Conferencing" together. A report will be made each day.

Introduction of Dr. Thompson and Guests: Following the Covenant of Accountability presentation, Rev. Candy Miles introduced Dr. Thelma B. Thompson, President of the University of Maryland Eastern Shore. As part of Rev. Miles' introduction she reminded us of the United Methodist connection the University has as it was founded by the Delaware Conference. Dr. Thompson welcomed us to the campus for the seventh time. She was glad to have us back on the campus and wished us a good Annual Conference. After Dr. Thompson welcomed the Conference to UMES, Rev. Charlotte Nichols, Dean of the Cabinet, introduced those cabinet members visiting from our sister Conference, the Eastern Pennsylvania Conference. They were Rev. Christopher Kurien, Dean of the Cabinet; Rev. Bob Wilks, and Rev. Dorothy Watson Tatem.

Introduction of the Black College Fund Ambassador: Bernadette Beckett introduced Braque Talley, who was the Black College Fund Ambassador. Braque is a junior at Rust College in Holly Springs, Mississippi, and is studying law. He brought the Conference greetings from the Black College Fund and thanked the Conference for paying 100% of its Black College Fund asking.

Spiritual Formation and Discipleship Team: The Rev. Karen Covey Moore presented the report of the Spiritual Formation and Discipleship Team. It was done in a skit format. It was pointed out that "Shadow Missions" can cause one to lose what is the true mission of the church. "Shadow Missions" is when mission work becomes all about the institution of the church and not about people. The Spiritual Formation and Discipleship Team is to keep the church focused on the work of being formed in the Image of Christ and to grow in grace. This work begins with Prayer. (Prayer posters were displayed) and leads one to educate oneself in God's word. The Team is also to share knowledge and resources for this education process. (A small library was brought out on stage.) Small groups of those with like mind meeting for worship, prayer, study and accountability are formed. (Signs with "Small Groups" written on them were brought out on stage). The Monastic Days Apart, a booklet of stories about God's grace and "The Well", which will be on October 10, 2009, where the team will be offering six workshops, were lifted up.

The Tools for Moving Forward (Covenant Funding): John Haberstadt and Bill Westbrook presented the Covenant Funding Plan. When presenting Part I of the report about funding the current year, this part was referred to as a resolution. Since the Conference did not have written copies in their hands and had not had the report for twenty-four hours per our Conference rules, it was moved to table the report until 800 copies had been made. This motion did not pass and Part I about funding the current year passed. Then the same person moved to table parts II and III of the report (the funding for 2010 and the "Reserve Fund Resolution") until the Conference had the material in hand. After some discussion the Council on Finance and Administration, who was presenting the report, decided to withdraw their proposal until copies were made.

Report of the Committee on Clergy and Lay Leadership: The Rev. Paul Sherwood and Demetrio Beach presented the report of the Committee on Clergy and Lay Leadership. As part of the Healthy Church Initiative, this committee has been busy building relationships. Over 75% of the churches were represented at 15 sub-cluster District meetings to help churches more fully grasp the possibilities and opportunities for healthy churches. About 90% of the churches had a least one, if not two, meetings with a team member and members of their congregations. Each committee member is responsible for a personal relationship with approximately 12 Charges. Meetings are arranged between pastors, lay members of the Charge and the committee member so that ministries can be celebrated and congregations can continue to be resourced in effective ways. The goal of the committee continues to be a personal connection with each charge in the Conference. After recognizing members of the committee by having them stand, they presented their report, which is A1. As the Conference rules state this report must be presented 24 hours before it is adopted. They will therefore move for its adoption tomorrow.

United Methodist Publishing House: Madeline Beall reported that the Publishing House has provided funds in developing countries to help them develop resources. She encouraged the Conference to visit the Cokesbury display in the Student Center and to particularly notice "Rock Solid," which is a less expensive children's Sunday School material. She also lifted up Three Simple Rules by Rueben Job and the John Wesley study Bible. She went on to tell the Conference that the United Methodist Publishing House, like everyone else, has been affected by the economic downturn. Rigorous steps to reduce expenses including reducing travel, staff salaries, and cutting operating costs, have been initiated. Despite these measures Cokesbury is still not able to present a check to the Pastors' Pension Fund this year. On a positive note she said, "We still have Krispy Kreme donuts!"

Report of the Commission on Communications: The Rev. Dr. Rick Vance, chairperson of the Commission, reported that this is the first year that the Commission has had the privilege of partnering with Cokesbury and the display area. He asked people to share their thoughts and suggestions about the display area by filling out a short questionnaire and depositing it in the Cokesbury display. At the end of Conference there would be a drawing for a computer and a \$30 discount for a yearly membership with the Interfaith Resource Center. The Commission would also be offering training in ReThink Church and Church Dashboard for those interested during breaks and at lunch and dinner times.

The Rev. Tom Donmachie was called upon to present resolution R6 "FDA to Regulate Tobacco." He reminded the Conference of what the Advocacy Team does. He then called on Rev. Bob Hall, who presented the resolution. It passed with no discussion. Bob then presented resolution R8, "Resolution to Increase Awareness about Suicide for our Caring Ministries." This was the resolution that Howard Mason, a long time lay member of this Conference was working on at the time of his death. Bob recognized him for his work on this resolution and moved its adoption. It passed with no discussion. He then presented resolution R 11, "Resolution Against the Expansion of Gambling in Delaware and Maryland." It too passed with no discussion.

Following these resolution, grace for dinner was signed by Karen Miller.

The Rev. John Van Tine, Conference Secretary, lifted up the announcements and the session was adjourned to be reconvened for evening worship.

Thursday Evening June 11, 2009

Worship

The first worship service of the Annual Conference occurred on Thursday night at 7:00 P.M. It began with organist, Jonathan Emmons, from Wesley United Methodist Church in Dover, Delaware playing "Cantemos al Señor/Let's Sing unto the Lord." Women draped in white and purple danced up the aisles with symbolic jars to receive the Lord's oil. The Rev. Jeremias Rojas then led us in singing "Cantemos al Señor/Let's Sing unto the Lord." He also led the opening prayer in both Spanish and English with an interpreter signed the service. Bishop Johnson brought the message "The Gift that Keeps on Giving" based on II Kings 4:1-7. She proclaimed that Elisha, the understudy to Elijah, used what he already had to respond to the woman's despair. The service then moved into Holy Communion with Jonathan Emmons leading the Conference in the singing of the responses as Kevin Chamberlain played them on the organ.

Friday Morning June 12, 2009

Annual Conference began at 8:30 A.M. with Rev. Chris Pennington leading the Conference in singing "O For a Thousand Tongues to Sing." The Rev. Dr. Sandra Steiner Ball then introduced Rev. Roderick Miller, for the morning Bible study. He is the Director of Connectional Ministries for the Baltimore-Washington Annual Conference. He stated that Jesus is the light of the world and that all colors are in him. He called on the Conference to "reach in" and find the color that suits each member.

Following the Bible Study Bishop Johnson called on The Rev. Dr. William Wallace to present the monitoring report. He pointed out that some light moments were witnessed and some murmurings on how to do Holy Conferencing better. The monitoring team of yesterday, Rev. Tom Pasmore, Rev. Donna Hinckle and Darlene Webb were introduced. They pointed out that a lot of diversity was seen. When finances were discussed, however, there was a predominance of white males at the microphones. Almost all of the ethnic groups of the Conference were represented. There does need to be more representation from the Asian-American and Native-American groups.

Following the Bible study Rev. John Van Tine, Conference Secretary, presented the Consent Calendar, R2 with the addition of the Commission on Archives and History for adoption. It was adopted.

Council on Finance and Administration: Bill Westbrook, John Halberstadt, and Rev. Diane Henry presented the Covenant Funding Plan for 2010. Copies had been made for the Conference and it passed with out any further discussion. Following the adoption of the Covenant Funding Plan for 2010. Rev. Henry presented the Reserve Fund Resolution. It passed with the addition of a friendly amendment to the **Now therefore be it resolved**. It will now read, "Now therefore be it resolved that the Conference Council on Finance and Administration will attempt to maintain and administer the

year end general cash reserve fund at 10% of the previous year's annual expenditures. However, the Council will have the flexibility to move between 8% and 12%. Funds in excess of the 12% upper limit will be available for exceptional missional opportunities on a one-time basis only. Any budgetary request that would bring the reserve fund below the 8% minimum will require Annual Conference approval.

Healthy Church Initiative: The Rev. Shirlyn Brown presented the Healthy Church Initiative. A brief video was shown that lifted up the "Four Areas of Focus." These four areas are: developing leaders, creating new places for new people, eliminating poverty, and stamping out killer diseases globally. She pointed out that in the spring of 2010 the Vision Team is planning a Transformational Event that will focus on these four areas of mission and ministry. She lifted up the date of October 10, 2009, and the event called "The Well," which has been designed to meet many of the needs and ministry priorities of the local churches that have been discovered in our Conference this past year. At the end of this report Resolution R3 "To Create a Conference Board of Higher Education and Campus Ministry" was presented. It passed.

Board of Pensions: Bud Clark presented the Board of Pensions resolution E1 number 1, "The Past Service Rate". It passed. He then presented resolution E1 number 2 relating to rental/housing allowances for retired or disabled ministers. It passed. Following these two resolutions he presented resolution R9 "Resolution to Offset Rate Increase". After much discussion it passed with the addition of a friendly amendment. This amendment states "Be it resolved that the Board of Pensions in conjunction with the Advocacy Resource Team provide focused and sustained leadership during this Conference year for all of our Conference to effectively engage the political process to affect the national political debate and decisions for health care at the national policy level.

Clergy and Lay Leadership: The Rev. Paul Sherwood and Demetrio Beach presented A1, "The Committee on Clergy and Lay Leadership Report". It passed.

Equitable Compensation: The Rev. William Ross presented resolution E6 "Minimum Salary Recommendations for 2010" and "Reimbursement for Travel Expenses". It passed.

Resolution R7 "A Resolution Encouraging the Use of the Services of the Eastern Pennsylvania-Penninsula United Methodist Foundation, Inc." was presented by Bill Westbrook. It passed.

Resolution R4 "Conference Advance Specials for 2009-2012" Kevin Goodwin moved its adoption. It passed. He then called on Rev. Jonathan Baker for a prayer request. There was a plane accident in the Congo. One of the United Methodist Mission planes had crashed. There were no deaths and no life threatening injuries. Bishop Johnson offered prayer for those who were injured.

Health Ministry Skit: A health ministry skit gave the Conference a comical look at preventive health care. It encouraged the members to exercise, eat healthy, have one's blood pressure checked and visit one's doctor regularly.

Resolution R5 "No Sending or Receiving by Federal Express" Rev. Jonathan Baker presented this resolution on behalf of the Commission on Native-American Ministries. This resolution is an effort to end racism while upholding Resolution # 131 in the Book of Resolutions, which was passed by General Conference in 2004. It called for the Conference to stop using FedEx for sending or receiving packages because they have the naming rights to the Washington Redskins Stadium. The term "redskin" is offensive to Native Americans. After much discussion this resolution passed.

Statisticians Report: Joyce Bell gave the Statisticians Report. All 447 churches in our Conference submitted their reports.

The Conference Secretary, John Van Tine, made announcements after which Bishop Johnson prayed for Darlene Webster, a former Lay Leader of the Conference and for Vicki Owens, the wife of Rev. Paul Owens, a pastor in the Conference. Then youth, LaTasha Gibbs and Andrew Whitehead, co-chairs for the Conference Council on Youth Ministries, reminded the Conference that today was "Tray Day". If one eats in the Cafeteria they can leave their tray and the youth will take it away. The Youth are also receiving donations for the Youth Service Fund. Bishop Johnson then called on LaTasha to offer the closing prayer. After her prayer Bishop Johnson recognized Bishop Susan Morrison, who brought greeting to the Conference, reminding the Conference that this is her home Conference. The Conference then adjourned at 11:30 A.M. for lunch.

Kevin Chamberlain led the Conference in singing "To God Be the Glory" and "How Great Thou Art" at 1:45 P.M. He then offered prayer. Following his prayer Bishop Johnson introduced Bishop Devadhar of the Greater New Jersey Conference, who is the Conference Preacher. He brought words of greeting.

Delaware Historical Project: The Rev. Dr. Patricia Harris, who along with Rev. David Brown of the Eastern Pennsylvania Conference co-chair the Delaware Conference Historical Project. They are trying to get the history of the former Delaware Conference written so that the history of that Conference is not forgotten. Brochures entitled "Did You Know?" will be available at the exits upon adjournment of the afternoon session. These brochures will let you know how to get involved with the project. One way is to pray. Rev. Harris' hope is that by next Annual Conference there will be a written history of the former Delaware Conference. As she said, "We are the Peninsula-Delaware Annual Conference. We were intentional about our name because we are intentional about our inclusiveness. The Apostle Paul said, 'I thank God for all my remembrances of you.' I thank God for all my remembrances of the old Delaware Conference."

Resolution R10 "BMCR & BUMP Resolution" was presented by the Rev. William Wallace. He was asked "How will we finance new church starts?" He answered that they would be funded at the same level as any other church start. The resolution was passed by the Conference.

Resolution R12 "Adult Retreat Center Resolution" was presented by the Rev. Pearle Johnson. After she presented the first part of the resolution, which stated what has happened so far with the fund raising for the Adult Retreat Center, Rev. Jack Shitama continue the presentation. He stated what the Board of Stewards for Camping and Retreat Ministries wants to do. First they want to renovate the Rec. Hall at the cost of \$90,000. Then build the Adult Retreat Center at the cost of \$5,700,500. The Wastewater Treatment Plant needs to be upgraded for a cost of \$918,000. Development cost total \$405,000. The Campaign cost to raise the money for these projects is \$400,000. This campaign is not just about raising money, but is also attempting to increase the donor base. \$2.7 million is the new campaign goal. The total cost of the project is \$7,513,500. Jack Shitama then moved the adoption of Resolution R12. It passed with no discussion.

Following the Processional Hymn, "For All the Saints" and the Opening Prayer the names of the deceased were read with the tolling of the Cokesbury Bell after each name. Caitlin Smith, from Bethany United Methodist Church in Price, Maryland, read "Tree of Life" (part 1) while branches were added to the tree of life. Shelby Dickerson from St. James United Methodist Church in Pocomoke, Maryland, then read "Tree of

Life" (part 2). After Bernadette Wright from Chester-Stevensville United Methodist Church in Chester, Maryland, sang a solo, Bishop Sudarshana Devadhar brought the sermon entitled "Rhubarb Christians." Following Bishop Devadhar's sermon was the Remembering of the Saints. Pictures were shown of the deceased at various points in their lives. As a response Ashley Berry from the Church Hill-Burrisville United Methodist Charge in Church Hill, Maryland, brought tears to all as she danced from her wheel chair, promising to run and dance in Heaven. The service concluded with the Recessional Hymn, "O Blessed Spring."

Saturday Morning Session June 14, 2009

The morning session began at 8:15 A.M. with Praise Time. Kevin Chamberlain led the Conference in the singing of "There's Within My Heart a Melody" followed by "I'll Fly Away." He then offered prayer.

Following Praise Time, Rod Miller, led an experiential study focused on color, sound, motion, and imagination. He led the Conference in singing, "I step into the flow and then I let it go. I open my mind and my heart and my soul." Following the singing he taught about going further and deeper, to which the members contributed "e" and "i" words emphasizing "emerging," that is reaching out and immersing that is reaching in. He then had the Conference look at their hands. He called on them to reflect on the lines, scars, and hard work, and love that their hands have done. Then he had the Conference shift its focus from the hand, which was close to the face, to what one sees in the distance and "what is beyond what you see". He advised the hearers to slow down in the space where they live, ponder what Jesus sees, and what he might want to see more of us doing. "Going deeper means embracing diversity, humility, and the present because we are the intersection of the past, the present, and the future!"

Following the Bible study, the Conference was called to order by Bishop Johnson for "Holy Conferencing." She nominated David Rutt, Esq. as the Conference Chancellor. Bill Westbrook introduced him and after his election, he made a few remarks.

The Rev. Dr. Sandra Steiner Ball then introduced Dennis McDowell and Rev. Shirlyn Brown who introduced Ronald Bell, Jr. as the new Director of Strengthening the Black Church for the Twenty-first Century. Ron made a few remarks and asked the Conference to keep him in their prayers.

Bishop Johnson then offered prayer for Vicki Owens, the wife of Rev. Paul Owens, who is not well. She announced that the Rev. Dr. William Fitzhugh, District Superintendent of the Wilmington District, had gone to be with the family. She also offered prayer for others who are not well.

Monitoring Report: The Rev. Dr. William Wallace presented the monitoring report, which covered yesterday's sessions. He said there was good news. "The good news is that we learned a deep appreciation for our sisters and brothers who live in a majority world and have special needs." He lifted up the woman who danced in her wheel chair at last night's service. He also pointed out that there were women "in abundance" the last few days. "We still need to work on the fact that God can be identified as other than 'Father,'" he said, and "we also need to remember there are a variety of colors. God created a rainbow of colors and some may be left out!"

Constitutional Amendments:

The Conference had 32 Constitutional Amendments to vote on. Bishop Johnson presented the number of the ballot, Rev. John Van Tine, Conference Secretary, explained the procedure for the voting and General Conference delegates Kevin Goodwin, and the Rev. Dr. Sandra Steiner Ball explained the intention of the Amendments and answered any questions the body might have. The voting of the Peninsula-Delaware Conference members on the various Constitutional Amendments is as follows:

(Can we put the results here? Are they in an electronic format?)

Whether or not the Constitutional Amendments passed will not be known until all the Annual Conferences have voted.

Property Matters: The Rev. Charlotte Nichols presented a resolution that Girdletree United Methodist Church on the Girdletree-Stockton Charge be placed on limited service. She explained to the Conference that limited service allows for the possible reopening of the church within a five year period. This motion passed.

Mission Report: Kevin Goodwin began the Mission Report by stating that his church pays 100% of its Conference Apportionment. He then said if any church received money from the Ministerial Education Fund or the Black College Fund it received money from the Apportionment. He introduced Marie Van

Der Wall as the new mission secretary for the Peninsula-Delaware Annual Conference. After introducing her, he showed the framed certificate that the Conference received from the General Church for paying 100% of the World Service asking for at least twenty-three consecutive years, the longest of any Annual Conference. This certificate will hang in the Conference Office. It can be borrowed and displayed for a short time in each local church. Kevin also stated that the Peninsula-Delaware Conference is one of a handful of Annual Conferences who pay 100% of its total asking to Africa University since that school opened.

Following the Mission Report, Rev. John Van Tine, Conference Secretary, lifted up announcements after which Rev. Connie Hastings offered the prayer for lunch. The morning session adjourned at 11:46 A.M.

Saturday Afternoon Session June 14, 2009

Kevin Chamberlain led the Conference in singing "It Is Well with My Soul" and "Jesu, Jesu" followed by prayer.

Wesley College Corporate Session: Chip Dashell called the Wesley College Corporate Session to order. He stated that the order of business will include the re-election of Trustees whose terms expire in 2009, the affirmation of officers of the Board of Trustees and officers of the Corporation, the report of the Chaplain/Director of Church Relations and State of the College report by the President of the College.

These people were elected.

Chaplain Rev. Dr. Mark Pruett-Barnett was then presented to the Conference. He has been Chaplain of the College since 2004. As Chaplain he continues to develop relationships with students, faculty, and staff. He also commented on the work of Hope Closet, which is the major service ministry of the College. This is a place where people can obtain necessary items that are costly and not covered by government programs. Hope Church operates the Closet, but found their resources stretched beyond their means. The College stepped in and helped staff the Closet as well as contribute items.

Dr. Pruett-Barnett is also the Director of Church Relations. As such he serves on various boards and agencies of the Annual Conference. Next year he will no longer be the Director of Church Relations so that he can focus more on the students. He is also giving up some teaching roles for the same reason.

Following Dr. Pruett-Barnett's remarks, Chip Dashiell introduced Dr. William N. Johnston, who is completing his first year as President of Wesley College.

President Johnston then addressed the Conference. He gave a brief history of Wesley College following which he pointed out that Wesley is in the process of receiving applications to what could be one of its largest freshman classes in recent history. To date 593 confirmed new students compared to 389 at this time last year. He also lifted up the four bold themes of the strategic plan. The first of which is to share the Wesley College story. The second is to develop a student-centered learning experience. The third theme focuses on determining where Wesley will grow. The fourth recognizes the great potential that lies within the campus, the local community, and the alumni and donors who support Wesley.

Emphasizing the connection that Wesley has with the Annual Conference, alumni information sheets were handed out at the beginning of the Corporate Session. President Johnston now asked that they be collected so that the college could keep in touch with the members of the Conference. He ended his remarks by saying, "At our May commencement, a leader of our alumni board said to our newest graduates, 'I am Wesley; You are Wesley; We are Wesley.' Be an active part of our admissions effort...We are Wesley."

Campus Ministries: Josh Lewis (Dr. Lewis) a student at the University of Delaware and a member of the Wesley Foundation, conducted a "class." He presented a video about the active campus group and wanted the Conference to take good notes. Following his presentation leaders of the campus ministries were recognized. They were: Rev. Mary Haggard (University of Delaware), Rev. Bernadette Beckett (Salisbury University), Rev. Candy Miles (University of Maryland Eastern Shore), Rev. Jackie Onwu (Delaware State University), and Rev. Dr. Mark Pruett-Barnett (Wesley College).

Conference Youth Ministries: Shane Hinderliter reported on the Ministry of the Youth and Young Adults. He informed the Conference that this was his 3rd Annual Conference Session after which he recognized the youth who were present. His desire is to have contact with each church and he will also provide a resource guidebook, *Journey through Young Adult Ministry*. Every Pastor received a copy of this guidebook two months ago. In early 2008 he helped form two young adult forums. One was at a local church and the other at the Conference level. His goals are to make contact with the young adult ministries that are happening throughout the Conference and to encourage attendance at the event "Elevate" July 10-12 in Pittsburgh, Pennsylvania. In his Youth Ministries work he informed the Conference that a Youth Council has been formed and it meets two or three time a year in various locations throughout the Annual Conference. Tray Day was evidence of their work. On this first Tray Day \$1,275 was collected. That money will go to the Youth Service Fund. Tray Day was on Friday during Annual Conference. The youth collected trays at dinner and received donations for their efforts. Shane also informed the Conference that this was the second year for "Mission Possible," a low cost mission trip in the Bear, Delaware area. Last fall he led an adult leadership training event called TILT. This year this training event will be part of "The Well," which is October 10, 2009, at Eagles Nest. There will also be an event sponsored by BOOM in Dallas, Texas, November 13-15, 2009, for those 18-24 considering the ordained ministry. January 8-10, 2010, will be the Youth Rally in Ocean City, Maryland. The cost will remain the same. The theme is "struggling with God's call" and is called "Pyromaniac." He also encouraged the body to check out the web site, UMyoungpeople.org.

Laity Celebration: Betty Gooch, Conference Lay Leader, began the Laity Celebration with "Great Is Thy Faithfulness." She then recognized the members of the Conference Board of Lay Ministries. The Board has been busy making disciples of Jesus Christ for the transformation of the world. This has been done through newsletters, prayer, healing services, prayer groups, prison ministries, and home visitations to name a few. The Board has met with Bishop Johnson, attended lay academies, and lay training. The Board was able to offer three new classes for clergy and laity. These classes were "Preaching for a Life Change," "Partnering with God in Prayer," and "Gearing Up to Become Better Leaders." The Board hopes to offer these classes on all four districts this Conference year. Over \$1200 was raised at District Celebrations for Nothing But Nets. The United Methodist Men have been busy with the "Potato Drop" and July 10-12, 2009, is the U.M. Men's national gathering in Nashville, Tennessee. The United Methodist Women, whose purpose is to know Jesus Christ, have collected monies for the Women's Unit and are doing mission projects, they are the sponsors of the School of Christian Mission, which will be July 9-12, 2009, at Wesley College. The Clergy Laity Banquet was sold out. Darlene Webster, a former Conference Lay Leader, was the speaker and John Thompson provided the music. A good time was had by all. Over 350 Laity attended the Laity Session of Thursday morning of Annual Conference. Two interpreters doing sign language were present during the session. She concluded her remarks by quoting John 15:4, "Abide in me as I abide in you." She introduced Demetrio Beach, Conference Associate Lay Leader, who offered the closing prayer.

Mission Celebration: Kevin Goodwin, dressed as a mosquito, gave a report on the "Nothing But Nets" mission priority. As Marvin the Mosquito, he encouraged the Conference not to support the "Nothing But Nets" campaign, which buys treated mosquito nets for the people of Africa. With malaria being one of the leading causes of death for children, this campaign is about saving human lives, but it is killing the "blood" winner in the mosquito family. The conference did not respond to Marvin Mosquito's request and raised just under \$20,000 for the Nothing But Nets campaign. Another \$9000 was raised for the Central Congo Partnership.

After Marvin the Mosquito flew off Rev. Jonathan Baker gave the Congo Partnership Report. He began by giving an update on the plane crash in the Congo. The plane and a van were destroyed, but the people involved were ok. The Peninsula-Delaware Conference and the Eastern Pennsylvania

Conference have formed the Philadelphia Area Congo Partnership Team. This team will pool resources with the Western North Carolina Conference, the Tennessee Conference, the Swiss Conference, and the United Methodist Committee on Relief. He encouraged each local church to take on a mission project. Funds are needed for a clinic and for scholarships for Africa University. This partnership wants to develop a youth and young adult exchange. This partnership will help to restore Wembo Nyama, providing solar power for the town's university, church, and hospital. Farmers will also be sent as consultants. The goal is to raise a minimum of \$60,000. Rev. Baker concluded by saying, "We covet your prayers."

Rev. Amy Yarnall reminded the Conference about the Volunteers in Mission (VIM) program and recognized those VIM volunteers who were present. Lay members were encouraged to stop by the VIM display and pick up a DVD and get a list of planned VIM trips.

Rev. Yvonne Penn called out "We are family" as she began her report on the Black United Methodist Pastors (BUMP) mission trip to New Orleans on March 14, 2009. Twenty-three people including Bishop Johnson assisted those in need. A video was showed of the group repairing homes. This video was made by Frederick Grant, who went on the trip. They completed one house and part of another. Over the past three years \$10,000 was given for tax relief for those in danger of losing their properties, \$5,000 was spent on supplies, \$3,000 to assist in a shelter for women and children, and \$3,000 to assist with the start of a much needed work station in a neglected part of New Orleans. BUMP plans to return to New Orleans March 13-19 2010.

Service of Appointments: The Service of Appointments began with the singing of "Here I Am, Lord." Rev. Charlotte Nichols led the Conference in an accountability litany. Prayers were said for each District and the clergy stood for the acceptance of their appointments. The service concluded with the singing of "I Need Thee Every Hour."

Expressing Thanks: The Rev. Dr. Sandra Steiner Ball, Director of Connectional Ministries, and William Westbrook, Director of Administrative Services, recognized many people who helped with the Annual Conference Sessions.

Motion to Adjourn: Following the expressions of thanks, Rev. John Van Tine, Conference Secretary, made the following motion at 4:22 P.M.: "Bishop, I move that the 225th Session of the Peninsula-Delaware Conference be adjourned until the Annual Conference is reconvened next year or at the call of the President." The motion passed and was followed by announcements from the Secretary of the Conference. After the announcements the results of the voting on the Constitutional Amendments were showed on the screen.

Resolution to Create a Conference Board of Higher Education and Campus Ministry

The Leadership Development Resource Team has been in existence since 2000 and has been considered the equivalent agency for the care of higher education and campus ministry in the Peninsula-Delaware Conference.

The Leadership Development Resource Team has been comprised of representation of various groups: Board of Ordained Ministry, Episcopacy Committee, Board of Lay Ministries, Council on Youth Ministries, Howard Bailey Life Enrichment Program, Wesley College and the Wesley Foundations of Delaware State, Salisbury University, University of Delaware, and University of Maryland, Eastern Shore. These groups have each been training, resourcing, and empowering people for accomplishing God's call to make disciples of Jesus Christ.

The Conference has developed and continues to develop its leadership independently of the Leadership Development team thus leaving the bulk of ministry of the Leadership Development team in the area of higher education and campus ministry.

The Vision Team, at its meeting on March 10, 2009 received and approved a resolution to dissolve the Leadership Development Resource Team in its current format. At the same meeting the Vision Team received and approved a recommendation to bring a resolution to the floor of the 2009 Annual Conference to create a Conference Board of Higher Education and Campus Ministry.

Therefore, as per paragraph 634 of the 2008 Book of Discipline, the Vision Team recommends that the Peninsula-Delaware Conference create a Conference Board of Higher Education and Campus Ministry and direct the Committee on Clergy and Lay Leadership to fill out that Board's membership in accordance with the paragraph 634,

Furthermore, the Vision Team recommends that any ministry groups previously represented in the Former Leadership Development Resource Team that would not be appropriately aligned with a Conference Board of Higher Education and Campus Ministry and are not currently connected to the Annual Conference through another Team or the Conference Board of Laity, be realigned to a connecting team through discussion and negotiation with the Vision Team.

Resolution to Establish Conference Advance Specials for 2009-2012

The Christian Service Team recommends adopting the following mission projects to be Conference Advance Special Projects for the current quadrennium (2009-2012). Four projects have been assigned a Sunday for purposes of promotion; the last will be raised up as the calendar permits. Each church is encouraged to receive an offering in support of these vital projects. Promotion responsibility for each project has been assigned to a Team or Task Force of the Annual Conference, except for CCPI; which the Conference Appeals Coordinator will handle.

Central Congo Partnership Sunday – 1st Sunday in Lent

First adopted in 2003, the Central Congo Partnership is our main overseas hands-on mission project. Our target is to raise at least \$60,000 annually for this effort. Supported projects include education, farming, communication, medical, nutritional and new agriculture components. Some funds might also be used to partially fund VIM trips to the DRC so people of our Annual Conference can see and participate directly in our supported projects.

Volunteer in Mission Awareness Sunday – 1st Sunday of June (Start of Hurricane Season)

This will be a time to celebrate how God is working through Volunteers in Mission, including local, national, and international VIM ministry as well as Emergency Response to disasters. Churches are encouraged to have speakers share about their VIM experiences in worship. The offering will support this ministry throughout the Conference with a goal of providing financial support to Conference-sponsored VIM Teams.

Nothing But Nets Sunday – 1st Sunday of August

One of the four Focus Areas of the UMC is eliminating poverty by stopping deaths from preventable diseases. Malaria kills a child every 30 seconds in sub-Saharan Africa. By providing treated bed-nets, this can be greatly reduced. Each net costs \$10 to make, deliver and train the family on its proper use. The insecticide on the nets lasts five years. Our goal is to raise \$100,000 before the end of this quadrennium.

Board Of Ordained Ministry Sunday – 1st Sunday after Labor Day

At any given time, our Annual Conference has 45-60 pastors in seminary or taking the Course of Study program. Imagine doing that on what we pay them! Your apportionment gifts provide us with \$65,000 in scholarship funds each year, less than 20% of the annual educational costs. This Sunday has two purposes - raising scholarship funds and developing "A culture of the Call" so our young people would consider the ministry as a life's calling.

Africa University Sunday – 2nd Sunday of November

As a Conference, we have fully funded two scholarships at Africa University. As an example of why we continue to promote Africa University, earlier this year the University was accepting livestock and produce in lieu of currency from students because of the economic situation in Zimbabwe.

Central Conference Pension Initiative (CCPI) – TBA

Most American and European clergy have pensions to help support them when they retire from active ministry. Such is not the case for 99% of our pastors serving in Africa and Asia. Our denomination is addressing this inequity via the CCPI. This is the effort to which we have given our Cokesbury check since 2000 – longer than any other Annual Conference. The CCPI Task Force's goal is to raise \$20,000,000 to endow this effort. They are over 70% of the way there. Our goal is to raise \$50,000 over this quadrennium (beyond the Cokesbury checks), for this effort. That is enough to cover the pensions of five pastors.

Resolution for FDA to Regulate Tobacco

The United Methodist Church discourages all persons, particularly children, youth, and young adults from using any form of tobacco. The use of tobacco is just another form of drug abuse, even though it is legal. Overwhelming evidence links cigarette-smoking with serious life threatening diseases and can negatively affect a developing fetus, and secondary smoke is a known carcinogen.

The Book of Discipline of The United Methodist Church, 2008; ¶162.M; "Tobacco - We affirm our historic tradition of high standards of personal discipline and social responsibilities. In light of the overwhelming evidence that tobacco smoking and the use of smokeless tobacco are hazardous to the health of persons of all ages, we recommend total abstinence from the use of tobacco. We urge our educational and communication resources be utilized to support and encourage such abstinence. Further, we recognize the harmful effects of passive smoke and support the restriction of smoking in public work areas and workplaces."

The Book of Resolutions of The United Methodist Church, 2004, Page 703: "...In God's Word, the Sixth Commandment tells us, 'Thou shall not kill.' And our medical community and the Surgeon General have known the causal effects of tobacco and disease and death for more than 50 years. And annually more than 450,000 people in the United States die because of the more than 240 cancer causing ingredients in tobacco products and their devices, and their products of combustion".;

The Congress of the United States has intentionally maintained for itself the authority to regulate the ingredients in tobacco products, their devices, and their products of combustion;

The General Conferences of The United Methodist Church, The General Board of Church and Society, State Governments such as Maryland have strongly requested that the Congress of The United States give the authority to the Food and Drug Administration to regulate the ingredients of tobacco products.

It is requested that this Peninsula-Delaware Annual Conference, which is meeting at the University of Maryland, Eastern Shore on June 11 -13, 2009, endorse a request to the Congress of The United States, both House and Senate, and to the President of the United States that the authority to regulate the contents of all tobacco products be given to the Federal Food and Drug Administration (FDA).

It is further requested that the FDA be given punitive powers when violations occur.

It is further requested that the Peninsula-Delaware Annual Conference, Local Churches, and their members correspond (write, call, fax or e-mail) to their members of Congress and to the President of the United States, that the Authority to regulate the contents of all tobacco products reside with the Food and Drug Administration.

Resolution to Increase Awareness about Suicide For our Caring Ministries

The United Methodist Church recognizes that suicide is a major problem in the United States. Over 30,000 people die of suicide each year in the United States. There is approximately one suicide death every 17 minutes in this country. It is the 4th leading cause of death among people ages 18-65 and there are 2 suicide deaths for every homicide in the United States. It is also recognized that over 90% of the people who die by suicide have diagnosable mental illness, substance abuse, sexual identity issues, Post Traumatic Stress Disorder (PTSD), or combinations. Some of these individuals have been diagnosed and some have not. The mental illnesses commonly involved in suicide are: clinical depression, Bi-polar disorder, and schizophrenia. There are many different reasons why people take their own lives, but recent DNA studies have identified a gene that is often found in suicide victims and in people who are more impulsive and have more aggressive behaviors than the general population. The United States Military have recently started many more studies on returning combat service people and their families, after the rate of suicides has increased to an alarming number.

The Book of Discipline of The United Methodist Church, 2008; ¶161.N; "Suicide – We believe that suicide is not the way a human life should end. Often suicide is the result of untreated pain and suffering. The church has an obligation to see that all persons have access to needed pastoral and medical care and therapy in those circumstances that lead to loss of self-worth, suicidal despair, and / or the desire to seek physician-assisted suicide. We encourage the church to provide education to address the biblical, theological, social, and ethical issues related to death and dying, including suicide. United Methodist theological seminary courses should also focus on issues of death and dying, including suicide.

A Christian perspective on suicide begins with an affirmation of faith that nothing, including suicide, separates us from the love of God (Romans 8:38-39). Therefore, we deplore the condemnation of people who complete suicide, and we consider unjust the stigma that so often falls on surviving family and friends.

We encourage pastors and faith communities to address the issue through preaching and teaching. We urge pastors and faith communities to provide pastoral care to those at risk, survivors, and their families, and to those families who have lost loved ones to suicide, seeking always to remove the oppressive stigma around suicide. The church opposes assisted suicide and euthanasia.

The Book of Resolutions of The United Methodist Church, 2008, Resolution 2121 Pages 161-166. . . (Romans 8:38-39) "For I am convinced that neither death, nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation will be able to separate us from the love of God in Christ Jesus our Lord." ... A Christian perspective on suicide thus begins with an affirmation of faith: Suicide does not separate us from the love of God. Unfortunately, the church throughout much of its history has taught just the opposite, that suicide is an unforgivable sin. As a result, Christians, acting out of a sincere concern to prevent suicide, often have contradicted Christ's call to Compassion....

The purpose of this statement is to challenge and guide our caring ministries to reduce the number of suicides and to share God's grace so that the lives of those touched by suicide may be enriched, dignified and enabled."

"... Recognizing that the church's historical response to suicide includes punitive measures intended to prevent suicide and that there is no clear biblical stance on suicide, the General Conference of The United Methodist Church strongly urges the employment of major initiatives to prevent suicide. Additionally, it recommends to the boards, agencies, institutions, and local churches of The United Methodist Church, that the ministry of suicide prevention should receive urgent attention. Survivors of loss through suicide and suicide attempts should also receive priority concern in the overall ministry of the church. Harsh and punitive measures (such as denial of funeral or memorial services, or ministerial visits) imposed upon families of suicide victims should be denounced and abandoned. The church should participate in and urge others to participate in a full, community based effort to address the needs of people at risk and their families.

It must be emphasized that suicide increases in an environment or society that does not demonstrate a caring attitude toward all persons. The church has a special role in changing societal attitudes and harmful social environment of individuals and families."

It is requested that this Peninsula-Delaware Annual Conference, which is meeting at the University of Maryland, Eastern Shore on June 11 -13, 2009, endorse this request to become a Healthy Church by embracing all persons affected by suicide through support groups and responsive social institutions.

It is further requested that the Peninsula-Delaware Annual Conference, Local Churches, and their members call upon society through the media to reinforce the importance of human life and to advocate that public policies include all persons' welfare, and work against policies that devalue human life.

It is also requested that Peninsula-Delaware Annual Conference Local Churches and their members provide education and resources in order to raise awareness of this major public health issue and offer training in suicide prevention.

Resolution to Offset Rate Increase

On January 1, 2008, the Peninsula-Delaware Conference Board of Pensions offered a new Consumer Directed Health Plan (CDHP) with a high-deductible Preferred Provider Organization (PPO) plan. The plan was originally presented as \$1200 deductible for individual coverage and \$3600 deductible for individual with child(ren) or family coverage with a 20% co-pay on prescriptions. At the last moment, Blue Cross Blue Shield informed the Board of Pensions that the 20% co-pay must be applied to both medical as well as prescriptions or the Board of Pensions could choose to have no co-pay.

The Board of Pensions chose to offer the high deductible plan with no co-pay, knowing that its decision would cause an increase in future rates. The new rates were increased last July, but we were able to keep billing to the churches stable. The Board of Pensions chose this direction because the history of claims included only 6 months in the CDHP, a time when participants were using their deductibles, and real utilization was not known.

In March 2009, after the second year of CDHP was already in effect, a full year of CDHP claims became available. The Board of Pensions was informed that the July 2009 rates would be 20% higher based on the 2008 claims. If the Board of Pensions did nothing, we could expect another 20% increase or more in July 2010.

Therefore, the Board of Pensions solicited a quote from HealthFlex, which is the General Board of Pension & Health Benefits national health plan. We also solicited quotes on various modifications to our current plan administered by Blue Cross Blue Shield of Delaware (BCBSDE) to lower the 20% rate increase that would have gone into effect on July 1, 2009.

After reviewing the quotes, the Board of Pensions is recommending a BCBSDE modification that lowers the 20% increase and results in the following:

- No increase in billing to the churches for the third consecutive year for clergy
- No increase in pastor's contributions for the third consecutive year
- An increase in deductible to \$1600 for an individual and \$4800 for an individual with child(ren) or a family.
- A new co-pay of 10% in-network or 30% out-of-network for the first \$1000 for an individual after the deductible has been met
- A new co-pay of 10% in-network or 30% out-of-network for the first \$2000 for an individual with child(ren) or a family.
- The funding for the HRA/HSA will continue to be \$800 for an individual and \$2400 for an individual with child(ren) or a family.

Based on the adoption of this recommendation, effective January 1, 2010, the annual billing for clergy will remain as follows:

Full Elder - \$11,400
 Provisional Elder, Associate Member or Full-time Local Pastor - \$10644
 Student Local Pastor - \$7248 plus 1/2 of pastor's contribution

Based on the adoption of this recommendation, effective January 1, 2010, the Pastor's monthly contributions will remain as follows:

Compensation	Single Coverage	Family Coverage
\$20000-29999	32	53
\$30000-39999	42	75
\$40000-49999	59	101
\$50000-59999	75	128
\$60000 plus	90	154
Retirees/Spouses under 65	42	75

Retirees/Spouses on Medicare – no contribution required

The Board of Pensions in conjunction with the Advocacy Resource Team shall provide focused and sustained leadership during this Conference year for all of our Conference to effectively engage the political process to affect the national political debate and decisions for health care at the national policy level. (Amendment added at Annual Conference.)

BMCR & BUMP Resolution

The plight of black churches and congregations in the context of Methodism has been and continues to be one that is often mired with paradox. As the Peninsula-Delaware Conference embraces new visions; especially, the Healthy Church Initiative and New Church Starts, BMCR and BUMP present the following resolution. The intent of which is to ensure and secure the vitality of black churches and black pastors or others whom God has given the task of shepherding black congregations.

Whereas, the 1996 General Conference of The United Methodist Church mandated Strengthening The Black Church for the 21st a priority; thus, ensuring the foundation for revitalization for Black churches, Black congregations and Black pastors and gifted and talented lay leadership and

Whereas, in recent years population shifts, economic trends, membership transfers, and other variables including death have tremendously impacted both growth and development of the Black members in local churches and

Whereas, dwindling membership; especially, the absence of youth and young adults; buildings in disrepair, congregations that are disadvantaged relative to technological potential, escalating maintenance and utility cost, disproportionate salaries for Full members and Elders as compared to white counterparts, facilities unequipped for vital ministries and economic restraints that prohibit continuing ministries and missions and last but certainly not least, the loss of a strong sense of historic and social identity and

Whereas, New Church Starts are becoming a reality for the conference; however, to date only one Black New Church Start is being considered and

Whereas, the 2000 Peninsula-Delaware Annual Conference established the Office of Strengthening the Black Church which was given the task of but not limited to advocacy on behalf of Black African-American congregations, resourcing, liaison between boards and agencies and the Black Church's spiritual formation and leadership development for effective partnership, mission and ministry; and

Whereas, the disillusionment of the Central Jurisdiction which led to the merger of the Delaware and the Peninsula Conferences, monies and properties were transferred to the Peninsula conference that included properties presently owned by the Peninsula-Delaware Conference known today as Camp PeCometh and

Whereas, the Delaware and Washington Conferences of the Central Jurisdiction were intentional in providing educational opportunities for Blacks; thus, birthing, maintaining and funding both the Delaware Conference Academy (the predecessor of Maryland State which today is known as University of Maryland Eastern Shore) and Morgan State College (Morgan State University)

Whereas the God of the people of the Delaware Conference gave them wisdom and insight, as well as, the boldness to grow and provide leadership from within their ranks, thus, lifting the prophetic voice and presence of Harriett Tubman, (Moses of her people) Fredrick Douglas (great orator and social activist); Charles Albert Tindley (prolific song writer and dynamic preacher), Bishops Roy Nichols, Felton Edwin May and Ernest Lyght.

Therefore, Be It Resolved that the Peninsula-Delaware Conference continue the Strengthening the Black Church Initiative because the plight of the Peninsula-Delaware Conference is intimately connected to the well being of the Black church and

Be It also Resolved that a feasibility study be conducted to document the aforementioned concerns with the intent of creating healthy church remedies specifically designed to address the unique needs of Black churches, Black congregations and Black pastors and

Be It Also Resolved that the Peninsula-Delaware Conference authorize and support the research and writing of a comprehensive history and profile of existing Black Churches and Black congregations of this conference which shall include both significant black lay leadership and black pastors and

Be It Also Resolved that at least one (1) New Church Start be implemented every three (3) years beginning in the year 2010 and

We Therefore Ask that our community of the Peninsula-Delaware Annual Conference accept and pass this resolution and work toward its actualization.

Resolution Against the Expansion of Gambling in Delaware and Maryland

On November 4, 2008, Maryland voters approved a referendum legalizing slot machine gambling within the state. The current plan would add 15,000 slot machines at five sites around the state, including a venue in Cecil County. These facilities are expected to open in 2011.

On May 14, 2009, Delaware's governor signed a bill approved by both houses in the legislature into law that would expand gambling within the state. The new law includes the addition of both sports betting and table games which will be implemented at the three existing casinos in New Castle and Kent Counties as soon as possible. On May 28, 2009, the State Supreme Court ruled that this legislation is constitutional.

These significant changes prompt us as United Methodists to reflect on our understanding of the effects of gambling on individuals, families and society.

When asked which commandment is first of all, Jesus answered, "Hear, O Israel: the Lord our God, the Lord is one; you shall love the Lord your God with all your heart, and with all your soul, and with all your mind, and with all your strength" (Mark 12:29-30 NRSV). Gambling feeds on human greed and invites persons to place their trust in possessions rather than in God. It represents a form of idolatry that contradicts the first commandment. Jesus said: "You shall love your neighbor as yourself" (Mark 12:31b NRSV). In relating with compassion and love to our sisters and brothers, we are called to resist those practices and systems that exploit them and leave them impoverished and demeaned. The apostle Paul wrote in 1st Timothy 6:9-10a: "People who want to get rich fall into temptation and a trap and into many foolish and harmful desires that plunge men into ruin and destruction. For the love of money is a root of all kinds of evil."

Gambling, as a means of acquiring material gain by chance and at the neighbor's expense, is a menace to personal character and social morality. Gambling fosters greed and stimulates the fatalistic faith in chance. Organized and commercial gambling is a threat to business, breeds crime and poverty, and is destructive to the interests of good government. It encourages the belief that work is unimportant, that money can solve all our problems, and that greed is the norm for achievement. It serves as a "regressive tax" on those with lower income. In summary, gambling is bad economics; gambling is bad public policy; and gambling does not improve the quality of life. (*The Book of Resolutions of the United Methodist Church*, 2008; ¶163.G)

The 2008 *Social Principles* of the United Methodist Church state, "Gambling is a menace to society, deadly to the best interests of moral, social, economic, and spiritual life, destructive of good government and good stewardship. As an act of faith and concern, Christians should abstain from gambling and should strive to minister to those victimized by the practice. Where gambling has become addictive, the Church will encourage such individuals to receive therapeutic assistance so that the individual's energies may be redirected into positive and constructive ends. . . . The Church's prophetic call is to promote standards of justice and advocacy that would make it unnecessary and undesirable to resort to commercial gambling—including public lotteries, casinos, raffles, Internet gambling, gambling with an emerging wireless technology and other games of chance—as a recreation, as an escape, or as a means of producing public revenue or funds for support of charities or government." (*The Book of Discipline of the United Methodist Church*, 2008; ¶163.G)

Therefore, be it resolved that the Peninsula-Delaware Annual Conference reaffirm the historic United Methodist opposition to gambling and that members of the Conference continue to advocate against gambling throughout the region of the Annual Conference in whatever forms it presents itself: lotteries, slots, horse racing, sports betting and table games. The laity and clergy are also urged to continue to voice public opposition to gambling in both Maryland and Delaware and to implore both legislatures to revisit these issues in an effort to seek alternative funding methods that would not create the economic, social and criminal problems associated with gambling.

Be it further resolved that our local churches continue to support and pray for those individuals who are suffering from gambling addiction or problem gambling and that we seek to utilize existing resources to help those hurt by gambling, including the Individuals and their families. Some resources include organizations, such as, the Delaware Council on Gambling Problems, the Maryland Council on Problem Gambling, and Gamblers Anonymous. Churches should provide their members information about the U.M. statements on gambling in our *Book of Discipline* and *Book of Resolution*. Churches are also encouraged to seek ways to witness to our world that God's love and grace are sufficient to deliver us from the sin and brokenness that manifests itself through gambling and gambling addiction.

Adult Retreat Center Resolution

WHEREAS the 2005 Special Session of the Peninsula Delaware Annual Conference overwhelmingly approved its support to build an adult retreat center on the Camp Pecometh property, and

WHEREAS the 2005 resolution required \$1,000,000 in commitments AND ALSO \$400,000 in gifts in hand prior to commencement of construction, and

WHEREAS nearly 600 donors have committed over \$1,200,000 toward the approved campaign goal of \$2,153,000. and over \$640,000 in gifts are in hand, and

WHEREAS the net proceeds of **\$3,367,000** from the sale of Drayton Manor, combined with the capital campaign results, to-date, total over \$4,500,000, and

WHEREAS although the project cost has increased since the 2005 approval, there is a viable funding plan to achieve its completion, and

WHEREAS the benefits of commencing construction and the costs of delaying such action present compelling reasons to move forward,

NOW THEREFORE BE IT RESOLVED that the Board of Stewards for Camping & Retreat Ministries or its successor body

be authorized to proceed with the construction of the adult retreat center at Camp Pecometh as soon as construction permits have been obtained, and furthermore

be authorized to obtain bridge financing and to convert the remaining debt into a mortgage when construction is completed, using the Camp Pecometh property as collateral in both instances, and furthermore

be strongly encouraged, in consultation with the Conference Trustees and the Conference Council on Finance & Administration, to pursue sub-dividing the Pecometh property to reduce the total amount of land offered as collateral; nevertheless this shall not be a pre-requisite to proceeding, and furthermore

be authorized to increase its capital campaign goal from \$2,153,000 to \$2,653,000.

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned. (We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

- (8) Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
 - 1) a copy of the deed for the property;
 - 2) specific directions for locating the property from a major highway;
 - 3) an 8" x 10" photograph of the church building.
- (9) The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared Abandoned.
- (10) Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it Abandoned without further consultation.

COVENANT – Individual and Team

- (1) I will respect each person's right to privacy when we have discussions in the Team meetings and will keep information confidential.
- (2) I will respect each person, on and off the team, believing that each is a child of God, with gifts and talents which I respect.
- (3) I will listen carefully to my Team members, clergy and lay, with whom I may be in conversation while carrying out the ministry of this team, giving my full attention.
- (4) I will participate actively in the conversations and sharing of information in the Team meetings.
- (5) I will share honestly and as openly as I am able.
- (6) I will plan to attend all meetings and understand that if I miss more than one meeting a year without notification, I may be replaced as a member of this team.
- (7) I am on a journey of faith and will respect the opinions and interpretations and beliefs of each person, asking that mine be respected as well.

TEAM COVENANT

We believe (common assumptions and Core Values)

- that every meeting needs to begin with prayer and devotions and end with prayer;

- that every person deserves respect, therefore: we will not gossip, we will maintain confidentiality, we will refrain from arguing;
- that we need to be attentive: we will turn off cell phones, we will make sure none of us are monopolizing the conversation, we will remember this ministry is not about us, but the Body of Christ; and at the close of our meetings, we will recap/reflect our understanding of things discussed.
- that we need to be prepared for meetings: chairpersons are expected to have an agenda, the person assigned by chair will prepare a devotional to begin time together, keeping it simple and short, but meaningful;
- that we need to follow through and follow up (passing along information in a timely manner);
- that each voice is important: we will speak up and share at meetings;
- in being realistic in evaluating our progress;
- that attendance and communication are key;
- in diversity and the rich gifts of all people;
- that we must seek out the persons that have been unseen and previously unknown, but who are essential to working as a healthy Body of Christ;
- that the process and work of the team is important and that developing relationships with the local church is essential to accomplishing our work effectively.

We will assess our process and performance in the fulfillment of the covenant by answering the following questions prior to each Annual Conference.

1. How have we accomplished the goals set forth by the Covenant?
2. How have we built relationships? How have we made an impact? What are the signs?
3. How have we followed up and followed through?
4. How have we faithfully attended meetings?
5. How have we shared our work/recommendations with Bishop, Cabinet and Annual Conference leadership and received feedback and input; and how have we partnered with the local churches and other ministries?

Committee on Native American Ministries

Mission: The mission of CONAM is to serve God, the Creator, while being a resource, advocate, and educational body for Native American Ministries within the Peninsula-Delaware Annual Conference of The United Methodist Church.

Section 1: Review of 2008 Goals

To participate in training events for clergy in the annual conference on how to relate to Native American issues and ministry. We have provided an active Native American presence at Nurturing Wholeness in Community retreats in the Conference. Participated in meeting with two new pastors going into our two Native American churches.

To offer classes/courses for lay persons through district leadership programs such as Lay Academies regarding Native American Issues and ministry. We continue to offer our resources for lay academies and other awareness and training events.

To provide speakers for Native American Ministries Sunday in particular and for Native American cultural awareness events in general. To work toward ensuring the best use of our speakers and their effective impact on local churches/communities. This is ongoing and a major goal of our committee. We are working to deploy our speakers in such a way that they have a positive impact on local churches and communities.

To continue to develop and strengthen partnerships between the two Native American Churches, Indian Mission UMC, Immanuel Union UMC and other congregations in the conference. Our committee invites the two pastors from our Native American churches to be a part of our CONAM. Relationship with other congregations is strengthened when committee members are invited to share in a Native American Ministry Sunday or other cultural awareness event.

To expand the ministry of CONAM into other areas of the Peninsula-Delaware Conference area. CONAM continues to conduct programs in a variety of settings such as schools, universities, civic organizations, camps, scouting events, historical societies, libraries, Native American cultural events such as pow wows and festivals.

To continue to promote the celebration of Native American Ministries Sunday. This is a major goal of CONAM. We are making available to the local congregations ways, resources, speakers so they can conduct a special service for this special offering Sunday.

To provide financial support for persons to attend Native American Family Camp, Flying With Eagles, youth leadership training and other leadership opportunities. This is a major goal of CONAM and is ongoing.

To continue prison and military card ministry. Ministry for Native American persons incarcerated in West Virginia prison that we visited in 2007. Cards to support recovering American soldiers at Walter Reed Army Medical Center.

To continue to seek to identify other American Indian tribal peoples living within the boundaries of our annual conference. This is a major goal of CONAM. Many peoples have been identified through contacts with congregations as well as other speaking venues. We shall continue to encourage District Superintendents to follow paragraph 654, page 458 of The Book of Discipline where at charge conference a person will be named as representative to CONAM. Once representatives are made known, CONAM will have a training session in each district to inform representatives of responsibilities, bring awareness of CONAM and begin our relationship and partnership.

Section 2: Significant Events 2008

CONAM committee has supported and participated in the following events: Our members serve on many boards, teams, agencies and task forces within our annual conference and beyond.

NURTURING WHOLENESS IN COMMUNITY: CONAM members have assumed leadership positions at these retreat experiences. Sharing history of Native people within the church. Bringing awareness of ongoing historical grief experienced by many Native peoples as a result of continued racism, stereotyping, and depiction of Native people in unflattering ways, such as mascots and dehumanizing cartoons. We have expressed many ways in which racial division can be reconciled and how inclusiveness can lead to healing.

NDN STIX CHIX: Ministry, under the direction of Ragghi Calentine and Boe Harris, are performing a much needed ministry to youth and adults. Section 3: Goals for 2009

CONAM shall continue to make our voices and presence known within our conference and beyond, being a pathway to awareness and education. We shall continue to bring awareness of Indian mascots and how they continue racism and the cycle of historical trauma and grief and how that affects reconciliation and healing process of our Native people.

CONAM wishes to thank all those that have invited us to be a part of their gatherings or events and look towards many more invitations. We appreciate all of the financial support that our churches have given us.

Neighborhood House, Inc

With God's love from within, Neighborhood House provides services and programs that educate, enlighten and empower people and the community.

Neighborhood House, Inc. is a social service agency with locations in Wilmington and Middletown, Delaware, founded by the Methodist Women's Home Missionary Society in 1927. The agency has continued to provide a vital ministry for the residents in and around the South Wilmington community and the Middletown-Odessa-Townsend community – over 50% are low to moderate income and/or single parent households throughout New Castle County.

Neighborhood House operates on a foundation of Christian principles pursuing two primary purposes:

- To assist and guide people with finding their own paths of awareness, self-sufficiency, productivity, hopefulness and success; and
- To provide leadership, support, and advocacy for a comprehensive approach to community, economic, and leadership development.

Better housing, family unity, education, counseling, recreation, neighborhood development and racial and cultural understanding, as well as spiritual and emotional enrichment are important aspects of programs and services that meet the various needs of the people we serve.

Because of the current economic conditions, we have seen and continue to see an increase of families in need of help from our food closet, financial/housing counseling programs. We also are seeing non-traditional faces seeking assistance – those who have lost their jobs as well as those with good paying jobs but just can't make ends meet because of the rising cost of food, gas, electric and rent. We are unable to accommodate all the households requesting mortgage default and financial counseling or the households requesting assistance with food.

2008 Highlights of Programs Addressing Healthy Church Initiative Pathways

Eliminate poverty in community with the poor –

Housing Counseling – Neighborhood House served 578 households in 2008, including 195 pre-purchase program participants – 20 of whom purchased a home. We served 260 people in our Mortgage Default Counseling.

On March 31, 2009, Neighborhood House received the Home Free USA (an intermediary of the U. S. Department of Housing and Urban Development) President's award for outstanding achievement for mortgage default counseling for the entire East Coast.

In addition, we served 250 households through our Weatherization program – providing energy and safety improvements, maintenance, and fuel assistance for low-income families. This is a state-wide program – Neighborhood House is the coordinator for all of New Castle County.

Family Services/Crisis Relief -- served 856 households (approximately 2,568 individuals) in 2008 with food, clothing and utility assistance as well as 373 holiday baskets and 161 adopt-a-families at Christmas.

Reach and transform the lives of the new generation of children --

Neighborhood House served 350 children and youth ages 5 to 17 during 2008 through a variety of programs during the school year and in the summer.

Children between kindergarten and second grade are walked to the local Southbridge school by Neighborhood House staff in the morning and from school in the afternoon. All day care is also provided on school holidays and vacations.

The State has renewed the license for this program and approved an increase in the number of children Neighborhood House may serve through this program. We are now permitted to serve an additional 37 children bringing the total to 56.

Extended Hours -- This is an evening program providing a safe haven to youth ages 13 to 17 to engage in constructive activities such as open recreation, computer time, line dancing; Double Dutch and workshops on personal hygiene, STD, college preparation, prevention and intervention issues. The program operates from 6 to 8 p.m. on Mondays, Tuesdays and Thursdays and from 5 to 9 p.m. on Fridays during the fall, winter and spring seasons.

Homework Help -- This program targets youth ages 13 to 17. Homework resources and assistance are available from 3 to 6 p.m., Monday thru Friday.

Street Lights -- Neighborhood House sponsors teams for area youth in seasonal sports such as flag football, basketball and track.

Summer Enrichment Camp -- Provides recreational, educational and cultural enrichment programming for area youth between the ages of six and twelve. Before and after care is also provided for working parents.

DISCIPLE MAKING MINISTRIES

SPIRITUAL FORMATION & DISCIPLESIP TEAM

The Spiritual Formation & Discipleship Team has gotten "geared up" and is now ready to begin to "Reach In" to find and nourish the rich resources that are so much a part of our Conference.

The Discipleship and Christian Education Task Force is being headed up by Reverend Pat Loughlin and they are busy working on networking Christian Educators and planning a workshop for the fall.

The Small Groups Task Force is being chaired by Reverend Drew Christian who is working on networking churches with small group ministries and planning for a fall workshop.

The Spiritual Formation Task Force held two very successful Monastic Day Aparts in 2008 and is planning two more for 2009. We are also planning another prayer retreat for the fall and a workshop. We are hoping to become more connected to the Spiritual Formation ministries that are being held throughout the Conference so that we can be supportive and offer resources where we can.

We are providing a Prayer Room for Annual Conference and recruited prayer warriors to be present to pray for the work of the Conference as well as individuals and prayer requests.

Our most exciting project has been Reaching In to collect Witness Stories of Conference members and publish them as a way of recognizing the ways that Spiritual Formation has been evidenced in the life of our Conference and the individuals who comprise our identity.

REVIEW OF 2008 GOALS

- Enter the Public Phase of the *Tradition & Transformation* Capital Campaign

The Capital Campaign entered the public phase in 2008, with three banquets and the following results:

- o The Wilmington banquet was held in April at the Chase Center on the Riverfront. It served 400 persons and raised over \$203,000.
- o Two banquets were held in October at the Dover Sheraton. They served 500 persons and raised over \$160,000, despite the immense economic uncertainty at the time.

The Public Phase continues in 2009 with banquets in Easton on September 12, Salisbury on November 13 and Ocean City on November 15, respectively.

- **Create a staff alumni association and Friends of Pecometh associates program**

The Camp Pecometh Staff Alumni Association (CPSAA) was created to facilitate ongoing connections between Pecometh and its former summer staff. The CPSAA kicked off its inaugural year by raising over \$7,000 toward the re-decking of the Wally Smith Pier. When combined with funds raised at a previous Alumni reunion, the CPSAA was able to fund the entire \$16,100 cost of the pier renovation. In addition, the CPSAA held an Alumni Picnic in June with the intention of the picnic becoming an annual tradition. The 2009 picnic is scheduled for July 18.

The Friends of Pecometh associates program was started as a way to recognize those who contribute \$300 or more in a year to Pecometh. The highlight of the year was the inaugural Friends of Pecometh dinner, which took place on Pecometh Day. Nearly 50 persons attended and were thanked with a lovely dinner, special gift and an update from the Pecometh Staff. As of this writing, there are 314 Friends of Pecometh.

- **Develop a donor base of 150 persons/organizations with \$45,000 in contributions.**

Pecometh's donor base has grown to 734 donors as of the end of 2008, of which, 432 have given to the Capital Campaign. Total giving, excluding the Capital Campaign, was \$61,812, as follows:

o Camperships	\$15,963
o Annual Appeal	\$10,828
o Alumni Giving	\$15,330
o Capital Improvements (existing facilities)	\$13,591
o Endowment Funds	\$6,100

Growing the donor base is a key element in Pecometh's strategic plan. Viable and effective ministries can no longer depend on institutional support. It is important for Pecometh to continue to cultivate support among those who have a passion for our mission of God-inspiring, life-changing experiences.

Pecometh granted over \$25,348 in camperships to 167 campers in 2008, demonstrating that strong donor support makes it possible for many children and youth to come to camp, regardless of financial means.

- **Register 1550 campers in the Pecometh Summer Camp Program**

Pecometh registered 1749 campers in 2008, which represents a 22.2% increase over 2007. Of the total, 1480 were overnight campers, a modest 3.4% increase. The new Day Camp program registered an additional 269 campers constituting the bulk of the increase in registrations for 2008. This is an indication of the need for day programs for families who may not want to send their children away for overnight stays.

- **Create an "Ambassador" program to increase summer camp registrations**

Pecometh trained 20 persons as Pecometh Ambassadors in 2008. These persons were equipped to promote summer camp in their own church or in churches in their community. This effort had a positive impact on camper registrations, as noted above.

CAMPING AND RETREAT MINISTRIES

The Mission of Camping and Retreat Ministries is *to provide hospitality and programming that promote God-inspired, life-changing experiences.* While we realize that it is God who touches hearts and changes lives, our unique settings provide places where persons may be more open to these possibilities. We are committed to serving as a resource to the ministry of the Peninsula-Delaware Conference and its churches.

The summer camp remains the centerpiece of this ministry. We continued the practice of giving every camper a special edition copy of the Camp Pecometh Bible, produced especially for Pecometh by the American Bible Society. Summer camp not only promotes spiritual growth and personal responsibility, it provides a safe haven for children and youth from the many challenges that young people today face. One youth, who received a campership, put it this way:

I just wanted to say thanks so much for helping me pay for going to camp. It was the best two weeks of my life. And I'm not even kidding. I think Camp Pecometh would have to be the best camp ever...I learned about God, Jesus and excepting (sic) others more. Camp Pecometh has changed my life. I don't know what I'd do if I didn't go there. I feel like I'm a different person in a way. The counselors are great, the food is good. And the songs that we sing during music time are the best. I love being there. It makes me feel like I'm in another world. You don't have to worry about anything when you are there.

We are grateful for the ongoing support provided by the Peninsula Delaware Conference, its churches and their members to make these experiences possible for young people.

The *Tradition & Transformation* Capital Campaign continues to make progress with both the Leadership and Public Phases on track to reach their goals of \$1,000,000 and \$700,000, respectively. The Furnishings Phase will begin in late 2009 or early 2010 with a goal of \$500,000. Zoning and permitting work continues and the target for groundbreaking is summer 2009 with opening of the adult retreat center in spring 2010.

Even without adult facilities, Pecometh's retreat ministry served 193 groups totaling 7,209 guests in 2008 in church, school, family and community groups. In addition, our outdoor programs ministry served 52 challenge groups with 1517 participants, 23 hayride groups, 9 splashdown groups and 12 canoeing groups.

A highlight of the year remains Pecometh Day, which is the 4th Saturday in April. The 2nd Annual Pecometh Day in 2008 raised over \$8,200 for camperships and capital improvements to existing facilities. Pecometh Day includes Open House tours, hayrides, food, music, kids' carnival, silent auction and, the showcase of the day, a live quilt auction.

Camping & Retreat Ministries continues its objective of reducing the amount of annual conference support required to support operations. In 2009, support will remain at \$138,950. This represents 12.4% of the 1,122,851 budget. This compares to \$170,062 in 1999, which was 20.0% of the \$848,709 budget.

Camping & Retreat Ministries would also like to thank the Council on Finance & Administration, which provided a grant of \$24,000 in 2008 for capital expenses. CF&A approved a capital grant of \$33,000 in 2009.

Thanks to the team of Ann Ashe, Dave Buchanan, Richelle Darrell, James Green, Julie Lutz, and Ken Whaley for their continued outstanding leadership at Pecometh.

UPDATED STATEMENT OF GOALS FOR 2009

- Break ground on the Pecometh Adult Retreat Center.
- Register 1600 campers in the Pecometh Summer Camp Program.
- Develop a donor base of 1000 persons/organizations with \$60,000 in contributions to the annual fund, camperships and capital projects (excluding the capital campaign).

STATEMENT OF GOALS FOR 2010

- Open the Pecometh Adult Retreat Center.

- Register 1600 campers in the Pecometh Summer Camp Program.
- Develop a donor base of 1200 persons/organizations with \$75,000 in contributions to the annual fund, camperships and capital projects (excluding the capital campaign).

Interfaith Resource Center

The Mission Statement: Interfaith Resource Center strives to encourage and equip the faith communities of Delaware and on Maryland's Eastern Shore by providing support and resources, so that all may study the scriptures, share the faith, serve others, promote interfaith understanding and praise God.

For over 40 years, the Interfaith Resource Center (IRC) has provided an economically-sound vehicle for educational and worship support throughout the conference. Now, more than ever, the IRC is the sensible alternative for all churches prayerfully considering how they use their financial resources as well as their commitment to ecological stewardship. Libraries simply make good stewardship sense. Many of the finest and most current resources are available through the Interfaith Resource Center's substantial collection, available to browse online and order using the electronic shopping cart feature. Requests are answered within 24 hours and frequently mailed within the week—sooner if needed quickly. One yearly membership fee (only \$30 for our smallest churches) provides custom tailored consultations, unlimited borrowing from our 7500 item collection, and no additional charges for postage and handling. Over 50% of our member congregations fall into our smallest membership category. Our commitment to those churches is long-standing and gratifying.

Bringing quality programs to the region is a strategy that has satisfied our educational commitment while helping to raise much-needed additional funds. In 2008, the Interfaith Resource Center hosted the Rev. Dr. Tom Long, named one of the top ten preachers in the church today at Aldersgate UMC. In April 2009, the Center will be providing a series of lectures on biblical literacy by the Rev. Dr. Donald Griggs, respected author and Christian educator, at Aldersgate and Wesley UMC Dover. This is an exciting opportunity to collaborate with the Peninsula Delaware Conference on an event that has been endorsed by the Vision Team and Spiritual Formation/Discipleship Team and offers venues both in New Castle and Kent Counties. In addition to these high-profile speakers, the IRC Director offered its annual VBS workshops in conjunction with Madeline Beall of Cokesbury.

Our satellite program with Wyoming UMC is operating successfully and we have an initial inquiry into adding Epworth UMC Rehoboth to the system. Dedicated volunteer trainees are vital to the success of the program and its growth will be dependant on the availability of those volunteers. We continue to invite other churches to prayerfully consider this commitment as a way to share more resources throughout the conference.

The Interfaith Resource Center board and staff remain committed to effective ministry, relying very heavily on volunteer staff. Currently we have nine volunteers from a wide range of faith communities including the following Methodist volunteers: Bob Lathem of Mount Lebanon UMC who performs routine library tasks; the Rev. Mary Browne of the Charlestown Charge who serves as our volunteer bookkeeper; and our IRC board members, the Rev. Patti Collett of Wyoming UMC, the Rev. Ted Day of Ebenezer UMC and Dr. Dave Verma of Dover: Wesley UMC. Their help and expertise are invaluable and they demonstrate the commitment to the thriving partnership that the Peninsula/Delaware Conference shares with Interfaith Resource Center.

Peter D. Weaver Congo Partnership Team

July 1, 2008 marked the beginning of the Philadelphia Area Congo Partnership Team with the vision of the Peninsula-Delaware Conference and Eastern Pennsylvania Conference working together to provide an even greater resource for our Congo partners in mission and ministry. Jonathan Baker was asked by Bishop Matthews to chair the newly formed Area Partnership.

This new partnership builds upon the incredible foundation built by Donald Hamilton and persons who have been part of the partnership since its inception and we are indebted to them for their service. Thanks be to God!

Another change in the Partnership occurred through the assignment of Bishop Peggy Johnson as the new Bishop for the Philadelphia Area. In October, 2008, the newly formed team met with Bishop Yemba from the Democratic Republic of the Congo and Bishop Peggy Johnson to craft a new Partnership Agreement with several continued projects and several additional priorities.

The new agreement is as follows:

The Partnership Agreement

The Partnership is a vision of both the Central Congo Episcopal Area and the Peninsula-Delaware Conference. Our new Partnership brings renewal and restoration of spiritual and material ministries for the whole Church and especially its children. The church of Christ has been given the commission to be a sign of hope in a world that is perishing, a sign that the dominion of division, destitution, despair and death is being overcome through the love of God that is poured out in our hearts and made manifest by our deeds. Through this partnership we have the opportunity to give dramatic testimony to the unity of the body of Christ, to the mutuality of love and to the promise of life that overcomes death.

The Partnership Agreement is renewed to accomplish the following:

- Help to establish a Conference Resource Center, which shall empower and enable the Central Congo Conferences, pastors and local churches to be more effective in ministering to their people.
- Help to develop a reliable and effective communications system for the Conference Resource Center to satellite offices of the Annual Conferences.
- Help develop youth and young adult partnerships between the two conferences.
- The Partnership will continue its support of the Mpsa Nutrition and Medical Center.
- The Partnership will support a scholarship established at Africa University for Congolese. The Partnership has fully funded two scholarships
- The Partnership will endeavor to increase its monetary support minimum of \$60,000 annually.
- Partnership will assist in the restoration of Wembo Nyama giving priority to providing solar power for the University, Hospital, and Church.
- Partnership will develop an agriculture component with the Congo providing staff support for Bishop Yemba to secure someone who could facilitate this emphasis in the Congo.

Originally signed on June 9, 2006 by Bishop David K Yemba Central Congo Episcopal Area and Bishop Marcus Matthews during the Peninsula-Delaware Annual Conference, it was then taken to Kinshasa in July 2007 where the two bishops signed the agreement during the West Congo Annual Conference.

The Partnership was reaffirmed and expanded by the Partnership Team, Bishop David Yemba and Bishop Peggy Johnson on October 21, 2008.

In recognition of Bishop Yemba's vast responsibilities, the Partnership is working to fund a Coordinator of Mission Activity for the Congo Episcopal Office. This person will be accountable to Bishop Yemba and provide coordination for our Partnership and other partners in mission with the Congo. This will also enhance our ability to better communicate with our local churches and build significant relationships between the churches in our conferences and the Congo conferences.

A consultation of partners in mission with the Congo was held in North Carolina and was first time various partners came together with Bishop Yemba to better coordinate our efforts. These partners included the Western N.C. Conference, Peninsula-Delaware and Eastern Pennsylvania Conferences, General Board of Global Ministries, U.M. Foundation, Tennessee Conference, and Western New York Conference. New and exciting collaboration has occurred that we believe will greatly impact our work with the Congo.

Several teams are currently being organized to assist our work in the Congo. In July 2009 we expect to send an Assessment Team of experts in construction, communication, agriculture, and health care to work with a similar team of experts in the Congo to assess the various projects and bring recommendations for specific ways we can work together for the future. Smaller teams will be sent in the future in an effort to recognize the logistical challenge of our Congolese sisters and brothers to accommodate larger teams. Teams under consideration for 2009 and 2010 are: Agricultural Team, Medical Team, and Construction Team.

It is important to our Partnership to communicate the various mission opportunities with the local churches of our conferences. Working in collaboration with all our mission partners, new written and media resources are being developed so local churches can have a better understanding and connection to our Congo churches and projects. A new WEB site has been launched with photos and videos and we are working on ways to directly communicate with the Congo through the internet and WEB Cam. Funding of our projects is critical to the success of our projects and we believe these communication tools will help churches create interest and passion for our mission in the Congo.

We are all indebted to the hard work of the Congo Partnership Team and the support of the churches of our Conference through financial gifts and prayer. Bishop Johnson and the Cabinets have been very supportive and are looking at ways each district can be involved in specific projects of the Partnership enabling churches to work together. This is a day of new beginnings in many ways for us so we covet your prayers.

Volunteer in Mission (VIM)

"Volunteer in Mission" is the name we give to the vital ministry of mission trips that travel locally, nationally, and internationally to serve Christ in a variety of ways, including ministries of construction, medicine, and Christian education. One of the most effective ways of encountering Christ and glorifying God in service is through VIM experiences.

This has been a year of change for Volunteer in Mission. We give thanks for the ministry of Reverend and Mrs. Donald and Mildred Hamilton, who served as VIM Coordinators for eight years concluding in June 2008.

Almost all of the committee members were new to the Conference committee this year. Our committee members are Sheryl Allston, Harold Caswell, Kim Daniels, Victoria Foraker, Gil Hoffman, William F. Jones, Penny MacLennan, Linda Mitchell, Jackie Onwu, Rev. Luis Almandoz, Rev. T David Hackett, Rev. David Heistand, Rev. Karin G. Tunnell, Rev. Amy Yarnall (chair). We are grateful to the Rev. Sandra L. Steiner Ball for her service as "Conference Staff." Thanks be to God for each one.

Our overarching goal this year has been to connect with and support local churches in Volunteer in Mission Training. On October 4, 2008 Greg Forrester, the Northeast Jurisdiction VIM Coordinator came to Wesley College to lead **VIM Team Leader Training**. We encouraged anyone with an interest in VIM to participate. We are grateful to God for the 38 people who received this training. Greg will be offering this training again on **October 10, 2009 at the Conference Leadership Training Event**. Please mark your calendars and invite anyone with an interest in Volunteers in Mission. Regardless of whether a person feels called to participate as a team, member, or become a team leader, this training will be a blessing and is tremendously useful.

We have also worked to provide communication of VIM Trips that are happening around the Conference. We think we may be aware of 25%-50% of the VIM ministry that is actually happening. **If there is VIM ministry happening in your church, please ensure that these servants are connected with the Conference VIM Committee** so that we can support, celebrate, equip, and encourage others to join any open teams.

Please contact Rev. Amy Yarnall at pastoramy@gmail.com 410-885-5641, our secretary Linda Mitchell at Lrm1163@hotmail.com 410-310-4705, or any member of the VIM Committee. We also report team activity to the Conference and the Jurisdiction, which ultimately goes to the General Board of Global Ministries. This data impacts budgeting at a national level, so if providing additional support for VIM is close to your heart, know that filling out annual reports is important.

Thanks to these churches that reported VIM teams to us this year: Felton-Viola, Stanton: St. Marks, Easton: St. Marks, Galena: Olivet, Wilmington: Mount Lebanon, Salisbury: Nelson Memorial, Wilmington: Aldersgate, Georgetown: Wesley, Camden: Whatcoat, Bear: Red Lion, Kent Island, Millington, Hopewell, Hockessin, and Chesapeake City. Thanks also to Millsboro: Bethany, and Wilmington: Salem for reporting on their missions. Other missions shared through this VIM report were forwarded to the Christian Service Team to be added to the survey data there.

We tallied a total of 19 construction teams and 1 medical team, comprising 176 team members working 113 days on projects, expending a total of \$92,183. Six teams were international and 13 traveled nationally.

To keep abreast of VIM News and opportunities, **please also join our email listserve by sending an email to VIMNews-subscribe@pecometh.org** (Thanks to Rev. Jack Shitama, Director of Camping and Retreat Ministries, for providing this service.) By sending an email to this address, you will receive updates from the Conference and the Jurisdiction about VIM opportunities and news.

Also, there is a regularly updated listing of VIM opportunities on the Conference web site www.pen-del.org and click on the VIM icon on the home page. If you would like to list an upcoming VIM trip to be advertised around the conference for participants, please contact us and we will gratefully add it to the list.

In addition, there is a national VIM web site for your use. Check out www.umvim.info to find out about trips that are happening nationally and internationally that are open for people to join, as well as find sites to travel to for VIM teams that are forming. If you would like personal assistance connecting with a VIM site, please connect with a VIM Conference Committee member and we will be glad to serve.

As we begin a new Conference year, we look forward to seeing God continue to work powerfully through Volunteers in Mission. If we can be of any support or help to you, please be in touch. It is our reason for serving. We look forward to growing in grace together.

EVANGELISM & OUTREACH

2008 was an exciting year for our committee. It was determined to have separate teams on each district and God surely had his hand in the process as one by one spirit filled brothers and sisters were raised up to serve. Each team is led by individuals with a passion for evangelism and a willingness to serve God.

We ran commercials on radio stations throughout the conference before Christmas inviting listeners to their local United Methodist Churches. We are again running radio ads for two weeks prior to Easter on even more stations than we did during Christmas. We are using an ad generated by Igniting Ministries for the Easter campaign which will allow us to receive back half of our expenses for this effort. We believe that a massive advertising campaign of radio ads, billboard ads, signage along major highways in the conference and newspaper articles/ads will have a major impact on the attendance in our churches.

We will continue this effort as long as our funds hold out. Since 2008 is our first year, I believe our funding was such as to see what kind of effort we would put forth. I can tell you that the results that our churches in the conference will see in attendance is directly tied to the amount of money we have to invest in the effort.

We have also started a program called the Back Pack Ministry. Many children in our local elementary schools have a meal during school time, but have little if anything to eat on the weekends. Our churches working with the Crisis Coordinators in the schools to supply some food packed in the Back Packs for "At Risk" children to have something to eat over the weekends. We also write a note explaining what church supplied the food and inviting them to come visit the church. This is a great ministry and we hope to have it up and running in more of our churches in 2009.

The four teams are also carrying an evangelistic message to all the churches in the Conference and doing an "Altar Call" with a healing service at the conclusion of every service. Our goal is to not only get an unsaved brother or sister off the street an opportunity to accept Jesus as their Lord and Savior, but also someone who has been sitting in the pews for years and never made that commitment. Please pray for each of the team members as they work in the fields to bring in the harvest. We also plan to have community revivals in all four districts as well as revivals in our churches.

On September 18th and 19th Dr. Robert Coleman, author of The Master Plan of Evangelism, and nationally known Evangelist Steve Wingfield will be coming to Delaware to help us put on a two day seminar on Evangelism Today. Friday's session will be held at Aldersgate UMC in Wilmington and Saturday's session will be in the Dover area. The Evangelism and Outreach Committee considers our Conference extremely blessed to have these mighty men of God willing to come here and help us promote our evangelism efforts.

Health Ministries is a component of Evangelism and Outreach. They are sponsoring the John Wesley 5K Run/Walk in May of 2009. We will be giving out info on John Wesley and the United Methodist Church along with a Bible for every participant.

LEADERSHIP DEVELOPMENT RESOURCE TEAM

The Leadership Development Resource Team was created in 2000 with the following groups in membership: the Commission on Archives and History; the Board of Ordained Ministry; the Episcopacy Committee; the Wesley College Board of Trustees; Board of Lay Ministries; the Wesley Foundations of the University of Delaware, Delaware State University, Salisbury University, and the University of Maryland Eastern Shore; the Council on Youth Ministries; and the Howard Bailey Life Enrichment Program. Archives and History has since been redefined as an administrative body, and therefore is no longer part of the Team.

Although each of the groups which make up the Leadership Development Resource Team is involved in important and vital ministries, the groups have often struggled to find a compelling vision for a shared ministry. As a result, the groups have varied widely in the degree to which they have participated in Team meetings. During 2008 Team members spent two extended sessions with an outside consultant seeking to define a vision and mission. The sessions were well attended, but the results did not move the Team any closer to identifying a purpose.

As the Team reflected on its work, it became obvious that since its inception the Team has expended most of its time and energy doing the work of a Board of Higher Education and Ministry, as defined in the Discipline. Team members were in agreement that supporting and strengthening the campus ministry programs within the bounds of the conference should be a high priority, but felt that this could better be accomplished through a board organized around that specific mandate.

At its meeting on March 2, 2009, the Team voted to recommend to the Vision Team that the Leadership Development Resource Team be dissolved and that a conference Board of Higher Education be organized to take its place. The Vision Team accepted this recommendation.

CARE Team

Since the creation and passing of the Safe Sanctuary Policy at our 2008 annual conference, the CARE team has held training workshops on all four of the districts in our annual conference. Most workshops had well over 100 lay and clergy folks in attendance and the response of churches has been very positive.

The CARE team and conference also sponsored a training workshop in December led by Joy Melton, the author of *"Safe Sanctuaries, Reducing the Risk of Abuse in the Church for Children and Youth"*. The event was sold out which is further acknowledgement that the Peninsula-Delaware Conference is becoming a leader in the General Church on this critical issue.

The CARE team continues to be open to guiding churches as they implement the safe sanctuary guidelines. Keeping the children and youth, entrusted to our care, SAFE is our conferences number ONE priority. Each year, the CARE team will continue to hold one all day workshop regarding "Sexual Ethics/Boundary Issues". These workshops, though required for clergy, are always open to laity and we encourage members of SPRC's and members of trustee committees to attend from each church as well.

Wesley College

Wesley College is a liberal arts college related to The United Methodist Church through the Peninsula-Delaware Conference. Its commitment to the Conference's mission statement comes through this relationship. The College fulfills this commitment through:

- Hospitality;
- The Christian Community;
- The Campus Community – service;
- The Campus Community – relationship and service;
- Church, Community and Global Relations

Hospitality

1. Continue to provide a strong ministry of hospitality to international students, unchurched students and visitors to the College, including Boys and Girls Club members.

Wesley continues to provide an educational opportunity for students from abroad. The College works closely with these students through government paperwork, travel and educational compatibility issues. The International House provides a place where our international students can come together over common issues and concerns as well as simply for companionship. There are Wesley staff who are tasked with guiding these students through their Wesley experience. The College welcomed students and faculty from Hachinohe Institute of Technology and Miyagi University for the opportunity to learn English as a second language and a chance to experience local and regional culture. Hachinohe sponsored fifty-three Japanese students, four professors and their tour guide for the English as a Second Language Institute at Wesley College the week of June 16 – 20, 2008. We have also signed an agreement with Yangtze University in China. Chayawan Sonchaeng joined the Wesley College community on June 9, 2008 as the Director of English as a Second Language Program. Ms. Sonchaeng will work directly with Dr. Cooper, the Director of Global Initiatives, on the existing ESL initiatives, and will seek to broaden its outreach.

Wesley endeavors to make all of our students welcome whatever their religious convictions. Our conviction is that the mandatory religion requirement provides the opportunity for all of our students to develop insights into a religious national culture that is religiously very diverse. Our visitors are made to feel at home. Tours for our prospective students have been a great asset. Students' testimony is that they feel that they can be part of a community that will welcome them as they are and provide them the opportunity to grow through their educational experience. There is now a new Dean of Students, Mary-Alice Ozechoski who has brought in three new staff members. Student Life has made strides to help students acclimate to a new situation, to learn responsibility and to help them get off to a good start in the classroom.

The Boys and Girls Club and Wesley College have gone our separate ways as of this writing.

2. Continue to provide a strong ministry of hospitality to all students through the College's quality, values based education.

There are many indications of Wesley's emphasis on quality. For the fifth consecutive year, Wesley College has earned a "Top Tier" ranking in the *U.S. News and World Report* category best "Baccalaureate Colleges (North)," retaining its "Tier 1" ranking of last year. The region covers a 10-state area. Overall enrollment, including graduate and undergraduate, has topped 1700 students for the fourth consecutive year. The quality of a Wesley education for our nurses was boosted by two federal grants, thanks to Delaware's congressional delegation. The awards consist of a \$46,252 grant to support Advanced Education Nursing Traineeship and \$160,496 to support the building of a new nursing facility.

Wesley College continues to meet stringent standards of quality in education. The Peer Tutoring and the Writing Center Tutoring Programs both received full certification from the International College and Learning Center Association. Wesley's Teacher Education Unit, consisting of the PE K-12 and Education programs had a 100% pass rate on PRAXIS I and PRAXIS II for the previous year's graduates of our programs. This is the first year that Wesley has been able to rank at the top among the four institutions of higher education in PRAXIS pass rates. Our departmental policies now assure that every graduate is both certifiable and designated "highly qualified" upon program completion. As further confirmation, three recent graduates from the Wesley College education unit were selected by their schools in the Smyrna School District as Teacher of the Year. They are: Amy Jagielski, a 2003 education graduate, selected as Teacher of the Year at Smyrna Middle School; Courtney Markiewicz, another 2003 education graduate, selected as Teacher of the Year at Smyrna High School; and Lauren Shanklin (Decker) a 2002 Physical Education graduate, selected as Teacher of the Year at Clayton Elementary School.

Our students not only get a chance to share their talents and learning on Founder's Day but they get to share and learn in broader arenas. Dr. Alban Urbanas, Professor of Philosophy and French, took his honors course to the Human Action and the Natural World conference held at Franklin and Marshall College. Junior Kevin Shuman presented his chemistry research in Washington, D.C. The research was completed under the direction of Dr. Malcolm J. D'Souza, Professor of Chemistry, at Wesley College, with Senior Arnold Omondi, a member of Grace Church in Wilmington, as project collaborator and co-author. Dr. Mika Shipley, Assistant Professor of English, had her Technical Writing class working on a 180-page government document.

The Christian Community

3. Provide religious programming as meets the needs of a diverse population of young adults.

The Fellowship of Christian Athletes has been an invaluable ministry to our athletes and their coaches. The Regional Director of the FCA in this region, Randy Chambers, has an excellent working relationship with our Chaplain. Chaplain Pruett-Barnett has offered a weekly chapel service entitled Wednesday Worship @ Wesley since his coming to the College in January of 2004. In order to engage more of the College community in this worship experience, he has shifted to a monthly service organized around a particular event in the spring semester of 2009. As of this writing, the Chaplain will be meeting with members of the Wesley community to work on different ways of worship for the College.

4. Reach student populations through non-traditional means.

The Chaplain will be working with Student Life and with the Conference's Director of Young Adult ministries for the best approaches to take with a generation used to fast-changing communication technologies.

5. Continue to expand and develop opportunities for Christian service.

The Chaplain will be working with the Conference VIM team to have a service trip involving the College community.

The College Community – Service

6. Actively pursue opportunities for whole campus support in serving the community.

For the first time in at least five years, the College participated in the CROP walk which supports Church World Service's fight against hunger. The coordinator for the College was the Chaplain. The final tally for Wesley College's contribution to the CROP walk against hunger was \$325, which was excellent for the first time out.

The Hope Closet has been meeting the increasing challenge of dispensing needed items to more and more people having a difficult time in a difficult economy. The College has not only been staffing the Closet in the academic year but it has begun to help the church keep up with the demand.

Relay for Life this year was sponsored by Alpha Phi Omega, the College's service fraternity, with help from numerous student organizations. This year's Relay focused on breast cancer and guests from the American Cancer Society reminded students frequently at the event to get tested. Over 15 teams participated for 10 hours of walking. In total, over \$3,400 was raised through group and individual donations.

Christine McDermott, Assistant Director, Department of Academic Support, coordinated Wesley College's sponsorship for the 5th year of a Spirit Station for the 2008 March for Babies sponsored by the March of Dimes on April 26. Aramark Dining Services from Wesley provided water, juice and snacks at the Spirit Station (checkpoint) for the Kent County March of Dimes March for Babies. The March of

Dimes' mission is to improve the health of babies by preventing birth defects, premature birth, and infant mortality.

7. Integrate more service learning into the classroom with more service learning courses.

The Chaplain's trip to Birmingham still provides an immediate opportunity to link service and learning at this time.

8. Expand opportunities for service beyond the local area through service trips and study-abroad opportunities, such as those sponsored by The United Methodist Church.

The Volunteer in Mission trip mentioned above in #5 is an excellent way to move beyond the local area.

The College Community – Leadership

9. Develop relationships built on trust through fellowship opportunities, quality residential life programs, student clubs and sports teams.

Student Life provides a whole spectrum of groups and activities for students. Athletics has a range of team sports and we will continue to develop our intramural sports program. The Underground has been redone. The Woods Lobby, with Java City at hand, has become a spontaneous gathering place.

10. Equip students for leadership in church and society through leadership opportunities in ministries, clubs, sports and student government.

Relationships of trust will be the basis for learning to lead. The variety of groups and activities provide the situations in which leadership skills can be developed. Student Life's leadership training will provide the educational background for effective leadership.

11. Mentor students in value-oriented leadership and Christian principles of governance.

Mentoring currently comes through faculty mentoring for Scholar's Day and for presentations off-campus; through mentoring from the Student Life and dormitory staff; and from coaches and athlete leaders. We need to note once again that head football coach Mike Drass was named ACFC Coach of the Year.

Church, Community and Global Relations

- Chaplain Pruett-Barnett continues to co-ordinate the Wesley/Palmer Lay Training program that offers courses for Peninsula-Delaware Annual Conference laity. This program is moving closer to being offered for Certified Lay Minister training.
- Wesley maintains relationships with Barratt's Chapel and Camp Pecometh. We are happy to be hosting once again the School of Christian Mission in July of this year.
- The Chaplain serves on a number of Conference committees and boards.
- Wesley has been represented in local Churches. President Johnston had the opportunity to preach at Wesley United Methodist Church in Dover. Chaplain Pruett-Barnett had the opportunity to preach in one of the Conference's local churches as well as Hope Church for the Homecoming service. The Wesley College Chamber Choir sang at Wesley United Methodist Church in Dover.
- The College partnered with Dover in the beginning of its First Friday program.
- Dr. Jill Cole, Associate Professor of Education, and Professor Leah Lembo, Visiting Professor of Education, traveled to Trinidad and Tobago in July to work with the Ministry of Education in providing professional development for their teachers.

- Dr. Kathleen Jacobs was reappointed by the Governor of Delaware to serve as a Commissioner on the Delaware Commission for Women for another three-year term.
- The English as A Second Language program had a successful training of Hispanics in the Milford area.
- Professor Jonathan Emmons got Wesley's Harlaxton venture in England off to a successful start with the class he taught. This is a good start for other learning opportunities coordinated by the College's Global Initiatives Committee.
- Mary-Alice Ozechoski, the Dean of Students, trains faculty, staff and Para-professionals across the country regarding Millennials and their parents. Her work gives them the opportunity to think about creating a campus that is emphatic and appropriately supportive of these unique students and their families.

Wesley Foundation Campus Ministry Salisbury University

The Wesley Foundation at Salisbury University is a Christian fellowship through which students can explore their faith in an environment that is respectful of their questions while positively presenting the message and person of Jesus Christ. We recognize how crucial it is for students to have an opportunity to be spiritually connected at an important transitional and formative stage of life. We also stress the importance of community in supporting that spiritual connection.

Wesley Foundation at Salisbury University continues to experience significant growth in student membership. The enrollment stands at 167 students who are learning to be committed to living out the Great Commission that Jesus commanded in Matthew 28:19-20 and they are receptive to what it means to leave home and bring Christ to college with them. As an opening Bible Study, the Campus Minister taught the students from an article that was written by Shani K. Collins, a community college instructor featured in "*Precious Times*" magazine titled, "*Taking Christ to College.*"

Students are continually accepting Jesus Christ as their Savior. During the Fall 2008 and currently, students are participating in the Wesley Foundation Christian Fellowship's weekly Bible Study- "Real Talk", weekly meetings, and other activities and events being offered on the campus, and by the local church. Attendance at Sunday Morning Worship services is always contingent upon academic studies, class schedules, involvement in other organizations, activities on campus, and visiting with family on the weekends. A biblical resource was purchased this semester titled, "Know Your Bible." This was given to them as a help-mate when they are reading and researching scripture. Another resource that will be purchased is titled, "*FOCUS, Living the Lord's Prayer*" by Rev. Tyrone Gordon, Pastor of St. Luke "Community" United Methodist Church in Dallas, Texas. The latter resource will be taught as a future Bible Study. Additionally, Bibles were given to those who did not have access to a Bible for Weekly Bible Study, and personal devotion time.

Student officers and others have been faithful in meeting the requirements of the Student Government Association (SGA), and attending all SGA meetings as well. The Wesley Foundation at Salisbury University continues to hold their recognition as one of the top 25 out of 130 clubs on campus.

There were many other significant events and accomplishments during Fall 2008 and into 2009 semesters. As you are aware sheep beget sheep and "word of mouth" has been one of the most favorable expressions of recruitment for this particular organization. At any given Weekly Bible Study, five or six new students attend. One of the most amazing efforts of the students is that they have formed and implemented a student choir and have requested at least two Sundays per month to sing and conduct worship in the local church. Students continue to participate in an outreach/evangelism ministry through the recruitment of other students as the semester progresses. As a part of an outreach effort, students agreed to serve with Salisbury Urban Ministries this past February to assist in The Great Thanksgiving with the homeless. The Campus Minister/Executive Director along with students traveled to Ocean City, Maryland, and held the annual 2008 Fall Retreat. The well-qualified, dynamic motivational speaker, Rev. Dr. Harold D. Lewis, Sr., pastor of Lincoln Park United Methodist Church, Washington, DC was engaged to provide leadership development, and educate students on what a spiritual life entails during the college life experience. The students were eternally grateful to Dr. Lewis for presenting the workshop entitled, "Single, Saved and Sex Free." Students also had the opportunity to interact with each other during the Friday evening worship and presentation. They were encouraged by Dr. Lewis to use their special gifts to enhance spiritual growth with their colleagues. Students were also given the opportunity to bring as many other students to the weekly meeting and Bible Study as possible in order to receive a prize of \$25.00 for the person who brought the most students, and a Valentine Day Teddy Bear was given to the person who had the next largest number of students. In October 2008, students participated in a church clean-up day hosted by the local church and supervised by the Chairperson of Trustees. It was a huge success. Fourteen students participated and gave great care to the duties they were asked to perform. One of the highlights of the Spring Semester 2009 is that Bishop Peggy Johnson was invited to attend the weekly meeting and Bible Study. The students received her remarks with gratitude.

Students and Campus Minister/Executive Director continue to participate in the on-campus Fall and Spring Student Activities Fair. At the Spring 2009 Student Activities Fair, 25 additional students were recruited for Wesley Foundation. Students continue to participate in a campus-wide event called the "Big Event," and "Fun Day." Wesley Foundation has been successful and stable in securing a larger meeting space with state of the art technology that is conducive to teaching Bible Study, hosting workshops,

and seminars. "Friday Night Live" was held again in October 2008 and was a huge success with over 200 students and community members attending.

The goals for 2009 are as follows: To register at least 50 additional students during the fall 2009 Student Activities Fair. The Fall Semester is the best time for recruiting because of the incoming Freshmen Class; To continue to focus and provide outreach ministry to the homeless, in conjunction with Salisbury Urban Ministries. To provide assistance for nursing home residents, and any catastrophic occurrence in the Fall and Spring 2009-2010; To continue to provide transportation to and from Morning Worship Services at the local church where the Campus Minister/Executive Director serves; To send at least 2 students to Shreveport, Louisiana for the Student Movement Conference; To engage a young pastor in attending the Weekly meeting and Bible Study to serve as a workshop presenter. Students will continue to attend and participate in off-campus worship services in order to enhance their spiritual growth; students will be attending a 2009 Fall Retreat. The place and date is to be announced. To continue to plan along with 5 (five) other campuses a one day retreat that which will be a part of the Wesley Foundation contribution to the Healthy Church Initiative-- building community and strengthening the connection within the body of Christ; To continue to provide spiritual resources each semester for the students in order to educate them biblically; To continue to provide at least one on-campus worship service which will identify a speaker that can relate to student spiritual needs; To attend at least one or two events sponsored by another campus ministry in the Peninsula-Delaware Conference; To continue to participate in campus projects that relate to effective ministry, i.e., distribution of necessities for Christian Shelters and other projects as the need arises; To secure a speaker at least once a semester to attend and present at the weekly meeting; To provide the opportunity for students to engage in an ecumenical activity i.e., "Friday Night Live" where the campus and outside community are asked to attend and share their spiritual gifts; Campus Minister/Executive will continue to peruse information for students to attend a campus ministry conference once a year or every two years, (funding will be contingent upon the number of students attending and location of the conference); To identify person(s) that will complete the Wesley Foundation brochure and official website; To identify person(s) who feel they are being called by God to ordained ministry; Students will continue to attend the annual joint church cookout; Plans are being made to identify a person from the Annual Conference to conduct a "Gifts Assessment" workshop with the students of Wesley Foundation; To discuss and implement at least one fund raiser for Wesley Foundation; identify and provide campus ministry leadership and other pertinent training that will assist Campus Minister/Executive Director in effective campus ministry leadership; To provide the opportunity for the Board of Directors to meet other members of campus ministry boards, Fall 2009.

Additionally, the continued main goal of Wesley Foundation is to promote and establish the spiritual development of students as they maintain a relationship with our Lord and Savior Jesus Christ. Among other things, students are expected to engage in an intensified effective prayer life-- understanding that faith is essential on the Christian journey, and even more imperative as they live on the campus pursuing a college education. Further, Wesley Foundation will continue to witness and spread the Gospel of Jesus Christ on and off the campus. Wesley Foundation at Salisbury University strives to be an inclusive and diverse church family, providing an atmosphere where students can engage in "Real Talk."

The Wesley Foundation adopted scripture is:

1Peter 3:13-15; 17: Now, who will harm you if you are eager to do Good? But even if you suffer for doing what is right, God will reward you for it. So don't worry or be afraid of their threats.....Remember it is better to suffer for doing good, if that is what God wants, than to suffer for doing wrong!

Mission Statement

The Wesley Foundation Campus Ministry of the University of Delaware, a mission realized through the love and grace of Jesus Christ, provides a program focusing on the spiritual, service, stewardship and social aspects of a Christ-centered life. In these times of challenge, questioning and growth, this ministry, guided by the Holy Spirit, provides a vital United Methodist presence at the University of Delaware. This ministry affirms the unconditional love of God and God's presence within us and among us as we live, work, and journey together in that love.

Section 1: Review of Goals for 2008

1. Increase visibility of the Wesley Foundation Campus Ministry on the U.D. campus.
Over the summer, the Executive Director attended most of the "Delaworld" freshman days in order to represent all protestant groups, but most of all the Wesley Foundation. This was a great opportunity to meet freshmen with their parents before all of the craziness begins when they move in. We had a great Ice Cream Social on Labor Day to kick off the year where we fed over 100 students and shared with them the different opportunities of Wesley Foundation. We also gathered emails on that day to use for communication throughout the year, which has served us well. We continue to participate in the Student Activities Night in order to recruit even more freshmen that might not have met us over ice cream the previous night. We have added many social events this year that are always open to the campus as "alcohol alternative" events including: hayride and bonfire, bowling, and End of Semester movie night.
2. Increase awareness of the Wesley Foundation Campus ministry with the churches of the Peninsula-Delaware Conference through newsletters, articles in conference Communicator, and promotional displays and presence at Annual Conference.
Wesley Foundation of UD also had a display at Annual Conference with signs, photos of students in all types of activities, a light up mug to attract attention, candy, temporary tattoos with our logo on them, and most of all, the big Cross that we used on our mission trip in New Orleans, LA. All of the candy disappeared, so I hope that means that a lot of people stopped by to check out the display.
We continue to send out quarterly letters to the churches in the Wilmington District churches. Due to time restraints with the part time position, and other priorities, we have not availed ourselves of the conference Communicator as we had hoped.
3. Assist in the transition from High School to College life by informing High School seniors and their youth directors of our ministry at the University of Delaware by having a presence at the Conference Youth rally.
In 2008, Wesley Foundation of UD was at the Youth rally, along with the Wesley Foundation of Salisbury University. We shared a booth in order to promote the Wesley Foundations to the High School students in attendance at the rally, and had a flyer in the leader packets in order to promote Wesley Foundations to the adult leaders and Youth Director/Pastors. We also attended the workshop that was for graduating seniors in order to promote the Wesley Foundations within that setting to our particular audience. UD students: Josh, Levin, and Morgan, came to talk to youth and answer questions because "talking to actual college students is more fun than talking to an adult." We were able to collect some prospective names and email addresses in order to make contacts prior to the student coming to campus.
4. Continue to provide mission opportunities for students both locally and nationally, and internationally.
In 2008 we continued some traditions in our mission efforts. We went to New Orleans for the third year in a row, this time with 17 students and 4 leaders. We hung drywall in both of the locations where we served. One team walked into a house with no walls, and walked out at the end of the week with all the walls done. It gave such an amazing sense of accomplishment. Locally, we continue to clean up a section of road near the UD Campus, participate in the Blood Drive,

and Relay for Life. We still look to the future in terms of an international mission opportunity.

5. Continue to provide meaningful Bible Study opportunities for the students to explore and engage the word of God.

In the spring semester of 2008, we averaged around 12 students in Bible Study on either Wednesday or Thursday night. In the fall, with the new freshmen arriving, we were up to an average of 20 students in Bible Study on either Wednesday or Thursday night. We continue to study the Gospel of Mark. Who knew that the shortest Gospel could take almost 2 years to study? Even though Mark moves at a pretty quick pace, "Immediately..." we decided to take our time and really dive into each of the stories and try to bring new life into stories that we may have heard before but never really took the time to discuss.

6. Continue to provide a safe place where all students are welcome to share their faith journey with one another.

The Wesley Foundation of UD continues to grow in its diversity. We have students from all walks of life, from a range of socio-economic levels, varying family backgrounds, racial/ethnic background, political views, fields of study, theological views, worship style preferences, etc. and yet we all come together as Children of God. There are even two Jewish students, who attend our Bible Study on Mark. One out of curiosity and to be with her friends and one for the same reasons but also seems to be searching for something greater. My prayer is that we continue to be a warm and welcoming place to these students, and that the Holy Spirit moves in their lives.

I am proud of the fact that who we are, and who finds us continues to grow and expand. So, no matter who you are, you will find someone to agree with you, and someone to debate with all in the same group. That kind of diversity reminds me of any church congregation. We may not agree on some things, but we all agree that we are Children of God longing to grow in our faith, love, and service of Jesus Christ.

7. Expand the Wesley Foundation Campus Ministry to provide a group for those in post graduate studies.

The population with which to build such a group did not quite meet our expectations. The Executive Director continues to keep in contact with Wesley Foundation students in graduate studies, but an actual group has not yet been formed.

8. Expand the Board of Directors to include more pastors from the Peninsula-Delaware Conference, parents of students of the University of Delaware, and staff of the University of Delaware in order to increase varying viewpoints and to better delegate the responsibilities of fundraising and overseeing the ministry of the Wesley Foundation.

We have been in dialogue with a few pastors from the Wilmington District and continue to build relationships with the clergy in the area. We have also been in dialogue with some area parents of students and staff of the University. We hope that these will come to fruition in 2009.

9. Provide a conference-wide campus ministry retreat with the cooperation of the other Wesley Foundation Campus Ministries of the conference.

We are still in the planning stages with the Wesley Foundation at Salisbury University. We have found great difficulty in aligning the schedules of our two campuses. These students are very busy, not just with school work, but with * jobs, extracurricular activities, family obligations, etc. We continue to look for a good date for the students to come together.

10. Review past goals and create a short term and long term vision for Wesley Foundation Campus Ministry with the help of outside facilitator.

The Wesley Foundation Board of Directors met with an outside consultant and began to develop some short term, and long term goals for the ministry. With the help of Mary Bird, we were able to focus on our fundraising efforts as a board and our recruiting efforts for future board members.

Section 2: Highlights of Events, Accomplishments, and Challenges

A wise golf player once told me that it's not your tee shot that is the most important thing, it's your second shot that makes the most difference. I began my second year as Executive Director. What a difference this year has been.

We continue to grow with each entering class of freshmen. As most people in age level ministry know, when there is a change in leadership the group tends to grow from the bottom up. So, now we have on average 20 in Bible study as opposed to the 5 students that attended in 2007. We continue our study of Mark reading and discussing the different attitudes toward Jesus from the crowd vs. the Pharisees vs. the Disciples vs. Romans, and looking into what it means to read these stories as believers. We ended the year in the midst of Holy Week. Jesus enters triumphantly into Jerusalem with the crowd on his side. How does the crowd affect us as believers? Will we falter in our faith, will we turn our backs? These are questions that continue to bring this old story of our Savior to new life in each of us. It is a glorious thing to witness passionate people question and discuss the word of God, and to see how their faith is informed and increased from week to week. In the fall semester of 2008, I was unable to do both Wednesday and Thursday night Bible Studies due to a schedule conflict with my Newark U.M.C. responsibilities. Ms. Becky Bird, a member of the Wesley Foundation Board of Directors and former leader in her college ministry while in undergraduate studies at George Washington University, stepped in and brought a great spirit with her to the Wednesday night class. It is a blessing for the students to know that someone will volunteer to spend time with them, and not just the paid professional.

Our fellowship time on Sunday after the 11:00 services continues to grow. We have wonderful "Breakfast Angels" who provide amazing baked goods and homemade deliciousness for us each week. During the fall semester, prior to the election, we decided to discuss/debate, the different platform issues of the election. How does our faith inform what we believe on these important issues? We chose: taxes, environment, life issues (beginnings and endings), and foreign affairs. It was great to hear the passionate arguments, and see how the different presenters researched the topics and the Bible to see how they went together (or didn't). It is great to know that a group of fellow Christians can come together as a group and be on either side of "the fence" and still walk out in love.

Our student led social events were increased this year. Our Social Chair, Laura, has done some great things to allow us to be with each other and have fun! The students went bowling, had a hay ride and bonfire, watched movies at the student center, had ½ price nachos at a restaurant, and went ice skating. We also had an "Election Returns" party at the Executive Director's house where we watched as polls were giving reports and a winner was announced. Again, there were some that were happy, and some who were not, but regardless there was good food and friends. We even had a cake with "God Bless America" on it.

Some other new faces were introduced during our Spring Break Mission Trip to New Orleans, Don and Phyllis Muyskens. These two wonderful people are like universal grandparents. Don is the kind of man who can build and/or fix just about anything, and loves to show people how to do it. Phyllis is a great encourager and comforter. They added a whole new level of spirit, strength, and meaning to the mission trip in 2008. We were once again in New Orleans with a group of 21 people. We were divided up into two teams who each hung an immeasurable amount of drywall. We got to stay at Jefferson UMC in Harahan, LA, just outside of New Orleans. We got the opportunity to worship with that congregation and see how the Holy Spirit continues to live and move in Louisiana. We worked hard, and we also got the opportunity to enjoy the culture of New Orleans as well. We attended a Switchfoot concert (Christian crossover band) at the House of Blues, spent some time in the French Quarter, and took some Zydeco dance lessons, and a minor league baseball game. We also got to share in some very meaningful nightly worship services: nailing our sins and concerns to the cross, journaling prayers for those close to us and far away, and sharing in communion on the last night. God was definitely on the move during this week of work, play, and worship. Our plan is to go to Tennessee next year with Mountain TOP. This decision was made in order to avoid needing to fly to our destination.

As a Board of Directors, we have seen some new energy come in with a couple new members. We were also blessed to work with Ms. Mary Bird, a Board Developer and Professional Fundraiser, who donated her time with us. Our fundraising efforts have produced better fruit in 2008, which has given us hope to think of new possibilities for our future as a ministry. We continue to think of new ways to share with the Conference who we are as a ministry, and what it takes to do what we do in a medium sized campus setting. We also know that due to the current financial situation in the Conference that we will need to increase our own fundraising efforts in order to be less

reliant on Conference funding. Therefore, we continue to think of new ways to raise funds that do not rely solely on the support of the congregation of Newark United Methodist Church, who continue to be our greatest supporters. Without NUMC's willingness to share personnel, space, energy, and financial support, we would not be able to function at the level of ministry that we are currently able to provide.

Things continue to grow and increase in so many ways. Our future as a ministry to share the love of God through Jesus Christ guided by the Holy Spirit continues to look bright in spite of some hard economic times ahead. God is with us and continues to bless us each and every day.

We hope that you will continue to pray for our students as they learn and grow in knowledge and understanding of who they are, and who they are called to be as Disciples of Christ. We hope that you will continue to pray for our faculty and staff as they share the knowledge and understanding that they have received, and willingly share with the next generation. We hope that you will pray for our Board as they seek to do God's will on the campus of the University of Delaware encouraging people in their faith journey closer to Christ. We hope that you will also pray for those students who have yet to join us, whether they be incoming freshmen, students who have wandered from their faith, or students who may hear of Jesus for the first time. Pray that these find the Wesley Foundation of the University of Delaware as welcoming, loving, encouraging, forgiving, and a place to belong as a believer in Jesus Christ.

Section 3 Goals for 2009:

Youth Ministry

The Conference Council on Youth Ministries (CCYM) has been hard at work expanding its efforts to help support the work of youth ministries throughout the annual conference and increase the spiritual growth of the students and churches in our communities.

- Youth Rally:
 - The 2009 "The Missing Peace" Youth Rally, held January 9-11, was a huge success. Despite worries regarding the economy over 4,100 participated in the event. The youth rally truly offered something for everyone. The speakers and bands that were featured represented a broad spectrum of ethnic diversity and musical style. A highlight was the Africa University Choir who served as worship leaders throughout the weekend. Saturday afternoon seminars, a youth preaching competition, a wonderful prayer room, evening group devotions, and an exhibit hall filled with fun activities and resources for youth ministries rounded out the days. An offering of over \$7,300 was collected and split between an Africa University scholarship fund and the Youth Service Fund.
- Confirmation Celebration:
 - The 2009 Confirmation Celebration was held at Cornerstone United Methodist Church in Bear, Delaware on March 7. Bishop Peggy Johnson was the featured speaker, worship was led by Adam Swiger and Caleb Lovely, and a unique game show was enjoyed by all of the participants.
- Missions:
 - The Youth Service Fund distributed approximately \$4,500 in grants to seven ministries. These ministries included two mission trips, the Signs and Wonders Camp for the deaf and hard of hearing at Camp Pecometh, a nursing home ministry sponsored by teenagers, and more.
 - Mission Possible, a week-long summer mission camp was held at Meredith Middle School in Middletown, Delaware July 27-August 2, 2008. Students from all over the conference served together on eight work teams, sponsored by local churches, to spread God's love through their service to those in need. Mission Possible is a low cost, close to home, mission opportunity that gives local churches easy access to a student mission trip. Mission Possible 2009 will be held at Red Lion Christian Academy in Bear, Delaware July 19-25, 2009.
- Leadership Development:
 - TILT: The (incredible) Leadership Thing was held on October 11, 2008 at Whatcoat United Methodist Church in Dover, Delaware. Students and adults participated in workshops covering a variety of topics including evangelism, worship, spiritual gifts, drama, youth ministry finances, discipleship and more. The success of this event and many other training events throughout the annual conference are the inspiration for a new training event, sponsored by the Vision Team, that will combine the training efforts of many conference teams and agencies. This event will be held in Milton, Delaware on October 10, 2009.
 - The CCYM has elected officers for its 2009-2010 term. LaTasha Gibbs and Andrew Whitehead will serve as co-chairs, Caitlin Smith will be

secretary, and a chaplain will be elected at the first meeting of the new term.

Young Adult Ministry

- "Journey through Young Adult Ministry," a young adult ministry resource guide was published in early 2009 and sent to every church in the conference. This booklet is packed with information and recommendations for young adult ministries.
- Elevate, a young adult ministry training event, will be held in Pittsburgh, PA on July 10-12, 2009. Several people from the Peninsula-Delaware Conference will be participating. The event is sponsored by the Northeastern Jurisdiction of the United Methodist Church through a grant from the Vision Table.
- A new jurisdictional young adult ministry team was formed at the Northeastern Jurisdictional Conference in July, 2008. Jera Lammy and I will be representing the Peninsula-Delaware Conference on that team, which will have its first meeting on July 10, 2009.

Other Areas of Ministry

- Young People's Ministries sponsored a NEEDTOBREATHE concert at a Delmarva Shorebirds game on August 29, 2008. The concert was an opportunity for churches to sponsor an event for all ages and to expose other fans at the game to the ministries of the United Methodist Church.
- Summer Young People's Ministry Interns. Two interns were hired for the summer of 2008. These interns worked extensively on Mission Possible, worked at Annual Conference, did most of the research for the recently published young adult ministry resource, and much more. Two interns will be hired for the summer of 2009 with the hopes of expanding the program in 2010 by partnering with local churches to place interns in congregations around the annual conference.
- I continue to make myself available to local churches to assist in the areas of youth and young adult ministry. Many churches have taken advantage of this opportunity by consulting with me to assist with hiring youth ministers, training student and adult leaders, and helping churches implement Safe Sanctuaries policies.

Board of Ordained Ministry

The ministry of the Board of Ordained Ministry builds on one basic premise:

**The pastor determines, more than any other factor,
whether a local church is healthy and thrives or declines.**

The Board of Ordained Ministry believes it is in the best position to address the significant issues of effective clergy leadership in our Annual Conference. By Discipline, the Board of Ordained Ministry has the following responsibilities within our Annual Conference:

- 1) "...the enlistment and recruitment of ordained clergy..."
- 2) "...to examine all applicants as to their fitness for the ordained ministry..."
- 3) "...to interview applicants and make recommendations concerning changes..." in a pastor's effective relation to the Annual Conference.
- 4) "to provide support services for the ordained minister's career development...continuing education, formation in servant leadership and continuing spiritual growth in Christ..."
- 5) "to provide a means of evaluating the effectiveness of ordained ministers..."

- 6) to train and monitor candidacy mentors, clergy mentors, and local pastor mentors.
- 7) To train District Committees on Ministry.
- 8) "to interpret the high ethical standards of ordained ministry..."
- 9) To develop and implement a comprehensive training and support program for provisional candidates.
- 10) "to administer the Ministerial Education Fund for...scholarships for seminary students preparing for ordination."

These responsibilities of the Board of Ordained Ministry have been addressed in the ongoing ministry of the Board. I believe we have an outstanding leadership team in place, along with a passionate desire to develop outstanding clergy that will lead to fulfilling the vision of the Healthy Church Initiative.

John F. Mitchell
Chair

Philadelphia Area Committee on Episcopacy

The Philadelphia Area Committee on Episcopacy consists of members from the Peninsula-Delaware Conference and the Eastern Pennsylvania Conference elected quadrennially by each Annual Conference at the session following the General Conference. We meet several times during the year with Bishop Peggy Johnson.

The functions of the Committee are:

- a) to support the Bishop of this episcopal area in the oversight of the spiritual and temporal affairs of the Church;
- b) to be available to the Bishop for counsel;
- c) to assist in the determination of the episcopal needs of the area; and
- d) to make recommendations to appropriate bodies.

In order to provide Bishop Johnson the most effective use of her time, our meetings are structured so that each Annual Conference has significant time with Bishop Johnson as well as meeting with her as an Area Committee. This affords the Bishop the opportunity to address issues pertinent to each Annual Conference as well as those relating to the entire Episcopal area. This has proven to be very helpful to both committee members and Bishop Johnson.

In addition to ongoing support and accountability for Bishop Johnson, we have been asked by the Bishop and her Coach to give her feed back in areas her coach has requested as well as others areas.

Our Area Committee continues to serve Bishop Peggy Johnson in consultation about the most effective way to staff our Area Episcopal office. While staffing for this office is at the discretion of the presiding bishop, Bishop Johnson asked us to continue to research this issue. The Philadelphia Area Committee on Episcopacy highly recommends the continued employment of an Assistant to the Bishop in order to support the Bishop in doing research, monitoring and facilitating the important work relating to clergy in partnership with the Boards of Ordained Ministry, and helping represent the Bishop at functions she is unable to attend because of other commitments. This position is critical in assuring the Bishop the opportunity to provide the spiritual leadership important to our area. While this position continues to be half time, the increased administrative demands on the Episcopal office will require serious consideration to increasing the time given by the Assistant. If we expect our Bishop to lead, we must provide the necessary funding support to enable this increase in administrative support. It was decided that the best course of action at this time, if funding is available, is to create a part-time position entitled Ecumenical Officer. The Ecumenical Officer shall represent the Area Episcopal Office in responsible participation in specified ecumenical meeting, ecclesiastical gatherings and educational opportunities as well as other inter-religious events.

The Area Committee continues to:

- keep the Bishop advised concerning conditions within the area as they affect relationships between the Bishop and the people of the conference agencies;
- interpret to the people of the area and to conference agencies the nature and functions of the Episcopal office;
- engage in annual consultation and appraisal of the balance of the Bishop's relationships and responsibilities to the area, our Annual Conferences, the Jurisdiction, General Church boards and agencies, and other areas of specialized ministries, including, at all levels, concern for the inclusiveness of the Church and its ministry with respect to sex, race, and national origin, and understanding and implementation of the consultation process in appointment-making;

We achieve this through our regular meetings with the Bishop, a yearly performance evaluation of the Bishop in cooperation with the Jurisdictional Committee on Episcopacy through the duly elected conference members of that committee.

We are grateful for the financial support of our Conferences which provides for the Assistant to the Bishop enabling Bishop Johnson to give leadership to the almost 1000 churches in our area as well as to his important work in the General Church.

Howard Bailey Life Enrichment Program

Gearing Up – Reaching In – Reaching Out – Living It

As this ministry continues along the pathway God has given to us we are humbled by the enormity of the vision. Part of the enabling process includes the involvement of many persons, young and old alike. The directives given to the founders are to be live out by sharing the *Good News of Jesus Christ* in the following venues:

- > Rites of Passage Programs for Children
- > Cultural Awareness/Clearification Seminars
- > Motivational Seminars
- > Development of Programs, resources, etc. for African American Churches
- > Distribution of Afro-Centric Resources
- > Life Enrichment Seminars for Adults

This year we find ourselves in need of replenishing the tree from which our strength is drawn. It is our hope that God will touch everyone's spirit in this endeavor. I believe this possible because the continuation of this journey is so great that it will need the involvement of each of you to insure its success.

The history of a people, lived with a realized presence of God, is still important to us. Keeping a vigilant eye on the present is still important to us. Making the teachings of

our omnipresent, loving, and involved God is important to us. Accessing the libraries of the elders is still important to us. All of these areas represent opportunities for God's unending love to be offered and a sense of the reshaping hands of the potter to be experienced in the lives of those the program touches.

United Methodist Men

Your God, My God is awesome in all his glory.

In the Book of Acts, Chapter 16: 16-40 speaks about his Divine Intervention, the Holy Spirit, Faith, the Word of Prayer and Song.

There was a young slave girl that had a spirit of divination, a gift she used inappropriately. According to the authorities God, through his disciples Paul and Silas, gave her a new and clean spirit. The consequence for breaking one of man's laws was imprisonment. Paul and Silas were stripped of their clothing, flogged and thrown into prison without a trial. Although they were severely beaten and battered by their captives and no doubt their ego bruised, Paul and Silas prayed and sang to the Living God. Around midnight Paul and Silas began praying and singing hymns to God with the other prisoners listening. Suddenly there was an earthquake so violent that the foundation of the prison was shaken and immediately all doors opened and everyone's chains were unfastened setting the prisoners free. There could be no doubt God's presence was with them and the Holy Spirit was felt by them all. When the jailer woke up, he found the doors open. Thinking that all of the prisoners had escaped, he was about to kill himself. But Paul assured him that all of the prisoners were still there and he fell trembling before Paul and Silas asking what he must do to be saved. The simple answer, repent and believe in God and not only you but your entire family will be saved. It is about the transformation of the good news, the good things we do through Jesus Christ and vice versa but remember through him all things are possible. We are men that strive together to do good work through evangelism, ministry and mission. It is our hope that through good work those that receive the gifts of love can see God through us.

The Executive Board of the United Methodist Men and men's groups chartered or non-chartered on the Peninsula-Delaware Conference discharges the many missions and ministries to include evangelism in accordance with the established constitution of the UM Men, the General Commission of UM-MEN, the church and the Peninsula-Delaware Conference.

There are many challenges that we would like to undertake to keep our legacy burning brightly so that others may see God through us.

Such as:

1. Nothing But Nets

2. John Wesley Award
3. Strength for Services
4. Rescue Mission
5. Habitat for Humanity
6. Establish prayer on the conference.

The Vision

The United Methodist Men shall grow stronger on their daily walk with Christ through prayer as they become more active in leadership roles in the local church, communities and their families.

The Purpose

With this purpose the UM-Men and men's groups shall be creative, supportive in fellowship of men who seek to know Jesus Christ, to grow spiritually, and to seek His will daily. Our primary purpose is to declare the centrality of Christ in the lives of men and in all of their relationships.

The Mission:

1. to support individuals and group strategies through the foundation of UM-Men's ministries
2. to provide and support the services that promotes the ministries and grows the UM-Men
3. to provide resources that assists their growing relationship with the Lord Jesus Christ and His church

Goals 2009-2010

- To bring forth the tools to enhance the growth of men's legacy through ministry and mission, continue to encourage anyone and everyone that desires to be in council, meditation and prayer with God the Savior. Support the National Prayer Center Line at the Upper Room, Nashville TN.
- To promote strength for service to God and country, a daily devotional book for the military and other professional and public service workers
- To continue to support the John Wesley Fellow Award - this is recognition for someone who has given Christian leadership to the ministry of the United Methodist Church over an extended period of time. This award is not just for UM-Men
- To encourage more men to become EMS (evangelism, mission and spiritual life) – life builders help the church effectively minister to men through men

Charters are the tools that support the life for the United Methodist Men and men's groups that enable continued mission and ministry. Those tools mentioned above create funds for our existence.

- Strengthen our faith through mission ministry
- Continue groups and individual Bible studies
- Rekindle the prayer line contribution
- Increase the membership of EMS/Legacy builder and charters by 20%

Once again, I must acknowledge all of the district and local church presidents and other men and their families on the conference. I give thanks to God, our vice president, Alan Loomis, the members of Peninsula-Delaware Conference, the UMM executive board and all conference leaders. We are men committed to our God to the organization of UM-men, the Peninsula-Delaware Conference and the church, which is the body of Christ.

"The light shines in the darkness, but the darkness has not understood it."

Wesley Foundation Campus Ministry
University of Maryland Eastern Shore

I. Narrative Assessment

The list of the Wesley Foundation ongoing activities include weekly Bible study (on campus and at the local church), organizational discussions, other sessions for Christian education, worship, local and global outreach, counseling and nurture, winter retreat, leadership development opportunities, direct local church involvement, and participation in special campus events, such as Religious Emphasis Week and First Look Fair.

These ministries work well, considering that on campus there are a growing number of faith systems resulting in a growing number of spiritual choices for students to make, and where the administration's outlook is very ecumenical, but primarily Protestant Christianity. Wesley Foundation also is known as one of the more consistent and trustworthy religious groups because of its administration, professionally trained supervision and ministry involvement.

Even graduate students who remain in the area continue to be supportive; and students who have are seriously considering a call to ministry, but from another denominational background, come to enjoy and learn from our fellowship, activities and church support in order to remain strong in their calling.

We intend to continue and expand our current plan and to strengthen it with ways to increase our visibility and connection with other area United Methodist churches as well.

II. Strategic Plans, Goals and Events

We have found that using the Conference's Healthy Church Initiative focus in our administrative outlook helps in preparing students for more effective future leadership in the church, community and world. In fact, this perspective has helped the students and the members of the local church to see the Healthy Church Initiative at work in new and very practical ways. Our major activity components are:

- a) Weekly Bible study and organizational planning discussions, worship, Christian education, devotional letters and spiritual support via e-mail (*Healthy Church Initiative Pathway: #3, 4, 7, 8, 10, 11, 12.*)
- b) Local and Global Outreach, including continued co-sponsorship of an After-School Tutoring & Enrichment program; Harvest, Christmas and Easter parties for church and unchurched children in the community; regular donations to the local homeless shelter and family assistance agencies, Conference-approved global projects, and contributions to a Conference-wide project in collaboration with other Conference Wesley Foundations. (*Healthy Church Initiative Pathway: #1, 2, 3, 4, 6, 11, 12.*)
- c) Leadership Development, including a winter retreat sponsored by the National Impact, Inc., connectional involvement with Metropolitan UMC where students and other young adults from the community not only resource the local church and increase its vitality, but the church becomes a resource for training in church and community leadership, as well as spiritual development. (*Healthy Church Initiative Pathway: #1, 3, 4, 10, 11*)
- d) Religious Emphasis Week, including worship, open Bible study, evangelism and campus-wide seminar on spiritual development in young adults. (*Healthy Church Initiative Pathway: #2, 7, 8, 9.*)

- e) First Look Fair, sponsored by UMES, which provides the opportunity to do member recruitment and evangelism, as well as to distribute our new brochure, fact sheets, tracts, Bibles, bottled water, snacks, etc. (*Healthy Church Initiative Pathway: #2, 7, 9.*)

Wesley Foundation Campus Ministry Delaware State University

Looking back over this past year we once again give GOD glory for all that HE has done for us at Delaware State University (DSU). The most pressing problem faced by students at DSU and probably all universities at this present time was one of finance. No assessment of ministry on a university campus could avoid its impact. At Delaware State University students entered the new academic year to find a 'hold' on all financial decisions and for several days found the Financial Aid office closed. In short, student lending – which is what the majority of our students depend on to finance their education – suffered from the same economic disasters as the banks, mortgage companies and other financial institutions of this country. Since the majority of our students come from low income households many had to reduce their course loads and a few even dropped out to work full time.

Without the kinds of support offered by the Wesley Foundation and other campus ministries students who have been able to hang on financially would have little hope. We have been blessed by the revival of United Campus Ministries which was pushed aside and relegated to a 'student club' under the former administration, for out of this has grown a large student-led Sunday worship service with students of all denominations participating. The goal is one of cooperation by all active campus ministry groups. It is expected that the campus be covered by prayer and Bible study each day and all involved in the Sunday service.

In this way Campus Ministry sends a dynamic message to the students – "We are one in Christ" and they can depend on all of us for the love, nurturing, and spiritual guidance that GOD intends for us to show to everyone in order to enhance or make real the teachings of Christ.

Section 1.

The goals outlined for 2009-2010 are as follows:

- to increase participation in Wesley Foundation activities, particularly the United Methodist Student Movement
- to form covenant/prayer partnerships with students at Africa University
- to join with other campus ministry groups in ecumenical worship and Bible studies
- the revival of Spiritual Emphasis week celebration
- to participate in Homecoming and all campus-wide events
- to sponsor one mission project per year
- to continue our volunteer service with local homeless shelters.

Section 2

This year the most dramatic change – particularly in our numbers – was due to the economic situation in the country. As a group we lost 5 members. Three of the five dropped out to work full time in order to continue their programs next year. One got married and the other went to another school.

- Our focus for 2nd term became one of service. Many of the volunteer agencies can also become employment opportunities.
- We continue our service at Whatcoat shelter in the after-school program assisting the children with homework and dinner.

- We continue to participate in 'Homecoming' and all campus-wide events. Our students again have been featured in the Dover Post.
- We continue to fellowship with Africa University by text-messaging. It was great to have a face-to-face conversation with them at the Youth Conference.
- Our Peer Ministry is probably our strongest this year since they are now carrying on the Whatcoat ministry, recruitment and service. We have had incidents of high levels of depression, feelings of uselessness, and searching for answers that only God's word gave peace and a solution to.
- Plans for this year include a mission trip and participation in the United Methodist Student Movement event..

We will celebrate the accomplishments of 2 graduates this year. One of them has been with us for 5 years and the other 4 years. Both are females and both have represented us as Miss Wesley DSU and on the planning committee of the United Methodist Student Movement.

We glory in the fact that GOD is in control and He loves us dearly, promising never to leave us nor forsake us – that's powerful!!!

RESOURCE DEVELOPMENT & MANAGEMENT TEAM

With the beginning of a new quadrennium, the Resource Development & Management Team has been **"gearing up"** to discover and discern our purpose and responsibilities as reflected in the mission of the Peninsula-Delaware Conference:

- Equip persons to live out ministries in a local church, with a special emphasis on the stewardship of Conference resources; (Stewardship)
- To develop, supply and support leadership for mission and ministry; (Personnel) and,
- To support the personnel, equipment and operating expenses necessary to provide services to local churches, boards and agencies. (Finance & Property)

As we move forward under the banner of our Healthy Church Initiative in 2009-2010, caring for and nurturing others, the Resource Development & Management Team will **"reach in:"**

- To continue collaborative efforts with the Council on Finance and Administration and other boards and agencies to ensure effective stewardship of all resources;
- To enable local churches the opportunity to address issues of stewardship through district seminars;
- Explore the possibility of producing a consolidated manual of conference policies and procedures; and
- Continue to respond to requests received from other Conference committees.

Board of Pensions

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board also is represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and co-sponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board has three standing committees. The Insurance Committee, Financial Seminar Committee, and Pension Luncheon Committee meet on an as-needed basis while the Board of Pensions and the members on the Investment Committee meet at least 5 times a year.

The Board brought a resolution to the 2007 Annual Conference installing a new health insurance plan featuring a High Deductible Insurance Plan coupled with Health Savings Accounts or a Health Reimbursement Account. Since that plan became effective January 1, 2008, its effect on cost is only now beginning to manifest itself on a credible basis. It is anticipated, at the time of the writing of this report, that there will be a premium increase due to increased utilization resulting in higher claims. The Insurance Committee meets on a regular basis in an effort to stay abreast of the best ideas relating to providing good benefits at reasonable cost.

Accomplished Goals

1. A Retirement Luncheon provided a time of fellowship for all the retired clergy and retired lay Conference staff and honored new retirees.
2. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
3. A Past Service Rate for the Pre-82 Pension Plan for the year 2009 was increased to \$522 per year of service and was approved at Annual Conference.

2009 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2010.
4. The Board will participate in conference efforts to continue to address the issue of the reduced but still large unfunded liability for retiree health benefits.
5. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure that the best possible plans can be offered at reasonable cost.
6. The Board, in an effort to develop programs to encourage clergy and other health plan participants to live a healthy lifestyle, has authorized and convened a new standing committee known as the "Wellness Committee".
7. A web space entitled "Conference Benefits" located on www.pen-del.org is provided to answer questions, download forms, or direct you to links related to the health and dental plans and pension plans.

ISSUES OF CONCERN

1. The continuing increase in health care benefit utilization along with the increase cost of health care, drugs in particular, with our beneficiary population having an average age of fifty-three years is putting great pressure on the financial resources of the Conference as well as individual congregations. It is therefore necessary to understand that resources accumulated for that increasing burden should not be siphoned off for other uses. The reserves established for health and pension obligations should not be thought of as a pool of funds that can be tapped for other opportunities.
2. The unfunded liability for retiree health care benefits still stands at about \$12,000,000. If the conference is to reduce or eliminate this obligation, we must either raise the \$12,000,000 plus more for future benefit accruals or reduce the

retiree benefit obligation by reducing the benefits or the number of persons receiving those benefits. Benefit changes shifting some costs to beneficiaries and the Medicare Part D have helped but the Annual Conference still needs to face its obligation.

3. The new defined benefit pension benefit (CRSP) has moved market risk from individual beneficiaries to the Conference. A major problem in financial markets has imposed increasing obligations on the Conference. The Board must develop a policy to hedge or control that risk. This new risk plus the issues raised above reemphasize the need to build and protect accrued benefit reserves.

Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.
 - A. Pastors leaving an appointment in the Peninsula-Delaware Conference must make arrangement with the Conference Business Office to be properly transferred from the benefit programs. Please note that the Conference does not participate in COBRA and insurance ends immediately when a pastor leaves the Conference.
 - B. Pastors having changes in their family status, such as marriages, divorces, newborn children, adoptions, death, etc., must notify the Conference Business Office within thirty days of these events.
2. Each pastor is responsible to keep the Conference Business office and the General Board of Pension & Health Benefits apprised of any changes to their designated beneficiary and current address.
3. You can help contribute to the continued success of our health program by becoming familiar with and using the preventative benefits of your program.
4. Pastors may call the General Board of Pension & Health Benefits (GBOPHB) any time to find the status of their retirement benefits. That toll free number is 1-800-851-2201. Pastors may also download a retirement projection from www.gbophb.org using a password provided by the GBOPHB.

Board of Pensions Resolutions

The Peninsula-Delaware Conference Board of Pensions recommends:

1. The Past Service Rate relating to the Pre 1982 Pension Plan for 2010 be set at \$533 per year of approved service.
2. **RESOLUTION RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTER OF THE PENINSULA-DELAWARE CONFERENCE**

The religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed.

The practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers.

Pensions paid to retired and disabled ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service.

The Internal Revenue Service has recognized that the Peninsula-Delaware Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference;

THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received during the year of 2009 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula-Delaware Conference at the time of his or her retirement;
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the Peninsula-Delaware Conference and whose name and relationship to the conference is recorded in the Journal of the Peninsula-Delaware Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by any local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B.92, "the only amount that will qualify for exclusion under section 107(2) of the Code as a "rental allowance" is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities.

Commission on Equitable Compensation

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in salary supplementation; and (3) providing counsel and advisory material on clergy support to District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a schedule of minimum base compensation. The funds administered include base compensation supplements, funds granted to pastors in "key leadership" positions serving a charge(s) that is unable to support the clergy commensurate with his/her talents and experience, and funds used in special one-time circumstances.

The 2009 Equitable Compensation budget is \$137,500. Funds expended in 2008 totaled \$95,926.43. As part of this report, there is a list below of the churches and charges that received assistance in 2008.

Recommendations

The Commission makes the following minimum salary recommendations for 2010. There is no increase in minimum salaries from 2009.

Full Member	\$31,825
Probationary Associate	29,170
Full Time Local Pastor	27,130
Commissioned (elder track) but not completed seminary	23,870
*Student Pastor	23,870

*Unless a smaller figure is agreed upon by the District Superintendent, student and Charge.

New continuing education amount will be \$700 for 2010 and \$800 for 2011.

New service increments will be \$140 per year to maximum of fifteen (15) years.

The Commission recommends that the reimbursement for travel expenses during 2010 be at the rate set by the Internal Revenue Service for that year. The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duty.

Board of Trustees

The Conference Board of Trustees is charged with the responsibility to supervise and maintain all property and investment belonging to the Peninsula-Delaware Conference. The Conference Board of Trustees met quarterly during 2008/09 except for the first month in January due to inclement weather.

On July 29, 2009 an organizational meeting was convened by William Westbrook. The following officers were elected: Ronald Bell, Sr. (President), Ginger Brannock (Vice-President), Geraldine J. Jones (Secretary), William Westbrook (Treasurer), and Howard Mason volunteered to serve on the episcopacy Resident/Parsonage Committee Task Force. New members assigned to the class of 2008 were Ginger Brannock, Nancy VanSant, David B. Humphrey and Pearl G. S. Johnson.

In regards to property matters, Eastlake Justice of the Peace Court ruled against the Bailey Brothers in favor of Elise Brown/Ezion Mt. Carmel. This ruling gave the Elise Brown/Ezion Mt. Carmel group the power to move in and occupy the Eastlake Church building. There was no notable change in the circumstances of John Wesley, Eldorado, and Cemetery: Union New Market.

Along with these church property issues, the Board is currently addressing such pending issues as the possibility of incorporating Camp Pecometh and organizing and determining the actions needed for the Cemetery Concerns Sub-Team that was formed this year. David Humphrey is chairing the Cemetery Concerns Sub-Team.

We give thanks for the faithfulness of the Board of Trustees in fulfilling their responsibilities this past year. The officer of the board would like to give thanks to all the board members for their valuable assistance.

Investment Committee

In 2008 the Conference Investment Committee continued their relationships with Merrill Lynch and the Eastern Pennsylvania-Peninsula United Methodist Foundation as their investment managers for the assets under the committee's responsibility. The Conference Investment Committee has responsibility for the investment of assets for the Board of Pensions and other conference agencies which have chosen to place assets with this group.

The managed investment portfolio of \$10 million at Merrill Lynch is usually allocated 65% to stocks and 35% to bonds, however given the significant difficulties in the market this year we have changed that allocation to 50% stock, 50% bonds. There are additional liquidity/short term bond accounts of \$2.3 million. We anticipate returning to our long term asset allocation goal as the market recovers. For the full year of 2008 the Merrill Lynch investment portfolios were down (24.8%), versus a benchmark that

was down (25.3%). We are pleased that this out-performance exceeds the fees paid for investment services. The asset class portfolios and managers used are listed below:

Asset Class	Manager	Percent of total portfolio
Large Cap Relative Value	Davis Advisors	9%
Large Cap Deep Value	NFJ/PAMA	9%
Large Cap Growth	The Boston Company	9%
Large Cap Growth	Neuberger Berman	10%
Mid Cap Value	Perkins/Janus	2%
Mid Cap Growth	Cadence	3%
Small/Mid Cap Core	Jennison	3%
International	JP Morgan	5%
International	MFS	3%
Fixed Income	PIMCO	23%
Fixed Income	ING	24%

An additional \$1.8 million of conference assets are managed by the Eastern Pennsylvania-Peninsula United Methodist Foundation, Inc. in either a balanced account of 50% stock/50% bonds or all short term fixed income investments.

If you have any questions, please contact the chair of the committee, Kathleen Hawkins, at 302-736-7741.

Personnel Committee

The Personnel Committee has developed goals for 2008 – 2009 that include several aspects of personnel administration for the Conference. The goals include: updating and distributing the Personnel Policy Manual; review salary administration for impacted employees; filling the vacant position for the Director, Strengthening the Black Church: Congregational Development; benchmarking current positions responsibilities and salary to similar external positions and developing a salary administration program for the Conference.

Potential Issues: The relationship and responsibility for other Conference employees not working at the Resource Center continues to be an issue that needs resolution. Economic constraints continue to be an issue impacting any possible implementation of a salary administration program.

The committee has a diverse background of experience and knowledge and is working well as a group. The current committee members are:

Rev. Shirlyn Henry Brown	Rev. Charlotte Nichols
Ms. Sunnie Moon	Rev. Antoinette Hawkins
Rev. Dianne Henry	Rev. Sandra Steiner Ball
Mr. Robert Wheatley	Mr. William Westbrook
Mr. DeWayne Whittington	Mr. Dennis McDowell
Rev. Mark Pruett-Barnett	

Conference Council on Finance & Administration (CCF&A)

The following new members were welcomed and joined CCF&A this year: Rev. Thomas Blakelock, Mr. Wayne Dukes, Mr. John Halberstadt, Mr. Preston Jacquette, and Mr. Roger Waters

New officers were elected as follows:

President: Mr. John Halberstadt

Vice President: Rev. Dianne Henry

Secretary: Rev. Thomas Blakelock

In service to our Risen Lord, CCF&A addressed this year the challenges created by the global economic crisis. Impact of the crisis was evident in the Peninsula-Delaware Annual Conference as many individual church members, local church congregations, and the Conference itself experienced loss or significant reduction in income. At the Conference level, receipts of local church apportionments fell rapidly in the fourth quarter, making timely response essential, but difficult. Letters were sent to local churches from the Episcopal Office, and response from those who were able was gratifying as 77.6 % of congregations successfully met or exceeded 100% of their covenant funding amount. We give special thanks for the 21 congregations who responded to the need with contributions over the 100% level. In spite of these efforts, overall receipts fell to 89.7% of the adjusted local church apportionments, the lowest absolute level on record, and produced a shortfall of \$257,293 vs. the approved Covenant Funding Plan. As a result, distributions to local boards and agencies not already locked in were reduced to 84% of the covenant funding amount to bring expenses and receipts into balance. Covenant funding to the General Conference was maintained at 100% for the 23rd consecutive year.

As 2008 drew to a close, it was evident that 2009 and most likely 2010 would be difficult years for our membership, their local churches and their communities. In many cases, needs to serve the poor are rising while resources are dwindling. In response to this, a complete review of the approved 2009 Covenant Funding Plan, including meetings with essentially all Boards and Agencies, was undertaken with the objective of determining how best to fulfill our mission in spite of the expected reduced receipts versus prior assumptions. Undertaken for this administrative purpose, these meetings were inspiring as they revealed once again how the Lord is leading individuals and groups throughout the Conference in outstanding service in a wide variety of ways.

To establish a revised Covenant Funding target, the key assumption was that 2009 and 2010 receipts would equal the \$4,882,000 received in 2008. For 2009, this meant a reduction of \$360,290 from the approved \$5,242,290 Covenant Funding Plan. We were guided in this effort by the desire to maintain support for the four focus areas identified at the 2008 General Conference.

1. Engaging in ministry with the poor.
2. Improving global health.
3. Developing principled Christian leaders
4. Creating new places for new people in new and revitalized congregations

Key actions taken were as follows:

- In consultation with the Personnel Committee, annual salary increases were deferred pending finalization and approval of the budget at Annual Conference. No annual increase is now recommended for 2009.

- Carry over reserves not held for specifically identified needs will be utilized to fund 2009 needs.

- Budget areas that could be eliminated or combined and funded at a reduced level without sacrificing key missional needs were so consolidated.

- No reductions were made in ministries to the poor or underprivileged. Agency reviews described above included assessment of the effectiveness of the funds being utilized.

A revised Covenant Funding Plan totaling \$4,903,000 for 2009 has been developed and will be submitted to Annual Conference for prayerful consideration and approval. In view of the critical timing, changes have been communicated to affected groups on a preliminary basis.

At this writing, the 2010 Covenant Funding Plan remains under development, with an indicated shortfall of approximately \$219,161 even after the substantial creative efforts described above. Rising costs in areas such as health care will need to be offset by additional reductions elsewhere unless local churches are able to more fully meet their adjusted apportionment covenant.

Apportionment adjustment requests for 2009, including for mission churches, were approved totaling \$149,553. As indicated by the discussion above, local church support

of the adjusted apportionment covenant will be critical for the continued funding of important conference and global ministries.

Goals for 2009/2010:

Continue to work collaboratively with all conference leaders, boards and teams so that ministries of the annual conference will be successful and can fully witness for Christ.

Recommend for annual conference adoption a plan for anticipated income and expenditures for 2010 and 2011 which will support the conference in achieving its mission.

In line with the Healthy Church Initiative, initiate an effort to train and support the District Apportionment Review Committees to help local churches as needed to better understand and support both local church budgeting and the apportionment process.

Carry out the administrative responsibilities as set forth in the Discipline, including a comprehensive audit of accounts and accounting processes. Within this area, CCF&A will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time require.

CCF&A will respond to challenges and needs that are identified by GCF&A (General Council on Finance and Administration).

VISION TEAM

*"If people can't see what God is doing, they stumble all over themselves;
But when they attend to what God reveals, they are most blessed."
(Proverbs 29:18 The Message)*

Moving under the favor and the revelation of God is a blessing of the Peninsula-Delaware Conference Vision Team. The Vision Team is the policy setting and decision making body for the Annual Conference between conference sessions. The team assures that the ministry and mission of the Conference is consistent with the Conference's Vision and Mission.

Team goals for the 2008-2009 year were to implement and promote the Healthy Church Initiative. The vision was brought to the Peninsula-Delaware Conference by our former Bishop Marcus Matthews, for making disciples and supported by our current Bishop Peggy Johnson.

Healthy Church Initiative Vision and Mission Statements

Vision Statement:

To EQUIP and CHALLENGE the Church to TRANSFORM lives through Christ.

Mission Statement:

The Peninsula-Delaware Conference of The United Methodist Church in partnership with our Local Churches covenants to answer our call to:

- EQUIP Jesus followers to become radical, passionate, intentional, risk-taking extravagant disciples of God's love and
- CHALLENGE all people to become servants who wash their neighbor's feet no matter where their neighbors walk, so that lives may be
- TRANSFORMED through Christ.

As a Team we collectively journeyed together during the year, we began to **Re-Think** Church; thereby empowering, equipping and enhancing both clergy and laity for the edification of the Kingdom of God.

- Clergy and laity teams began the process of visiting Charges, to be an effective listening ear, to access the needs of church community.
 - Twenty-one servant leaders both clergy/laity of the Peninsula-Delaware Conference attended Quadrennial Training in Jacksonville, Florida. This encounter with over a thousand other United Methodist leaders was an opportunity to taste from the well new ideas, to quench the thirst for being relevant to a changing community and to savor the lasting call for action of being compassionate, effective and deliberate in bringing visions to fruition. Ministry is intentional, disciples returned with a renewed spirit to serve, to make the vision plain and live out the "Big Four" focus areas of The United Methodist Church;
 - Developing principled Christian leaders for the church and the world
 - Global Health
 - Touching the Poor
 - New places for new people and renewing existing congregations
- > Evangelism and Communications
- The Team supported a matching grant for Radio Outreach Ministry – In Acts 1:8, "But you will receive power when the Holy Spirit has come upon you; and you will be my witnesses in Jerusalem, in all Judea and Samaria, and to the ends of the earth." The invitation to our churches in Peninsula-Delaware Conference was made through the medium of radio with the Clear Channel Network reaching eighty percent of our market audience. The grant will cover the radio time periods of Advent, Lent, and Back to School seasons; in addition, the grant covers the top four radio stations in Delaware and portions of Maryland.

- Mentor/ Mentee and Candidacy Mentor Training - 2008/2009
 - Re-Think Church at Kent Island UMC 2009 as a unifying experience we immersed ourselves in the grace of God, to illuminate life's transforming experience to the world. Learning to be hospitable, when offering hospitality is both challenging and rewarding as we Re-Think Church. The process becomes intentional.
 - Innovative Worship – Psalm 150:6 states, "Let everything that breathes praise the Lord." In the fall of 2009, at Jacob's Well in Maryland, God was out of the box. Leaders were equipped with new tools for worship. Experience worship in a high school, offer the salvation by connecting praise in hospitality, drama, dance, music, teaching and preaching. All as we journey in reaching the world of the 21st century.

Communications Commission

During 2008, the Communications Commission continued their work helping local congregations and the Annual Conference tell the story of God's acts in the Peninsula-Delaware Conference. The Commission and the Communications Coordinator have worked to implement changes and training for the local church pastors to access the church section of the Conference web-site. Utilizing the email blast and weekly conference emails, we have been able to increase the efficiency and timeliness of Conference news dissemination and notification of upcoming local church events within the entire Annual Conference.

Through the Communications Commission, the Annual Conference continues to participate in ReThink Church. We continue to work with local congregations, assisting them in the areas of welcoming hospitality and outreach through Igniting Ministries.

As the Peninsula-Delaware Conference keeps moving into the Healthy Church Initiative, the Communications Commission remains committed to be in a covenant relationship resourcing the Conference and local churches helping them tell the Good News of God's work among us. We will continue to help churches live into the promise of Open Hearts - Open Minds - Open Doors.

Congregational Development Corporation

Congregational Development Corporation (CDC) is the successor to the Division of Congregational Development under the Board of Global Ministries. The original Goals and Purposes as described in a 1996 brochure were to:

1. Further the Kingdom of God within the Peninsula-Delaware Conference by encouraging church growth.
2. Oversee and insure good stewardship of Conference development resources.
3. Administer Grant and Loan funds for the purpose of church development and revitalization.
4. Administer funds for the acquisition of land.
5. Administer the Conference New Church Development projects.

Over the years a separate conference program for New Church Starts has begun and CDC has evolved into an organization that has given small grants and loans to churches that have to go through a long process for approval. CDC has become an organization that reacts to requests from churches that have gotten into a financial bind of one kind or another.

There has developed a sense in the Board of Directors that CDC should be become more strategic in managing its resources, that it should become proactive rather than reactive in finding ways to allocate resources available to it and that the present process for making allocation decisions is inefficient.

The Board has therefore decided to allocate final decision authority in 2009 for small and emergency awards to the District Superintendents (DS) up to a limit of \$12,000 per DS. The Board intends to spend the time this will free up accessing and analyzing demographic and other information to begin to develop criteria for making more significant investments promoting church development. It is hoped that there will develop a cooperative relationship with the New Church Start program and the new position relating to strengthening the Black Church so that available resources can be most effectively managed.

The following resource allocations were made in 2008.

Loans

Salisbury Korean UMC, Salisbury, MD	\$25,000
Wesley Chapel UMC, Lincoln, DE	25,000
Christ UMC, Chestertown, MD	25,000
Mt. Vernon UMC, Sharptown, MD	7,500
John Wesley UMC, Mardela Springs, MD	3,500

Grants

St. Charles UMC, Chance, MD	\$ 6,739
Minquadale UMC, New Castle, DE	4,600
Centennial UMC, Smyrna, DE	7,500
Christ UMC, Chestertown, MD	5,000
John Wesley UMC, Mardela Springs, MD	3,500
Union UMC, Bear, DE	5,000
Mt. Zion UMC, Burrisville, MD	5,000

The members of the board have formed subcommittees by district to begin the process of understanding where there are opportunities to make a significant impact and where there is leadership that, with help from CDC, can turn those opportunities into realities. Coordination with the New Church Start group and the person responsible for Strengthening the Black Church will greatly enhance the possibility to make a significant difference.

New Congregational Development

The New Congregational Development committee has been visiting and supporting our New Church Starts: Bayside Chapel, Hope, Higher Hope, Daybreak, and Connection. Some celebrations this year – Bayside had its launch service with more than 200 people in attendance. The regular worshipping congregation has grown from about 25 persons to 70 to 80 persons weekly. This new church start is still connected to its parenting congregation – St. Matthews by-the-Sea and still receives a great deal of support in a variety of ways from its parent. Hope is continuing to grow and is planning on trying to come completely off salary support this year. Higher Hope, a primarily African American ministry, has been itinerant this year and has now moved into a church building on Hammond St. in Salisbury. Higher Hope has some great ministries in the community and is still finding its way as a new church start. Daybreak, has no home at the moment, but is worshipping together regularly. Connection tried their hand at a second campus this year in Dover.

There have really been a number of things to celebrate this year. There also continue to be a number of struggles. We are planning to work together with the Congregational Development Corporation in the future. The Congregational Development Corporation is considering an overall strategic plan for Conference Congregational Development and hopefully the New Congregational Development committee will become a sub-committee to this team bringing all branches of persons working in the area of Church development together. We also look forward to working with the new staff person: The Director of Strengthening the Black Church and Congregational Development, which will

be the primary staff person who will relate to the new configuration of Congregational Development – both new Church Starts and redevelopment of existing faith communities.

Strengthening the Black Church Committee for the 21st Century

The Strengthening of the Black Church Committee has experienced a transitional period and title change. The committee formerly titled Embracing the Black Church Task Force is now called the Strengthening of the Black Church Committee for the 21st Century.

During the September 2008 meeting, the transitional period was initiated. Previous goals and directives were discussed with our Director of Connectional Ministries, Rev. Dr. Sandra Steiner Ball. During each meeting, she also kept the committee informed about the progress and status of the Director of Strengthening the Black Church & Congregational Development position.

An election was held at the September, 2009 meeting. Following the election, the chair conducted the meeting. New officers are: Rev. George Moody, Chair, Rev. Jeanel D. Starling, Co-chair, Rev. Shirlyn Henry Brown, Secretary, and Mrs. Mary Dulany, Treasurer.

Our vision remains the same: To encourage churches to avail themselves of resources for church growth and vitality, whether local or national. We are here to help. Some of our accomplishments include the following:

- Election of new officers
- Grant allocation to a church for community outreach
- Establishing teams and subgroups to present workshops
- The committee approved an educational opportunity grant for five clergy and five laity to attend the African-American music and worship training in Lake Junaluska, NC.
- The sub team of worship will participate in a leadership training workshop October 2009
- Five meetings have been held thus far

The Strengthening the Black Church Committee will continue to connect with those agencies and boards for resources designed to strengthen the Black Church. We will work throughout our Annual Conference and with the new Director of Strengthening the Black Church and Congregational Development.

PENINSULA UNITED METHODIST HOMES, INC.

Peninsula United Methodist Homes, Inc., (PUMH) shares a common mission with the Conference, although the Conference does not have any financial or legal responsibility for PUMH. (A Covenant of Affiliation between PUMH and the Peninsula-Delaware Annual Conference of The United Methodist Church was adopted on June 12, 1985)

PUMH provides retirement housing and health care services to senior adults in Delaware and Maryland. It owns and operates Methodist Country House in Greenville, Delaware; Cokesbury Village in Hockessin, Delaware; and Methodist Manor House in Seaford, Delaware. All are continuing care retirement communities (CCRCs). PUMH also manages Heron Point, a CCRC in Chestertown, Maryland, which is owned by PUMH of Maryland, Inc. The four communities and corporate office serve approximately 1,100 residents and employ approximately 950 people.

Adopted July 21, 2003, the PUMH Mission Vision Values statement reads:

Our Mission Statement

"PUMH, in keeping with its religious tradition, is committed to fostering an exceptional quality of life and promoting wellness, health and security for older adults. Through our stewardship, PUMH will ensure standards of excellence to meet the changing needs of those we serve.

Our Vision Statement

PUMH will fulfill its mission by being compassionate, innovative and bold. Our approach will be assured and we will have the courage to lead."

Our Values: compassion, diversity, excellence, integrity, trust and commitment.

Cokesbury Village

The most noticeable changes at Cokesbury Village this year occurred in the lobby and atrium of the main building. The renovation included carpeting, fresh paint, and re-upholstering of lobby furnishings. Continuing improvements to our independent living cottages and apartments occur as units turn over, include open floor plans, and enhanced finish work.

Cokesbury's multi-year health center renovation program was completed in this fiscal year. Brandywine Central, formerly comprised of small apartments and underutilized public spaces, has been reconstructed to include the Courtyard Café, a 52 seat bistro; an expanded rehabilitation area; media/theater/chapel room with a 110" screen; new physician's office; and salon. Grand opening was held in the spring of 2009.

Transitions Made Easy, our personal relocation service, is now in its fifth year and has managed close to 550 transactions for those moving into or within Cokesbury Village and our sister PUMH communities; 110 occurred in this fiscal year. These relocation services have been expanded to include clients external to PUMH, who are moving into other communities or elsewhere in the Wilmington area. *Transitions* also assists in the disposition of property, assuring clients optimum value for items they wish to sell.

Methodist Country House

Country House has also recently completed its multi-year Health Center renovation project, also funded primarily through a capital campaign. Hall 2 renovations were completed in December 2008 and included new activity space, new rehabilitation service area with increased square footage and new state of art equipment, spa/resident bathing facilities, and larger resident rooms. Hall 4 renovations are expected to be completed in June 2009 and include a new resident dining area. A wireless emergency call system was also installed.

Other interior construction projects include the combination and conversion of small apartments to larger two bedroom apartments that meet demand for larger residences. Re-decorating of the lobby/corridor, dining area and Brandywine Woods is underway.

Country House recently completed a master plan and identified several projects that will dramatically expand our campus. The first phase will include construction of ten cottages clustered on the former Charis property, which we have recently acquired. Original stone from the barn ruins will be incorporated into a bistro and patio designed to anchor the neighborhood. Phase 2 will follow with eight additional cottages. The master plan also includes public space renovations, an expanded Main Street Café, construction of a wellness/fitness center, an indoor pool, and an auditorium/theatre space. With necessary approvals, work on Phase 1 is expected to commence in the fall of 2009.

Methodist Manor House

This year was cause for celebration and change at Manor House. In June, the Wesley Wellness Center (WWC) celebrated its 10th anniversary with an open house, demonstrations that showcased the center's many fitness/wellness offerings, recognition of WWC donors, and a keynote presentation by then-lieutenant governor, John Carney.

Changes were made across the community. The most far-reaching was the development of the Dementia Center of Excellence in our Bethany Wing. Driven by a

local market demand, the already-strong dementia program (the first of its kind in Sussex County) has been expanded to include environmental and program changes. The Bethany Wing has become the Bethany Neighborhood, with physical changes to create a more homelike atmosphere for residents. Program initiatives include implementation of three of the four primary program elements: clinical psychosocial; behavior management; and therapeutic. Intensive training has occurred in support of these elements, and a certified therapeutic recreation specialist has been added to staff. The fourth element—dining— will be implemented when renovations to the Bethany Neighborhood are complete.

A fee-for-service contract was established to meet the demand of prospective residents who preferred this to our traditional life care option. Finally, the popular Poolside Café underwent a facelift, with new flooring and furniture, fresh paint, and window treatments.

Heron Point of Chestertown

Heron Point enters its 19th year with about 250 active residents and 180 staff.

It's most visible change was the complete renovation of its lobby and reception area. A handsome mahogany console reception desk now anchors the site, and the living room area has been enhanced with a fresh color palette, re-upholstered furnishings and updated art and lighting. Also new is the Meditation Room, a quiet space used for reflection and rest by residents, staff, and visitors.

Other changes are significant, but less visible. The General Services Department was created to house plant ops, laundry, grounds, transportation, security, and ambassador program under one umbrella. A new pharmacy contract with electronic recordkeeping was established, and the sound system in Wesley Hall was upgraded to include listening devices for the hearing impaired. Green initiatives include more electronic distribution of documents, changeover to CFL bulbs, and other conservation measures.

New Retirement/Health Care Projects

This year PUMH was the grateful recipient of a large land donation in Magnolia, Delaware. The Frazier and McIlvaine family gifted their century farm, Wrixhaven, to PUMH with the hope of developing a use of benefit to the community. At this location, PUMH plans to develop an affordable, sustaining service community for older adults in Magnolia and Kent County, Delaware. Primary goals are to maintain the donor's legacy and community goodwill; provide affordable retirement living; provide traditional services via partnerships with non-profits and with local business community; plan a green community; and establish services and facilities for public good and use. Through partnerships with community-based providers, sub-contractors, and co-locators, this site will function as a comprehensive service community for the elderly of Kent County.

Benevolence and Welcome Funds

In keeping with the PUMH mission, every resident can feel confident that they will always have a home in our communities. PUMH Foundation, Inc. the philanthropic arm of PUMH administers the PUMH Benevolence Program which provides financial assistance to residents who, through no fault of their own, have out-lived their resources.

The Benevolence Program provides one-time grants for residents who are experiencing special emergency needs, or can no longer meet their financial obligations. It may also be available to prospective residents who wish to live in our communities. We have provided PUMH residents with \$255,000 in assistance during the fiscal year May 1, 2008 through April 30, 2009, and have budgeted a bit more \$320,000 for next fiscal year. Similarly, the Welcome Fund offers retired clergy and others financial assistance with community entry fees, and in some cases with monthly fees. Since 2004 approximately \$475,000 has been utilized.

We deeply appreciate the support that our Annual Conference churches and members give to the benevolence work of PUMH.

PUMH OF MARYLAND, INC.

PUMH of Maryland, Inc., shares a common mission with the Conference although the Conference does not have any financial or legal responsibility for PUMH of Maryland, Inc. (A Covenant of Affiliation between PUMH of Maryland, Inc., and the Peninsula-Delaware Annual Conference of the United Methodist Church was adopted June 5, 1990.)

PUMH of Maryland, Inc. owns Heron Point a continuing care retirement community in Chestertown, Maryland. Heron Point is managed under contract by Peninsula United Methodist Homes, Inc.

Heron Point has a mission to meet the changing needs of active older adults. They provide the highest standards of excellence in services and have committed its resources to carry out its goals in an efficient, cost effective and compassionate manner, offering personal growth and fulfillment for each resident. Heron Point appeals to an eclectic group of residents who are attracted by its location on a 66-acre site along the Chester River on the Eastern Shore of Maryland in historic Chestertown. The small town atmosphere and the presence of Washington College make it a desirable combination. Many Heron Point residents are enrolled in tuition-free courses at Washington College, with some serving as faculty.

Heron Point currently offers a traditional life care contract and a 90% refundable entrance fee program. Residents at Heron Point are extremely active in the Chestertown community, volunteering many hours of service at the local hospital and other community organizations.

BOARD OF CHILD CARE OF THE UNITED METHODIST CHURCH, INC.

This year marks the 135th anniversary of the Board of Child Care in its ministry to serve children and families. Thomas Kelso, the founder who started the Kelso Home for Girls, in his wildest dreams could not have envisioned the good and help for so many based on one act of kindness.

Today, the Board of Child Care is viewed as a leader in the field of Child Welfare on a local, state and regional level in providing out of home care to abused and neglected children with emotional and behavioral problems. Besides our niche of residential and shelter care, we provide adoption, mental health, education, day care and early education, low income loans through Ways to Work, foster care services to thousands of clients each year.

The Board of Child Care and its Board of Directors has developed a committee to work with Bishop Peggy A. Johnson and Sandra Steiner Ball, Conference Director of Connectional Ministries, to develop a Covenant Statement between the Peninsula-Delaware Conference and the Board of Child Care. We believe this to be an important step in strengthening the relationship between us and the Peninsula-Delaware Conference. It was our hope that a group home and a shelter would be nearing completion by the time of your annual meeting. However, I am disappointed to report that the favorable decision handed down by the Caroline County Board of Zoning last July was appealed to the Circuit Court by opponents. The judicial review did occur in late April and we are waiting for a decision to be handed down as of this writing.

This past year has been both economically and programmatically challenging. Like most, we have seen a drop in our endowment. As good stewards, we have taken steps to reduce our program costs and ensure that our investments will take us forward in our mission to serve more clients and do more good in the future. The State of Maryland has launched an initiative to reduce the number of children in group home and raised the bar in the quality. I am pleased to report that we were well prepared to meet the new requirements as we are often ahead of the curve and flattered that some of our practices were adopted by the State. We are fortunate to have an excellent staff that is

bright, well qualified and committed to the children who come into our care. Our leadership teams who direct all the different programs on campus and at our satellite locations along with our support services are awesome.

During fiscal year 2008, Board of Child Care provided service equivalent to 152,381 days of care to a total of 1,317 children and youth in both our group living programs and our community-based programs. Under the Maryland Department of Human Resources' new initiative called Place Matters, a greater push is being made to keep children in family settings rather than group homes, but for those youngster for whom group care is the best setting, referring agencies have continued to rely on Board of Child Care's residential program because of the quality service we provide, and as a result we have seen our enrollment figures actually increase. In our group living program in 2008, our Baltimore campus residential program served 174 youth, our West Virginia residential program served 96 youngsters, and our Baltimore emergency shelter served 168 children.

Among our programs that continue to serve the community, our foster care programs retained, recruited and trained a cadre of loving foster families in 2008 who worked with us to serve 32 youth in our Baltimore-based treatment foster care program, and 89 youth in our DC-based foster care program.

Our early education programs at Tide Point and in DC are meeting a continued need within the community for high quality and reliable day care services, particularly for low-income families. During 2008, our DC early education center served 86 children. Our Tide Point early education center served 240 children and is working with the Safe and Sound Campaign, a community-based collaborative, to meet our mission to serve low-income children in Baltimore.

During a time when many mental health centers are struggling to remain open, Board of Child Care has continued to put its full support behind our Outpatient Mental Health Clinic in Pasadena. The clinic has proven to be an invaluable resource for local families, as well as for a growing number of families from outside the immediate community. In 2008, the clinic served 213 children.

This past year, our Strawbridge School celebrated its 10-year anniversary as a nonpublic, special education school, serving students in grades 5 through age 21 under a state-approved curriculum. Strawbridge also continues to provide short-term, transitional education for our shelter residents. Strawbridge served a total of 176 students in fiscal year 2008.

Our Ways to Work car loan program launched in 2008 and has provided more than 30 loans to Baltimore City families. Many of these families are young, single parents who are working one or two jobs, going to school and caring for their families. Obtaining reliable transportation through Ways to Work is helping these parents get ahead, while also spending more time with their children.

In providing added enhancements to the lives of the children and families we serve, the Women's Auxiliary has continued to give generously of their time. During fiscal year 2008, Auxiliary members conducted the following activities:

- Making an afghan for each graduating senior and giving each \$100 in cash,
- assembling 173 Thanksgiving baskets for foster families and other families,
- making 200 Easter baskets for children and youth in the residential and emergency shelter programs,
- baking 27,000 cookies for the children and
- raising \$1,771 for extra educational resources for Board of Child Care through labels and box tops collection programs.

We could not be as successful without the confidence and support of individuals, clergy, churches, our auxiliary men's and women's groups, church groups, youth groups within the Peninsula-Delaware Conference of The United Methodist Church. We are blessed!

COMMISSION ON ARCHIVES AND HISTORY

Mission Statement:

The mission of The Commission on Archives and History is to collect, preserve, and interpret the historically significant records of the Peninsula-Delaware Conference, its churches, agencies, and antecedents.

Review of Goals:

1. **Operation of Barratt's Chapel & Museum.** Every conference has a Commission on Archives and History. But ours is the only Commission on Archives and History to own and maintain a United Methodist Heritage Landmark. It is an honor and privilege for us to own and operate Barratt's Chapel & Museum. In its 229th year, Barratt's Chapel is the oldest surviving Methodist Church in America, and because of the historic events that happened there in 1784, it is the Independence Hall of American Methodism.
 - a. **It is our responsibility by The Discipline** (paragraph 641.1) to be the repository for the archives of the annual conference, and to retain the records of closed churches.
 - i. Through the Museum we continue to collect, preserve, and interpret archives and historic records. A Library devoted to Methodist History is open to researchers.
 - ii. Staff are on hand to help with research requests and genealogical services.
 - iii. The Chapel is frequently used for weddings and funerals, and the facility is open for tours and visitors on Saturdays and Sundays between 1:30 and 4:30 and at other times by appointment.
 - iv. Confirmation classes and other groups may participate in an interactive program to learn more about the history of American Methodism and Barratt's Chapel.
 - b. **Barratt's Wesley Partnership:** We continue our partnership with Wesley College. The college continues to make its maintenance staff available for routine repairs and assists with utilities and some other expenses.
 - c. **Maintenance:** With a 229 year old chapel and two other buildings, there are always maintenance issues.
 - i. Repair Cemetery Wall. The wall between the cemetery and chapel properties is the responsibility of the Commission. During 2007 and 2008 the entire length of the wall was repaired, including a 30ft section that had to be completely rebuilt.
 - ii. The chapel is in good repair. The addition of air conditioning has made summer weddings more attractive. Revenue from weddings goes to the maintenance of the chapel, and brings many guests and visitors to the site.
 - iii. The Museum and Vestry are in good repair.
 - d. **Acquisitions:** A great number of files have been deposited in the Conference Archives from the Bishop's Office, and the Conference Resource Center. They are being catalogued and stored.
 - i. Additional filing cabinets have been purchased.
 - ii. Room for additional storage has been made in the "Museum Room", which is constructed as a fireproof vault.
 - iii. Rachel DiEleuterio, former intern at Barratt's Chapel and Museum, who is the Librarian/Archivist for the Delaware Art Museum continues to advise and make recommendations for preservation, storage and display of records and artifacts at the Museum.

- e. **Usage:** Although Barratt's Chapel no longer has an active membership, it remains a busy venue for worship and learning. The statistics for 2008 are:

Regular Visitors	330
Confirmation Classes (18)	255
Weddings (11)	1685
Funerals (2)	110
Baptisms (1)	30
Scheduled Tours	30
Special Services	565
Researchers	40
Research Request	50
Total	3068

- 2. We will continue to support local church historians and their projects.** The Museum at Barratt's Chapel is the repository for the Conference Archives. Barb Duffin, Site Administrator and trained volunteers are available to help local churches discover, preserve, and tell their history.
- 3. Celebrate the Anniversary of the meeting of Francis Asbury and Thomas Coke.** The guest speaker for the 2008 Anniversary service was Bishop Violet L. Fisher.
- 4. Peninsula-Delaware Conference Historical Society:** Two general meetings are held each year. In 2008 they were at Ezion-Mt. Carmel UMC and UMES, Princess Anne. The Peninsula- Delaware Conference Historical Society News Letter continues to be published twice a year. They also developed a workshop on Writing Your Church History.
- 5. Produce two newsletters a year.** In conjunction with the Friends of Barratt's two newsletters were published and mailed to nearly 1000 friends. The newsletter brings news from the chapel, Archives, and Museum, information about resources that are there, as well as donated artifacts and acquisitions. The newsletter also solicits "Friends Memberships." In 2008, the Friends of Barratt's contributed \$5325 for the maintenance and operation of the chapel.
- 6. Support the work of the Friends of Barratt's.** We are so grateful to the Friends of Barratt's for its interest and support of Barratt's Chapel & Museum. The efforts of the organization help with the maintenance and operation of the facility.
- 7. Delaware 1/US 113 Realignment:** Commission members along with a representative of the Cemetery Trustees met with engineers from the Delaware Department of Transportation to discuss the realignment of Routes 1 and 113 from Little Heaven to Frederica. We emphasized both the need for safe access to the Chapel and Cemetery for visitors and funeral processions, as well as the need for good signage from the north and south.

Other Developments:

- 1. Barratt's Advanced Special:** We sincerely thank the congregations who received a special offering in 2008 for Barratt's Chapel and Museum, and hope that even more will participate in 2009.
- 2. Local Church Retention Policy:** Annual Conference in 2005 passed a Local Church Record Retention Policy based on recommendations from The General Commission on Archives. Our Commission has developed workshops to help local churches define what to keep and how long to keep it.
- 3. Grants:** A grant was received in 2008 from the General Commission on Archives and History for \$5000 for repairs to the Chapel and Cemetery Wall.

Goals for 2009-2010:

1. Operate and maintain Barratt's Chapel and Museum in partnership with Wesley College.
2. Celebrate the Anniversary of the meeting of Francis Asbury and Thomas Coke at Barratt's Chapel on November 8, 2009. Bishop Peggy A. Johnson will be the speaker.
3. Support the Peninsula-Delaware Conference Historical Society.
4. Provide support and encouragement for local church historians and their projects.
5. Support the joint committee working with the Eastern Pennsylvania Conference on the Delaware Conference history project.
6. Support the work of the Friends of Barratt's and produce two newsletters a year.
7. Continue to provide programs for Confirmation Classes and other groups.
8. Support special services coordinated by John Thompson.
9. Support the Christmas Eve services held at Barratt's Chapel which will be led by Bishop Johnson.
10. Pursue grants for the maintenance of Barratt's Chapel and the further development of its programs and ministries.

VII. MEMOIRS

A. Clergy

John Alvin Irwin

Sally (Paradee). They had 4 grandchildren, John T., Seth, Sean and Jessica.

John grew up in Upper Sandusky and belonged to John Stewart Methodist Church and attended youth retreats at Lakeside on the coast of Lake Erie where he felt the first calling to a life in the church. His family moved to Columbus where he graduated from West High School in 1947 and went on to earn his BA from Asbury College in Wilmore, Kentucky. It was while at college that he met Edith who was also a student.

He then began his studies at Westminster Theological Seminary in Westminster, Maryland and graduated with his MA while serving the Farmington charge. Upon graduation and ordination, he moved to the East New Market charge followed by Preston, Millsboro, Newark, Selbyville, Seaford-Mt. Olivet, Laurel-Centenary, and Cambridge-Zion. Although basically a shy person, the churches where he served knew that he would be straight with them and his sermons showed a deep faith in God and a well studied view of the Bible. He became a well respected pastor especially in Sussex County where he spent the largest time of his ministry. In the conference he served as Chairman of the Board of Ordained Ministries for 5 years and felt satisfaction in working with the new clergy as they began their ministries. He also served for many years on the board of the Credit Union, including several as the Loan Officer.

John had several hobbies that he loved including his stamp collection and his Lionel train layouts. Parsonages that had basements or attics would have large train layouts that were well detailed with landscaping and buildings. He loved to show it to others and his children and grandchildren loved watching the trains as well. He was also an avid collector of newspapers.

John was also very involved with the Masons where he was a member of both the York and Scottish Rite. He was a member of Doric Lodge #30 and served 3 times as Grand Chaplain for the Grand Lodge. He presided over his Chapter and Council as well as served as Sovereign of Delaware Conclave of the Knights of the Red Cross of Constantine. In 1986 he was also recognized as the Cryptic Mason of the Year. He was also the first minister in Delaware selected to take part in the Knight Templar pilgrimage to the Holy Land in 1985 which had an enormous impact on his subsequent ministry. He often spoke of how much it meant to walk where Jesus had walked. His slide show of his trip and his commentary was well received.

John and Edith retired in 1993 to Laurel, Delaware where John continued to fill in as a substitute speaker for various churches. They enjoyed owning their own home and having family come to visit. Over the years they traveled to visit with friends in various places around the country. John pursued his interest in newspapers and books. They lived there until declining health forced them to move to the Seaford Center where they both resided until their deaths.

John died on Wednesday, June 18, 2008 at the Seaford Center after declining in health over the previous several months. Services were held at Centenary United Methodist Church in Laurel, Delaware officiated by Rev. John Van Tine and Rev. Fred Duncan. Interment was at Odd Fellows Cemetery in Laurel, where he was laid to rest by his beloved Edith. He is greatly missed by family and friends.

When her husband held administrative positions in Dover, she took an active role in Dover's Wesley Church. Helen Ruth (Johnson) Downing

Helen Ruth, the daughter of Herbert Richardson Johnson and Beulah Heath (Bartley) Johnson was born in Anderson, Indiana on January 19, 1921. She was big sister to Alma, Jean, Marie and Lloyd. Her family moved to Clawson, Michigan when she was a small child. Helen grew up during the depression on a street that always had street lights. During those hard times, her dad worked as a custodian at the public school, and the family raised a big garden making it possible to help feed and keep neighbors warm during tough times.

Growing up as a member of the Church of God she learned to live the virtues of a Christian life. Ivan Downing returned home from college for a family visit to Goodale St. where he met the next door neighbor's daughter Helen. It was the beginning of a relationship that lasted the rest of their lives. They were married on July 14, 1938 and moved from the city to the mountain country of New York State where Helen learned that everyplace did not have street lights. She claimed that she had no idea what dark really was until she became a farmer's wife! It was a wonderful life and four children were born, "up on the farm." They were Paul, Carol, Mary Ellen and Bill. Because of health reasons, Ivan and Helen sold the farm and moved to Delaware. John was born the day they arrived in Delaware and Judy came along about a year and a half later. The family of six children was complete.

For Helen, family always came first! Her goal in life was to take good care of Ivan so that he could be the best he could be as a farmer and later as a United Methodist pastor. She made a beautiful home wherever God sent the family and was a loving wife and strict but a fair mother.

We, her children, are striving to live her legacy as she taught in us in her living... to be the heart, hands and feet of Jesus Christ and to be a glimmer of light in our often dark and troubled world. Helen's family and friends loved her deeply and miss her desperately.

Helen entered into her eternal home on December 7, 2008. Her memorial service was celebrated at St. George's United Methodist church in Clarksville, Delaware and was officiated by Rev. Rick Wessell. The interment was at St. George's Cemetery in Clarksville, Delaware.

Written by daughter Carol on behalf of herself and siblings Paul, Mary Ellen, Bill, John and Judy and families.

Marian Rodney Hackett

Marian Adelle Rodney was born on March 24, 1919, to Charles Alfred Rodney and Tressa Olivia (Andrews) Rodney in Rock Hall, Maryland.

Marian graduated from Rock Hall High School in 1935. After high school she lived with her parents and was employed in a shirt factory near her home. She was converted at a summer Bible camp at around age 16. As a teenager and young adult, she was active in church, playing piano and teaching Sunday School.

On June 18, 1941, Marian married Rev. William O. (Bill) Hackett. She and Bill were married 64 years when Bill passed away in July 2005.

Bill and Marian had two children, David Rodney Hackett and Susan Adelle Hackett. Her son David and his wife Kathleen live in Lewes, Delaware. Her daughter Susan lives in Madison, Alabama.

Bill served as pastor of a number of churches in Maryland and Delaware and as Administrator of the Methodist Country House in Wilmington, and was active in many other areas of ministry for over 55 years. Marian was a great help to him in everything that he did. She always said that she felt that her calling from God was to support and help Bill in his ministry and to take care of her family. She preferred to be in the background, serving others wherever she could. Teaching Sunday School and Vacation Bible School and delivering Meals on Wheels were some of the ways in which she served. Hospitality was one of the "hidden" areas of ministry at which Marian excelled.

Marian suffered a stroke and was paralyzed on one side for the last 10 years of her life, making it necessary for her to live in a nursing home. Even when she was no longer able to physically serve others, she still cared about those around her and prayed for them daily. One of Marian's caregivers paid her the ultimate compliment any Christian can receive when she told Marian that knowing her made her want to know God.

Marian passed away on Monday, December 1, 2008, at the Methodist Country House Health Center, after a long illness.

Marian loved her family and friends and will be greatly missed by all who knew and loved her. She will be remembered for her kindness, her sense of humor, and her wonderful cooking. She commented that she prayed every day that God would make her a blessing to someone, and she truly was.

Blanche Alice Krause

Blanche Alice Kern Krause was born on January 18, 1928, in Brooklyn, New York, to Desideria Blanche DeLaVega Kern and Anthony Fredrick Kern. On July 16, 1949, she married Rev. Harley Henry Krause at a Baptist Church in Philadelphia, PA. They had two children Phillip J. Krause and Rebecca A. Krause Walker and were blessed with five grandchildren: Jessica, Deborah & Anna Krause; Elizabeth & Jennifer Walker and seven great-grandchildren: Kyra, Luna, Lily, Monica, Alexa, Gabriel and Grace.

At the age of 9 or 10, Blanche and her sister attended Vacation Bible School at a Baptist Church and continued attending the church. Later, after begging their parents to attend with them, they were saved as well. As a result, their mother wanted the family baptized together, but while living in south Florida, Blanche and her mother contracted malaria and were home sick for over a year. Upon the doctor's recommendation her family started moving north stopping once on their way out of Florida, twice in North Carolina and twice in Pennsylvania, staying two to six months between moves in an attempt to recover from the illness. Finally, they were all baptized together as a family in Onley, Pennsylvania when Blanche was in the 10th grade.

From 1946 to 1949, Blanche trained to become a missionary at the Pennsylvania Bible Institute where she received an Evangelical Teacher Training Degree in English and Bible and a Medical Course Degree in First Aide, Home Nursing & Tropical Diseases. Blanche and Harley were missionaries in the Appalachian Mountains of Virginia before joining the Methodist Holston Conference. Blanche taught Bible and reading classes and organized and directed the Clintwood Adult Evening School. In 1967, Blanche & Harley relocated to further their education and joined the Peninsula-Delaware Conference where they served churches in Marion Station, Elkton, Northeast, Parsonsburg, Oriole, Crisfield and Sharptown, Maryland until Harley retired in 1989.

Blanche received her BS in education in 1972 from the University of Maryland Eastern Shore, with a major in Art and minors in English and History. During her last year of college she taught Freshman English. She pursued graduate work toward her Masters at Salisbury State in 1979. During her career as an educator, Blanche taught Middle and High School, including English, Art, Special Ed, G.E.D., S.A.T., Adult Basic Education and English as a Second Language.

From the time Harley received his first church appointment, Blanche served by his side as a Sunday School Teacher/Director, VBS Director and often created crafts from recycled items to reduce costs. Upon arrival at a new church, she organized a Fair to increase Sunday School attendance and made tickets and games out of cardboard boxes, wooden crates, household items & toys. Many churches saw a significant increase in Sunday School attendance and continued the Fair even after they were transferred. Blanche also created visual aides (flannel graph, huge song books & flash cards) for VBS, Sunday School, and services at church and state parks. She drew chalk illustrations to gospel music, directed Christmas pageants, plays, puppet shows, painted scenery and made costumes.

Blanche and Harley moved to Florida after he retired, and in 1993, they relocated to Booneville, Mississippi to be closer to Blanche's only sister, Doris. There Blanche was a high school tutor, and then Activity Director at Longwood Manor for several years. She later became part-time Activities Director at the Baptist Memorial Hospital in Booneville, before retiring in 1998. She enjoyed reading and sharing the gift of reading with others by either teaching them how or by giving them books to read. She also liked writing, doing arts & crafts, bird watching, music and giving to charitable organizations, many of which bring and spread the word of God to others.

On February 7, 2009, Blanche unexpectedly passed away. Brother Bobby Hankins officiated at the service celebrating her life. Services were held on Feb. 11, 2009 in the Chapel of the Booneville Funeral Home. Her family, friends and members of the UMC and First Baptist Church attended the service. Joshua McIntosh

The final chapter in the life of Joshua McIntosh came to a close on Thursday, September 18, 2008, at Peninsula Regional Medical Center in Salisbury, Maryland, after a lingering illness. He was the son of the late Simmie and Sadie McIntosh, born on March 19, 1938 in Vidalia, Georgia.

Joshua, known as "BeBe", received his early education in the public school system of Pompano Beach, Florida. He was married to Reverend Anna McIntosh for fifty (50) rewarding years and this union produced six children.

Josh was a meat cutter by trade, working in New York City and later for the A&P Stores throughout the Eastern Shore. He was the owner and operator of the first black limousine service in Salisbury, Maryland, known as J&A (Josh and Anna) Limousine Service. During this time, he was employed as a private chauffeur for the Brice and Shirley Phillips, owners of Phillips Seafood Restaurants in Ocean City, Maryland. He lovingly called them mom and dad. His last place of employment was with the Bennie Smith Funeral Services. He was so proud of his job that he would let everybody know where he worked. Sometimes I think he thought he was Mr. Bennie Smith.

BeBe always said he had one hobby, "fishing." He was always ready to cast out a line, even if he didn't catch anything. He was content as long as he was out there enjoying God's great outdoors.

Josh's ministry was blessing others by sharing his fish, chicken, all sorts of bread and whatever was given to him. Josh enjoyed reading his Bible, and he would always explain his readings. His early Christian training was spent at "Thomas Temple Church of God in Christ" in Pompano Beach, Florida. Later, he became a member of Coolspring United Methodist Church, where he served as President of the Usher Board and a member of the "Helping Hand Choir."

Josh was loved by everyone so he leaves to cherish fond memories with his wife, Anna McIntosh; three daughters and three sons: Cynthia Collick, Tandra (Perry) McIntosh-Pruett, Gloria McIntosh, Burmond McIntosh, Josh (Michele) McIntosh and Leon McIntosh; Fourteen grandchildren, nineteen great-grand and one great-great-grand; two sisters: Nollie (Frank) and Margaret (Ralph); five brothers: Alfonza (Gloria), Rosby (Wendy), Alton, Elton (Debbie) and Ronnie; special sisters-in-law: Pearl and Rosemary; a special niece, Beverly, who was raised like his sister; two Godchildren: Amber Collick and Erica Milbourne; his Godmother, Flossie Douglas; his Godsisters: Catherine Douglas, Charlotte Henry, Sandy Blake, Dianna Watkins, Barbara Douglas, Antoinette Douglas and Jeanette Douglas; one Godbrother, Jesse Douglas and a host of aunts, uncles, nieces, nephews, other relatives and friends.

Roy Nathaniel Moore

Roy Nathaniel Moore's life was filled with love, music, art, and service. He used his talents to glorify God and bless the lives of those around him. His love and testimony of Jesus Christ was reflected by the honorable way he treated his family, friends, and all his associates.

Roy was born on May 3, 1926 in Clarksburg, West Virginia to William and Irene Moore. He was the sixth of nine children and was raised along with his siblings on the family farm. When he was four years old, the family moved to New York City. At an early age Roy was inspired by the cultural atmosphere of the city and began studying music and art. His natural talent was perfected by his perseverance and his dedication to practicing. He progressed from piano lessons given to him by his Aunt Mary Lou Jackson to being tutored by the renowned Dr. Edvard Treumann at Carnegie Hall studios. Many musicians study their whole career in hopes for a chance to perform at Carnegie Hall. Roy played there weekly. While the works of Chopin, Bach, and Beethoven trickled easily from his fingers; he sought no worldly fame. He turned down an opportunity to be a concert pianist in Europe and instead stayed to raise his family and play the piano for church choirs and congregations.

On July 4, 1946 Roy married Mae Etta Williams and together they have three sons, and many grandchildren, great-grandchildren, and great-great grandchildren. Roy was a very dedicated father. His sons remember being awakened in the night and brought outside to learn the constellations. He would tell stories of the intellectual greats such as Socrates, Plato, and Leonardo DaVinci. He laid a foundation of faith in their home by teaching bible stories such as Daniel in the Lions Den, Jonah and the Whale, and the three loaves and fishes in a way that demonstrated how to apply it to their lives and how they can help in times of trial.

On top of Roy's many talents, he still worked hard in his day job as an electrician in New York City. He earned the respect of his colleagues by his integrity and work ethic. He retired from the International Brotherhood of Electrical Workers (IBEW) Local #3 in 1977.

It is no secret that Roy dearly loved his wife of 63 years. He was never comfortable talking about himself or his accomplishments, but he was always anxious to talk about Mae and all of her wonderful attributes. When Mae became a Reverend, he supported her in her calling in any capacity he could. The two were a tireless team in the Christian ministry and served in churches in Delaware and Maryland.

For more than sixteen years, Roy was a church pianist and organist. He was also a member of the Association of the United Methodists Musicians. He blessed so many people with his gift of music. He had a way of making others want to share their talents by his sincere praise and encouragement. In the Zoar United Methodist Church in Selbyville, Delaware, there was a group of lady ushers who wanted to sing. Roy was happy to help them form their own gospel choir, arrange their music, and play for them. "The Roy Moore Singers" as they came to be known, are still in existence today and honored him by singing at his funeral service.

Roy was equally talented in art as he was music. He studied at both the Art Student's League and National Academy of Fine Art in New York City. He earned a "John Hay Whitney Fellow" award that was significant enough to support his family while he perfected his craft. He sold many paintings from his studio in midtown Manhattan. On many afternoons, Roy could be seen in Central Park painting landscapes or portraits with friends such as Salvadore Dali.

Just as he did with music, Roy shared his artistic talents for the benefit of others. It was a pleasure for him to volunteer his time to teach an after-school art class to elementary and middle school aged children in Grasonville and Sudlersville, Maryland.

For many years he participated in summer vacation bible school for children and youth in Mount Pleasant, Maryland. He fondly remembered how the children's faces would light up when he would bring in a bag of treats for them. He understood that service to others, even in the simplest form, brings great joy.

On April 1, 2009 Roy returned home to be with the Lord. Johann Sebastian Bach once said "The aim and final end of all music should be none other than the glory of God and the refreshment of the soul." Roy's life, like his music, did just that. He glorified God by his faith and actions and lifted our souls with his love.

Mary Jarvis Strickler

Mary Jarvis Strickler was born May 17, 1934 in Rockville Centre, New York. Her parents were the Reverend Harold Francis Jarvis and Grace Riker Jarvis. She was raised on Long Island. She received her Bachelors degree from the King's College, New Castle, Delaware, and her Masters in Education from Salisbury University, Salisbury, Maryland.

Mary met her husband, Charles E. (Chuck) Strickler, the first week of their freshman year of college (1951) and they were either dating, engaged or married from that time until her death on April 11, 2009. Both of their lives were uniquely influenced by the Reverend George H. Pigueron, Jr. As a result of Dr. Pigueron's influence and direction, Mary went into secondary education and taught over 40 years in St. George's, Delaware, Millington, Maryland, and Snow Hill, Maryland, while Chuck went into parish ministry and later the Christian Bookstore ministry.

Along with her teaching career, Mary was a proud homemaker and mother. Her children, Cindy, Cherie, Chip and Chris and her grandchildren, Wesley, William, Walker and Catherine were the pride and joy of her life.

After family, Mary's passions in life were divided between her love for pool-side summers in the sun, flowers and gardening, animals (especially her devoted dog friends), reading, music and crossword puzzles.

Mary's lifework can be summed up in just one word: others. That was true in her professional life as a teacher and in her personal life as a partner, parent and friend. A super-charged day for Mary was to see that certain light on a child's face that occurs when what is being taught is grasped and understood. A heaven-sent day for Mary was to give without hesitation whatever it required to bring peace, stability and hope to her family both individually and collectively. Some learn to become self-giving and some special few are born knowing how. Mary was one of the latter group.

Mary finished her earthly journey April 11, 2009 after battling emphysema for over 15 years. She had donated her body to medical science for the good of others. There was no public funeral. A private, family celebration was substituted at Mary's request.

Most families have someone in the group who is the glue: That special cement that bonds and holds the unit together. Mary was that for her family. We will, no doubt, in time learn the art of Duct taping and tie wrapping, but we will always miss the glue.

Lovingly and thankfully,

Charles E. (Chuck) Strickler, Husband

Mary Virginia Truitt

Mary Virginia (Anderson) Truitt was born August 6, 1913 in Cheswold, Delaware, to George G. and Lizzie (Tigner) Anderson. Mary Virginia was married to Frederick Howard Truitt on October 13, 1933 and joined in ministerial service with him in 1936. They had three children: George Frederick Truitt, Carl Leslie Truitt (deceased) and Deborah Louise (Truitt) Bradford. They had 6 grandchildren: George Frederick Truitt, Jr., Cheryl Lynne Truitt, Carl Leslie Truitt, Jr., Sherri Linn Truitt, Katharyn Rachael Bradford and Anderson Lee Bradford. They also had

four great grandchildren: Christopher Lee Truitt, Jordan Todd Truitt, Kristin Nicole Truitt, Jennifer Lynn Truitt and one great grandchild: Briana Jean Truitt.

Mary Virginia graduated from Dover High School, Dover, Delaware, in 1931. She attended Beacom College in 1931 and 1932. Mary Virginia's childhood church experience included the Epworth League. Later on, during her teenage and early adulthood years, she was a member of the Women's Christian Temperance Union. As an adult, she was a member of the Women's Society of Christian Service, now known as the United Methodist Women. Throughout her husband's ministry, she was involved in teaching Sunday School classes and was involved in planning and preparing many church dinners. She was also involved in making quilts to sell and benefit the church. She was very active in supporting her husband's ministry, both in the church and in the communities they served. She was one of the founders and members of the Sore Fingers Quilting Club which was featured by Scortchy Tawes on an episode during the evening news on WBOC.

Mary Virginia Truitt died on Monday, August 18, 2008, at the Nanticoke Memorial Hospital in Seaford, Delaware, with her grandson Andy by her side. Mary Virginia had been slowly declining in health over several years. Prior to her hospitalization, she resided at the Seaford Genesis Center in Seaford, Delaware. The Reverend Jim Penuel officiated and interment was in the Sharptown Fireman's Cemetery, Sharptown, Maryland.

Mary Virginia's life revolved around her church and her family. She will be greatly missed by her family and her husband's former parishioners.

Joan Cordrey Wheatley

Joan entered this world on April 16, 1941, at Dorchester General Hospital. She was the firstborn daughter and second child of Mr. Jones Mills and his wife, Margaret (Morris). Besides her elder brother Danny, two more siblings were to follow, Deanna and Jay.

Being raised in the fishing community of Toddville, Maryland, Joan developed a strong work ethic at an early age. Like all children at that time in the community, she went to work in the crab house cracking crab claws during the summers at the age of 5. She often joked about having worked most of her life and would share the wonderful memories of her childhood years. She was raised and confirmed in the Toddville United Methodist Church. Her faith sustained her through her life as she learned to know both the blessings of God and the heartache of life.

Upon graduation from South Dorchester High School in 1959, she and her best friend, Pat (Murphy) Jones headed off to Sinai Hospital in Baltimore where they graduated with a Diploma of Nursing in September 1962. They were then hired by the Eastern Shore Hospital Center in Cambridge, Maryland, in October 1962. During her time at the School of Nursing, her father had a boating accident in which he was severely injured. She and the family often claimed that it was by the grace of God that he was not killed or injured worse.

Joan married William H. Cordrey on March 23, 1963. During their marriage, two lovely daughters were born, Rhonda and Teri. Tragedy struck when Bill developed cancer and died on May 3, 1970. Devastated, a young widow with 2 daughters, she leaned on her faith.

Joan and I met in 1971 and were married on January 7, 1972. During our marriage another beautiful daughter was born, Krista. We built a home in 1973. Neither one of us had an idea of what was about to happen. I was working at American Finance as a loan officer and Joan's nursing profession was going great. Then God called me into the ministry. Joan said, "Ok, if God has called you, then you had better go." In June 1977 we moved out of our home and started the path of "parsonage life." Joan never looked back. On August 14, 1985, tragedy struck our family once again as our eldest daughter, Rhonda, was killed in a automobile crash. Once again, Joan was a beacon of faith and courage to me, her family and friends.

She developed her own ministry as a health professional as people would ask her medical and health questions. She was instrumental in starting blood pressure checks and having people routinely visit doctors to ensure wellness. She often listened to people and gave them her wise counsel. She was a consummate Christian woman, wife and person. She was a silent prayer warrior, faithful in worship, even when she was unable to attend worship, she made sure that she watched something on television, read the bible and would make sure her spirit and faith stayed strong.

Even though she retired from the Eastern Shore Hospital Center on June 30, 1993, Joan remained active in nursing by working in assisted living facilities, the Dixon House in Easton, Maryland and Genesis Elder Care, in Salisbury and Cambridge, Maryland.

Joan enjoyed her family very much as she took part in the marriages of daughters, Teri and Krista to Bryan Hubbard and David Love. One of her greatest treasures was her grandchildren, Nate and Erin Hubbard.

Joan's favorite bible passage came from Philippians' 4:13, "I can do all things through him who strengthens me." Her favorite song was "God On The Mountain." She lived these through the deaths of her first husband, daughter and both of her parents. They became a benchmark for her when Joan developed cancer.

Joan Cordrey Wheatley was called from this world to life eternal on August 17, 2008. She died at home with her family present and was laid to rest at the Beulah Veteran's Cemetery on August 20, 2008. The Reverends Gary Moore and Ike Ledger officiated at the service held at Bethesda United Methodist Church in Preston, Maryland.

She is greatly missed by her husband, the Rev. Leonard H. Wheatley, her daughters and son-in-laws, Teri and Bryan Hubbard, Krista and David Love and her two grandchildren, Nate and Erin Hubbard.

X. MISCELLANEOUS

Conference Rules of Order

The following rules assist lay and clergy members of the Peninsula-Delaware Conference in their holy conferencing. These rules are determined by the Annual Conference and are found in the Conference journal. Changes to these rules require the action of the Annual Conference.

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.
- Rule 3: Resolutions shall be accepted from local churches, conference agencies, conference related institutions, or individual church members. The deadline for receiving these resolutions shall be fixed annually by the Conference Secretary.

Resolutions received in compliance with deadline, shall be distributed by the Secretary to clergy and lay members of the Annual Conference at least ten days prior to the Annual Conference session. (Whenever feasible, resolutions will be made available to conference members for the Pre-Conference Orientations.)

In exceptional circumstances, resolutions received after the announced deadline, but not later than the first morning of the Annual Conference session, will be reviewed by the Sessions Resolutions Committee. That Committee shall consist of the Presiding Bishop, the Chairperson of the Sessions Team, the Dean of the Cabinet, the Conference Secretary and the Conference Lay Leader. The Committee will determine which resolutions will be scheduled for agenda time of the Conference session. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. A district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.
- Rule 30:** The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if

it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President.

Rule 31: The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:

The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

 - We believe every meeting, including our face to face meetings with our charges need to begin in Prayer & Devotion
 - Every person deserves respect therefore: we will not gossip; we will maintain confidentiality; we will refrain from arguing with charge leadership
 - We need to Listen: we will turn off cell phones; make sure others are talking more than we are; remember this ministry is not about us, but the church; at the close of our meetings we will recap/reflect our understanding of things discussed; we will be aware of practicing positive body language; First impressions make a difference; we need to respond with thank you notes for our meeting that acknowledge something discussed.
 - Summaries should be sent in a timely manner to the DCM (Director of Connectional Ministry)
 - Be Prepared for Charge meetings and Committee meetings: Have an agenda; prepare a devotional to begin time together; keep it simple and short – this is intended to be an on-going relationship so you don't have to travel the world all at once.
 - We need to follow through and follow up (passing along info. In a timely manner.
 - Each voice is important – we will speak up and share at committee meetings
 - We believe in being honest – honest in how things are going
 - We can call on one another for help
 - Attendance and communication are key
 - We believe in diversity and the rich gifts of all people
 - We believe in identifying the persons that have been unseen and unknown but who are just as essential to working as a healthy Body of Christ.
 - We believe that the process and work of this Committee to be important and that the process of developing relationships with the Local Churches is essential to accomplishing our work effectively.

11. Vision and Mission and goals for the coming year (Developed to be consistent with the individual part of this covenant)

Vision: The Holy Spirit provides all people with specific spiritual gifts. There are persons who are passionate about their gifts. These persons need to be given the opportunity and responsibility to lead, teach, and assist local churches to become healthy or healthier local churches.

Mission: To find such gifted persons, the Committee on Clergy and Lay Leadership will contact every pastor or lay leader for the purpose of developing a list of persons who meet the following:

- Has gifts in the specific area where he/she is being asked to serve
- Is passionate about using those gifts to assist other churches as well as their own church
- Has demonstrated the gifts in their own church
- Is willing to participate in necessary meetings except where emergencies arise
- Is willing to take on the tasks assigned by the team
- Is willing to be a servant leader

In places where there is disciplinary direction, Committees and/or Boards will be staffed in consultation with the Bishop and Cabinet.

Goals: Complete its goal of 50% of the local churches contacted by December 1, 2007 and the remaining 50% by March 1, 2008. The Committee will make available a way to add or remove persons to the list as needed.

To this end:

Each member of the team will be assigned a number of churches and pastors (we anticipate 12 charges) for which they will be personally responsible for contacting - in one on one meeting.

In these contacts the members would be asking or challenging the pastors and congregations to do a gifts assessment or share one that has already been done, asking permission for pastors/congregations to share with the team member the persons who have gifts and passion in ministry areas of the Conference, District, or Local Church. And/or team members could seek what ministries of the local church might be sent out as resources to help enable ministries at other local churches.

Discover new ministry needs of local churches as relationship is established. The relationship between the team member and the church will eventually be a two way street where the member seeks information on the passions and gifts of the church and church members and receives information about ministry needs of the church that would be collected and passed on from the Leadership Team to the Vision Team.

Team contacts 50% of the pastors/charges assigned to them by December 1, 2007 and the second 50% by March 1, 2008

Team member will follow up on the relationship at least every 6 months updating information and sharing new ministry resources with their assigned congregations, as well as, inquiring what help the assigned congregation needs in order to be more effective in ministry.

Create pool of names from which to invite persons to serve at the Conference level. Members of the Team as they meet together will use the pool of names developed from these contacts to invite persons to serve at the Conference level.

Maintain an active resource list and send a note to pastors and superintendents reminding them of the passions people have and their willingness to serve at perhaps District and Local Church level.

Work in consultation with the Vision Team to ensure that all ministries comprise of people of passion and in accordance with *Discipline* 609.5.

In the process, the Conference Team will receive information (input) from both the Bishop and Cabinet and the Vision Team prior to inviting persons to be part of Conference teams, Boards, or agencies.
